The amendment is being filed to correct the placement of the footnote describing the transaction on February 24, 2014. The footnote was erroneously placed in column 5 in the original filing, rather than in the "Amount" box in column 4. The 10,127 shares awarded to the (1) reporting person on February 24, 2015 are restricted shares vesting January 1, 2018. The original filing also reported a disposition of 2,672 Class A common shares. Following that transaction, the reporting person owns 21,808 Class A common shares directly, including his 10,127 restricted shares.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
