ITEM 3.02 Unregistered Sale Of Equity Securities.

On August 29, 2009, we began a private financing transaction (the "Financing") with certain private investors (the "Purchasers"), pursuant to a subscription agreement (the "Agreement"). The transaction was completed on September 30, 2009 for an aggregate purchase price of One Million Six Hundred Eighty Four Thousand Four Hundred and Fifty Dollars (\$1,684,450). In connection with the Financing, we issued to the Purchasers, in reliance upon the exemption provided by Sections 4(2) and 4(6) under the Securities Act of 1933, as amended, for a transaction not involving a public offering and pursuant to Rule 506 of Regulation D promulgated thereunder, 3,368,900 common shares of our Company and Series B warrants to purchase 3,368,900 shares of our common stock. The Series B Warrants have a three year term, an exercise price equal to seventy-five cents (\$0.75) per share and contain no anti-dilution or pre-emptive rights.

In connection with the Financing, a holder of demand notes issued by the Company and certain vendors elected to exchange an aggregate of \$123,000 of outstanding debt and trade payables of the Company for shares of common stock and Series B warrants on the same terms as the Financing in lieu of cash payment for such obligations. As a result, we issued an additional 246,000 common shares and Series B warrants to purchase 246,000 shares of our common stock. The additional shares of common stock and Series B warrants were issued in reliance upon the exemption provided by Sections 4(2) and 4(6) under the Securities Act of 1933, as amended, for a transaction not involving a public offering and pursuant to Rule 506 of Regulation D promulgated thereunder.
