## Section 5 — Corporate Governance and Management

## Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On January 23, 2009, the Compensation Committee of the Board of Directors of Brookdale Senior Living Inc. (the “Company”) approved the 2009 base salaries payable to the Company’s principal executive officer, the Company’s principal financial officer and those current officers of the Company who were classified as “named executive officers” in the Company’s 2008 Proxy Statement.

For 2009, each named executive officer will receive the annual base salary set forth below:

Name	Title	Annual Base Salary (1)
W.E. Sheriff	Chief Executive Officer	\$600,000
Mark W. Ohlendorf	Co-President and Chief Financial Officer	\$480,000
John P. Rijos	Co-President and Chief Operating Officer	\$480,000
T. Andrew Smith	Executive Vice President, General Counsel and Secretary	\$480,000

(1) Salary adjustments were made effective retroactive to January 1, 2009.

In addition, the Compensation Committee determined that, as part of their annual cash incentive compensation, each of Messrs. Ohlendorf, Rijos and Smith will be eligible to receive a bonus based on the achievement of certain individual performance objectives (the “MBO bonus”), with a target MBO bonus of \$160,000. The MBO bonus opportunity will be payable in two semi-annual installments, dependent on the level of achievement of certain objectives to be established for each individual for the first and second half of 2009. The objectives will be established by the Company’s Chief Executive Officer and will be reviewed by the Compensation Committee. These individual objectives are intended to create near-term focus by each executive on key strategic initiatives supporting the Company’s business plan. It is intended that the objectives will be reasonably achievable, but they will require significant additional efforts on behalf of each of the executives, and the MBO bonuses are therefore at risk. The level of achievement of the individual objectives will be determined by the Compensation Committee following the end of each performance period upon the recommendation of the Company’s Chief Executive Officer. Achievement of the targeted level of performance would result in 100% of the award being funded, which represents the maximum MBO bonus opportunity for each executive.

In addition to the MBO bonus opportunity, the Company anticipates that each of the named executive officers will also be eligible to receive an annual performance-based cash

bonus opportunity based on Company performance objectives (rather than individual performance objectives). The target award levels and performance criteria applicable to this additional annual bonus opportunity will be established by the Compensation Committee at a later date.

In prior years, our named executive officers have generally accepted lower base salaries in light of the fact that the Company was a dividend-paying organization and that each named executive officer received a substantial amount of additional cash payments from the Company from dividends on vested and unvested shares of the Company's common stock. In establishing the levels of compensation for our named executive officers for 2009, the Compensation Committee considered the impact of the recent suspension of the Company's quarterly dividend on each executive and, in connection therewith, reviewed the amount of dividends paid to each executive during 2008 on vested and unvested shares of the Company's common stock. Individually and in the aggregate (including the impact of dividends on vested and unvested shares paid to each executive in 2008 and excluding incentive compensation), the 2009 adjusted base salaries represent a significant reduction in the named executive officers' annual cash payments from the Company compared to 2008, constituting a reduction ranging from approximately 23% to 40% individually and approximately 31% in the aggregate.

Additional information regarding compensation of our named executive officers will be included in the Company's Proxy Statement for its 2009 Annual Meeting of Stockholders, to be filed with the Securities and Exchange Commission.
