Anticipated Change in the results of operations:

As a result of the sale during the second quarter of 2005 of the Glendale Shopping Center by Nexia's subsidiary West Jordan Real Estate Holdings, Inc. it is anticipated that the results of operation for Nexia on a consolidated basis will result in a significant decrease in losses due to the costs related to operation of that center and the realization of changed operational results from the sale of that property during the third quarter of 2005 as compared to the third quarter of 2004. The estimated gross revenue for the third quarter of 2005 is expected to be \$40,000 compared to \$185,600 for the third quarter in 2004 and the total net losses expected for the third quarter of 2005 are estimated to be \$222,300 compared to net losses reported for the third quarter of 2004 were \$301,576.
