Item 1.01 Entry into a Material Definitive Agreement.

On February 24, 2015, Globus Medical, Inc. (the "Company") entered into an Agreement and Plan of Merger (the "Merger Agreement") with Branch Medical Group, Inc., a Delaware corporation ("BMG"), BM Acquisition, Inc., a Delaware corporation and wholly-owned subsidiary of the Company ("Merger Sub") and Spine Therapy Technologies, Inc., a North Carolina limited liability company, as the Stockholders' Representative. The Merger Agreement provides for the merger of Merger Sub with and into BMG (the "Merger"), with BMG surviving the Merger as a wholly-owned subsidiary of the Company. The aggregate consideration for all of the outstanding equity interests of BMG is approximately \$52.9 million in cash, subject to customary adjustment after closing for certain working capital items and indebtedness as provided in the Merger Agreement.

As previously disclosed in the Company's definitive proxy statement, BMG has been a third-party supplier to the Company since 2005. As of February 24, 2015, David C. Paul's wife, David D. Davidar's wife, and David M. Demski collectively owned approximately 49% of the outstanding stock of BMG. In addition, since February 2010, Mr. Paul's wife and Mr. Davidar's wife have served and continue to serve as directors of BMG. The Company purchases products and services from BMG from time to time pursuant to a standard Supplier Quality Agreement entered into on an arm's-length basis in September 2010. During 2014, the Company purchased \$21.9 million of products and services from BMG.

The Company's board of directors appointed a special transaction committee consisting solely of independent directors (the "Special Transaction Committee") in connection with the transaction with BMG. The Special Transaction Committee, represented by independent outside counsel, negotiated the transaction on behalf of the Company and approved the Merger Agreement and Merger.

The Merger Agreement contains customary representations and warranties and covenants, including customary indemnification provisions. Consummation of the Merger is subject to customary closing conditions, including approval by the stockholders of BMG and completion of due diligence to the satisfaction of the Company. There can be no assurance that these closing conditions will be satisfied. The Merger is expected to close in March 2015. The foregoing description of the Merger and the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.
