**Item 1.01 Entry into a Material Definitive Agreement**

Pursuant to Section 2.15 of its Second Amended and Restated Long Term Revolving Credit Agreement dated July 31, 2003, as amended, Vishay Intertechnology, Inc. announced today that it intends to permanently reduce the amount available under the revolving credit facility by half, to \$200,000,000, in light of its current liquidity needs.

Section 2.15 of the revolving credit facility allows Vishay to unilaterally reduce the amount available under the facility upon providing the administrative agent five business days notice. The reduction of the amount available is expected to result in reduced commitment fees aggregating \$1.0 million for the remaining term of the agreement. No amounts have been outstanding under the revolving credit facility since August 2005. The reduction in the amount available under the facility will be effective on March 16, 2006. The revolving credit facility agreement expires May 1, 2007.
