Item 1.01 Entry into a Material Definitive Agreement.

Underwriting Agreement. On September 14, 2011, Cheniere Energy Partners, L.P. (the "Partnership"), Cheniere Energy Partners, GP, LLC (the "General Partner") and Cheniere Energy Investments, LLC ("Investments") entered into an underwriting agreement (the "Underwriting Agreement") with Citigroup Global Markets Inc. as sole Underwriter (the "Underwriter"), providing for the offer and sale in a firm commitment underwritten offering of 3,000,000 common units representing limited partnership interests in the Partnership (the "Common Units") at a price of \$14.55 per Common Unit, net of underwriting discounts (the "Public Offering"). Pursuant to the Underwriting Agreement, the Partnership granted the Underwriter a 30-day option (the "Option") to purchase up to an additional 450,000 Common Units to cover over-allotments, on the same terms as the Common Units sold in the Public Offering. The Common Units to be issued pursuant to the Underwriting Agreement were registered under the Securities Act of 1933, as amended (the "Securities Act"), pursuant to an effective shelf registration statement on Form S-3 (File No. 333-168942) (the "Registration Statement").

The Underwriting Agreement contains customary representations, warranties and agreements of the Partnership and certain affiliates, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions.

The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to such Underwriting Agreement, a copy of which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.

Purchase Agreement. On September 14, 2011, the Partnership, the General Partner and Investments entered into a Purchase Agreement (the "Purchase Agreement") with Cheniere Common Units Holding, LLC, as sole purchaser (the "Purchaser"), providing for the offer and sale of 622,131 Common Units at a price of \$15.25 per Common Unit (the "Concurrent Offering"). In addition, the Purchaser has agreed to purchase up to 450,000 additional Common Units if and to the extent that the Underwriter does not purchase such number of Common Units pursuant to the exercise of the Option granted in the Underwriting Agreement. The Common Units to be issued pursuant to the Underwriting Agreement were registered under the Securities Act pursuant to the Registration Statement.

The Purchase Agreement contains customary representations, warranties and agreements of the Partnership and certain affiliates, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to such Purchase Agreement, a copy of which is filed herewith as Exhibit 1.2 and is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

The closings of the Public Offering and Concurrent Offering occurred on September 19, 2011. The proceeds (net of underwriting discounts and commissions and estimated offering fees and expenses) received by the Partnership from the sale of 3,622,131 Common Units were approximately \$52.9 million, which will be used for general business purposes, including development costs of the Partnership's expansion project to add liquefaction capacity at the Sabine Pass LNG terminal. In addition, the Partnership expects to receive \$1.1 million from the General Partner pursuant to its right to maintain its 2% general partner interest in the Partnership. If the Underwriter exercises its option to purchase additional Common Units in full, the Partnership will receive additional net proceeds of approximately \$6.7 million in the Public Offering, including the General Partner's contribution; if the Purchaser is required to purchase all of the 450,000 additional Common Units because the Underwriter does not exercise the Option under the Underwriting Agreement, the Partnership will receive additional net proceeds in the Concurrent Offering of approximately \$7.0 million, including the General Partner's contribution.

The information included in this Item 7.01 of this Current Report on Form 8-K shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or incorporated by reference in any filing under the Securities Act or the Securities Exchange Act of 1934, as amended, except as shall be expressly set forth by specific reference in such filing.

Item 8.01 Other Events.
