## **SECTION 5 – Corporate Governance and Management**

### **Item 5.01 Changes in Control of Registrant**

On February 9, 2012, a majority shareholder, Petra Jaeger agreed to sell all of her 2,850,000 shares to Yong Feng Sara Yi. Following this transaction, Ms. Yi now holds 36.77% of our total issued and outstanding stock. The source of the consideration paid to Ms. Jeager was the existing funds of the purchaser. The sale of these shares was exempt from registration under Section 4(2) of the Securities Act.

In connection with the sale of her controlling interest in the company, Ms. Jaeger appointed Ms. Yi to the board of directors and to certain officer positions, and then resigned from all officer and director positions, as discussed in Item 5.02, below.

There are no arrangements known to the company, the operation of which may, at a subsequent date, result in a change in control of the registrant.

Following the change in control, the following table sets forth certain information known to us with respect to the beneficial ownership of our common stock as of February 9, 2012 by (1) all persons who are beneficial owners of 5% or more of our voting securities, (2) each director, (3) each executive officer, and (4) all directors and executive officers as a group. The information regarding beneficial ownership of our common stock has been presented in accordance with the rules of the Securities and Exchange Commission. Under these rules, a person may be deemed to beneficially own any shares of capital stock as to which such person, directly or indirectly, has or shares voting power or investment power, and to beneficially own any shares of our capital stock as to which such person has the right to acquire voting or investment power within 60 days through the exercise of any stock option or other right. The percentage of beneficial ownership as to any person as of a particular date is calculated by dividing (a) (i) the number of shares beneficially owned by such person plus (ii) the number of shares as to which such person has the right to acquire voting or investment power within 60 days by (b) the total number of shares outstanding as of such date, plus any shares that such person has the right to acquire from us within 60 days. Including those shares in the tables does not, however, constitute an admission that the named stockholder is a direct or indirect beneficial owner of those shares. Unless otherwise indicated, each person or entity named in the table has sole voting power and investment power (or shares that power with that person's spouse) with respect to all shares of capital stock listed as owned by that person or entity.

Except as otherwise indicated, all Shares are owned directly and the percentage shown is based on 7,750,000 shares of Common Stock issued and outstanding.
