Petrobras prices global offering

Rio de Janeiro, September 27, 2010 Petróleo Brasileiro S.A. - Petrobras announced that it has priced its global offering of 2,293,907,960 common shares, including 269,296,750 common shares in the form of American Depositary Shares (ADSs) and 1,788,515,136 preferred shares, including 200,833,954 preferred shares in the form of ADSs (not including any exercise of the underwriters' over-allotment option). The common shares were offered to the public in Brazil at a price of R\$29.65 per share, and the preferred shares were offered to the public in Brazil at a price of R\$26.30 per share. Common shares in the form of ADSs (common ADSs, each common ADS representing two common shares) were offered to the public internationally at a price of US\$34.49 per common ADS, and preferred shares in the form of ADSs (preferred ADSs, each preferred ADS representing two preferred shares) were offered to the public internationally at a price of US\$30.59 per preferred ADS. The aggregate proceeds of the global offering to Petrobras, after underwriting discounts and commissions (before expenses), will be equivalent to approximately US\$67 billion.

The global offering consists of a registered offering in Brazil and an international offering, which includes a registered offering in the United States. The global offering is scheduled to close on Wednesday, September 29, subject to satisfaction of customary conditions. Further information about the offers is contained in the offering documents.

Existing shareholders of Petrobras were given the right to subscribe for shares in the Brazilian offering on a priority basis. The Brazilian federal government, our principal shareholder, as well as BNDES Participações S.A., FPS/BNDES, and the Brazilian sovereign wealth fund (FFIE), which are affiliates of the government, have agreed to purchase a total of 1,810,505,485 common shares and 994,917,669 preferred shares in the offering. In the aggregate, the Brazilian federal government and these entities will own approximately 64% of our common shares and 48% of our total outstanding shares after the offering.

The common ADSs and the preferred ADSs are listed on The New York Stock Exchange under the symbols PBR and PBRA, respectively. The ADSs offered in the global offering are expected to be delivered on Wednesday, September 29, in time to settle trades completed on The New York Stock Exchange on Friday, September 24.

The common shares and preferred shares are listed on the São Paulo Stock Exchange under the symbols PETR3 and PETR4, respectively. The shares offered in the global offering are expected to be delivered on Wednesday, September 29, in time to settle trades completed on the São Paulo Stock Exchange on

Monday, September 27.

Petrobras has granted the international underwriters and the Brazilian underwriters options for a period of up to 30 days beginning on September 24, 2010, to purchase an aggregate of up to 187,997,094 additional common and preferred shares, including shares in the form of ADSs, solely to cover over-allotments, if any.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
