(1) Represents shares of common stock underlying vested restricted stock units that are being withheld to satisfy payment of the Issuer's tax withholding obligation.

(2) The amount of securities beneficially owned referred to in Table I represents 4,990 shares of common stock. The amount of shares reported has been adjusted to reflect the correct amount of securities beneficially owned by the reporting person. The previously reported amount overstated the amount of securities beneficially owned by 65 shares due to an inadvertent administrative error. The corrected amount of securities is being reported promptly upon detection.
