Item 1.01. Entry into a Material Definitive Agreement.

At the Market Offering Sales Agreement with JonesTrading

On January 5, 2012, the Company entered into an At the Market Offering Sales Agreement (the "Sales Agreement") with JonesTrading Institutional Services LLC, as sales agent ("JonesTrading"), pursuant to which the Company may issue and sell such number of shares of its common stock having an aggregate offering price of up to \$5,000,000. Sales of the common stock, if any, will be made by JonesTrading as sales agent of the Company at prevailing market prices on the NASDAQ Global Market or any other trading market for the common stock. JonesTrading may also sell the common stock in privately negotiated transactions in accordance with the terms of the Sales Agreement. There is no assurance we will be able to sell shares of our common stock under this agreement at acceptable prices or at all. The Company has agreed to pay JonesTrading a commission of 3% of the proceeds from the sale of common stock. In addition, the Sales Agreement provides that the Company will indemnify JonesTrading against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or contribute to payments that JonesTrading may be required to make because of such liabilities.

The Sales Agreement terminates upon the sale of all of the common stock subject to the Sales Agreement or termination of the Sales Agreement by the Company or JonesTrading. Either of the Company or JonesTrading may terminate the Sales Agreement at any time upon ten days' notice to the other.

The Shares are being offered and sold pursuant to a prospectus supplement dated January 5, 2012 and an accompanying base prospectus dated January 9, 2009, pursuant to the Company's existing shelf registration statement on Form S-3 (File No. 333-156665) that was declared effective by the Securities and Exchange Commission on January 16, 2009.

The foregoing description of the Sales Agreement is not complete and is qualified in its entirety by reference to the full text of the Sales Agreement, which is filed as an exhibit hereto and incorporated herein by reference.

Amended and Restated Stockholders Agreement with TFG Radiant

As further described in Item 8.01 of this Current Report on Form 8-K, on January 4, 2011, the Company announced that TFG Radiant Investment Group, Ltd. ("TFG Radiant") had agreed to purchase 8,067,390 shares of the Company's common stock (the "TFG Radiant Purchase") presently owned by Norsk Hydro ("Norsk Hydro") for \$4 million, or approximately \$0.50 per share. The TFG Radiant Purchase is expected to close within the next 90 days. Upon closing of the TFG Radiant Purchase, TFG Radiant's ownership would increase to approximately 41 percent of the Company's outstanding Common Stock.

The Company has previously entered into a Stockholders Agreement with TFG Radiant (the "Existing Stockholders Agreement") dated August 12, 2011 in connection with TFG Radiant's prior investment in the Company. In connection with the TFG Radiant Purchase, on December 30, 2011, the Company entered into an Amended and Restated Stockholders Agreement with TFG Radiant (the "Amended and Restated Stockholders Agreement"). The Amended and Restated Stockholders Agreement will become effective upon the closing of the TFG Radiant Purchase, at which time it will replace and supersede the Existing Stockholders Agreement.

The following describes the material changed terms of the Amended and Restated Stockholders Agreement from the Existing Stockholders Agreement:

- (a) Following the closing of the TFG Radiant Purchase, or at such other time as TFG Radiant beneficially owns twenty-five percent (25%) of the Company's outstanding common stock, the Company shall use its reasonable efforts to elect a second designated representative of TFG Radiant to the Company's board.
- (b) If at any time TFG Radiant owns forty-five percent (45%) or more of the Company's outstanding common stock, the Company shall use its reasonable efforts to elect a third designated representative of TFG Radiant to the Company's board.
- (c) TFG Radiant has agreed to attend all stockholder meetings of the Company in order that shares held by it or its affiliates are counted towards a quorum.
- (d) TFG Radiant has agreed to vote its common stock for the election of all persons nominated for election to the Company's board if such nominees (i) have been approved by a majority of the board and (ii) such board approval included the affirmative vote of at least one TFG Radiant representative on the board.
- (e) TFG Radiant has agreed that until December 31, 2013, it will not, without prior approval of the board (i) acquire

more than 42% of the Company's issued and outstanding shares of common stock prior to any exercise of the "Tranche 2" option held by TFG Radiant, or (ii) 53% of the issued and outstanding shares of Common Stock of the Company following any exercise of the Tranche 2 option. These restrictions will terminate in certain circumstances, including if: (i) the Board solicits, or announces an intention to solicit, an offer by a third party to acquire at least 20% of the Company's common stock or assets (an "Acquisition Proposal"), (ii) the Board approves, accepts, authorizes or recommends an Acquisition Proposal, (iii) the Company enters into any letter of intent or agreement with respect to an Acquisition Proposal, or (iv) a third party (other than TFG Radiant) acquires or announces an intent to acquire at least 20% of Company's outstanding common stock.

(f) TFG Radiant and its affiliates have agreed to vote (or tender or exchange in the case of a tender or exchange offer) all shares of common stock beneficially owned in favor of certain Acquisition Proposals which (i) have been recommended by a majority of the Board and (ii) meet specified minimum per share price thresholds.

(g) TFG Radiant has agreed that it will not make any sale, transfer or other disposition of common stock to any one person or group who, upon consummation of such sale, transfer or disposition would, directly or indirectly, have beneficial ownership of or the right to acquire beneficial ownership of 20% or more of the Company's outstanding common stock. TFG Radiant would be able to make such a sale, transfer or other disposition, however, if the transferee of such common stock agrees to hold such common stock subject to restrictions on voting, transfer and additional acquisitions that are substantially similar to the restrictions imposed by the Amended and Restated Stockholders Agreement on the shares held by TFG Radiant prior to any such sale, transfer or disposition.

The foregoing description of the Amended and Restated Stockholders Agreement does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Stockholders Agreement, which is filed as an exhibit hereto and incorporated herein by reference.

Amended and Restated Registration Rights Agreement

The Company previously entered into a Registration Rights Agreement (the "Existing Registration Rights Agreement") with TFG Radiant dated August 12, 2011 in connection with TFG Radiant's prior investment in the Company. The registration rights granted under the Existing Stockholders Agreement lapsed in October 2011 upon the approval by the Company's stockholders of the Tranche 2 option granted to TFG Radiant in August 2011.

In connection with the TFG Radiant Purchase, on December 30, 2011, the Company entered into an Amended and Restated Registration Rights Agreement with TFG Radiant (the "Amended and Restated Registration Rights Agreement"). The Amended and Restated Stockholders Agreement will become effective upon the closing of the TFG Radiant Purchase, at which time it will replace and supersede the Existing Registration Rights Agreement.

Under the terms of the Amended and Restated Registration Rights Agreement, upon the closing of the TFG Radiant Purchase, TFG Radiant will be given certain new demand and piggy-back registration rights with respect to shares of the Company's common stock owned by TFG Radiant.

The foregoing description of the Amended and Restated Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Registration Rights Agreement, which is filed as an exhibit hereto and incorporated herein by reference.
