**Amendment of Loan Agreement**

On March 14, 2006, Goldfield, the Company's wholly owned subsidiaries, Southeast Power, Bayswater Development Corporation ( Bayswater ), Pineapple House of Brevard, Inc. ( Pineapple House ) and Oak Park of Brevard, Inc. ( Oak Park ), and Branch Banking and Trust Company (the Bank ), entered into an amendment to a Loan Agreement entered into by the parties on August 26, 2005, which provided the Company with a line of credit to be used for working capital, capital expenditures and general corporate purposes (the Working Capital Loan ), and related ancillary agreements, including guarantees of the Working Capital Loan by the Company's subsidiaries named above (the Ancillary Loan Documents ). Pursuant to the amendment, the maximum principal amount of the Working Capital Loan was increased from \$1.0 million to \$3.0 million, and new Ancillary Loan Documents were entered into to reflect the increased principal amount. All of the other terms of the Working Capital Loan and the Ancillary Loan Documents remain unchanged and are described in the Company's previously filed Current Report on Form 8-K dated August 26, 2005.

The foregoing description of the Amendment to Working Capital Loan and the Ancillary Loan Documents does not purport to summarize all of the provisions of these documents and is qualified in its entirety by reference to the Amendment to the Working Capital Loan filed as Exhibit 10-1 and the Ancillary Loan Documents filed as Exhibit 10-2 and Exhibit 10-3 to this Current Report on Form 8-K, and to the Company's Current Report on Form 8-K dated August 26, 2005 and the exhibits thereto, and each of the foregoing is incorporated herein by reference.

**Guarantee of Equipment and Vehicle Leases**

On March 14, 2006, the Company entered into an Unconditional Guarantee (the "Guarantee") pursuant to which the Company has unconditionally guaranteed the obligations of Southeast Power under a series of vehicle and equipment leases which Southeast Power has entered into or may enter into with Branch Banking and Trust Leasing Corporation (the "Lessor"). The maximum liability of the Company to the Lessor under the Guarantee is \$1.5 million, which corresponds to the maximum value of leased property which Southeast Power may lease from the Lessor under this arrangement at any time. In general, the leases entered into by Southeast Power will require it to make monthly lease payments, maintain the leased property in good condition and repair and provide insurance thereon, among other customary covenants and agreements. Furthermore, a default by Southeast Power under any of its other obligations to the Lessor, including the guarantee provided in connection with the Working Capital Loan described above, will result in a default under each lease. Southeast Power's monthly payment obligations under the leases will vary depending upon the vehicles or equipment that are under lease at any given time. Concurrent with the Company's delivery of the Guarantee, Southeast Power entered into a lease for two vehicles with an aggregate value of approximately \$100,000.

The foregoing description of the Guarantee and the lease agreements do not purport to summarize all of the provisions of such documents and is qualified in its entirety by reference to the Guarantee filed as Exhibit 10-4 and the Form of Lease filed as Exhibit 10-5 to this Current Report on Form 8-K, which are incorporated herein by reference.
