Calumet Specialty Products Partners, L.P. has determined that it is unable to file its Quarterly Report on Form 10-Q for the period ended March 31, 2018 (the "Form 10-Q") by May 10, 2018, the due date for such filing without unreasonable effort or expense because of continued difficulties with respect to the implementation of the Enterprise Resource Planning ("ERP") software system. Implementation issues related to the ERP system have resulted in a delay in the financial statement close process, as execution of certain financial statement controls, including timely account reconciliation, analysis and review, have not operated as intended for all financial statement accounts.
