Blanch, a reinsurance intermediary that merged with his own wholly owned company, Enan & Company, a reinsurance intermediary, in March 1992. Mr. Enan founded Enan & Company in February 1979. The fact that Mr. Enan is a founder of Prism Group, brings historic knowledge and continuity to the Board, and his position as its largest stockholder led the board to conclude that he should serve as a director.

Gregory J. Duman has been the President, Chief Financial Officer and a director of Prism Technologies, LLC since its inception in August 2003 and he continues to serve in that role following the merger with Prism Technologies Group Inc. in March 2015. Prior to joining Prism, Mr. Duman was Chief Financial Officer and Executive Vice

Mr. Duman was also a member of TSA's board of directors and served as Chairman of the board in 2001. Prior to joining TSA, Mr. Duman spent four years in public accounting as a CPA with Arthur Andersen & Co. Mr. Duman earned a Bachelor of Science in Business Administration with a major in Accounting from the University of Nebraska at Omaha in 1979. Mr. Duman was appointed to Prism Group's board of directors immediately following the consummation of the Merger.

L. Eric Loewe joined Prism Group in October 1998 as Corporate Counsel, Legal and Regulatory, responsible for all regulatory compliance issues, and has served as Senior Vice President and General Counsel since September 2000 and as Secretary since July 2001. Mr. Loewe held various positions with the National Association of Independent Insurers (the "NAII") from January 1980 to September 1998. As Senior Counsel for the NAII, Mr. Loewe was responsible for legislation and regulations affecting its 570 member companies. Mr. Loewe is a member of the Illinois and California bars.

Steven J. Yasuda joined Prism Group in December 1999 as Manager, Budget and Reporting and has been the Corporate Controller since September 2001. On September 2004, he was promoted to Vice President, Corporate Controller. On April 16, 2007, Mr. Yasuda took on the additional role of Chief Accounting Officer and in June 2012 was appointed as the Company's Chief Financial Officer. Mr. Yasuda is responsible for all accounting and finance related functions of the Company. From 1997 to 1999, Mr. Yasuda worked in the operations accounting department of Electronic Arts. Mr. Yasuda has been licensed as a CPA since August 1994, but has an inactive status, as permitted by the California Board of Accountancy.

None of Prism Group's executive officers have been involved in a legal proceeding described in Item 401 of Regulation S-K within the last ten years.

A description of Mr. Enan's and Mr. Duman's background and experience can be found in the section titled "Executive Officers"

James M. Corroon has been a director of Prism Group since August 1996 and has served as Vice Chairman of the Board since May 1999. Since September 2004, Mr. Corroon has served as Vice Chairman of Fort Point Insurance Services, Inc., an insurance brokerage firm. From July 1999 to December 2000, he was a full-time employee of Prism Group and a member of the senior management team. Mr. Corroon has been a director of Willis Corroon of California, an insurance services firm, since January 1996. From October 1966 to December 1995, Mr. Corroon held

various management positions with Willis Corroon and its predecessor entity, Corroon & Black Corporation. The Board of Directors concluded that Mr. Corroon provides the Board of Directors with a valuable perspective gained from his long-term service as an executive officer and as a director.

Dennis H. Chookaszian has been a director of Prism Group since April 2003. From November 1999 until he retired in February 2001, Mr. Chookaszian was Chairman and Chief Executive Officer of mPower Advisors, L.L.C., a financial advice provider focused on the online management of 401(k) plans. From September 1992 to February 1999, Mr. Chookaszian served as Chairman and Chief Executive Officer of the CNA insurance company, and prior to that held the positions of President and Chief Operating Officer (1990-1992) and Chief Financial Officer (1975-1990), respectively, of that company. Mr. Chookaszian serves on the boards of the Chicago Mercantile Exchange, and Career Education Corporation, a postsecondary education provider. Mr. Chookaszian served as chairman of the Financial Accounting Standards Advisory Council from January 2007 to December 2011. Mr. Chookaszian's experience as a director of other public companies, combined with his knowledge of financial reporting, led the Board to conclude that he should serve as a director.

The Board of Directors has determined that, other than Mr. Enan and Mr. Duman, each of the members of the Board is an independent director for purposes of the Nasdaq Marketplace Rules. None of Prism Group's directors have been involved in a legal proceeding described in Item 401 of Regulation S-K within the last ten years.

Board Structure and Role

By resolution adopted by the Company's Board of Directors on March 26, 2015, the size of the Company's board was immediately increased and fixed at five, with one Class I director, two Class II directors and two Class III directors.

Mr. Hussein A. Enan serves as Chief Executive Officer and Chairman of the Board of Directors. At this stage of development of our patent licensing business, the Board believes that Prism Group is best served by a Chairman who is involved with the Company's operations on a full-time basis and is therefore able to bring great depth of knowledge about the Company to this role. In addition, Mr. Gregory J. Duman serves as a Director of Prism Group and also is President of Prism Technologies, LLC, a wholly owned operating subsidiary that was acquired in March 2015. The Board does not have a designated lead independent director.

The Board of Directors and its committees have an active role in overseeing the management of the Company's operations. At each regularly scheduled board meeting, management presents to the Board of Directors relevant information regarding our current operations and risks. In addition, each of the committees considers the risks within its areas of responsibility. The Board and the Audit Committee each receive regular reports on the status of the Company's internal controls and each reviews key operational risks periodically. The Audit Committee regularly meets in executive session without the executive officers. The Compensation Committee and the Board periodically reviews senior executive officer compensation arrangements and the compensation policies and practices for non-executive employees and analyze the compensation incentives, potential risks, and factors to mitigate such potential risks. The Compensation Committee and the Board have determined that our executive compensation program, as well as our compensation policies and practices for non-executive employees, do not encourage senior executives or non-executive employees to take unnecessary and excessive risks that threaten the value of the Company. Based on this review, the Compensation Committee and the Board concluded that the Company's programs, policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company.

Board Meetings and Committees

During the year ended December 31, 2015, the Board of Directors held seven meetings. During that period, the Audit Committee of the Board held four meetings, the Compensation Committee of the Board held three meetings, and the Nominating Committee of the Board held one meeting. All directors attended or participated in more than 75% of the total number of meetings of the Board and any of the committees of the Board on which such director served during that period.

Audit Committee. The current members of the Audit Committee are Messrs. Corroon and Chookaszian. Mr. Thomas Orr served as chairman of the committee and was the audit committee financial expert under the rules of the SEC until his death in October 2016. The Board of Directors has determined that each of the members of the Audit Committee is independent for purposes of the Nasdaq Marketplace Rules as they apply to audit committee members. The Board of Directors has also determined that Mr. Orr is an "audit committee financial expert," as defined in the rules of the SEC. More information about each member of the Audit Committee can be found below in the section titled "*Directors of Prism Group.*"

The functions of the Audit Committee include overseeing the quality of our financial reports and other financial information, retention of the independent registered public accounting firm, reviewing and approving the planned scope, proposed fee arrangements and results of Prism Group's annual audit, reviewing our critical accounting policies and the adequacy of our accounting and financial controls, and reviewing the independence of Prism Group's independent registered public accounting firm.

Compensation Committee. The current members of the Compensation Committee are Messrs. Chookaszian and Corroon. Mr. Orr was a member of the Compensation Committee until his death in October 2016, Mr. Chookaszian is chairman of the committee. The Compensation Committee reviews and determines the salary and bonus criteria of and stock option grants to all executive officers. The Board of Directors has determined that all members of the Compensation Committee are independent for purposes of the Nasdaq Marketplace Rules. More information about each member of the Compensation Committee can be found below in the section titled "*Directors of Prism Group.*"

For additional information about the functions of the Compensation Committee, see "Executive and Director Compensation" below.

Nominating Committee. The current members of the Nominating Committee are Messrs. Corroon and Chookaszian. Mr. Orr was a member of the Nominating Committee until his death in October 2016. The Board of Directors has determined that all members of the Nominating Committee are independent for purposes of the Nasdaq Marketplace Rules. Mr. Corroon currently is chairman of the committee. More information about each member of the Nominating Committee can be found below in the section titled "*Directors of Prism Group.*"

The functions of the Nominating Committee include selecting, evaluating and recommending to the Board of Directors qualified candidates for election or appointment to the Board of Directors, and recommending corporate governance principles, codes of conduct and compliance mechanisms applicable to Prism Group.

Director Nominations

The Nominating Committee is responsible for the selection, and recommendation to the Board of Directors, of nominees for election as director. When considering the nomination of directors for election at an annual meeting, the Nominating Committee reviews the needs of the Board of Directors for various skills, background, experience and expected contributions and the qualification standards established from time to time by the Nominating Committee, and considers nominations in light of those needs. When reviewing potential nominees, including incumbents, the Nominating Committee also considers the candidate's relevant background, experience and skills and expected contributions to the Board of Directors. The Nominating Committee evaluates its selection criteria and evaluation process periodically, and may in the future include additional qualifications, such as the diversity of backgrounds of

candidates. The Nominating Committee also seeks appropriate input from the Chief Executive Officer from time to time in assessing the needs of the Board of Directors for relevant background, experience and skills of its members.

The Nominating Committee's goal is to assemble a Board of Directors that brings to Prism Group a diversity of experience at policy-making levels in business and technology, and in areas that are relevant to Prism Group's activities. Directors should possess the highest personal and professional ethics, integrity and values and be committed to representing the long-term interests of our stockholders. They must have an inquisitive and objective outlook and mature judgment. They must also have experience in positions with a high degree of responsibility and be leaders in the companies or institutions with which they are and have been affiliated. Director candidates must have sufficient time available in the judgment of the Nominating Committee to perform all Board and committee responsibilities that will be expected of them. Members of the Board of Directors are expected to rigorously prepare for, attend and participate in all meetings of the Board of Directors and applicable committees. Other than the foregoing, there are no specific minimum criteria for director nominees, although the Nominating Committee believes that it is preferable that at least one member of the Board of Directors should meet the criteria for an "audit committee financial expert" as defined by SEC rules. Under applicable Nasdaq listing requirements, at least a majority of the members of the Board of Directors must meet the definition of "independent director" set forth in such requirements. The Nominating Committee also believes it appropriate for one or more key members of Prism Group's management, including the Chief Executive Officer, to serve on the Board of Directors.

The Nominating Committee will consider candidates for director proposed by directors or management, and will evaluate any such candidates against the criteria and pursuant to the policies and procedures set forth above. If the Nominating Committee believes that the Board of Directors requires additional candidates for nomination, the Nominating Committee may engage, as appropriate, a third party search firm to assist in identifying qualified candidates. All incumbent directors and nominees will be required to submit a completed directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating Committee.

The Nominating Committee will also consider candidates for director recommended by a stockholder, provided that any such recommendation is sent in writing to General Counsel, Prism Technologies Group, Inc., 101 Parkshore Dr., Folsom CA 95630 at least 120 days prior to the anniversary of the date definitive proxy materials were mailed to stockholders in connection with the prior year's annual meeting of stockholders and contains the following information:

the candidate's name, age, contact information and present principal occupation or employment; and a description of the candidate's qualifications, skills, background and business experience during at least the last five years, including his or her principal occupation and employment and the name and principal business of any company or other organization where the candidate has been employed or has served as a director.

The Nominating Committee will evaluate any candidates recommended by stockholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of candidates proposed by directors or management.

In addition, stockholders may make direct nominations of directors for election at an annual meeting, provided the advance notice requirements set forth in our Bylaws have been met. Under our Bylaws, written notice of any such nomination, including certain information and representations specified in the Bylaws, must be delivered to our principal executive offices, addressed to the General Counsel, at least 120 days prior to the anniversary of the date definitive proxy materials were mailed to stockholders in connection with the prior year's annual meeting of stockholders, except that if no annual meeting was held in the previous year or the date of the annual meeting has been advanced by more than 30 days from the date contemplated at the time of the previous year's proxy statement, such notice must be received not later than the close of business on the tenth day following the day on which the public announcement of the date of such meeting is first made.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires 's executive officers, directors and persons who beneficially own more than 10% of Prism Group's common stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish Prism Group with copies of all Section 16(a) forms filed by such persons. Based on a review of reports furnished to Prism Group and representations from certain reporting persons, Prism Group believes that all reports required under Section 16(a) during the year ended December 31, 2015 were timely filed, except that the initial report on Form 3 for Mr. Gregory Duman was filed late.

Item 11. Executive Compensation.

The Compensation Committee is authorized by the Board of Directors to review and approve annual performance objectives and goals relevant to compensation for the Chief Executive Officer and evaluate the performance of the Chief Executive Officer in light of these goals and objectives. In setting such objectives, the Compensation Committee is directed to consider the Company's performance and relative stockholder return, the value of similar incentive awards to chief executive officers at comparable companies, and the awards given to the Company's Chief Executive Officer in past years. The Compensation Committee is also directed to periodically review and advise the Board concerning both regional and industry wide compensation practices and trends in order to assess the adequacy and competitiveness of the Company's compensation programs for the CEO, other executive officers and directors relative to comparable companies in the Company's industry. Neither management nor the Compensation Committee engaged the services of a compensation consultant during the years ended December 31, 2015 and December 31, 2014.

Summary Compensation Information

The following table presents certain summary information concerning compensation paid or accrued by Prism Group for services rendered in all capacities during the years ended December 31, 2015 and December 31, 2014 for the Chief Executive Officer, the Senior Vice President, General Counsel and Secretary and the Chief Financial Officer and Chief Accounting Officer (the "Named Executive Officers").

Mr. Loewe, Prism Group's General Counsel and Secretary, is a participant in the Prism Group Executive Retention and Severance Plan approved by the Board of Directors on June 14, 2004 and revised on December 22, 2008. Mr. Loewe would be entitled to receive cash severance payments and health and medical benefits in the event his employment is terminated by Prism Group without cause or by Mr. Loewe for good reason. No severance payments or benefits are provided for Mr. Loewe in the event of death or disability.

Subsequent Compensation Changes

As previously disclosed, on September 1, 2016, the Compensation Committee (the "Compensation Committee") our Board of Directors approved an Incentive Compensation Plan ("Plan") for the Company's executive officers, directors and employees. The purpose of the Plan is to incent employees to generate operations-related cash flow for the Company as quickly as possible by pursuing strategic revenue opportunities and prudent expense reductions. The Plan in general is effective September 1, 2016; however, individual Participants may opt in at any time beginning after the

Plan effective date.

A payout under the Plan is contingent on the Company attaining cumulative Net Cash Flow (NCF) of at least \$5 million beginning September 1, 2016. NCF is the cumulative difference between (i) cash received from revenue sources, and (ii) cash operating expenses. The amount of incentive compensation available to any Participant is equal to 1.5 times the amount of his cumulative compensation reduction measured between the date of participation through the payout date. Plan payouts will be made only when the NCF target is 100% achieved; there are no intermediate or partial payouts.

The Company's four executive officers agreed to participate in the Plan, effective September 2, 2016, and their new cash compensation is shown in the following table:

<u>Name</u>	<u>Previous Salary</u>	<u>New Salary</u>

The Board of Directors has determined that, other than Mr. Enan and Mr. Duman, each of the members of the Board is an independent director for purposes of the Nasdaq Marketplace Rules. None of Prism Group's directors have been involved in a legal proceeding described in Item 401 of Regulation S-K within the last ten years.

Item 14. Principal Accountant Fees and Services.

INDEPENDENT AUDITOR FEE INFORMATION

The following table sets forth the aggregate fees billed to Prism Group for the years ended December 31, 2015 and 2014 by Prism Group's principal accounting firm, Ernst & Young LLP:

	2015	2014
Audit Fees(1)	\$275,200	\$198,200
Audit-Related Fees(2)	—	—
Tax Fees(3)	60,000	105,700
All Other Fees	—	—
	\$335,200	\$303,900

(1) Audit fees consist of fees billed for services related to the audit of Prism Group's consolidated financial statements (including required quarterly reviews) and accounting consultations.

(2) Audit-related fees consist of fees billed for services related to assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent registered public accounting firm.

(3) Tax fees consist of fees billed for services related to tax return preparation, tax compliance, tax planning and tax advice.

The Audit Committee considered the role of Ernst & Young LLP in providing non-audit services to Prism Group and has concluded that such services are compatible with Ernst & Young's independence as Prism Group's independent registered public accounting firm.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee has delegated to the chair of the Audit Committee the authority to approve permitted services, provided that the chair reports any decisions to the Audit Committee at its next scheduled meeting. The Audit Committee pre-approved all services provided to the Company by Ernst & Young in 2015.
