Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 5(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) These convertible promissory notes (the "Original Notes") were originally issued to the Holders (as defined below) on February 6, 2004, pursuant to the terms of a Note Amendment and Exchange Agreement, dated as of November 17, 2003 (the "Agreement"), in connection with the completion of the Issuer's acquisition of GeneSoft Pharmaceuticals, Inc. On January 28, 2009, the Holders and the Issuer entered into Amendment No. 1 to the Agreement (the "Amendment"). Pursuant to the Amendment, (i) the conversion price of the Original Notes was reduced to \$1.10 per share, resulting in the Holders collectively beneficially owning in excess of 10% of the Issuer's common stock, (ii) the principal amount of, and accrued interest on, the Original Notes also became exchangeable, at the option of the Holders, for

Edgar Filing: BAB BIO VENTURES NV - Form 3

12.50% Convertible Guaranteed Senior Notes of the Issuer (the "New Notes") on a dollar-for-dollar basis, and (iii) the maturity of the Original Notes was extended to December 1, 2009.

- (2) The New Notes are immediately convertible into common stock upon issuance at the conversion price of \$1.10 per share, subject to adjustment. The maturity date of the New Notes is January 15, 2011.

As noted in footnote (1), in addition to being exchangeable for New Notes, the Original Notes are convertible directly into common stock

- (3) at a conversion price of \$1.10 per share. Based on the aggregate principal amount of, and accrued interest on, the Original Notes as of January 28, 2009, the Original Notes would have been convertible directly into an aggregate of 6,686,816 shares of common stock as of January 28, 2009, as follows: 5,891,449 shares issuable directly to BB BioVentures L.P. ("BB BioVentures"); 718,469 shares issuable directly to MPM BioVentures Parallel Fund, L.P. ("MPM Parallel"); and 76,898 shares issuable directly to MPM Asset Management Investors 1998 LLC ("MPM Asset"). BB BioVentures, MPM Parallel and MPM Asset are collectively referred to herein as the "Holders."

Represents the aggregate principal amount of, and accrued interest on, the Original Notes as of January 28, 2009, held as follows:

- (4) \$6,480,594.68 directly held by BB BioVentures; \$790,316.42 directly held by MPM Parallel; and \$84,588.24 directly held by MPM Asset.

The principal amount of, and any accrued interest on, the Original Notes is exchangeable on a dollar-for-dollar basis for New Notes,

- (5) subject to the caveat that New Notes will only be issued in principal amount increments of \$1,000. Under the Amendment, any excess amounts owing under the Original Notes at the time of exchange for New Notes will be settled through the issuance of common stock at the then applicable conversion price, which was \$1.10 per share as of January 28, 2009.

BAB BioVentures L.P. ("BAB BV") and BAB BioVentures, N.V. ("BAB NV") are the direct and indirect general partners of BB BioVentures. MPM BioVentures I L.P. ("BioVentures LP") and MPM BioVentures I LLC ("BioVentures LLC") are the direct and

- (6) indirect general partners of MPM Parallel. Luke Evnin, Ansbert Gadicke and Michael Steinmetz are the managers of BAB NV, MPM Asset and BioVentures LLC. Each reporting person disclaims beneficial ownership of the securities reported herein except to the extent of his or its respective pecuniary interest therein.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, See Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
