Item 8.01 Other Events.

As previously announced, on February 12, 2018, WMIH Corp. (WMIH), Nationstar Mortgage Holdings Inc., a Delaware corporation (Nationstar), and Wand Merger Corporation, a Delaware corporation and a wholly-owned subsidiary of WMIH (Merger Sub), entered into an Agreement and Plan of Merger (the Merger Agreement). The Merger Agreement provides that, upon the terms and subject to the satisfaction or waiver of the conditions set forth therein, Merger Sub will merge with and into Nationstar (the Merger), with Nationstar continuing as the surviving corporation and a wholly-owned subsidiary of WMIH.

WMIH is filing the information under this Item 8.01 solely to file the required historical financial statements of Nationstar and the unaudited pro forma condensed combined financial statements, which give pro forma effect to the Merger described above.

This Item 8.01 includes:

Historical financial statements of Nationstar in accordance with Rule 3-05 of Regulation S-X, which are filed as Exhibit 99.1 and 99.2 hereto and incorporated herein by reference.

Unaudited pro forma condensed combined financial information about the financial condition and results of operations, including per share data, after giving effect to the Merger and related financing transaction, in accordance with Article 11 of Regulation S-X and as included in WMIH s joint proxy statement/prospectus, dated May 31, 2018, filed as part of WMIH s registration statement on Form S-4 (File No. 333-223862), which is filed as Exhibit 99.3 hereto and incorporated herein by reference.

The unaudited pro forma condensed combined financial information assumes that the Merger is accounted for under the acquisition method of accounting, and that the assets and liabilities of Nationstar will be recorded by WMIH at their respective estimated fair values as of the date the merger is completed. The unaudited pro forma condensed combined balance sheet gives effect to the transactions as if the transactions had occurred on March 31, 2018. The unaudited pro forma condensed combined statements of operations for the three months ended March 31, 2018 and the year ended December 31, 2017 give effect to the transactions as if the transactions had become effective on January 1, 2017.

The unaudited pro forma condensed combined financial information is presented for illustrative purposes only and does not indicate the financial results of the combined company had the companies actually been combined at the beginning of the period presented, nor the impact of possible business model changes. The unaudited pro forma condensed combined financial information also does not consider any potential effects of changes in market conditions on revenues, expense efficiencies, asset dispositions, and share repurchases, among other factors, and is based on certain assumptions, including, among others, that the Merger and the related transactions will be consummated. There can be no assurance that the Merger will be consummated or that the actual terms of such transactions will not differ materially from WMIH s current expectations.

FORWARD-LOOKING STATEMENTS

This communication contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 including, but not limited to, WMIH's and Nationstar's expectations or predictions of future financial or business performance or conditions. All statements other than statements of historical or current fact included in this communication that address activities, events, conditions or developments that we expect, believe or anticipate will or may occur in the future are forward-looking statements. Forward-looking statements give our current expectations and projections relating to our financial condition, results of operations, plans, objectives, future performance and business and these statements are not guarantees of future performance. Forward-looking statements may include the words anticipate, estimate, expect, project, intend, plan, believe, strategy, future, could, should, will, would, will be, will continue, will likely result, and similar expressions. Such forward-looking statements involve risks and uncertainties that may cause actual events, results or performance to differ materially from those indicated by such statements. Certain of these risks are identified and discussed in the registration statement and the definitive joint proxy statement/prospectus. These risk factors will be important to consider in determining future results and should be reviewed in their entirety. These forward-looking statements are expressed in good faith, and WMIH and Nationstar believe there is a reasonable basis for them. However, there can be no assurance that the events, results or trends identified in these forward-looking statements will occur or be achieved. Forward-looking statements speak only as of the date they are made, and neither WMIH nor Nationstar is under any obligation, and expressly disclaim any obligation, to update, alter or otherwise revise any forward-looking statement, except as required by law. Readers should carefully review the statements set forth in the registration statement, the definitive joint proxy statement/prospectus or other reports, which WMIH and Nationstar have filed or will file from time to time with the SEC.

In addition to factors previously disclosed in WMIH's and Nationstar's reports filed with the SEC and those identified elsewhere in this communication, the following factors, among others, could cause actual results to differ materially from forward-looking statements or historical performance: ability to meet the closing conditions to the merger, including approval by shareholders of WMIH and Nationstar on the expected terms and schedule and the risk that regulatory approvals required for the merger are not obtained or are obtained subject to conditions that are not anticipated; delay in closing the merger; failure to realize the benefits expected from the proposed transaction; the effects of pending and future legislation; risks associated with investing in mortgage loans and mortgage servicing rights and changes in interest rates; risks related to disruption of management time from ongoing business operations due to the proposed transaction; business disruption following the transaction; macroeconomic factors beyond WMIH's or Nationstar's control; risks related to WMIH's or Nationstar's indebtedness and other consequences associated with mergers, acquisitions and divestitures and legislative and regulatory actions and reforms.

Annualized, pro forma, projected and estimated numbers are used for illustrative purpose only, are not forecasts and may not reflect actual results.
