This Report on Form 6-K dated April 22, 2008, contains the announcement of the Company's next step in the direction to prepare for the disposal and resulting deconsolidation of its investment in Qimonda AG.

**Infineon Prepares for Disposal and Deconsolidation of Qimonda
Investment reclassified into Assets Held for Sale
Write-down of Euro 1 Billion**

Neubiberg, Germany April 21, 2008 Infineon Technologies AG, Neubiberg, continues to prepare for the disposal and resulting deconsolidation of its investment in Qimonda AG, Munich, and takes the next step in this direction. The Infineon Audit Committee reaffirmed today the decision to reclassify the assets and liabilities of Qimonda into Assets Held for Sale in the consolidated balance sheet of Infineon as of March 31, 2008. The quarterly results of Infineon Technologies AG which is scheduled to be announced on April 23, 2008 will include this presentation.

As a result of this presentation, the individual line items in the Consolidated Statement of Operations of Infineon will reflect the results of Infineon's segments other than Qimonda. The results of operations of Qimonda will be reported in one line item titled Income (Loss) from Discontinued Operations. Going forward, earnings per share as well as the Statement of Cash Flows will differentiate between continuing and discontinued operations. Accordingly, the financial reports will now focus on the ongoing operations of the company while at the same time setting the foundation for the comparability of its performance.

Following this reclassification, and in contemplation of its planned disposal and resulting deconsolidation, the investment in Qimonda was reduced to its current fair value. The difference between the carrying value and the current fair value resulted in a write-down of Euro 1 billion, which will be recorded in Income (Loss) from Discontinued Operations in the second quarter of the current fiscal year. The existing guidance on Ebit development for Infineon excluding Qimonda for the second quarter of fiscal year 2008 and for the complete fiscal year 2008 remains unchanged.

Infineon has repeatedly communicated its goal of reducing its investment in Qimonda below 50% by no later than the 2009 Annual Meeting of Shareholders and is currently

evaluating its different alternatives. Infineon currently holds a 77.47% interest in Qimonda.

About Infineon
