Item 1 - Information Contained in this Form 6-K Report

On May 19, 2006, Seaspan Corporation entered into a 10 to 13-year (based on the delivery dates of certain vessels), senior secured, \$365 million revolving credit facility with DnB Nor Bank ASA, Credit Suisse and Fortis Capital Corp., as Mandated Lead Arrangers, DNB Nor Bank ASA, as Sole Bookrunner, Administrative Agent and Security Agent, Landesbank Hessen-Thuringen, as Documentation Agent and the various lenders party thereto.

The facility is split into two separate tranches. Our obligations under the facility are secured by first-priority mortgages on two 3,500 TEU container vessels, in the case of the first tranche, and up to eight 2,500 TEU container vessels, in the case of the second tranche. Also, the facility is secured by a first-priority assignment of our earnings related to the collateral vessels, including time-charter revenues and any insurance proceeds.

We may prepay all loans at any time without penalty, other than breakage costs in certain circumstances. Amounts that have been prepaid, may be reborrowed. We are required to prepay a portion of the outstanding loans under certain circumstances, including the sale or loss of a vessel if we do not substitute another vessel. Beginning six months from the delivery date of the last vessel securing the first tranche of the facility, but no later than March 31, 2008, the total amounts available for borrowing under the first tranche will be reduced semiannually until the maturity date, at which time the facility will terminate. Beginning six months from the delivery date of the last vessel securing the second tranche of the facility, but no later than April 30, 2010, the total amounts available for borrowing under the second tranche will be reduced semiannually until the maturity date, at which time the facility will terminate.

Indebtedness under the revolving credit facility bears interest at a rate equal to LIBOR + 0.850% until approximately July 31, 2013, for the first tranche, and approximately August 31, 2005, for the second tranche, and LIBOR + 0.925% thereafter. We incur a commitment fee on the unused portion of the revolving credit facility at a rate of 0.30% per annum.

We are subject to other customary conditions precedent before we may borrow under the facility, including that no event of default is ongoing and there having occurred no material adverse effect on our ability to perform our payment obligations under the facility. In addition, the credit facility contains various covenants limiting our ability to:

- Allow liens to be placed on the collateral securing the facility;
 - Enter into mergers with other entities;
 - Conduct material transactions with our affiliates except on an arm's-length basis;
 - Change the flag, class, or management of our vessels.
-

The credit agreement also contains covenants requiring us to maintain:

- A tangible net worth (as defined in the credit agreement) of \$450,000,000;
- Total borrowings less than 65% of total assets (each as defined in the credit agreement);
- Cash on hand of \$25,000,000 if at any time more than 50% of the collateral vessels are subject to time charters having a remaining term of one year or less;
- A net interest coverage ratio (as defined in the credit agreement) of 2.50 to 1.00; and
- An interest and principal coverage ratio (as defined in the credit agreement) of 1.1 to 1.0.

The credit agreement contains customary definitions of events of default, including nonpayment of principal or interest, breach of covenants or material inaccuracy of representations, default under other material indebtedness, bankruptcy, and change of control.

The description of the credit facility is qualified in its entirety by reference to the agreement itself, which is incorporated by reference herein and included as Exhibit 1 hereto.

(c) After notification under paragraph (b) above, the Borrower shall have six (6) months to obtain a suitable substitute charterer, such substitute charterer to be satisfactory in all respects to all of the Lenders.

(d) Such substitute charterer must enter into any and all documents equivalent in all material respects to the documents currently existing and entered into by the relevant Time Charterer, or such other documents as are acceptable to the Lenders.

(e) If the Borrower is unable to obtain a suitable substitute charterer in accordance with the terms of this Section 5.8, the Borrower shall immediately prepay all outstanding Advances in relation to the Collateral Vessels under charter with the relevant Time Charterer.

7. PAYMENTS

7.1 Place of Payments; No Set Off. All payments to be made hereunder by the Borrower shall be made to the Administrative Agent, not later than 12 p.m. New York time (any payment received after 12 p.m. New York time shall be deemed to have been paid on the next Banking Day) on the due date of such payment, at its office located at 200 Park Avenue, 31ST Floor, New York, New York 10166, USA or to such other office of the Administrative Agent as the Administrative Agent may direct, without set-off or counterclaim and free from, clear of, and without deduction or withholding for, any Taxes, provided, however, that if the Borrower shall at any time be compelled by law to withhold or deduct any Taxes from any amounts payable to the Lenders hereunder, then the Borrower shall pay such additional amounts in Dollars as may be necessary in order that the net amounts received after withholding or deduction shall equal the amounts which would have been received if such withholding or deduction were not required and, in the event any withholding or deduction is made, whether for Taxes or otherwise, the Borrower shall promptly send to the Administrative Agent such documentary evidence with respect to such withholding or deduction as may be required from time to time by the Lenders.

7.2 Tax Credits. If any Lender obtains the benefit of a credit against the liability thereof for Taxes imposed by any taxing authority for all or part of the Taxes as to which the Borrower has paid additional amounts as aforesaid, then such Lender shall pay an amount to the Borrower which that Lender determines will leave it (after such payment) in the same position as it would have been had the Tax payment not been made by the Borrower. Each Lender agrees that in the event that Taxes are imposed on account of the situs of its loans hereunder, such Lender, upon acquiring knowledge of such event, shall, if commercially reasonable and if, in the opinion of that Lender, is not prejudicial to it, shift such loans on its books to another office of such Lender so as to avoid the imposition of such Taxes. Nothing contained in this clause shall in any way prejudice the right of the Lenders to arrange their tax affairs in such way as they, in their sole discretion, deem appropriate. In particular, no Lender shall be required to obtain such tax credit, if this interferes with the way such Lender normally deals with its tax affairs.

7.3 Lender Assignment. If (a) a Lender assigns or transfers any of its rights and obligations under the Credit Agreement under Section 11; (b) a Lender changes its facility office; or (c) if the Administrative Agent changes its office pursuant to Section 7.1, and such assignment, transfer or change requires the Borrower to make a deduction or withholding for or on account of Taxes with respect to any payment under a Facility Document or to pay any increased costs pursuant to Section 12.2, the Borrower will not be obliged to make such deduction or withholding or pay such increased costs.

7.4 Sharing of Setoffs. Each Lender agrees that if it shall, through the exercise of a right of banker's lien, setoff or counterclaim or pursuant to a secured claim under Section 506 of the Federal Bankruptcy Code or other security or interest arising from, or in lieu of, such secured claim, exercised or received by such Lender under any applicable bankruptcy, insolvency or other similar law or otherwise, or by any other means, obtain payment (voluntary or involuntary) in respect of the Facility as a result of which its funded Commitment shall be proportionately less than the funded Commitment of any other Lender, it shall be deemed simultaneously to have purchased from such other Lender at face value, and shall promptly pay to such other Lender the purchase price for, a participation in the funded Commitment of such other Lender so that the aggregate funded Commitment of each Lender shall be in the same proportion to the aggregate funded Commitments then outstanding as its funded Commitment prior to such exercise of banker's lien, setoff or counterclaim or other event was to the principal amount of all funded Commitments outstanding prior to such exercise of banker's lien, setoff or counterclaim or other event; provided, however, that, if any such purchase or purchases or adjustments shall be made pursuant to this Section 7.4 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of

such recovery and the purchase price or prices or adjustment restored without interest. Any Lender holding a participation in a funded Commitment deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim with respect to any and all monies owing to such Lender by reason thereof as fully as if such Lender had made an advance in the amount of such participation. The Borrower expressly consents to the foregoing arrangement.

7.5 Computations: Banking Day. (a) All computations of interest and fees shall be made by the Administrative Agent or the Lenders, as the case may be, on the basis of a 360-day year, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which interest or fees are payable. Each determination by the Administrative Agent or the Lenders of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) Whenever any payment hereunder or under the Note shall be stated to be due on a day other than a Banking Day, such payment shall be due and payable on the next succeeding Banking day unless the next succeeding Banking Day falls in the following calendar month, in which case it shall be payable on the immediately preceding Banking Day.

8. EVENTS OF DEFAULT.

8.1 Events of Default. The occurrence of any of the following events shall be an Event of Default:

(a) Non-payment. The Borrower does not pay on the due date any amount payable by it under the Facility Documents in the manner required under the Facility Documents, unless the non-payment:

(i) is caused by technical or administrative error; and

(ii) is remedied within three (3) Banking Days of the due date; or

(b) Breach of other obligations. Any of the following occurs in respect of the Borrower:

(i) The Borrower defaults in the performance of any term, covenant (including but not limited to the covenants contained in Section 9 hereof) or agreement contained in this Agreement, the Note, any Hedge Agreement, the Security Documents or any of them, or any other instrument, document or agreement delivered in connection herewith or therewith, or there occurs any other event which constitutes a default under this Agreement, the Note, any Hedge Agreement or any of the Security Documents other than an Event of Default referred to elsewhere in this Section 8, and such default is, in the opinion of the Administrative Agent, capable of remedy, and continues unremedied for a period of thirty (30) days after written notice; or

(ii) the Borrower fails to comply with the provisions of Section 4.8 (to the extent applicable) or breaches any covenant to maintain (A) the registration of any Mortgage or Security Document in a first priority and perfected position, (B) the registration of any Collateral Vessel, (C) the Insurances required under any Mortgage or (D) the financial covenants of Section 9.3, provided always that, in the case of the foregoing (A) and (B), if the non-compliance is caused by technical or administrative error only, is corrected within three (3) Banking Days of the earlier of the Administrative Agent giving notice to the Borrower and discovery by the Borrower (for the purpose of this paragraph "discovery" means actual awareness), and, in the case of the foregoing (C), if the non-compliance is caused by technical or administrative error only, is corrected within one (1) Banking Day and in each case the Administrative Agent (acting on the good faith and reasonable instructions of the Majority Lenders) is satisfied that the Creditors have neither suffered nor will, in the future, suffer any material detriment (whether financial, to their security position or otherwise howsoever) as a result of the non-compliance; or

(iii) Any Party (other than the Borrower or a Creditor) does not comply with any terms of the Facility Documents which the Administrative Agent (acting on the good faith and reasonable instructions of the Majority Lenders) considers to be material, unless the non-compliance:

(A) is capable of remedy; and

(B) is remedied within fourteen (14) days of the earlier of the Administrative Agent giving notice and discovery by the relevant Party ("discovery" having the same meaning as in Section 8.1(b)(ii)); or

(c) Misrepresentation. A representation made or repeated by the Borrower (or by any other Party other than a Creditor) in any Facility Document or in any document delivered by or on behalf of the Borrower under any Facility Document is incorrect in any respect which the Administrative Agent (acting on the good faith and reasonable instructions of the Majority Lenders) considers to be material when made or deemed to be repeated, unless the circumstances giving rise to the misrepresentation:

(D) in each case, as a result of an event of default (howsoever described) and after the expiry of any applicable grace period; or

(iii) any commitment for its Indebtedness is cancelled or suspended as a result of an event of default (howsoever described),

unless the aggregate amount of Indebtedness falling within paragraphs (i) to (iii) above is less than Twenty Five Million Dollars (\$25,000,000) or its equivalent ; or

(iii) it suspends making payments on any of its debts or announces an intention to do so;

(iv) by reason of actual or anticipated financial difficulties, it begins negotiations with any creditor for the rescheduling of any of its indebtedness; or

(v) a moratorium is declared in respect of any of its indebtedness.

If a moratorium occurs in respect of the Borrower, the ending of the moratorium will not remedy any Event of Default caused by the moratorium; or

(f) Insolvency proceedings.

(i) Except as provided in paragraph (ii) below, any of the following occurs in respect of the Borrower:

- (A) The Borrower files a petition for reorganization or liquidation in bankruptcy or any step is taken with a view to a moratorium, a composition, assignment or similar arrangement with any of its creditors;

- (h) Cessation of business. The Borrower ceases, or threatens to cease, to carry on business except as a result of any disposal not prohibited under this Agreement; or
- (i) Failure to pay final judgment. The Borrower fails to comply with or pay any sum due from it under any final judgment or any final order made or given by any court of competent jurisdiction; or

In such event, the Lenders may proceed to protect and enforce their rights by

action at law, suit in equity or in admiralty or other appropriate proceeding, whether for specific performance of any covenant contained in this Agreement, in the Note or in any Security Document, or in aid of the exercise of any power granted herein or therein, or the Lenders may proceed to enforce the payment of the Note or to enforce any other legal or equitable right of the Lenders, or proceed to take any action authorized or permitted under the terms of any Security Document or by applicable law for the collection of all sums due, or so declared due, on the Note. Without limiting the foregoing, the Borrower agrees that during the continuance of any Event of Default each of the Lenders shall have the right to appropriate and hold or apply (directly, by way of set-off or otherwise) to the payment of the obligations of the Borrower to the Lenders hereunder and/or under the Note (whether or not then due) all monies and other amounts of the Borrower then or thereafter in possession of any Lender pursuant to any Facility Document, the balance of any deposit account (demand or time, mature or unmatured) of the Borrower then or thereafter with any Lender held pursuant to any Facility Document and every other claim of the Borrower then or thereafter against any of the Lenders pursuant to any Facility Document.

Any Creditor's certification of such costs and expenses shall, absent any manifest error, be conclusive and binding on the Borrower.

8.3 Application of Monies. Except as otherwise provided in any Security Document, all monies received by the Administrative Agent, the Security Agent or the Lenders under or pursuant to this Agreement, the Note or any of the Security Documents after the happening of any Event of Default (unless cured to the satisfaction of the Majority Lenders) shall be applied by the Administrative Agent in the following manner:

The Borrower will take all actions reasonably requested by any Creditor to effect such assignment, including, without limitation, the execution of a written consent to any Assignment and Assumption Agreement.

12. INCREASED COST, NON-AVAILABILITY, ETC.

12.1 Increased Costs. If any change in applicable law, regulation or regulatory requirement (including any applicable law, regulation or regulatory requirement which relates to capital adequacy or liquidity controls or which affects the manner in which any Lender allocates capital resources under this Agreement), of general application to financial institutions in such Lender's jurisdiction or in the interpretation or application thereof by any governmental or other authority, shall:

- (i) subject any Lender to any Taxes (other than a Tax imposed on the net income of a Lender or its facility office by the jurisdiction in which it is incorporated, the jurisdiction in which its facility office is located, the jurisdiction in which payments under the Facility may be made or on the capital of that Lender employed in such jurisdiction or jurisdictions); or
- (ii) change the basis of taxation to any Lender of payments of principal or interest or any other payment due or to become due pursuant to this Agreement (other than a change in the basis effected by the jurisdiction of the organization of such Lender, the jurisdiction in which its facility office is located, the jurisdiction in which payments under the Facility may be made or on the capital of that Lender employed in such jurisdiction or jurisdictions); or

- (iv) impose on any Lender any other condition affecting the Facility;

and the result of the foregoing is either to increase the cost to a Lender of making available or maintaining the Facility or any part thereof or to reduce the amount of any payment received by such Lender, then and in any such case if such increase or reduction in the reasonable opinion of such Lender materially and adversely affects the interests of such Lender under or in connection with this Agreement:

(b) such Lender shall notify the Borrower of the happening of such event, and

(c) the Borrower shall forthwith upon demand pay to such Lender such amount as the Lender certifies to be necessary to compensate the Lender for such additional cost or such reduction.

The Borrower will not need to make any payment to the Lenders for an increased cost to the extent that such increased cost (i) is compensated for under another section of this Agreement, or (ii) is attributable to the relevant Lender wilfully failing to comply with any law or regulation. The relevant Lender must use commercially reasonable efforts to mitigate any circumstances which arise and which result in any increased cost being payable to that Lender by the Borrower and the Borrower will indemnify that Lender for all costs and expenses reasonably incurred by it as a result of any such mitigation. Following a claim by a Lender for an increased cost, the Borrower shall, with the consent of the Administrative Agent (acting on the instructions of the Majority Lenders), be entitled to compel such Lender to transfer its Commitment pursuant to the terms of Section 11 to a Lender or new lender that the Borrower identifies.

The Borrower and the Administrative Agent shall then negotiate in good faith in order to agree upon a mutually satisfactory interest rate and/or Interest Period to be substituted for those which would otherwise have applied under this Agreement. If the Borrower and the Administrative Agent are unable to agree upon such a substituted interest rate and/or Interest Period within thirty (30) days of the giving of such determination notice, the Administrative Agent shall set an interest rate and Interest Period to take effect from the expiration of the Interest Period in effect at the date of determination, which rate shall be equal to the applicable margin plus the cost to the Lenders (as noticed by the Lenders to the Administrative Agent and as certified by the Administrative Agent to the Borrower) of funding the Facility. In the event the state of affairs referred to in this Section 12.2 shall extend beyond the end of such Interest Period, the foregoing procedure shall continue to apply until circumstances are such that the Applicable Rate may be determined pursuant to Section 6.

12.3 Administrative Agent's Certificate Conclusive. A certificate or determination notice of the Administrative Agent as to any of the matters referred to in this Section 12 shall, save for any manifest error, be conclusive and binding on the Borrower.

12.4 Compensation for Losses. Where the Facility or any portion thereof is to be prepaid by the Borrower pursuant to any of the foregoing provisions of this Section 12 the Borrower shall simultaneously with such prepayment pay to the affected Lenders all accrued interest to the date of actual payment and all other sums payable by the Borrower to the Administrative Agent, the Security Agent or the Lenders pursuant to this Agreement together with such amounts as may be certified by the Administrative Agent to be necessary to compensate the Administrative Agent, the Security Agent or the Lenders for any loss, premium or penalties incurred or to be incurred by them on account of funds borrowed to make, fund or maintain the Facility or any part thereof for the remainder (if any) of the then current Interest Period or Interest Periods in accordance with Section 5.10 but otherwise without penalty or premium.

13.2 Change in Exchange Rate. If there is a change in the rate of exchange prevailing between the conversion date and the date of actual payment of the amount due, the Borrower shall pay such additional amounts (if any) as may be necessary to ensure that the amount paid in the judgment currency when converted at the rate of exchange prevailing on the date of payment will produce the amount then due under this Agreement, the Note or any of the Security Documents in Dollars. Any excess over the amount due received or collected by the Lenders shall be remitted to the Borrower.

13.3 Additional Debt Due. Any amount due from the Borrower under this Section 13 shall be due as a separate debt and shall not be affected by judgment being obtained for any other sums due under or in respect of this Agreement, the Note and/or any of the Security Documents.

The Borrower agrees, whether or not the transactions hereby contemplated are consummated, on demand to pay, or reimburse the Administrative Agent and the Security Agent for the payment of, the expenses of the Administrative Agent, the Security Agent and (after the occurrence and during the continuance of an Event of Default) the Lenders incident to said transactions (and in connection with any supplements, amendments, waivers or consents relating thereto or incurred in connection with the enforcement or defense the Creditors' rights or remedies with respect thereto or in the preservation of Creditors' priorities under the documentation executed and delivered in connection therewith), including, without limitation, all reasonable costs and expenses of preparation, negotiation, execution and administration of this Agreement and the documents referred to herein, the reasonable fees and disbursements of the Creditors' counsel in connection therewith, as well as the reasonable fees and expenses of any independent appraisers, surveyors, engineers, inspectors and other consultants retained by the Administrative Agent and the Security Agent in connection and in accordance with this Agreement and under the Security Documents, all costs and expenses, if any, in connection with the enforcement of this Agreement, the Note and the Security Documents and stamp and other similar taxes, if any, incident to the execution and delivery of the Credit Agreement, the Security Documents and the Note herein contemplated and to hold the Creditors free and harmless in connection with any liability arising from the nonpayment of any such stamp or other similar taxes. Such taxes and interest thereon, if any, and penalties related thereto as may become payable after the date hereof shall be paid immediately by the Borrower to the Creditors, as the case may be, when liability therefor is no longer contested by such party or parties or reimbursed immediately by the Borrower to such party or parties after payment thereof (if the Creditors, at their sole discretion, choose to make such payment) and such payment was required to be made under this Agreement or under applicable laws.

15. APPLICABLE LAW, JURISDICTION, AND WAIVER.

15.1 Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

The service, as herein provided, of such summons or other legal process in any such action or proceeding shall be deemed personal service and accepted by the Borrower as such, and shall be legal and binding upon the Borrower for all the purposes of any such action or proceeding. Final judgment (a certified or exemplified copy of which shall be conclusive evidence of the fact and of the amount of any indebtedness of the Borrower to the Lenders, the Administrative Agent or the Security Agent) being a judgment that cannot or can no longer be appealed against the Borrower in any such legal action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment. The Borrower will advise the Administrative Agent promptly of any change of address for the purpose of service of process. Notwithstanding anything herein to the contrary, any of the Lenders, the Administrative Agent or the Security Agent may bring any legal action or proceeding in any other appropriate jurisdiction.

Neither this Agreement, the Note nor any of the Security Documents nor any terms hereof or thereof may be amended unless such amendment is approved by the Borrower and the Majority Lenders, provided that no such amendment shall, without the written consent of each Lender affected thereby, (i) reduce the interest rate or extend the time of a scheduled payment of principal or interest or fees on the Facility, or reduce the principal amount of the Facility or any fees hereunder, (ii) increase or decrease the Commitment of any Lender or subject any Lender to any additional obligation (it being understood that a waiver of any Event of Default, other than a payment default, or any mandatory repayment of the Facility shall not constitute a change in the terms of any Commitment of any Lender), (iii) amend, modify or waive any provision of this Section 16.8, (iv) amend the definition of Majority Lenders or any other definition referred to in this Section 16.8, (v) consent to the assignment or transfer by the Borrower of any of their rights and obligations under this Agreement, or (vi) release the Borrower from any of its obligations under any Security Document except as expressly provided herein or in such Security Document; provided, further, that approval by all Lenders shall be required for any amendment or waivers with respect to Section 5 of this Agreement. All amendments approved by the Majority Lenders under this Section 16.8 must be in writing and signed by the Borrower, each of the Lenders comprising the Majority Lenders and, if applicable, each Lender affected thereby and any such amendment shall be binding on all the Lenders; provided, however, that any amendments or waivers with respect to Section 5 of this Agreement must be in writing and signed by the Borrower and all of the Lenders.

16.9 Assumption re: Events of Default. Except as otherwise provided in Section 16.15, the Administrative Agent shall be entitled to assume that no Event of Default, or event which with the giving of notice or lapse of time, or both, would constitute an Event of Default, has occurred and is continuing, unless the Administrative Agent has been notified by the Borrower of, such fact or has been notified by a Lender that such Lender considers that an Event of Default or such an event (specifying in detail the nature thereof) has occurred and is continuing. In the event that the Administrative Agent shall have been notified by the Borrower or any Lender in the manner set forth in the preceding sentence of any Event of Default or of an event which with the giving of notice or lapse of time, or both, would constitute an Event of Default, the Administrative Agent shall notify the Lenders and shall take action and assert such rights under this Agreement, under the Note, and under Security Documents as the Majority Lenders shall request in writing.

16.10 Limitation of Liability. Neither the Administrative Agent nor any of the Lenders shall be under any liability or responsibility whatsoever:

(a) To the Borrower or any other person or entity as a consequence of any failure or delay in performance by, or any breach by, any other Lender or any other

- (b) person of any of its or their obligations under this Agreement, the Note or under any Security Document;
- (c) To any Lender or Lenders, as a consequence of any failure or delay in performance by, or any breach by, the Borrower of any of its obligations under this Agreement, under the Note, or under the Security Documents; or
- (d) To any Lender or Lenders, for any statements, representations or warranties contained in this Agreement, the Note, in any Security Document or any Document or instrument delivered in connection with the transaction hereby contemplated; or for the validity, effectiveness, enforceability or sufficiency of this Agreement, the Note, or any Security Document or any document or instrument delivered in connection with the transactions hereby contemplated.

16.11 Indemnification of the Administrative Agent. The Lenders agree to indemnify the Administrative Agent (to the extent not reimbursed by the Borrower), pro rata according to the respective amounts of their Commitments, from and against, provided that they are a result of the Administrative Agent acting in such capacity and not as a Lender, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (including legal fees and expenses incurred in investigating claims and defending itself against such liabilities) which may be imposed on, incurred by or asserted against, the Administrative Agent in any way relating to or arising out of this Agreement, the Note, or any Security Document, any action taken or omitted by the Administrative Agent thereunder or the preparation, administration, amendment or enforcement of, or waiver of any provision of, this Agreement, the Note, or any Security Document, except that no Lenders shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent's gross negligence, bad faith or willful misconduct.

16.12 Consultation with Counsel. The Administrative Agent may consult with legal counsel reasonably selected by it and shall not be liable for any action taken, permitted or omitted by it in good faith in accordance with the advice or opinion of such counsel.

16.13 Resignation. The Administrative Agent may resign at any time by giving thirty (30) days' written notice thereof to the Lenders and the Borrower. Upon any such resignation, the Lenders shall have the right to appoint a successor Administrative Agent reasonably acceptable to the Borrower. If no successor Administrative Agent shall have been so appointed by the Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent's giving notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be a bank or trust company of recognized standing. The appointment of any successor Administrative Agent shall be subject to the prior written consent of the Borrower, such consent not be unreasonably withheld. After any retiring Administrative Agent's resignation as Administrative Agent hereunder, the provisions of this Section 16 shall continue in effect for its benefit with respect to any actions taken or omitted by it while acting as Administrative Agent.

16.14 Representations of Lender. Each Lender represents and warrants to the Borrower, each other Lender and the Administrative Agent that:

(a) In making its decision to enter into this Agreement and to make its Commitment available hereunder, it has independently taken whatever steps it considers necessary to evaluate the financial condition and affairs of the Borrower, that it has made an independent credit judgment and that it has not relied upon any statement, representation or warranty by any other Lender or the Administrative Agent; and

(b) So long as any portion of its Commitment remains outstanding, it will continue to make its own independent evaluation of the financial condition and affairs of the Borrower.

16.15 Notification of Event of Default. The Administrative Agent hereby undertakes to promptly notify the Lenders, and the Lenders hereby promptly undertake to notify the Administrative Agent and the other Lenders, of the existence of any Event of Default which shall have occurred and be continuing of which the Administrative Agent or any Lender has actual knowledge.

16.16 No Agency or Trusteeship if DnB NOR only Lender. If at any time DnB NOR is the only Lender, all references to the terms "Administrative Agent" and "Security Agent" shall be deemed to be references to DnB NOR as Lender and not as administrative agent or security agent.

17. NOTICES AND DEMANDS.

17.1 Notices. All notices, requests, demands and other communications to any party hereunder shall be in writing (including prepaid overnight courier, facsimile transmission or similar writing) and shall be given to the Borrower at the address or facsimile number set forth below and to the Lenders, the Security Agent and the Administrative Agent at their address and facsimile number set forth in Schedule 1 or at such other address or facsimile numbers as such party may hereafter specify for the purpose by notice to each other party hereto. Each such notice, request or other communication shall be effective (i) if given by facsimile, when such facsimile is transmitted to the facsimile number specified in this Section 17.1 and telephonic confirmation of receipt thereof is obtained or (ii) if given by mail, prepaid overnight courier or any other means, when received at the address specified in this Section or when delivery at such address is refused.

18. MISCELLANEOUS.

18.1 Time of Essence. Time is of the essence of this Agreement but no failure or delay on the part of any Lender to exercise any power or right under this Agreement shall operate or be construed as a waiver thereof, nor shall any single or partial exercise by such Lender of any power or right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies provided herein are cumulative and are not exclusive of any remedies provided by law.

18.2 Unenforceable, etc., Provisions-Effect. In case any one or more of the provisions contained in this Agreement, the Note or in any Security Document would, if given effect, be invalid, illegal or unenforceable in any respect under any law applicable in any relevant jurisdiction, said provision shall not be enforceable against the Borrower, but the validity, legality and enforceability of the remaining provisions herein or therein contained shall not in any way be affected or impaired thereby.

18.3 References. References herein to Sections, Schedules and Exhibits are to be construed as references to sections of, exhibits to, and schedules to, this Agreement, unless the context otherwise requires.

18.4 Further Assurances. The Borrower agrees that if this Agreement, the Note or any of the Security Documents shall at any time be deemed by the Administrative Agent, the Security Agent or the Lenders for any reason insufficient in whole or in part to carry out the true intent and spirit hereof or thereof, it will execute or cause to be executed such other and further assurances and documents as in the reasonable opinion of the Administrative Agent, the Security Agent or the Majority Lenders may be required in order more effectively to accomplish the purposes of this Agreement, the Note or any of the Security Documents.

18.5 Inconsistency. If there is any inconsistency between the terms of this Agreement and any other Facility Document, the terms of this Agreement will govern.

18.6 Prior Agreements, Merger. Any and all prior understandings and agreements heretofore entered into between the Borrower on the one part, the Administrative Agent, the Security Agent or the Lenders, on the other part, whether written or oral, other than the Fee Letter, are superseded by and merged into this Agreement and the other agreements (the forms of which are exhibited hereto) to be executed and delivered in connection herewith to which the Borrower, the Administrative Agent, Security Agent and/or the Lenders are parties, which alone fully and completely express the agreements between the Borrower, the Administrative Agent, the Security Agent and the Lenders.

18.7 Entire Agreement; Amendments; Counterparts. This Agreement constitutes the entire agreement of the parties hereto, including all parties added hereto pursuant to an Assignment and Assumption Agreement. Subject to Section 16.8, any provision of this Agreement, the Note or any Security Document may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower, the Administrative Agent, the Security Agent and the Majority Lenders. This Agreement may be executed in any number of counterparts, each of which shall be

deemed an original, but all such counterparts together shall constitute one and the same instrument.

18.8 Indemnification. The Borrower agrees to indemnify each Creditor and their respective successors and permitted assigns, and their respective officers, directors, employees, representatives and agents (each an “Indemnitee”) from, and hold each of them harmless against, any and all losses, liabilities, claims, damages, expenses, obligations, penalties, actions, judgments, suits, costs or disbursements of any kind or nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel for such Indemnitee in connection with any investigative, administrative or judicial proceeding commenced or threatened, whether or not such Indemnitee shall be designated a party thereto) that may at any time (including, without limitation, at any time following the payment of the obligations of the Borrower hereunder) be imposed on, asserted against or incurred by, any Indemnitee as a result of, or arising out of or in any way related to or by reason of, (a) any violation by the Borrower (or any charterer or other operator of the Collateral Vessels) of any applicable Environmental Law, (b) any Environmental Claim arising out of the management, use, control, ownership or operation of property or assets by the Borrower (or any charterer or other operator of the Collateral Vessels, or, after foreclosure, by any Lender, the Administrative Agent or the Security Agent or any of their respective successors or assigns), (c) the breach of any representation, warranty or covenant set forth in Sections 2.1 (v) or 9.1(g), (d) the Facility (including the use of the proceeds of the Facility and any claim made for any brokerage commission, fee or compensation from any Person), or (e) the execution, delivery, performance or non-performance of this Agreement, the Note, any Security Document, or any of the documents referred to herein or contemplated hereby (whether or not the Indemnitee is a party thereto), provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are a result of the gross negligence, bad faith or willful misconduct of such Indemnitee. If and to the extent that the obligations of the Borrower under this Section are unenforceable for any reason, the Borrower agrees to make the maximum contribution to the payment and satisfaction of such obligations which is permissible under applicable law. The obligations of the Borrower under this Section 18.8 shall survive the termination of this Agreement and the repayment to the Lenders of all amounts owing thereto under or in connection herewith.

18.9 Headings. In this Agreement, section headings are inserted for convenience of reference only and shall not be taken into account in the interpretation of this Agreement.

18.10 WAIVER OF IMMUNITY. TO THE EXTENT THAT THE BORROWER HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM SUIT, JURISDICTION OF ANY COURT OR ANY LEGAL PROCESS (WHETHER THROUGH ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION, EXECUTION OF A JUDGMENT, OR FROM ANY OTHER LEGAL PROCESS OR REMEDY) WITH RESPECT TO ITSELF OR ITS PROPERTY, THE BORROWER HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT, THE NOTE AND THE OTHER SECURITY DOCUMENTS.

18.11 USA Patriot Act Notice: OFAC and Bank Secrecy Act. The Administrative Agent hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56, signed into law October 26, 2001) (the “Act”), and the Administrative Agent’s policies and practices, the Administrative Agent and each of the Lenders is required to obtain, verify and record certain information and documentation that identifies the Borrower, which information includes the name and address of the Borrower and such other information that will allow the Administrative Agent and the Lenders to identify the Borrower in accordance with the Act. In addition, the Borrower shall (a) ensure that no Person who owns a controlling interest in or otherwise controls the Borrower or any subsidiary of any thereof is or shall be listed on the Specially Designated Nationals and Blocked Person List or other similar lists maintained by the Office of Foreign Assets Control (“OFAC”), the Department of the Treasury or included in any Executive Orders, (b) not use or permit the use of the proceeds of the Facility to violate any of the foreign asset control regulations of OFAC or any enabling statute or Executive Order relating thereto, and (c) comply, and cause any of its subsidiaries to comply, with all applicable Bank Secrecy Act laws and regulations, as amended.

IN WITNESS whereof the parties hereto have caused this Agreement to be executed by their respective duly authorized representatives on the day and year first above written.
