**MATERIAL FACT**

According to the debt reprofiling with Caixa Economica Federal ("CEF"), as a result of the material fact disclosed on August 8, 2018, COMPANHIA SIDERÚRGICA NACIONAL ("Company") hereby informs that the Board of Directors approved its 10th issuance of non-convertible debentures of single collateral class, in the amount of up to R\$ 2,000,000,000.00, with a nominal unit value of R\$ 1,000.00 on the issue date ("Debentures" and "Issuance", respectively).

The Issuance will be subject of a public offering, with restricted distribution efforts, pursuant to Law no. 6.385/76, of the Brazilian Securities and Exchange Commission ("CVM") no. 476/2009, and other applicable legal and regulatory provisions, under the mixed regime of firm guarantee and better placement efforts and aimed at professional investors, as provided for in article 9-A of CVM Instruction 539/2013.

The Debentures will have a maturity of five years, counted from the issue date.

The funds raised by the Company through the Issuance will be exclusively destined for ordinary payment of part of the debt held by the Company with CEF.

The realization of the Issuance is subject to the fulfillment of certain usual precedent conditions in operations of this nature.

This Material Fact is being published by the Company exclusively in compliance with applicable legislation and regulations, in a way that is exclusively informative and should not be interpreted or considered, for all legal purposes, as a material for sale or disclosure of the Debentures.

São Paulo, December 17, 2018.
