PROXY STATEMENT

GENERAL INFORMATION

This proxy statement and the accompanying proxy card or voting instruction form are being furnished in connection with the solicitation of proxies by and on behalf of the board of directors (the "Board of Directors") of Kronos Worldwide, Inc., a Delaware corporation ("Kronos Worldwide"), for use at the 2005 Annual Meeting of Stockholders of Kronos Worldwide to be held on Thursday, May 19, 2005 and at any adjournment or postponement thereof (the "Meeting"). The accompanying Notice of Annual Meeting of Stockholders (the "Notice") sets forth the time, place and purposes of the Meeting. The Notice, this proxy statement, the accompanying proxy card or voting instruction form and Kronos Worldwide's Annual Report to Stockholders, which includes Kronos Worldwide's Annual Report on Form 10-K for the fiscal year ended December 31, 2004, are first being mailed to the holders of Kronos Worldwide's common stock, par value \$0.01 per share ("Common Stock"), on or about April 18, 2005. Kronos Worldwide's principal executive offices are located at Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

QUORUM, VOTING RIGHTS AND PROXY SOLICITATION

The record date set by the Board of Directors for the determination of stockholders entitled to notice of and to vote at the Meeting was the close of business on March 28, 2005 (the "Record Date"). Only holders of shares of Common

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

Stock as of the close of business on the Record Date are entitled to vote at the Meeting. As of the Record Date, there were 48,946,049 shares of Common Stock issued and outstanding. Each share of Common Stock entitles its holder to one vote on all matters to be acted on at the Meeting. The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock entitled to vote at the Meeting is necessary to constitute a quorum for the conduct of business at the Meeting. Under applicable rules of the New York Stock Exchange (the "NYSE") and Securities and Exchange Commission (the "SEC"), brokers or other nominees holding shares of record on behalf of a client who is the actual beneficial owner of such shares are authorized to vote on certain routine matters without receiving instructions from the beneficial owner of the shares. If a broker/nominee who is entitled to vote on a routine matter does not vote such shares, such shares are referred to herein as "broker/nominee non-votes." Shares of Common Stock that are voted to abstain from any business coming before the Meeting and broker/nominee non-votes will be counted as being in attendance at the Meeting for purposes of determining whether a quorum is present.

If a quorum is present, a plurality of the affirmative votes of the outstanding shares of Common Stock represented and entitled to be voted at the Meeting is necessary to elect each director of Kronos Worldwide. The accompanying proxy card or voting instruction form provides space for a stockholder to withhold authority to vote for any or all of the nominees to the Board of Directors. Neither shares as to which the authority to vote on the election of directors has been withheld nor broker/nominee non-votes will be counted as affirmative votes to elect director nominees to the Board of Directors. However, since director nominees need only receive the vote of a plurality of the shares represented and entitled to vote at the Meeting, a vote withheld from a particular nominee will not affect the election of such nominee.

Except as applicable laws may otherwise provide, if a quorum is present, the approval of any other matter that may properly come before the Meeting will require the affirmative vote of a majority of the shares represented and entitled to vote at the Meeting. Shares of Common Stock that are voted to abstain from any other business coming before the Meeting and broker/nominee non-votes will not be counted as votes for or against any such other matter.

Unless otherwise specified, the agents designated in the proxy card or voting instruction form will vote the shares represented by a proxy at the Meeting "FOR" the election of the director nominees to the Board of Directors and, to the extent allowed by applicable law, in the discretion of the agents on any other matter that may properly come before the Meeting.

EquiServe Trust Company N.A. ("EquiServe"), the transfer agent and registrar for the Common Stock as of the Record Date, has been appointed by the Board of Directors to receive proxies and ballots, ascertain the number of shares represented, tabulate the vote and serve as inspector of election for the Meeting.

Each holder of record of Common Stock executing and delivering the proxy card enclosed with this proxy statement may revoke it at any time prior to the voting at the Meeting by delivering to EquiServe a written revocation of the proxy, a duly executed proxy card bearing a later date or by voting in person at the Meeting. Attendance by a stockholder at the Meeting will not in itself constitute the revocation of such stockholder's proxy.

The Board of Directors is making this proxy solicitation. Kronos Worldwide will pay all expenses related to the solicitation, including charges for preparing, printing, assembling and distributing all materials delivered to stockholders. In addition to the solicitation by mail, directors, officers and regular employees of Kronos Worldwide may solicit proxies by telephone or in

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

person, for which such persons will receive no additional compensation. Kronos Worldwide has retained The Altman Group, Inc. to aid in the distribution of this proxy statement and related materials at an estimated cost of \$1,000. Upon request, Kronos Worldwide will reimburse banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries for their reasonable out-of-pocket expenses incurred in distributing proxy materials and voting instructions to the beneficial owners of Common Stock that such entities hold of record.

CONTROLLED COMPANY

Valhi, Inc. ("Valhi") and NL Industries, Inc. ("NL") are the direct holders of 56.4% and 36.4%, respectively, of the outstanding shares of Common Stock as of the Record Date. Together, Valhi and NL own 92.8% of the outstanding shares of Common Stock. Valhi is the direct holder of 83.1% of the outstanding shares of NL common stock, par value \$0.125 per share ("NL Common Stock"). Contran Corporation ("Contran") holds, directly or through subsidiaries, 90.8% of the outstanding shares of Valhi common stock, par value \$0.01 per share ("Valhi Common Stock").

Valhi and NL have each indicated their intention to have their shares of Common Stock represented at the Meeting and voted "FOR" the election of each of the director nominees to the Board of Directors. If Valhi alone attends the Meeting in person or by proxy and votes as indicated, the Meeting will have a quorum present and the stockholders will elect all the nominees to the Board of Directors.

Because of the Common Stock ownership by Valhi and NL, Kronos Worldwide is considered a controlled company under the listing standards of the NYSE. Pursuant to the listing standards, a controlled company may choose not to have a majority of independent directors, independent compensation, nominating or corporate governance committees or charters for these committees. Kronos Worldwide has chosen not to have an independent nominating or corporate governance committee. The Board of Directors believes that the full Board of Directors best represents the interests of all of Kronos Worldwide's stockholders and that it is appropriate for all matters that would be considered by a nominating or corporate governance committee to be considered and acted upon by the full Board of Directors. Applying the NYSE director independence standards, the Board of Directors has determined that four of its directors are independent and have no material relationship with Kronos Worldwide. While the members of Kronos Worldwide's management development and compensation committee (the "MD&C Committee") currently satisfy the independence requirements of the NYSE, Kronos Worldwide has chosen not to satisfy all of the NYSE listing standards for a compensation committee. See "Meetings and Committees of the Board of Directors" for more information on the committees of the Board of Directors. See also "Stockholder Proposals and Director Nominations for the 2006 Annual Meeting" for a description of Kronos Worldwide's policies and procedures for stockholder nominations of directors.

ELECTION OF DIRECTORS

The bylaws of Kronos Worldwide provide that the Board of Directors shall consist of one or more members as determined by the Board of Directors or the stockholders. The Board of Directors has currently set the number of directors at seven. The directors elected at the Meeting will hold office until the 2006 Annual Meeting of Stockholders and until their successors are duly elected and qualified or their earlier removal, resignation or death.

All of the nominees are currently directors of Kronos Worldwide whose terms

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

will expire at the Meeting. All of the nominees have agreed to serve if elected. If any nominee is not available for election at the Meeting, all shares represented by a proxy will be voted "FOR" an alternate nominee to be selected by the Board of Directors, unless the stockholder executing such proxy withholds authority to vote for such nominee. The Board of Directors believes that all of its nominees will be available for election at the Meeting and will serve if elected.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors held three meetings and took action by written consent on five occasions in 2004. Each director participated in at least 75% of such meetings and of the meetings of the committees on which he served at the time. It is expected that each director will attend Kronos Worldwide's annual meetings of stockholders, which are held immediately before the annual meetings of the Board of Directors. All members of the Board of Directors at that time attended Kronos Worldwide's 2004 annual stockholder meeting.

The Board of Directors has established and delegated authority to the following two standing committees.

Audit Committee. The audit committee assists with the Board of Directors' oversight responsibilities relating to the financial accounting and reporting processes and auditing processes of Kronos Worldwide. The responsibilities of the audit committee are more specifically set forth in the audit committee charter, a copy of which is available under the corporate governance section of Kronos Worldwide's website, www.kronostio2.com. Applying the requirements of the NYSE listing standards and SEC regulations, as applicable, the Board of Directors has determined that

- o each member of the audit committee is independent, financially literate and has no material relationship with Kronos Worldwide; and
- o Mr. Cecil H. Moore, Jr. is an "audit committee financial expert."

No member of the audit committee serves on more than three public company audit committees. For further information on the role of the audit committee, see "Audit Committee Report." The current members of the audit committee are Cecil H. Moore, Jr. (chairman), Keith R. Coogan, George E. Poston and R. Gerald Turner. The audit committee held ten meetings and took action by written consent on one occasion in 2004.

Management Development and Compensation Committee. The principal

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

responsibilities of the MD&C Committee are to review and approve certain matters involving executive compensation; to recommend to the Board of Directors whether or not to approve any proposed charge to Kronos Worldwide or its subsidiaries pursuant to an intercorporate services agreement with a related party; to take action or to review and approve certain matters regarding Kronos Worldwide's employee benefit plans or programs; to administer and grant awards under the Kronos Worldwide, Inc. 2003 Long-Term Incentive Plan; to approve certain annual incentive compensation awards; and to review and administer such other compensation matters as the Board of Directors may direct from time to time. The Board of Directors has determined that each member of the MD&C Committee is independent by applying the NYSE director independence standards. For further information on the role of the MD&C Committee, see "Executive Compensation Report." The current members of the MD&C Committee are R. Gerald Turner (chairman) and George E. Poston. The MD&C Committee held no meetings and took action by written consent on two occasions in 2004.

The Board of Directors is expected to elect the members of the standing committees at the Board of Directors annual meeting immediately following the Meeting. The Board of Directors has previously established, and from time to time may establish, other committees to assist it in the discharge of its responsibilities.

Substantially all of Contran's outstanding voting stock is held by trusts established for the benefit of certain children and grandchildren of Harold C. Simmons (the "Trusts"), of which Mr. Simmons is the sole trustee, or held by Mr. Simmons or persons or other entities related to Mr. Simmons. As sole trustee of the Trusts, Mr. Simmons has the power to vote and direct the disposition of the shares of Contran stock held by the Trusts. Mr. Simmons, however, disclaims beneficial ownership of any Contran shares the Trusts hold.

The Foundation directly holds approximately 0.9% of the outstanding shares of Valhi Common Stock. The Foundation is a tax-exempt foundation organized for charitable purposes. Harold C. Simmons is the chairman of the board of the Foundation.

The CDCT No. 2 directly holds approximately 0.4% of the outstanding shares of Valhi Common Stock. U.S. Bank National Association serves as the trustee of the CDCT No. 2. Contran established the CDCT No. 2 as an irrevocable "rabbi trust" to assist Contran in meeting certain deferred compensation obligations that it owes to Harold C. Simmons. If the CDCT No. 2 assets are insufficient to satisfy such obligations, Contran must satisfy the balance of such obligations. Pursuant to the terms of the CDCT No. 2, Contran retains the power to vote the shares held by the CDCT No. 2, retains dispositive power over such shares and may be deemed the indirect beneficial owner of such shares.

The CMRT directly holds approximately 12.0% of the outstanding shares of TIMET Common Stock and 0.1% of the outstanding shares of Valhi Common Stock. Valhi established the CMRT to permit the collective investment by master trusts that maintain assets of certain employee benefit plans Valhi and related companies adopt. Harold C. Simmons is the sole trustee of the CMRT and a member of the trust investment committee for the CMRT. Valhi's board of directors selects the trustee and members of the trust investment

committee for the CMRT. Harold C. Simmons, Glenn R. Simmons, Steven L. Watson, H. Joseph Maas, Douglas C. By virtue of the holding of the offices, the stock ownership and his services as trustee, all as described above, (a) Harold C. Simmons may be deemed to control certain of such entities and (b) Mr. Simmons and certain of such entities may be deemed to possess indirect beneficial ownership of shares directly held by certain of such other entities. However, Mr. Simmons disclaims beneficial ownership of the shares beneficially owned, directly or indirectly, by any of such entities, except to the extent of his vested beneficial interest, if any, in shares held by the CMRT and his interest as a beneficiary of the CDCT No. 2. Mr. Harold Simmons disclaims beneficial ownership of all shares of Common Stock that NL, Valhi or TFMC directly holds.

All directors or executive officers of Kronos Worldwide who are also directors or executive officers of NL, Valhi, TFMC or their parent companies disclaim beneficial ownership of the shares of Common Stock that NL, Valhi or TFMC directly hold.

The Annette C. Simmons Grandchildren's Trust, a trust of which Harold C. Simmons and Annette C. Simmons are co-trustees and the beneficiaries of which are the grandchildren of Annette C. Simmons, is the direct holder of 40,000 shares of Valhi Common Stock (the "Grandchildren's Trust"). COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS AND OTHER INFORMATION

Compensation of Directors. In 2004, directors received an annual retainer of \$20,000, paid in quarterly installments, plus a fee of \$1,000 per day for attendance at meetings and at a daily rate (\$125 per hour) for other services rendered on behalf of the Board of Directors or its committees. For the first two quarters of 2004, directors also received an annual retainer of \$2,000, paid in quarterly installments, for each committee on which they served. Starting with the third quarter of 2004, the Board of Directors increased the director fees paid to members of the audit committee. The increase resulted in the chairman of the audit committee and any member of the committee who Kronos Worldwide identified as an "audit committee financial expert" for purposes of the annual proxy statement receiving an annual retainer of \$10,000, paid in quarterly installments (provided that if one person served in both capacities only one such retainer was paid), and other members of the audit committee receiving an annual retainer of \$5,000, paid in quarterly installments. If any director dies while serving on the Board of Directors, his or her designated beneficiary or estate will be entitled to receive a death benefit equal to the annual retainer then in effect. Kronos Worldwide reimburses its directors for reasonable expenses incurred in attending meetings and in the performance of

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

other services rendered on behalf of the Board of Directors or its committees.

On the day of each annual stockholder meeting, each director receives a grant of shares of Common Stock as determined by the following formula based on the closing price of a share of Common Stock on the date of such meeting.

Range of Closing Price Per Share on the Date of Grant -----	Shares of Common Stock to Be Granted -----
Under \$5.00	2,000
\$5.00 to \$9.99	1,500
\$10.00 to \$20.00	1,000
Over \$20.00	500

As a result of the \$30.01 per share closing price of Common Stock on May 20, 2004, the date of the 2004 annual stockholder meeting, each director elected on that date received a grant of 500 shares of Common Stock.

Intercompany Services Agreements. Contran and certain of its subsidiaries, including Kronos Worldwide, have entered into intercompany services agreements (collectively, the "ISAs") pursuant to which Contran, among other things, provides the services of certain of the named executive officers to certain of Contran's subsidiaries, including Kronos Worldwide and its subsidiaries. For a discussion of these ISAs, see "Certain Relationships and Transactions--Intercompany Services Agreement."

Chief Operations Management Consultant. Following his resignation as chief executive officer of Kronos Worldwide in July 2003, Dr. Lawrence A. Wigdor entered into a consultancy arrangement with Kronos Worldwide pursuant to which Dr. Wigdor provides ongoing management services to Kronos Worldwide's titanium dioxide operations. Dr. Wigdor received \$461,000 on August 1, 2003 and monthly payments of \$84,000 beginning on August 1, 2003. On February 1, 2004, Dr. Wigdor received a payment under the arrangement of \$461,000 based on Kronos Worldwide having achieved 2003 segment profit (as Kronos Worldwide defines that term internally) of in excess of \$130 million. For 2004, Dr. Wigdor received an annual discretionary bonus of \$1.0 million. For the term of the arrangement, Dr. Wigdor will receive annual discretionary bonuses as determined by the chief executive officer. Under the consultancy arrangement, as amended in February 2004, if Kronos Worldwide terminates the consultancy arrangement prior to December 31, 2006, Dr. Wigdor will receive twelve months compensation and medical and dental coverage through December 31, 2006 and a pro-rata portion of any bonus for the year in which the termination occurs. The arrangement provides Dr. Wigdor various other benefits, including, medical and dental benefits and office and secretarial support at Kronos Worldwide's New Jersey office.

In January 2004, NL paid Dr. Wigdor approximately \$408,500 to repurchase and cancel previously granted stock options he held that were exercisable at varying exercise prices for an aggregate of 63,800 shares of NL Common Stock. The purchase price was determined based on a value of the underlying shares of NL Common Stock of \$12.70 per share.

In addition, during 2004, Dr. Wigdor exercised previously granted stock options for 148,500 shares of NL Common Stock and realized an aggregate value from the sale of such shares of \$721,732. The amount he realized upon the exercise of stock options is based on the difference between his sales prices per share of NL Common Stock on the day of each exercise and the exercise price per share. At December 31, 2004, Dr. Wigdor held exercisable stock options to purchase 41,300 shares of NL Common Stock and unexercisable stock options to purchase 60,000 shares of NL Common Stock. Based on the difference between the exercise price of his individual stock options and the \$22.10 per share closing sales price of NL Common Stock on December 31, 2004, the value of his exercisable and unexercisable stock options to purchase NL common stock was \$382,636 and \$754,100, respectively.

Following his resignation in July 2003, Dr. Wigdor elected to receive his retirement benefits under the Pension Plan at an early retirement age. He began receiving a monthly payment amount of \$2,428 in August 2003, which will continue for the remainder of his life.

During 2004, Dr. Wigdor's sister-in-law was employed by Kronos Worldwide and was paid \$43,300 and received customary employee benefits, including medical insurance. She continues to be employed by Kronos Worldwide. Additionally, during 2004, Kronos Worldwide employed Dr. Wigdor's son and paid him \$74,550.

EXECUTIVE COMPENSATION REPORT

During 2004, Kronos Worldwide's independent directors and the MD&C Committee administered matters regarding the compensation of Kronos Worldwide's executive officers.

Contran ISA

During 2004, Kronos Worldwide paid certain fees to Contran for services provided pursuant to the Contran ISA, including the services of the following executive officers of Kronos Worldwide:

Name	Positions with Kronos Worldwide
Harold C. Simmons	Chairman of the Board and Chief Executive Officer
Steven L. Watson	Vice Chairman of the Board
James W. Brown	Vice President and Controller
Robert D. Graham	Vice President, General Counsel and Secretary
Kelly D. Luttmer	Vice President and Tax Director
John A. St. Wrba	Vice President and Treasurer
Gregory M. Swalwell	Vice President, Finance and Chief Financial Officer

Contran annually determines the aggregate fee to charge Kronos Worldwide and its subsidiaries based on (i) an estimate of the amount of time each Contran employee that performs services for Kronos Worldwide and its subsidiaries will spend on such services over the year and (ii) Contran's cost related to such employee, which includes the employee's base salary, incentive compensation and an overhead component that takes into account other employment costs, including medical benefits, unemployment and disability insurance and pension costs and other costs of providing an office, equipment and supplies related to the provision of such services. The portion of the annual charge Kronos Worldwide pays under the Contran ISA for the services of any particular individual is capped at \$1.0 million to enhance Kronos Worldwide's ability to deduct such charge for federal income tax purposes. The amount of the fee Kronos Worldwide paid in 2004 under the Contran ISA for a person who provided services to Kronos Worldwide or its subsidiaries represents, in management's view, the reasonable equivalent of "compensation" for such services. It is also management's view

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

that the proposed aggregate charge to Kronos Worldwide under the Contran ISA is fair to Kronos Worldwide and its stockholders. See "Certain Relationships and Transactions--Intercompany Services Agreement" for the aggregate amount Kronos Worldwide paid to Contran in 2004 under the Contran ISA. For each named executive officer that was a Contran employee in 2004, the portion of the annual charge Kronos Worldwide paid in 2004 to Contran under the Contran ISA attributable to the services of such executive officer is set forth under footnote (3) to the summary compensation table in this proxy statement. The amount charged under the Contran ISA is not dependent upon Kronos Worldwide's financial performance.

Based upon the independent directors' review of Contran's ISA allocation process and documentation as to how Contran determines the necessary personnel, the estimated number of full time employees that are required to provide services and the cost of such services under the Contran ISA and their related discussions with management, the independent directors agreed that such aggregate 2004 charge from Contran under the Contran ISA was fair and reasonable to Kronos Worldwide and its stockholders. In making such determination, the independent directors relied on their collective business experience and judgment.

Other Executive Officers

In 2004, the MD&C Committee administered certain matters regarding the compensation of Ulfert Fiand, H. Joseph Maas and Douglas C. Weaver, executive officers and employees of Kronos Worldwide or one of its subsidiaries. For 2004, Kronos Worldwide's cash compensation for executive officers generally consisted of two primary components: base salary and annual operating earnings bonus awards provided by Kronos Worldwide's Share-in-Performance Program.

-18-

Base Salaries. Kronos Worldwide's management establishes base salaries for executive officers employed by Kronos Worldwide or its subsidiaries on a position-by-position basis by conducting annual internal reviews of salary levels in an attempt to rank salary and job value to each position. The MD&C Committee reviews changes in salaries, including those for Messrs. Fiand, Maas and Weaver. In 2004, the MD&C Committee reviewed an increase in base salaries for Kronos Worldwide's employees, including Messrs. Fiand, Maas and Weaver, by the expected inflation rate in the applicable country for the employee. The aggregate average percentage increase for 2004 in base salary was 2.0%.

Bonuses. Operating earnings bonus awards under Kronos Worldwide's Share-in-Performance Plan constitute a significant portion of the potential annual cash compensation for Messrs. Fiand, Maas and Weaver. Based on the business plan for the year and management's recommendation, in February 2004, the MD&C Committee sets Kronos Worldwide's year-end operating earnings goals at three levels: a threshold level, which is the minimum operating earnings level for any award to be made under the Share-in-Performance Plan (the "Minimum Level"), a target level (the "Target Level"), and a maximum level (the "Maximum Level"). The chief executive officer, with the assistance of the Company's chief operating management consultant and chief financial officer, selected the participants in the Share-in-Performance Plan and determined the bonus awards for each participant that would be paid upon Kronos Worldwide's achievement of the operating earnings target at each level. An executive officer's cash compensation is designed to result in below competitive compensation levels if the Minimum Level is not achieved.

Pursuant to the Share-in-Performance Plan, if operating earnings fall below the Minimum Level, no operating earnings bonus award is paid. For 2004, if Kronos Worldwide achieved operating earnings at 85% or higher of the Target

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

Level but did not achieve the Target Level, a participant would receive a reduced Target Level annual operating earnings bonus award, reduced by the pro rata amount by which the achieved operating earnings was less than the Target Level. As a result of Kronos Worldwide achieving 2004 operating earnings at the Target Level, Messrs. Fiand, Maas and Weaver received the operating earnings bonus awards set forth next to their name for 2004 in the bonus column of the summary compensation table in this proxy statement.

Common Stock Based Compensation. In 2004, the MD&C Committee administered matters regarding the Common Stock based compensation of Kronos Worldwide's executive officers. In 2004, however, management did not recommend any Common Stock based compensation and the MD&C Committee did not grant any such compensation to any executive officers other than annual stock grants to Kronos Worldwide's directors, including the chief executive officer and the vice chairman of the board, for their services as directors. The MD&C Committee does not currently anticipate granting Common Stock based compensation to anyone in 2005 other than these annual grants of stock to directors. See "Compensation of Directors and Executive Officers and Other Information--Compensation of Directors."

Deductibility of Compensation

Section 162(m) of the Code generally disallows a tax deduction to public companies for non-performance based compensation over \$1.0 million paid to the company's chief executive officer and four other most highly compensated executive officers. It is Kronos Worldwide's general policy to structure the performance-based portion of the compensation of its executive officers in a manner that enhances Kronos Worldwide's ability to deduct fully such compensation.

The following individuals, in the capacities indicated, hereby submit the foregoing report.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Relationships with Related Parties. As set forth under "Security Ownership," Harold C. Simmons, through Contran, may be deemed to control Kronos Worldwide. Kronos Worldwide and other entities that may be deemed to be controlled by or affiliated with Mr. Simmons sometimes engage in (a) intercorporate transactions such as guarantees, management and expense sharing arrangements, shared fee arrangements, tax sharing agreements, joint ventures, partnerships, loans, options, advances of funds on open account and sales, leases and exchanges of assets, including securities issued by both related and unrelated parties and (b) common investment and acquisition strategies, business combinations, reorganizations, recapitalizations, securities repurchases and purchases and sales (and other acquisitions and dispositions) of subsidiaries, divisions or other business units, which transactions have involved both related and unrelated parties and have included transactions that resulted in the acquisition by one related party of an equity interest in another related party. Kronos Worldwide periodically considers, reviews and evaluates and understands that Contran and related entities periodically consider, review and evaluate such transactions. Depending upon the business, tax and other objectives then relevant and restrictions under indentures and other agreements, it is possible

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

that Kronos Worldwide might be a party to one or more of such transactions in the future. In connection with these activities Kronos Worldwide may consider issuing additional equity securities or incurring additional indebtedness. Kronos Worldwide's acquisition activities have in the past and may in the future include participation in acquisition or restructuring activities conducted by other companies that may be deemed to be controlled by Mr. Simmons. It is the policy of Kronos Worldwide to engage in transactions with related parties on terms, in the opinion of Kronos Worldwide, no less favorable to Kronos Worldwide than could be obtained from unrelated parties.

Certain directors or executive officers of Contran, CompX, Keystone, NL, TIMET or Valhi also serve as directors or executive officers of Kronos Worldwide. Such relationships may lead to possible conflicts of interest. These possible conflicts of interest may arise from the duties of loyalty owed by persons acting as corporate fiduciaries to two or more companies under circumstances in which such companies may have adverse interests. No specific procedures are in place that govern the treatment of transactions among Kronos Worldwide and its related entities, although such entities may implement specific procedures as appropriate for particular transactions. In addition, under applicable principles of law, in the absence of stockholder ratification or approval by directors who may be deemed disinterested, transactions involving contracts among companies under common control must be fair to all companies involved. Furthermore, directors owe fiduciary duties of good faith and fair dealing to all stockholders of the companies for which they serve.

Intercompany Services Agreements. Under the ISAs, employees of one company will provide certain services, including executive officer services, to the other company on a fee basis. The services rendered under the ISAs may include executive, management, financial, internal audit, accounting, tax, legal, insurance, risk management, treasury, aviation, human resources, technical, consulting, administrative, office, occupancy and other services as required from time to time in the ordinary course of the recipient's business. The fees paid pursuant to the ISAs are generally based upon an estimate of the time devoted by employees of the provider of the services to the affairs of the recipient and the employer's cost related to such employees, which includes the employees' cash compensation and an overhead component that takes into account other employment costs of the employees. Each of the ISAs in their current form extends on a quarter-to-quarter basis, generally subject to the termination by either party pursuant to a written notice delivered 30 days prior to the start of the next quarter. Because of the large number of companies affiliated with Contran and Kronos Worldwide, Kronos Worldwide believes it benefits from cost savings and economies of scale gained by not having certain management, financial and administrative staffs duplicated at each entity, thus allowing certain individuals to provide services to multiple companies but only be compensated by one entity. With respect to a publicly held company that is a party to an ISA, the ISA and the related aggregate annual charge is reviewed and approved by the independent directors of the company.

Effective January 1, 2004, Kronos Worldwide entered into the Contran ISA. Under the Contran ISA, Kronos Worldwide paid fees of approximately \$4.4 million for services provided in 2004. In 2005, Kronos Worldwide anticipates paying Contran approximately \$5.7 million for services to be provided under the Contran ISA. Kronos Worldwide also pays director fees and expenses directly to Messrs. Glenn and Harold Simmons and Watson for their services as Kronos Worldwide directors.

-20-

Loans between Related Parties. On the December 8, 2003, immediately prior to NL's distribution of 48.8% of the outstanding Common Stock, Kronos Worldwide distributed a \$200 million dividend to NL in the form of a long-term note

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

payable. The \$200 million long-term note payable to NL was unsecured and bore interest at 9% per annum, with interest payable quarterly and all principal due in 2010. On September 24, 2004, NL completed the acquisition of 68.4% of the outstanding shares of CompX class A and B common stock previously held by Valhi and Valcor, Inc., a wholly owned subsidiary of Valhi ("Valcor"). NL paid the purchase price for these shares by transferring to Valhi and Valcor an aggregate \$168.6 million of the \$200 million long-term note receivable from Kronos Worldwide. In October 2004, Valcor distributed its note receivable from Kronos Worldwide to Valhi, and subsequently, Kronos Worldwide prepaid \$100.0 million of the consolidated note payable to Valhi principally using available cash on hand. In December 2004, Kronos Worldwide prepaid the remaining balances on the notes due Valhi and NL that were originally represented by the \$200 million long-term note and the related notes were cancelled.

From time to time, other loans and advances are made between Kronos Worldwide and various related parties pursuant to term and demand notes. These loans and advances are entered into principally for cash management purposes. When Kronos Worldwide loans funds to related parties, the lender is generally able to earn a higher rate of return on the loan than the lender would earn if the funds were invested in other instruments. While certain of such loans may be of a lesser credit quality than cash equivalent instruments otherwise available to Kronos Worldwide, Kronos Worldwide believes that it has evaluated the credit risks involved, and that those risks are reasonable and reflected in the terms of the applicable loans. When Kronos Worldwide borrows from related parties, it is generally able to pay a lower rate of interest than it would pay if it borrowed from other parties.

Interest income on all loans to unconsolidated related parties was nil in 2004. Interest expense on all loans from unconsolidated related parties was \$15.2 million in 2004.

Short-Swing Trading Profits. From December 2004 through January 2005, NL sold certain shares of Common Stock in the open-market. In the six months prior to such sales, Valhi had purchased shares of Common Stock in the open-market. Pursuant to section 16(b) of the Exchange Act, certain of such sales and purchases might be deemed to be matched for purposes of computing short-swing profits. As a result, Valhi made several voluntary payments to Kronos Worldwide concurrently with NL's sales transactions aggregating approximately \$600,000, which amount represents the maximum amount of any possible short-swing profits resulting from these transactions.

Insurance Matters. Contran and Kronos Worldwide participate in a combined risk management program. Pursuant to the program, Contran and certain of its subsidiaries and affiliates, including Kronos Worldwide and certain of its subsidiaries and affiliates, purchase certain of their insurance policies as a group, with the costs of the jointly owned policies being apportioned among the participating companies. Tall Pines Insurance Company, including Valmont Insurance Company that merged into Tall Pines in December 2004 ("Tall Pines"), and EWI RE, Inc. ("EWI") provide for or broker these insurance policies. Tall Pines is a captive insurance company wholly owned by Valhi, and EWI is a reinsurance brokerage and risk management firm wholly owned by NL. A son-in-law of Harold C. Simmons serves as EWI's chairman of the board and chief executive officer and is compensated as an employee of EWI. Consistent with insurance industry practices, Tall Pines and EWI receive commissions from insurance and reinsurance underwriters for the policies that they provide or broker.

With respect to certain of such jointly owned insurance policies, it is possible that unusually large losses incurred by one or more insureds during a given policy period could leave the other participating companies without adequate coverage under that policy for the balance of the policy period. As a result, Contran and certain of its subsidiaries or affiliates, including Kronos Worldwide, have entered into a loss sharing agreement under which any uninsured

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

loss is shared by those entities who have submitted claims under the relevant policy. Kronos Worldwide believes the benefits in the form of reduced premiums and broader coverage associated with the group coverage for such policies justify the risks associated with the potential for any uninsured loss.

During 2004, Contran and its related parties paid premiums of approximately \$15.1 million for policies Tall Pines provided or EWI brokered, including approximately \$8.1 million paid by Kronos Worldwide and Louisiana Pigment Company, L.P., a partnership of which subsidiaries of Kronos Worldwide and Huntsman LLC each own 50% ("LPC"). These amounts principally included payments for reinsurance and insurance premiums paid to unrelated third parties, but also included commissions paid to Tall Pines and EWI. In Kronos Worldwide's opinion, the amounts that Kronos Worldwide and LPC paid for these insurance policies and the allocation among Kronos Worldwide and its affiliates of relative insurance premiums are reasonable and at least as favorable to those they could have obtained through unrelated insurance companies or brokers. Kronos Worldwide expects that these relationships with Tall Pines and EWI will continue in 2005.

-21-

Tax Matters. Prior to December 8, 2003, Kronos Worldwide and its qualifying subsidiaries were members of NL's consolidated U.S. federal income tax group (the "NL Tax Group"). As a member of the NL Tax Group, Kronos Worldwide was a party to a tax sharing agreement (the "NL Tax Agreement"). The NL Tax Group, including Kronos Worldwide, was included in the consolidated U.S. federal tax return of Contran (the "Contran Tax Group"). As a member of the Contran Tax Group, NL is a party to a separate tax sharing agreement (the "Contran Tax Agreement"). The Contran Tax Agreement provides that NL and its qualifying subsidiaries, including Kronos Worldwide, compute provisions for U.S. income taxes on a separate-company basis using tax elections made by Contran. Pursuant to the NL Tax Agreement and using tax elections made by Contran, Kronos Worldwide makes payments or receives payments in amounts it would have paid to or received from the U.S. Internal Revenue Service had it not been a member of the NL Tax Group but instead had been a separate taxpayer. Refunds are generally limited to amounts previously paid under the NL Tax Agreement.

Effective December 8, 2003, Kronos Worldwide and its qualifying subsidiaries ceased being members of the NL Tax Group, but Kronos Worldwide and its qualifying subsidiaries remained as members of the Contran Tax Group. Kronos Worldwide entered into a new tax sharing agreement with Valhi and Contran, which contains similar terms as the NL Tax Agreement (the "Valhi Tax Agreement").

Kronos Worldwide is also a part of consolidated tax returns filed by Contran in certain United States state jurisdictions. For such consolidated state tax returns, intercompany allocations of state tax provisions are computed on a separate company basis using tax elections made by Contran. As a result, Kronos Worldwide makes payments or receives payments in the amounts that would have been paid to or received from the respective state tax authority had Kronos Worldwide not been a part of the consolidated state tax return.

Under certain circumstances, tax regulations could require Contran to treat items differently than Kronos Worldwide would have treated them on a stand alone basis. Pursuant to the NL Tax Agreement and consolidated state tax returns, Kronos Worldwide received approximately \$1.2 million from NL in 2004. Pursuant to the Valhi Tax Agreement, Kronos Worldwide paid approximately \$0.3 million to Valhi in 2004.

AUDIT COMMITTEE REPORT

The audit committee of the Board of Directors is comprised of four directors and operates under a written charter adopted by the Board of Directors. All members of the audit committee meet the independence standards established by the Board of Directors and the NYSE and promulgated by the SEC under the Sarbanes-Oxley Act of 2002. The audit committee charter is available on Kronos Worldwide's website at www.kronostio2.com under the corporate governance section.

Kronos Worldwide's management is responsible for, among other things, preparing its consolidated financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP"), establishing and maintaining internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)) and evaluating the effectiveness of such internal control over financial reporting. The independent auditor is responsible for auditing Kronos Worldwide's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for expressing an opinion on the conformity of the financial statements with GAAP. The independent auditor is also responsible for auditing Kronos Worldwide's internal control over financial reporting in accordance with such standards and for expressing an opinion on (i) management's assessment of the effectiveness of its internal control over financial reporting and (ii) the effectiveness of its internal control over financial reporting. The audit committee assists the Board of Directors in fulfilling its responsibility to oversee management's implementation of Kronos Worldwide's financial reporting process. In its oversight role, the audit committee reviewed and discussed the audited financial statements with management and with PricewaterhouseCoopers LLP ("PwC"), Kronos Worldwide's independent auditor for 2004. The audit committee also reviewed and discussed internal control over financial reporting with management and with PwC.

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

The audit committee met with PwC and discussed any issues deemed significant by the independent auditor, including the required matters to be discussed by Statement of Auditing Standards No. 61, Communication with Audit Committee, as amended. PwC has provided to the audit committee written disclosures and the letter required by Independence Standards Board No. 1, Independence Discussions with Audit Committees, and the audit committee discussed with PwC that firm's independence. The audit committee also concluded that PwC's provision of non-audit services to Kronos Worldwide and its affiliates is compatible with PwC's independence.

Based upon the foregoing considerations, the audit committee recommended to the Board of Directors that Kronos Worldwide's audited financial statements be included in its Annual Report on Form 10-K for 2004.

Members of the audit committee of the Board of Directors respectfully submit the foregoing report.

On February 17, 2005, the audit committee adopted an amended and restated preapproval policy, a copy of which is attached as Appendix A to this proxy statement, with respect to preapproving engagements of PwC to perform audit or nonaudit services on behalf of Kronos Worldwide or any of its subsidiaries. As of May 6, 2003, the NL audit committee became responsible for preapproving every engagement of PwC to perform audit or nonaudit services on behalf of Kronos Worldwide or any of its subsidiaries. For 2004, the Kronos Worldwide audit committee became responsible for approving such services. From May 6, 2003 to December 31, 2003, the NL audit committee preapproved the engagement of PwC for all such services. For 2004, the Kronos Worldwide audit committee preapproved the engagement of PwC for all such services.

OTHER MATTERS

The Board of Directors knows of no other business that will be presented for consideration at the Meeting. STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS FOR THE 2006 ANNUAL MEETING

Stockholders may submit proposals on matters appropriate for stockholder action at Kronos Worldwide's annual stockholder meetings, consistent with rules adopted by the SEC. Kronos Worldwide must receive such proposals not later than December 19, 2005 to be considered for inclusion in the proxy statement and form of proxy card relating to the Annual Meeting of Stockholders in 2006. Kronos Worldwide's bylaws require that the proposal must set forth a brief description of the proposal, the name and address of the proposing stockholder as they appear on Kronos Worldwide's books, the number of shares of Common Stock the stockholder holds and any material interest the stockholder has in the proposal.

The Board of Directors will consider the director nominee recommendations of Kronos Worldwide stockholders. Kronos Worldwide's bylaws require that a nomination set forth the name and address of the nominating stockholder, a representation that the stockholder will be a stockholder of record entitled to vote at the annual stockholder meeting and intends to appear in person or by proxy at the meeting to nominate the nominee, a description of all arrangements or understandings between the stockholder and the nominee (or other persons pursuant to which the nomination is to be made), such other information regarding the nominee as would be required to be included in a proxy statement

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

filed pursuant to the proxy rules of the SEC and the consent of the nominee to serve as a Kronos Worldwide director if elected.

The Board of Directors has no specific minimum qualifications for director candidates. The Board of Directors will consider a potential director nominee's ability to satisfy the need, if any, for any required expertise on the Board of Directors or one of its committees. Historically, Kronos Worldwide's management has recommended director nominees to the Board of Directors. Because under the NYSE listing standards Kronos Worldwide may be deemed to be a controlled company, the Board of Directors believes that additional policies or procedures with regard to the consideration of director candidates recommended by its stockholders are not appropriate.

For proposals or director nominations to be brought at the 2006 Annual Meeting of Stockholders but not included in the proxy statement for such meeting, Kronos Worldwide's bylaws require that the proposal or nomination must be delivered or mailed to the principal executive offices of Kronos Worldwide in most cases no later than March 4, 2006. Proposals and nominations should be addressed to: Corporate Secretary, Kronos Worldwide, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Stockholders who wish to communicate with the Board of Directors may do so through the following procedures. Stockholder communications not involving complaints or concerns regarding accounting, internal accounting controls and auditing matters related to Kronos Worldwide ("Accounting Complaints or Concerns") may be sent to the attention of Kronos Worldwide's corporate secretary at Kronos Worldwide, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697. Stockholder communications that relate to matters that are within the scope of the responsibilities of the Board of Directors and its committees, or summaries of such communications, will be forwarded to the chairman of the audit committee.

Accounting Complaints or Concerns, which may be made anonymously, should be sent to the attention of Kronos Worldwide's general counsel with a copy to Kronos Worldwide's chief financial officer at the same address as the corporate secretary. Accounting Complaints or Concerns will be forwarded to the chairman of the audit committee. Kronos Worldwide will keep Accounting Complaints or Concerns confidential and anonymous, to the extent feasible, subject to applicable law. Information contained in an Accounting Complaint or Concern may be summarized, abstracted and aggregated for purposes of analysis and investigation.

2004 ANNUAL REPORT ON FORM 10-K

A copy of Kronos Worldwide's Annual Report on Form 10-K for the fiscal year ended December 31, 2004, as filed with the SEC, is included as part of the annual report mailed to Kronos Worldwide's stockholders with this proxy statement. This Annual Report on Form 10-K may also be accessed on Kronos Worldwide's website at www.kronostio2.com.

ADDITIONAL COPIES

Pursuant to an SEC rule concerning the delivery of annual reports and proxy statements, a single set of these documents may be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

information stockholders receive and reduces mailing and printing expenses. A number of brokerage firms have instituted householding. Certain beneficial stockholders who share a single address may have received a notice that only one annual report and proxy statement would be sent to that address unless a stockholder at that address gave contrary instructions. If, at any time, a stockholder who holds shares through a broker no longer wishes to participate in householding and would prefer to receive a separate proxy statement and related materials, or if such stockholder currently receives multiple copies of the proxy statement and related materials at his or her address and would like to request householding of Kronos Worldwide communications, the stockholder should notify his or her broker. Additionally, Kronos Worldwide will promptly deliver a separate copy of Kronos Worldwide's 2004 annual report or this proxy statement to any stockholder at a shared address to which a single copy of such documents was delivered, upon the written or oral request of the stockholder.

To obtain copies of Kronos Worldwide's 2004 annual report or this proxy statement without charge, please mail your request to the attention of Robert D.

Graham, Corporate Secretary, at Kronos Worldwide, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697, or call him at 972.233.1700.

Appendix A

Kronos Worldwide, Inc.

AUDIT COMMITTEE PREAPPROVAL POLICY

AMENDED AND RESTATED AS OF FEBRUARY 17, 2005

Section 1. -- Statement of Principles

The Audit Committee is required, subject to any de-minimus exceptions permitted by applicable law or regulation, to preapprove the audit and non-audit services performed by the independent auditor in order to assure that the provision of such services do not impair the auditors' independence.

This Policy applies to services provided by the accounting firm that serves Kronos Worldwide, Inc. and its subsidiaries (the "Company") as its primary independent auditor, and any international affiliates thereof.

Unless a type of service to be provided by the independent auditor is subject to preapproval under Sections 3 or 4 of this Policy, it will require specific preapproval by the Audit Committee under Section 2 of this Policy. In addition, any proposed services subject to preapproval under Section 3 of this Policy that exceeds the applicable preapproved fee level will also require preapproval under either Section 2 or Section 4 of this Policy. Notwithstanding

Edgar Filing: KRONOS WORLDWIDE INC - Form DEF 14A

the foregoing, the preapproval requirements under this Policy are waived with respect to the provision of permitted non-Audit Services to the extent allowed by applicable law or regulation.

Section 2. -- Specific Preapproval

Subject to Sections 4 and 5 of this Policy, the following describes the Audit and Audit-related services to be provided by the independent auditor that must have the specific preapproval of the Audit Committee before the independent auditor can be engaged:

- o Quarterly review procedures associated with the Company's unaudited interim consolidated financial statements and other services associated with the Company's Quarterly Reports on Form 10-Q;

Section 3. -- Other Categories of Preapproval

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and that are traditionally performed by the independent auditor. The Audit Committee believes that the provision of all of the services described below does not impair the independence of the auditor and is consistent with the SEC's rules on auditor independence.

The Audit Committee will periodically revise the list of pre-approved services and the fee limitation based on subsequent determinations as it deems appropriate.

Any services provided by the independent auditor under this Section of the Policy shall be reported to the full Audit Committee by an officer of the Company at the first meeting of the Audit Committee held subsequent to the

Section 4. -- Delegation

Subject to Section 5 of this Policy, the Audit Committee has delegated preapproval authority to the Audit Committee Chairman or his/her designee for (i) any proposed services described in Section 3 of this Policy to the extent that the aggregate fees for such services provided by the independent auditor during the then-current calendar year has exceeded the limits established by the Audit Committee or (ii) any other proposed services that are not described in Section 3 of this Policy that the Audit Committee Chairman or his/her designee determines to be appropriate or necessary. The Chairman or his/her designee shall report any pre-approval decisions under this Section 4 of the Policy to the full Audit Committee at the first meeting of the Audit Committee held subsequent to such pre-approval decision.
