**Item 1.01 Entry into a Material Definitive Agreement.**

On July 20, 2009, Mellanox Technologies, Ltd. (the "Company"), entered into new indemnification undertaking agreements (each, an "Undertaking" and, collectively, the "Undertakings") with each member of its Board of Directors (the "Board") and with Michael Gray, the Company's Chief Financial Officer. Each Undertaking replaces each existing indemnification undertaking agreement the Company previously entered into with each Board member and with its Chief Financial Officer (each, a "Prior Undertaking" and, collectively, the "Prior Undertakings").

As approved by shareholders at the Company's May 18, 2009 Annual General Meeting, the Undertakings provide that the aggregate amount of the Company's indemnification obligations under the Undertakings shall not exceed, during the course of the Company's existence, fifty percent of the Company's net assets, measured by the balance sheet of the Company last published prior to the time that notice is provided to the Company of the existence of an indemnification event. The Prior Undertakings limited the aggregate amount of the Company's indemnification obligations to the maximum assets of the Company as permitted by law.
