EXPLANATORY NOTE

Marvell Technology Group Ltd. (Marvell, the Registrant, we or our) hereby amends its Registration Statement on Form S-4 (Registration No. 333-222235) filed on December 21, 2017 (as amended, the Form S-4), by filing this Post-Effective Amendment No. 2 to Form S-4 on Form S-3 (the Form S-3) containing an updated prospectus relating to the offer and sale of up to 489,813 common shares of Marvell issuable upon the exercise of outstanding stock options (the Assumed Options) issued by Cavium, Inc. (Cavium).

The Assumed Options are held by former employees of Cavium and previously represented options to purchase shares of Cavium common stock (the Cavium Options). The Cavium Options were converted into the Assumed Options in connection with the merger contemplated by the Agreement and Plan of Merger, dated as of November 19, 2017 (the Merger Agreement), by and among Marvell, Kauai Acquisition Corp., a Delaware corporation and an indirect wholly owned subsidiary of Marvell (Merger Sub), and Cavium.

On July 6, 2018, Merger Sub was merged with and into Cavium (the Merger), with Cavium continuing as the surviving corporation and an indirect wholly owned subsidiary of Marvell. Pursuant to the Merger Agreement, each Cavium Option that was outstanding immediately prior to the effective time of the Merger (the Effective Time) was converted into an option to purchase that number of Marvell s common shares (rounded down to the nearest whole number) equal to the product of (a) the number of shares of Cavium common stock subject to such Cavium stock option and (b) 4.0339, at an exercise price per share (rounded up to the nearest whole cent) equal to the quotient obtained by dividing (1) the exercise price per share for such option immediately prior to the effective time of the Merger, by (2) 4.0339.

The Assumed Options were initially registered by Marvell on the Form S-4, which became effective on February 5, 2018. The Form S-3 is being filed to convert the Form S-4 into a Form S-3.

MARVELL TECHNOLOGY GROUP LTD.

We are a fabless semiconductor provider of application-specific semiconductor products. As a fabless semiconductor company, we focus on the design, development and marketing of semiconductor products and form relationships with foundries, assembly and test facilities for the manufacture of these products. Our semiconductors perform analog, mixed-signal and digital signal processing, and we design both stand-alone and embedded semiconductors. Our core strength lies in the development of complex integrated circuits that incorporate all components of an electronic system in onechip so-called SoC devices. Whereas electronic systems previously required multiple chips or systems to function, these electronic systems are increasingly performed by all-in-one devices. Our all-in-one devices, including its SoCs, microcontrollers, and embedded processors, are more efficient and cost-effective than multi-chip or multi-system products.

Our broad product portfolio includes devices for storage, networking and connectivity, as further described below, and our market segments include the enterprise, cloud, automotive, industrial and consumer markets.

Storage: We develop data storage products, with applications spanning consumer, client, cloud data center and enterprise markets. Products include controllers for hard disk drives (HDDs) and solid-state drives (SSDs) that store and retrieve data at reduced energy consumption and with greater speed and reliability. These products are incorporated into HDDs and SSDs for many different applications, including cloud and enterprise servers, all flash arrays (AFAs), enterprise storage arrays, desktop and laptop personal computers, surveillance systems, game consoles, automotive and similar devices.

Networking: We develop networking products that serve end-users in cloud, enterprise, small and medium business, and service provider networks. Products include (i) physical layer transceivers that are used in a wide range of products, including switch systems, printers, game consoles, automobiles and other systems that require Ethernet connectivity; (ii) Ethernet switch integrated circuits to provide switching and packet processing; and (iii) embedded ARM-based processors.

Connectivity: We develop wireless connectivity products that serve enterprise, service provider, automotive and high performance consumer markets. Products include client and access point chips that enable wireless communication using WiFi and Bluetooth standards.

We were incorporated in Bermuda in January 1995. Our registered and mailing address is Canon's Court, 22 Victoria Street, Hamilton HM 12, Bermuda, and our telephone number there is (441) 296-6395. The address of our U.S. operating subsidiary is Marvell Semiconductor, Inc., 5488 Marvell Lane, Santa Clara, California 95054, and our telephone number there is (408) 222-2500. We also have subsidiaries and operations in many countries, including China, India, Israel, Japan, Singapore, South Korea, Taiwan and Vietnam. Our fiscal year is the 52- or 53-week period ending on the Saturday closest to January 31. Accordingly, every fifth or sixth fiscal year will have a 53-week period. The additional week in a 53-week year is added to the fourth quarter, making such quarter consist of 14 weeks. Fiscal

2017 had a 52-week year. Fiscal 2018 was a 53-week year.

On July 6, 2018, we completed the merger contemplated by the Merger Agreement, by and among Marvell, Merger Sub and Cavium. Pursuant to the Merger Agreement, Merger Sub was merged with and into Cavium, with Cavium continuing as the surviving corporation and an indirect wholly owned subsidiary of Marvell.

As of February 3, 2018, the end of our fiscal year 2018, we had a total of approximately 3,749 employees. As of May 5, 2018, we held approximately 9,300 U.S. and foreign patents issued and approximately 1,650 U.S. and foreign patent applications pending on various aspects of our technology. We maintain a website at www.marvell.com where general information about us is available. We are not incorporating the contents of the website into this prospectus.

See **Where You Can Find More Information**.

USE OF PROCEEDS

We will not receive any proceeds from the sale of our common shares covered by this prospectus other than proceeds from the exercise of the Assumed Options whose underlying shares are covered by this prospectus. We have no plans for the application of any of these proceeds other than for general corporate purposes. We have no assurance that any of the options will be exercised.

PLAN OF DISTRIBUTION

We are registering 489,813 common shares issuable upon the exercise of the Assumed Options.

Pursuant to the terms of the applicable options, our shares will be issued to those option holders who elect to exercise and provide payment of the exercise price. We do not know if or when the options will be exercised. We also do not know whether any of the shares acquired upon exercise of any Assumed Options will subsequently be resold. We are not using an underwriter in connection with this offering.

DESCRIPTION OF MARVELL CAPITAL STOCK

Our authorized share capital consists of \$2,000,000, divided into 1,000,000,000 common shares, and no preferred shares are currently issued.

Pursuant to our bye-laws (Bye-laws), our board of directors is authorized to issue any of our authorized but unissued shares. There are no limitations on the right of non-Bermudians or non-residents of Bermuda to hold our common shares.

Common Shares

As of July 9, 2018, we had 655,278,780 common shares issued and outstanding.

In the event of our liquidation, dissolution or winding up, holders of common shares would be entitled to receive all of our assets, pro rata, after payment in full of all our debts and liabilities, and any liquidation payment that we may be required to pay to our preferred shareholders on the date of liquidation.

The common shares do not have preemptive or conversion rights or other subscription rights and there are no redemption or sinking fund provisions. The outstanding common shares are, and the common shares offered hereby, when issued and upon our receipt of the full purchase price therefore, will be, fully paid and nonassessable.

Preferred Shares

Our board of directors is authorized to issue preferred shares in one or more series. Our board of directors may, without any further approval of our shareholders:

determine or alter the rights, preferences, privileges and restrictions of the preferred shares, including dividend rights, dividend rates, conversion rights, voting rights, terms of redemption, redemption prices, and liquidation preferences; and

fix the number of shares and designation of any series of preferred shares.

Although our board of directors presently does not intend to do so, it could issue preferred shares with voting and conversion rights which could adversely affect the voting power and other rights of the holders of common shares, including the loss of voting control to others, without obtaining further approval of our shareholders. The issuance of preferred shares could delay or prevent a change in control of this company, without further action by our shareholders.

Bermuda Law

We were incorporated as an exempted Bermuda company under The Companies Act, 1981 of Bermuda (Companies Act). This means that we are exempted from the provisions of Bermuda law which currently stipulate that at least 60% of our equity must be beneficially owned by Bermudians.

The rights of our shareholders, including those persons who will become our shareholders in connection with this offering, are governed by Bermuda law, our Memorandum of Association and Bye-laws. The following is a summary of certain provisions of Bermuda law and our organizational documents.

Because this summary does not contain all of the information set forth in the Bermuda law provisions or our organizational documents, we encourage you to read those documents.

Dividends. Bermuda law authorizes a company to declare or pay a dividend or make a distribution out of contributed surplus, unless there are reasonable grounds for believing that,

the company would not be able to pay its debts as they become due; or

the realizable value of the company's assets would thereby be less than its liabilities.

Our Bye-laws provide that our board of directors may from time to time declare dividends or distributions out of contributed surplus to be paid to the shareholders according to their rights and interests, such dividend may be paid in cash or wholly or partly in specie.

Voting Rights. Unless otherwise provided by the Companies Act or a company's bye-laws, under Bermuda law, questions brought before a general meeting of shareholders are decided by a simple majority vote of shareholders present at the meeting. Each shareholder has one vote, regardless of the number of shares held, unless a poll is requested. If a poll is requested, each shareholder present in person or by proxy has one vote for each share held. A poll may be requested by:

the chairman of the meeting;

at least three shareholders present in person or by proxy;

any shareholder or shareholders present in person or represented by proxy and holding between them not less than one-tenth of the total voting rights of all the shareholders having the right to vote; or

any shareholder or shareholders present in person or represented by proxy holding shares conferring the right to vote at the meeting, and the total paid up on those shares has been paid up equal to at least one-tenth of the total sum paid up on all shares conferring the right vote at the meeting.

Our Bye-laws provide that, subject to the provisions of the Companies Act, any questions sent to a shareholder vote will be decided by the affirmative votes of a majority of the votes cast. In case of an equality of votes, the resolution shall fail. No shareholder shall (unless otherwise entitled under the Companies Act) be entitled to vote at any general meeting unless such shareholder has paid all the calls on all shares held by such shareholder.

Rights in Litigation. Under Bermuda law, in the event of liquidation, dissolution or winding up of a company, the proceeds of such liquidation, dissolution or winding up are distributed pro rata among the holders of common shares, after satisfaction in full of all claims of creditors and subject to the preferential rights accorded to any series of preferred stock.

Repurchase of Shares. At its discretion and without the sanction of a resolution, our board of directors may authorize the purchase by our company of our own shares, of any class, at any price. To the extent permitted by Bermuda law, the shares to be purchased may be selected in any manner whatsoever, upon such terms as our board of directors may determine in its discretion.

Meetings of Shareholders. Under Bermuda law, a company is required to convene at least one general shareholders meeting per calendar year unless waived by the shareholders. Bermuda law provides that a special general meeting must be called by our board of directors and must be called upon the request of shareholders holding not less than 10% of such of the paid-up capital of the company having the right to vote.

Bermuda law also requires that shareholders be given at least five days' advance notice of a general meeting, but the accidental omission of notice to any person does not invalidate the proceedings at such meeting. Our Bye-laws require at least five days' notice be given to each shareholder of the annual general meeting and of any special general meeting.

Under Bermuda law, the number of shareholders constituting a quorum at any general meeting of shareholders is determined by the bye-laws of the company. Our Bye-laws provide that two persons present in person and representing in person or by proxy at least 50% of the total issued voting shares throughout the meeting constitutes a quorum.

Shareholder Written Resolutions. Subject to certain exceptions in our Bye-laws and provisions of the Companies Act, anything which may be done by resolution of us in general meeting may without a meeting and without any previous notice being required, be done by resolution in writing signed by all the shareholders who at the date of the resolution would be entitled to attend the meeting and vote on the resolution.

Such exceptions in our Bye-laws include resolutions passed for the purpose of (a) appointing and removing its auditors before the expiration of its term of office; or (b) removing a director before the expiration of his term of office.

Access to Books and Records and Dissemination of Information. Members of the general public have the right to inspect the public documents of a company available at the office of the Registrar of Companies in Bermuda. These documents include:

our Memorandum of Association (including its objects and powers); and

any amendment of our Memorandum of Association.

In addition, our shareholders have the right to inspect:

our Bye-laws;

our minutes of general meetings; and

our audited financial statements, which must be presented at the annual general meeting.

Our register of shareholders is also open to inspection by our shareholders and to members of the general public without charge.

We are required to maintain our share register in Bermuda but may, subject to the provisions of the Companies Act, establish a branch register outside Bermuda. We are required to keep at our registered office a register of our directors and officers which is open for inspection for not less than two hours each day by members of the public without charge. However, Bermuda law does not provide a general right for shareholders to inspect or obtain copies of any other corporate records.

Election or Removal of Directors. Under Bermuda law and our Bye-laws, directors are elected at the annual general meeting for a term of one year or until their successors are elected or appointed, unless they resign or are earlier removed. Pursuant to our Bye-laws, our board of directors shall consist of not less than two directors or such number in excess thereof as our board of directors may from time to time determine.

Under Bermuda law, unless otherwise provided in a company's bye-laws, a director may be removed at a special general meeting of shareholders specifically called for that purpose, provided that the director was served with at least 14 days' notice of the meeting. The director has a right to be heard at such meeting. Any vacancy created by the removal of a director at a special general meeting may be filled at such meeting by the election of another director in his or her place or, in the absence of any such election, by our board of directors.

Amendment of Memorandum of Association and Bye-laws. Bermuda law provides that the memorandum of association of a company may be amended by a resolution passed at a general meeting of shareholders after due notice has been given. An amendment to the memorandum of association, other than an amendment which alters or reduces a company's share capital, also requires the approval of the Registrar of Companies, who may grant or withhold approval at his or her discretion. The directors may amend the bye-laws, but the amendment must be approved by the shareholders at a general meeting and approved by the affirmative votes of a majority of the votes cast in accordance with the provisions of the bye-laws and in case of an equality of votes the resolutions shall fail.

Under Bermuda law, the holders of a total of at least 20% in par value of any class of a company's issued share capital have the right to apply to the Bermuda courts for an annulment of any amendment of the memorandum of association adopted by shareholders at any general meeting, other than an amendment which alters or reduces a company's share capital as provided in the Companies Act. Where such an application is made, the amendment becomes effective only to the extent that it is confirmed by the Bermuda courts. An application for annulment of any amendment of the memorandum of association must be made within 21 days after the date on which the resolution altering the company's memorandum is passed and may be made on behalf of the persons entitled to make the application by one or more of their number as they may appoint in writing for that purpose. No such application may be made by persons voting in favor of the amendment.

Appraisal Rights and Shareholder Suits. Under Bermuda law, in the event of a merger or amalgamation of a Bermuda company with another company, a shareholder of the Bermuda company who is not satisfied that fair value has been offered for his or her shares may apply to the Bermuda courts to appraise the fair value of his or her shares. The merger or amalgamation of a company with another company requires the approval of the merger or amalgamation agreement by our board of directors and by the shareholders, and of the holders of each class of such shares.

Class actions and derivative actions are generally not available to shareholders under Bermuda law. However, the Bermuda courts would ordinarily be expected to follow English case law precedent, which would permit a shareholder to commence an action in the name of a company to remedy a wrong done to the company where the act complained of is alleged:

to be beyond the corporate power of the company;

to be illegal; or

to violate the company's memorandum of association or bye-laws.

Furthermore, consideration would be given by the Bermuda courts to acts that are alleged to constitute a fraud against the minority shareholders or, for instance where an act requires the approval of a greater percentage of the company's shareholders than those who actually approve it.

When the affairs of a company are being conducted in a manner oppressive or prejudicial to the interests of some of the shareholders, one or more shareholders may apply to the Bermuda courts for an order to regulate the company's conduct of affairs in the future or order the purchase of the shares by any shareholder, by other shareholders or by the company.

Board Actions. Under Bermuda law, the directors of a Bermuda company owe their fiduciary duties to the company, rather than to individual shareholders. Our Bye-laws provide that some actions are required to be approved by our board of directors. Actions must be approved by a majority of the votes present and entitled to be cast at a properly convened meeting of our board of directors.

Our Bye-laws contain a provision by virtue of which our shareholders waive any claim or right of action that they have, both individually and on our behalf, against any director or officer in relation to any action or failure to take action by such director or officer, except in respect of any fraud or dishonesty of such director or officer.

Our Bye-laws also indemnify our directors and officers in respect of their actions and omissions, except in respect of their fraud or dishonesty. The indemnification provided in our Bye-laws is not exclusive of other indemnification rights to which a director or officer may be entitled, provided these rights do not extend to his or her fraud or dishonesty.

Our Bye-laws provide that our business is to be managed and conducted by our board of directors. Bermuda law does not require that our directors be individuals, and there is no requirement in our Bye-laws or Bermuda law that directors hold any of our shares. There is also no requirement in our Bye-laws or Bermuda law that our directors must retire at a certain age.

Related Party Transactions and Loans. Pursuant to our Bye-laws, provided a director discloses a direct or indirect interest in any contract or arrangement with us as required by Bermuda law, such director is may be counted in the quorum and vote in respect of any such contract or arrangement in which he or she is interested unless he or she is disqualified from voting by the chairman of the relevant board meeting.

Discontinuance/Continuation. Under Bermuda law, an exempted company may be discontinued in Bermuda and continued in a jurisdiction outside Bermuda as if it had been incorporated under the laws of that other jurisdiction. Our Bye-laws provide that our board of directors may exercise all our power to discontinue to another jurisdiction.

Foreign Exchange Controls. We have been designated as a non-resident of Bermuda by the Bermuda Monetary Authority for the purposes of the Exchange Control Act, 1972 and regulations made under it and there is no restriction or requirement of Bermuda binding on us which limits the availability or transfer of foreign exchange (i.e. monies denominated in currencies other than Bermuda dollars).

Transfer of Common Shares to Non-Residents of Bermuda. The Bermuda Monetary Authority has given its general permission for the issue and free transferability of securities of Bermuda companies, which would include the common shares that are the subject of this offering, to and between non-residents of Bermuda for exchange control purposes, provided that our common shares remain listed on an appointed stock exchange, which includes NASDAQ. Approvals or permissions given by the Bermuda Monetary Authority do not constitute a guarantee by the Bermuda Monetary Authority as to our performance or our creditworthiness. Accordingly, in giving such consent or permissions, the Bermuda Monetary Authority shall not be liable for the financial soundness, performance or default of our business or for the correctness of any opinions or statements expressed in this prospectus.

In accordance with Bermuda law, share certificates are only issued in the names of companies, partnerships or individuals. In the case of a shareholder acting in a special capacity (for example as a trustee), certificates may, at the request of the shareholder, record the capacity in which the shareholder is acting. Notwithstanding such recording of any special capacity, we are not bound to investigate or see to the execution of any such trust. We will take no notice of any trust applicable to any of our common shares, whether or not we have been notified of such trust.

DESCRIPTION OF CAVIUM PLANS

Introduction

This prospectus contains an overview of eligible individuals' rights under the Cavium Plans, which were assumed by Marvell upon completion of the Merger. As a result of that Merger, the assumed stock options granted under the Cavium Plans relate to Marvell common shares instead of shares of Cavium common stock.

The description of the Cavium Plans in this prospectus is merely a summary of key terms and conditions of the Cavium Plans. This prospectus does not contain all of the terms and conditions of the official plan documents for the Cavium Plans, and is expressly qualified by reference to the plan documents for the Cavium Plans and the terms and conditions of a specific grant or award. In the event of any inconsistency between this prospectus, any plan documents or the terms and conditions of a grant or award, the plan documents and the terms and conditions of the grant or award will govern. See [Where You Can Find More Information](#) for instructions on how to obtain copies of the official plan documents.

Administration of the Cavium Plans

Since the Merger, the Cavium Plans are being administered by the Executive Compensation Committee of Marvell's Board of Directors (the "ECC"). Subject to the terms of the Cavium Plans, the ECC has the authority to interpret the terms of the Cavium Plans and make all decisions related to the operation of the Cavium Plans. The ECC may delegate the power to make all determinations under the Cavium Plans with respect to those awards to one or more executive officers of Marvell to the extent permitted by law. The ECC's determinations under the Cavium Plans need not be uniform. All determinations and decisions that the ECC makes pursuant to the provisions of the Cavium Plans are final, conclusive and binding on all parties.

Governing Law

The Cavium Plans and the terms of all outstanding stock options are governed by and administered in accordance with the laws of the State of California.

Types of Awards Outstanding

The Cavium Plans permit the grant of various types of awards. This prospectus relates only to the offering of Marvell common shares relating to outstanding stock options held by former Cavium employees.

Option Awards

In general, an option is a contractual right granted to an individual to purchase up to a specified number of common shares at a specified exercise price within a specified period of time, subject to certain conditions. The shares subject to an option may be purchased (referred to generally as the "exercise" of the option) as allowed by the vesting and exercisability rules set forth in the award agreement. The award agreement will provide that the option is exercisable in accordance with a vesting schedule. In addition, the right to exercise might terminate when certain events occur, such as termination of employment, as specified in the award agreement. An option holder is not required to exercise an option when it first becomes exercisable. The option holder may exercise the option (or the exercisable portion of the option, as the case may be) at any time within the remaining term of the option, subject to the rules in the award agreement.

To exercise an option, the option holder must deliver written notice of exercise to Marvell in a form designated by Marvell (or follow any other method of notice set forth in the award agreement) and pay the exercise price and any

applicable withholding taxes.

Shares purchased upon exercise of an option must be paid in full at the time of purchase in accordance with the terms of the award agreement evidencing the option. No shares will be issued pursuant to any option until full payment of the exercise price has been made to Marvell. An option holder will have none of the rights of a shareholder of Marvell until the shares are issued.

An award agreement might provide that the purchase price is to be paid (i) in cash, check, bank draft or money order payable to Marvell, (ii) pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of the common shares subject to the option, resulting in either the receipt of cash (or check) by Marvell or the receipt of irrevocable instructions to pay the aggregate exercise price to the Marvell from the sales proceeds, (iii) by delivery to Marvell (either by actual delivery or attestation) of common shares; (iv) by a net exercise arrangement pursuant to which Marvell will reduce the number of common shares issued upon exercise by the largest whole number of shares with a Fair Market Value (as defined in the Cavium Plans) that does not exceed the aggregate exercise price; provided, however, that Marvell shall accept a cash or other payment from the option holder to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole shares to be issued; provided, further, that common shares will no longer be outstanding under an option and will not be exercisable thereafter to the extent that (A) shares are used to pay the exercise price pursuant to the net exercise, (B) shares are delivered to the option holder as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations; or (v) in any other form of legal consideration that may be acceptable to the ECC and specified in the applicable award agreement.

Transfer of Awards

Except as otherwise determined by the ECC, no award granted under the Cavium Plans is transferable by an award recipient otherwise than by will or the laws of descent and distribution or pursuant to the terms of a domestic relations order. Unless otherwise determined by the ECC in accord with the provisions of the immediately preceding sentence, an award may be exercised during the lifetime of the recipient only by the recipient.

LEGAL MATTERS

The validity of the Marvell common shares offered by this prospectus has been passed upon for Marvell by Appleby (Bermuda) Limited, Hamilton, Bermuda.

Item 15. Indemnification of Directors and Officers

Marvell was incorporated under the laws of Bermuda. Set forth below is a description of certain provisions of the Companies Act, 1981 of Bermuda (the Companies Act), Marvell s Memorandum of Association, and Marvell s Bye-laws, as such provisions relate to the indemnification of Marvell s directors and officers. This description is intended only as a summary and is qualified in its entirety by reference to the applicable provisions of the Companies Act, Marvell s Memorandum of Association, and Marvell s Bye-laws, which are incorporated herein by reference.

The Companies Act permits Marvell to indemnify its directors or officers in their capacity as such in respect of any loss arising or liability attaching to them by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which a director or officer may be guilty in relation to Marvell other than in respect of his or her own fraud or dishonesty.

Marvell s Bye-laws provide that every director, secretary and other officers (including any committee member appointed by Marvell s board of directors (Committee Member)) of Marvell be indemnified and secured harmless out of the assets of Marvell from and against all actions, costs, charges, losses, damages or expenses incurred or sustained in such capacity, and none of them shall be answerable for the acts, receipts, neglects or defaults of the others of them subject to limitations imposed in the Companies Act and provided that the indemnity shall not extend to any matter in respect of any fraud or dishonesty which may attach to any of said persons.

Bye-law 32 of Marvell s Bye-laws stipulates that each shareholder and Marvell agree to waive any claim or right of action against any director, officer or Committee Member, in respect of any failure to act or any action taken by such director, officer or Committee Member in the performance of his or her duties with or for Marvell. The waiver does not extend to claims arising under United States federal securities laws or any claims, rights of action arising from the fraud or dishonesty of such director, officer or Committee Member.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

- (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

II-2

- (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
