### **Sale of distribution assets in Chile**

Rio de Janeiro, May 3, 2016 – Petróleo Brasileiro S.A. – Petrobras informs that concluded the negotiations with Southern Cross Group of the main terms and conditions for the sale of 100% of Petrobras Chile Distribución Ltda. (“PCD”), owned through Petrobras Caribe Ltd.

Southern Cross Group is a private equity fund, founded in 1988, with USD 2.9 billion of assets under management and focused on investments in Latin America in companies in the industrial, services, logistics and retail products sectors.

PCD is the distribution company of Petrobras in Chile and has 279 service stations, 8 owned fuel distribution terminals, 11 operations at airports, participation in 2 logistics companies and 1 plant of lubricants.

The final value of the deal, after price adjustments agreed between the parties, is estimated to be USD 490 million.

This transaction, carried out through a competitive process, is part of the Divestment Program envisaged in the Business and Management Plan 2015-2019 and is still subject to the

deliberation and approval of its final terms and conditions by the Executive Board and Board of Directors of Petrobras and the Executive Committee of Southern Cross as well as the attainment of the applicable regulatory approvals.

**FORWARD-LOOKING STATEMENTS**

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company’s expected business and financial performance, among other matters, contain words such as “believe,” “expect,” “estimate,” “anticipate,” “optimistic,” “intend,” “plan,” “aim,” “will,” “may,” “would,” “likely,” and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company’s actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in relation to the “Lava Jato Operation”; (iii) the effectiveness of the Company’s risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by

**governmental and regulatory agencies. A description of other factors can be found in the Company's Annual Report on Form 20-F for the year ended December 31, 2014, and the Company's other filings with the U.S. Securities and Exchange Commission.**
