(Attach extra Sheets if Needed)

As previously announced, the Company's Board of Directors has formed a special committee to investigate the Company's practices related to stock option grants to officers and directors, and related matters. At this time, the special committee has not completed its work or reached final conclusions and is continuing its review. The special committee has reached a preliminary conclusion that the actual dates of measurement for certain past stock option grants differed from the recorded grant dates for such awards. As a result, the Company expects to record additional non-cash charges for stock-based compensation expenses in prior periods. Based on the special committee's preliminary conclusion, the Company expects that such non-cash charges will be material and that the Company may need to restate its historical financial statements for each of the fiscal years 1999 through 2004, and for the first three quarters of the fiscal year ended December 31, 2005. As a result, the Company is unable to file its quarterly report on Form 10-Q for the quarter ended March 31, 2006 by the prescribed filing date of May 10, 2006.

As a result of the ongoing special committee investigation more fully discussed in Part III above, the Company is not in a position at this time to provide a reasonable estimate of any anticipated changes in results of operations from the quarter ended March 31, 2005 to the quarter ended March 31, 2006 that may be reflected in the earnings statements to be included in the Company's First Quarter 2006 Form 10-Q.
