(the Company) to proceed an appraisal prepared based on the book value of the stockholders' equity at July 31, 2008, to be partially split-off and transferred to Braskem S.A. The results of this appraisal work are presented below.

The appraisal of the stockholders' equity mentioned above was made in conjunction with the audit of the balance sheet of Ipiranga Química S.A. at July 31, 2008. This balance sheet was prepared under the responsibility of the Company's management.

We conducted our audit in accordance with approved Brazilian auditing standards which require that we perform the audit to obtain reasonable assurance about whether the financial statements are fairly presented in all material respects. Accordingly, our work included, among other procedures: (a) planning our audit taking into consideration the significance of balances, the volume of transactions and the accounting and internal control systems of the Company, (b) examining, on a test basis, evidence and records supporting the amounts and the financial information disclosed; and (c) assessing the accounting practices used and significant estimates made by management.

Ipiranga Química S.A.

Based on our work, we conclude that the amount of the assets, rights and obligations which form the stockholders equity of Ipiranga Química S.A. to be partially split-off, named split-off portion, in accordance with the Company's balance sheet at July 31, 2008, shown in the Attachment, is R\$ 1,076,305,001.70, and is recorded in the books of account in conformity with accounting practices adopted in Brazil.

In conformity with the standards of NPA 14 of September 24, 2007 - Appraisal Reports issued by an Independent Auditor, issued by the Institute of Independent Auditors - IBRACON, we confirm that:

(a) in accordance with the professional standards established by the Federal Accounting Council through Resolution 821/1997, we are not aware of any conflicts of interest, whether direct or indirect, or any other circumstance which otherwise represents a conflict of interest in relation to the service above, and

(b) we are not aware of any action by the majority stockholder or the company's management intended to influence, restrain, impair or practice any actions which have or might have compromised access to, use of or awareness of information, assets, documents or work methodologies that are material to the quality of this report.
