ParkOhio is a leading provider of supply management services and a manufacturer of highly engineered products. Headquartered in Cleveland, Ohio, the Company operates 28 manufacturing sites and 40 supply chain logistics facilities.

This release contains forward-looking statements, including statements regarding future performance of the Company that are subject to certain risks, uncertainties and assumptions. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, estimated or projected.

Among the key factors that could cause actual results to differ materially from expectations are: the cyclical nature of the vehicular industry; timing of cost reductions; labor availability and stability; changes in economic and industry conditions; adverse impacts to the Company, its suppliers and customers from acts of terrorism or hostilities; the financial condition of the Company's customers and suppliers, including the impact of any bankruptcies; the Company's ability to successfully integrate the operations of acquired companies; the uncertainties of environmental, litigation or corporate contingencies; and changes in regulatory requirements. These and other risks and assumptions are described in the Company's reports that are available from the United States Securities and Exchange Commission. The Company assumes no obligation to update the information in this release.
