*Recent Developments*

The company recently announced in the form of an 8-K filed with the SEC that it has signed a plan of exchange to acquire Harbin Yinhai Technology Development Company Ltd.

On January 21, 2005, the Registrant executed a Plan of Exchange (the "Agreement"), between and among the Registrant, Harbin Yinhai Technology Development Company Ltd., a corporation organized and existing under the laws of the Peoples' Republic of China ("Yinhai"), and Progressive Media Group, Inc., XCL Partners, Inc., Aero Financial, Inc. and Triple S Parts, Inc. (collectively, the "Consultants").

Pursuant to and at the closing of the Agreement, the shareholders of Yinhai (the "Yinhai Shareholders") will exchange all of their shares of registered capital of Yinhai for 12,211,857 shares of common stock of the Registrant, or approximately 90% of the Registrant's then outstanding shares of common stock. Upon completion of the exchange, the registered capital of Yinhai will be transferred to the Registrant, and Yinhai will become a wholly-owned subsidiary of the Registrant. An executed copy of the Initial Letter of Agreement is attached hereto as Exhibit 1.1.

Yinhai is a commercial printing company located in Harbin, Peoples' Republic of China, that, among other things, prints forms for use by banks in the Harbin area, and it has approximately 200 employees. It had unaudited revenue of approximately US\$8.6 million in fiscal 2003, and net income of approximately US\$1.57 million.

The company has filed a 14C and has obtained written consent from the majority of the stockholders as of April 7, 2005, approving (i) a reverse split of the Company's common stock at a ratio of 1:30 (the "Reverse Split"), and (ii) an amendment to the Company's Articles of Incorporation changing the name of the Company to "China Printing Inc." (the "Name Change"). The Board of Directors of the Company unanimously approved the Name Change on March 31, 2005 and the Reverse Split on April 1, 2005. Under Section 78.320 of the corporate law of the State of Nevada, action by stockholders may be taken without a meeting, without prior notice, by written consent of the holders of outstanding stock having at least a majority of the voting power that would be necessary to authorize the action at a meeting. No other vote or stockholder action is required. You are hereby being provided with notice of the approval of the Reverse Split and Name Change by less than unanimous written consent of the stockholders of the Company.

As a legal matter, the exchange transaction will become effective when Articles of Exchange are filed with the Secretary of State of the State of Nevada pursuant to the Nevada Revised Statutes Section 92A-200. The name change has taken effect and the company is now registered as China Printing Inc. and trades under the symbol CHPI on the OTC BB. A preliminary 14C was filed on May 16, 2005.

Results of Operations

Total sales for the first quarter 2005 was \$52,375 as compared to \$117,540 for the quarter ended March 31, 2005, a 55% decrease. This was largely due to the continuing decrease in long distance business based on competition. Additionally, the company chose to focus on new markets, such as with MundoTeq.com. If MundoTeq.com had fully launched it still would have taken a solid year of ramping to recover most of the sales losses we witnessed in the past 5 years. Just as in 2003, the sale of Networld had a significant impact on the reduction of total sales. Additionally, the 2<sup>nd</sup> half of the year saw most of the company's assets focused on finding M&A candidates. As a result of these circumstances, our telecommunications revenue accounted for almost 100% of our total revenue for the quarter ending March 31<sup>st</sup>, 2005.

Our net loss for the quarter ending March 31, 2005 was \$39,367 or \$.01 per share, as compared to \$282,469 for the same period in 2005, a decrease of 85% over the period ending March 31, 2005. Our decrease in net loss was primarily associated with the expensing of options issued to consultants totaling \$220,000 in 2004.

Selling, general and administrative expenses for the first quarter of fiscal 2005 were \$77,170 (excluding the non-cash stock compensation expense) as compared to \$290,274 for the same quarter in fiscal 2004.

The decrease in general and administrative costs was primarily attributable to a reduction of workforce and outsourcing of many of the sales functions. Additionally, because of our reorganization efforts in WorldTeq Corporation and the automation of our back office we were able to greatly decrease our monthly expenses.

Our bad debt expense for first quarter 2004 totaled \$0.

Liquidity and Capital Resources

Net cash used in operating activities for the period ended March 31, 2005 and 2004 was \$69,000 and \$47,356 respectively. Net cash used in operating activities for the period ended March 31, 2004 was primarily the result of a net loss and a decrease in accounts payable offset by recognition of deferred offering costs. Net cash used in operating activities for the period ended March 31, 2005 was primarily the result of a net loss offset by an increase in accounts payable.
