Item 8.01                    Other Events

On February 17, 2011, Scott Law, Senior Vice President, Health Care Delivery of WellCare Health Plans, Inc. (“WellCare” or the “Company”) adopted a stock trading plan in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended. Under Rule 10b5-1, directors, officers and other employees who are not in possession of material non-public information may adopt a pre-arranged plan or contract for the sale of Company securities under specified conditions and at specified times. Using these 10b5-1 plans, individuals can diversify their investment portfolios, spread stock trades out over an extended period of time to reduce market impact and avoid concerns about transactions occurring at a time when they might possess material non-public information.

Mr. Law’s 10b5-1 plan provides for the sale of shares owned or to be acquired in the future through the vesting of restricted stock unit grants, less the number of shares forfeited to fulfill tax obligations on the vesting of those grants. Shares sold under Mr. Law’s plan will be open market transactions at prevailing market prices and subject to time periods provided in the plan, which terminates no later than November 25, 2013.

Transactions under the 10b5-1 plan will be reported to the Securities and Exchange Commission in accordance with applicable securities laws, rules and regulations. WellCare does not undertake to report Rule 10b5-1 plans that may be adopted by any officers or directors in the future, or to report any modifications or termination of any publicly announced trading plan, except to the extent required by law.
