Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) The account tracks common shares on a one-for-one basis
 The Company amended its Amended and Restated 2005 Deferred Compensation Plan for Directors (the "Plan") effective as of October 1, 2014. The amendment includes a provision that, effective October 1, 2014 and thereafter, any amount credited in a participant's account to the phantom stock fund (i.e., the theoretical Company common share deemed investment option) may not be transferred to an alternative deemed investment option under the Plan until distribution from the Plan. On September 30, 2014, the reporting person transferred a portion of the amount credited to the phantom stock fund to an alternative deemed investment option in order to diversify the deemed investment options to which the amount in her account under the Plan were credited.
- (3) Prior to October 1, 2014, the account balance related to the theoretical Company common share investment option could be immediately transferred to other deemed investment options under the terms of the Plan.
 The amounts reported represent unfunded theoretical Company common shares (i.e., phantom stock) credited to the account of the reporting person under the Plan. Distributions are made only in common shares of the Company, and generally commence upon leaving the Company's Board of Directors.
- (4) The amount shown reflects an additional 50 theoretical Company common shares (i.e. phantom stock) which were credited pursuant to the dividend reinvestment feature of the Plan.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
