## Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form 8-K

On December 30, 2005, SkyTerra Communications, Inc. (the "Company") entered into a separation agreement with its wholly-owned subsidiary Hughes Communications, Inc. ("Hughes") to facilitate the previously announced proposed special dividend distribution of Hughes to the Company's stockholders. The separation agreement effected the transfer, by way of contribution on December 31, 2005, from the Company to Hughes of substantially all of the assets and liabilities of the Company other than its interest in Mobile Satellite Ventures LP ("MSV"), Terrestar Networks, Inc. ("TerreStar") and certain designated cash. The separation agreement also contains agreements relating to indemnification and access to information, facilities, information technology and communications equipment. A copy of the separation agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

On December 30, 2005, the Company also entered into a tax sharing agreement with Hughes under which Hughes has generally agreed to be responsible for, and to indemnify the Company and its subsidiaries against, all tax liabilities imposed on or attributable to (i) Hughes and any of its subsidiaries relating to all taxable periods and (ii) the Company and any of its subsidiaries for all taxable periods or portions thereof ending on or prior to a change of control of SkyTerra, in each case, after taking into account any tax attributes of the Company or any of its subsidiaries that are available to offset such tax liabilities. Notwithstanding the foregoing, Hughes is not responsible for any taxes relating to MSV, TerreStar or such a change of control. Additionally, under the tax sharing agreement, the Company is responsible for, and indemnifies Hughes and its subsidiaries against, all tax liabilities imposed on or attributable to such a change of control of the Company, MSV and TerreStar relating to all taxable periods, and the Company and any of its subsidiaries relating to all taxable periods or portions thereof beginning and ending after such a change of control. The tax sharing agreement also generally provides for the preparing and filing of tax returns and the handling, settling and contesting of tax liabilities for all taxable periods. A copy of the tax sharing agreement is filed as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated herein by reference.

On December 30, 2005, Hughes and Apollo Investment Fund IV, L.P. and Apollo Overseas Partners IV, L.P. ("Apollo"), stockholders of the Company, entered into a note purchase agreement and issued notes on January 1, 2006 pursuant to which Hughes borrowed \$100 million in order to finance Hughes' purchase of the remaining 50 percent of the class A membership interests of HNS from The DIRECTV Group, Inc. ("DTV") (See Item 2.01 below.) The loan bears interest at a rate of 8% per annum and has a final maturity date of January 1, 2007. Pursuant to the note purchase agreement, following the special dividend distribution, Hughes is required to use best efforts to consummate its previously announced proposed rights offering so as to generate sufficient proceeds to repay the loan. Apollo has agreed to exercise its rights (including its over-subscription privileges) so that it purchases all of the shares of Hughes not subscribed for by other stockholders in the rights offering, up to the total unpaid principal and interest on the loan. Upon consummation of the proposed rights offering, the loan will automatically convert into common stock of Hughes based on the rights offering subscription price. The principal and interest under the loan that is not converted in the rights offering will be repaid in cash from proceeds from the rights offering. The loan is secured by a security interest in the cash proceeds of the rights offering that Hughes receives from stockholders other than Apollo. A copy of the note purchase agreement is filed as Exhibit 10.3 to this Current Report on Form 8-K and is incorporated herein by reference.

## Edgar Filing: SKYTERRA COMMUNICATIONS INC - Form 8-K

On January 1, 2006, in connection with the transactions contemplated by the note purchase agreement, Hughes and Apollo entered into a security agreement pursuant to which Hughes granted Apollo a security interest in the proceeds of the proposed rights offering, other than with respect to subscriptions by Apollo as a result of the automatic conversion of the loan under the terms of the note purchase agreement. A copy of the security agreement is filed as Exhibit 10.4 to this Current Report on Form 8-K and is incorporated herein by reference.

On January 1, 2006, in connection with the transactions contemplated by the note purchase agreement, Hughes, Apollo and certain affiliates of Apollo also entered into a registration rights agreement providing for, among other things, various demand and piggyback registration rights to Apollo relating to the resale of the shares of common stock that are issued to Apollo and its affiliates in connection with the proposed rights offering and special dividend distribution. A copy of the registration rights agreement is filed as Exhibit 10.5 to this Current Report on Form 8-K and is incorporated herein by reference.
