**Item 1.01 Entry into a Material Definitive Agreement.**

Effective on July 26, 2012 pursuant to a Master Note Purchase Agreement (the "Note Purchase Agreement") between Nordson and the purchasers listed therein, Nordson issued and sold Senior Notes, Series 2012-A, Series 2012-B, Series 2012-C and Series 2012-D (collectively the "2012 Notes"), in an aggregate principal of \$200 Million. The 2012 Notes mature between July 25, 2017 and July 25, 2025 and bear interest at fixed per annum interest rates between 2.27% and 3.13%. Amortization of certain 2012 Notes prior to their respective final state maturity is required to commence on July 26, 2017 and to continue annually until the final stated maturity of such 2012 Notes. In the event of any other prepayment of the 2012 Notes prior to their respective final stated maturity Nordson is obligated to pay to purchasers certain yield maintenance amounts in respect of such prepaid amounts. The purchasers of the 2012 Notes consist of various insurance companies and their affiliates.

Nordson used the proceeds of the 2012 Notes to repay \$200 Million previously borrowed under the Credit Agreement dated June 4, 2012 with PNC Bank, National, as administrative agent, PNC Capital Markets LLC, as sole lead arranger and sole bookrunner. After such repayment the amount available to be borrowed under such Credit Agreement was reduced to \$50 Million.

The Note Purchase Agreement contains customary representations and warranties and affirmative and negative covenants including, among others, covenants regarding the maintenance of certain financial ratios and covenants relating to financial reporting, compliance with laws, transactions with affiliates, limitation on liens, mergers and sales of all or substantially all of Nordson's assets.

The Note Purchase Agreement provides for customary events of default, including, among other things, nonpayment of principal, interest, or other amounts, a representation or warranty proving to have been false or erroneous when made, failure to perform or observe certain covenants within a specified period of time, a cross-default to other indebtedness of Nordson of a specified amount, the bankruptcy or insolvency of Nordson, monetary judgment defaults of a specified amount, invalidity of any loan documentation, a change of control of Nordson and ERISA defaults resulting in liability of a specified amount.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**
