NOTICE TO THE MARKET

Telefónica Brasil S.A. ("Company") informs its shareholders and the market in general that has been included for the fifth consecutive year in the BM&FBovespa's Corporate Sustainability Index (ISE) portfolio. The Company once again integrates the ranking, which in its twelfth edition, which will last from January 2, 2017 to January 5, 2018, will feature 38 shares of 34 companies representing 15 sectors of the economy.

Pioneer in Latin America, the index is a tool for comparative analysis of the performance of companies listed on the Bovespa under the corporate sustainability aspect. It is structured in partnership with the Center for Sustainability Studies (GVces) of the São Paulo's School of Business Administration of Fundação Getúlio Vargas (FGV-EAESP).

Annually, a review of the ranking is carried out, in which the economic, financial, environmental and social dimensions of the companies participating in the selection process are evaluated, along with criteria and indicators of corporate governance.

The Company's achievement reflects its commitment to sustainability and governance through responsible management of our activities, in harmony with values such as balance, transparency, accountability, efficiency and innovation.

Telefónica Brasil is distinguished not only by actions aimed at minimizing the impact of its activities, but also by investments in technological solutions that guarantee quality of life for the society through education, security, mobility, health and well-being.
