#### Cautionary Statement Regarding Forward-Looking Statements

The information furnished pursuant Item 7.01 of this Current Report on Form 8-K (the “8-K”) and the press release attached as Exhibit 99.1 and presentation attached as Exhibit 99.2 contain “forward-looking” statements that are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Statements that are predictive in nature, that depend upon or refer to future events or conditions, or that include words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “estimates,” “will,” and similar expressions are forward-looking statements. For example, statements regarding the company’s financial outlook, including any anticipated premium deficiency reserve contain forward-looking statements. Forward-looking statements involve known and unknown risks and uncertainties that may cause WellCare’s actual future results to differ materially from those projected or contemplated in the forward-looking statements. These risks and uncertainties include, but are not limited to, WellCare’s progress on top priorities such as integrating care management, advocating for our members, building advanced relationships with providers and government partners, ensuring a competitive cost position, and delivering prudent, profitable growth, WellCare’s ability to effectively estimate and manage growth, WellCare’s ability to effectively execute and integrate acquisitions, WellCare’s ability to improve health care quality and access, potential reductions in Medicaid and Medicare revenue, WellCare’s ability to estimate and manage medical benefits expense effectively, including through its vendors, its ability to negotiate actuarially sound rates, especially in new programs with limited experience, the appropriation and payment by state governments of Medicaid premiums receivable, the approval of Medicaid contracts by CMS, any changes to the programs or contracts, WellCare’s ability to address operational challenges related to new business, and WellCare’s ability to meet the requirements of readiness reviews. Given the risks and uncertainties inherent in forward-looking statements, any of WellCare’s forward-looking statements could be incorrect and investors are cautioned not to place undue reliance on any of our forward-looking statements.

Additional information concerning these and other important risks and uncertainties can be found in the company’s filings with the U.S. Securities and Exchange Commission (“SEC”), included under the captions “Forward-Looking Statements” and “Risk Factors” in the company’s Annual Report on Form 10-K for the year ended December 31, 2016, Quarterly Report on Form 10-Q for the quarter ended September 30, 2017 and other filings by WellCare with the SEC, which contain discussions of WellCare’s business and the various factors that may affect it. Subsequent events and developments may cause actual results to differ, perhaps materially, from WellCare’s forward-looking statements. WellCare’s forward-looking statements speak only as of the date on which the statements are made. WellCare undertakes no duty, and expressly disclaims any obligation, to update these forward-looking statements to reflect any future events, developments or otherwise.

The information furnished pursuant to Item 7.01 of the 8-K and Exhibits 99.1 and 99.2 shall not be deemed to be “filed” for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, and shall not be incorporated by reference into any registration statement or other document under the Securities

Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
