PROXY STATEMENT

Annual Meeting of Stockholders to be held on October 20, 2017

GENERAL INFORMATION

This Proxy Statement is furnished to stockholders of Ocean Power Technologies, Inc., a Delaware corporation (the “Company”), in connection with the solicitation by our Board of Directors of proxies for use at our 2017 Annual Meeting of Stockholders (the “Meeting”). The Meeting is scheduled to be held on Friday, October 20, 2017, at 9:00 a.m., Eastern Daylight Time, at the Courtyard by Marriott, 360 Scotch Road, Ewing, NJ 08628. We anticipate that this Proxy Statement and the enclosed form of proxy will be mailed to stockholders on or about September 1, 2017.

At the Meeting, stockholders will be asked to vote upon: (1) the election of five directors; (2) the ratification of the selection of our independent registered public accounting firm for fiscal year 2018; (3) an advisory resolution to approve our executive officer compensation; (4) an advisory vote to approve the frequency of future advisory votes on our executive compensation; and (5) such other business as may properly come before the Meeting and at any adjournments thereof.

Voting Rights and Votes Required

The close of business on August 24, 2017 has been fixed as the record date (the “Record Date”) for the determination of stockholders entitled to receive notice of, and to vote at, the Meeting. As of the close of business on such date, we had outstanding and entitled to vote 12,526,124 shares of common stock, par value \$0.001 per share (the “Common Stock”).

The closing price of our Common Stock on The NASDAQ Capital Market on the Record Date was \$1.23 per share. Because stockholders often cannot attend the meeting in person, a large number of shares is usually represented by proxy. You may vote your shares by completing the enclosed proxy card and mailing it in the envelope provided or by telephone or internet as instructed on the proxy card. Stockholders who hold shares in “street name” should refer to their proxy card or the information forwarded by their bank, broker or other holder of record for instructions on the voting options available to them.

A majority of the shares of Common Stock entitled to vote at the Meeting must be represented in person or by proxy at the Meeting in order to constitute a quorum for the transaction of business. The record holder of each share of Common Stock entitled to vote at the Meeting will have one vote for each share so held. Abstentions and broker non-votes will count as present for the purpose of determining the presence of a quorum.

Assuming the presence of a quorum at the Meeting, the following votes are required for approval of the following proposals:

Directors are elected by a plurality of the votes cast (Proposal 1). This means that the five nominees with the highest number of “FOR” votes will be elected as directors. Stockholders may not cumulate their votes. If the shares you own are held in “street name” by a bank or brokerage firm, that bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. **If you do not instruct your bank or broker how to vote with respect to this item, your bank or broker may not vote with respect to the election of directors.** In tabulating the votes, withheld votes for the election of one or more nominees and broker non-votes, if any, are not treated as votes cast, and therefore will have no effect on the outcome of the vote.

Table of Contents

The proposal to ratify the selection of our independent registered public accounting firm (Proposal 2), the advisory resolution to approve our executive officer compensation (Proposal 3), and the advisory vote to approve the frequency of future advisory votes on our executive compensation (Proposal 4) each require the affirmative vote of the holders of a majority of the shares of our Common Stock present or represented at the Meeting and voting on the proposal. Abstentions and broker non-votes are not considered votes cast and therefore will have no effect on the outcome of the vote on these proposals.

Our Board of Directors has retained Regan & Associates, Inc., an independent proxy solicitation firm, to assist it in soliciting proxies, for approximately \$35,000. Proxies may be solicited in person or by mail, telephone or other electronic means.

Voting of Proxies

If the accompanying proxy is properly executed and returned, the shares represented by the proxy will be voted at the Meeting as specified in the proxy. If no instructions are specified, the shares represented by any properly executed proxy will be voted **FOR** the election of the nominees listed below under “Proposal One - Election of Directors,” **FOR** the ratification of the selection of our independent registered public accounting firm, **FOR** the approval of the advisory resolution to approve our executive compensation, **FOR** holding an advisory vote on the frequency of future advisory votes on our executive compensation every **ONE YEAR**.

Broker Non-Votes

A “broker non-vote” occurs when a broker, bank, or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder (i) has not received instructions from the beneficial owner and (ii) does not have discretionary voting power for that particular item.

If you are a beneficial owner and you do not give instructions to your broker, bank, or other holder of record, such holder of record will be entitled to vote the shares with respect to “routine” items but will not be permitted to vote the shares with respect to “non-routine” items (those shares are treated as “broker non-votes”). If you are a beneficial owner, your broker, bank, or other holder of record has discretion to vote your shares on the proposal to ratify the appointment of KPMG as our independent registered public accounting firm if the holder of record does not receive voting instructions from you. However, such holder of record may not vote your shares on the election of directors or the advisory resolution regarding executive compensation or the advisory vote on the frequency of future advisory votes on our executive compensation without your voting instructions on those proposals. Accordingly, without your

voting instructions on those proposals, a broker non-vote will occur.

We encourage you to provide instructions to your bank, brokerage firm, or other nominee by voting your proxy. This action ensures that your shares will be voted in accordance with your wishes at the Meeting.

Revocation of Proxies

Any proxy given pursuant to this solicitation may be revoked by a stockholder at any time before it is exercised by: (i) providing written notice to our Secretary, (ii) delivery to us of a properly executed proxy bearing a later date, or (iii) voting in person at the Meeting.

Solicitation of Proxies

We will bear the cost of this solicitation, including amounts paid to banks, brokers, proxy solicitors, and other record owners to reimburse them for their expenses in forwarding solicitation materials regarding the Meeting to beneficial owners of Common Stock. The solicitation will be by mail, with the materials being forwarded to stockholders of record and certain other beneficial owners of Common Stock, and by our officers and other regular employees (at no additional compensation). Our officers, employees and proxy solicitors may also solicit proxies from stockholders by personal contact, by telephone, or by other means if necessary in order to ensure sufficient representation at the Meeting. Computershare Investor Services has been retained to receive and tabulate proxies. Regan & Associates, Inc. has been retained to assist in soliciting proxies.

Director Nomination Process

The current nominees for election to the Board were recommended for the Board's nomination by our Nominating and Corporate Governance Committee, which is comprised solely of independent directors, and based on such recommendation, were nominated by the full Board of Directors. At the Meeting, stockholders will be asked to consider the election of Terence J. Cryan, Dean J. Glover, George H. Kirby III, Steven M. Fludder and Robert K. Winters.

The process followed by our Nominating and Corporate Governance Committee to identify and evaluate director candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating and Corporate Governance Committee and the Board.

In considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, our Nominating and Corporate Governance Committee applies the criteria set forth in our corporate governance guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry or of other industries with comparable risks and issues, experience, diligence, potential conflicts of interest and the ability to act in the interests of all stockholders. The Nominating and Corporate Governance Committee considers the value of diversity when recommending candidates. The committee views diversity broadly to include diversity of experience, skills and viewpoint. The Nominating and Corporate Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. Our Board believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow it to fulfill its responsibilities.

Stockholders may recommend individuals to our Nominating and Corporate Governance Committee for consideration as potential director candidates. The Nominating and Corporate Governance Committee will evaluate stockholder-recommended candidates by following the same process and applying the same criteria as it follows for candidates submitted by others.

Stockholders may directly nominate a person for election to our Board by complying with the procedures set forth in Article I, Section 1.10 of our by-laws, and with the rules and regulations of the SEC. Under our by-laws, only persons nominated in accordance with the procedures set forth in the by-laws will be eligible to serve as directors. In order to nominate a candidate for service as a director, you must be a stockholder at the time you give the Board notice of your nomination, and you must be entitled to vote for the election of directors at the meeting at which your nominee will be considered. In accordance with our by-laws, director nominations generally must be made pursuant to notice to our Secretary delivered to or mailed and received at our principal executive offices at 1590 Reed Road, Pennington, NJ 08534, not later than the 90th day, nor earlier than the 120th day, prior to the first anniversary of the prior year's annual

Table of Contents

Communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments considered to be important for the directors to know. In general, communications relating to corporate governance and corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to our Board should address such communications to Board of Directors c/o Secretary, Ocean Power Technologies, Inc., 1590 Reed Road, Pennington, NJ 08534.

Pursuant to Section 16(a) of the Exchange Act and the rules issued thereunder, our executive officers and directors are required to file with the SEC reports of ownership and changes in ownership of Common Stock. CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Review and Approval of Related Person Transactions

The Audit Committee is charged with the responsibility of reviewing and approving all related person transactions (as defined in SEC regulations), and periodically reassessing any related person transaction entered into by the Company to ensure continued appropriateness. This responsibility is set forth in our Audit Committee charter. A related party transaction will only be approved if the members of the Audit Committee determine that the transaction is in the best interests of the Company. If a director is involved in the transaction, he or she will recuse himself or herself from all decisions regarding the transaction.

Board Determination of Independence

Under applicable NASDAQ rules, a director will only qualify as an “independent director” if they are not an executive officer or employee of the Company, and, in the opinion of our Board of Directors, that person does not have a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Board has determined that all of our current directors are “independent directors” within the meaning of the applicable listing standards of the NASDAQ, except for George H. Kirby III who is our President and Chief Executive Officer.

EXECUTIVE COMPENSATION

Overview of Executive Compensation

Our Compensation Committee is responsible for overseeing the compensation of all of our executive officers. In this capacity, the Compensation Committee designs, implements, reviews and approves all compensation for our named executive officers. The goal of the Compensation Committee is to ensure that our compensation programs are aligned with our business goals and objectives and that the total compensation paid to each of our named executive officers is fair, reasonable and competitive.

Compensation Objectives and Philosophy

Our compensation programs are designed to attract and retain qualified and talented executives, motivating them to achieve our business goals and rewarding them for superior short- and long-term performance. In particular, our compensation programs are intended to reward the achievement of specified predetermined quantitative and qualitative goals and to align our executives' interests with those of our stockholders in order to attain the ultimate objective of increasing stockholder value.

Elements of Total Compensation and Relationship to Performance

Key elements of these programs include:

- base salary compensation designed to reward annual achievements, with consideration given to the executive's qualifications, scope of responsibility, leadership abilities and management experience and effectiveness;

- cash bonus awards designed to align executive compensation with business objectives and performance; and

- equity-based incentive compensation, primarily in the form of stock options and restricted stock, the value of which is dependent upon the performance of our Common Stock, and which is subject to multi-year vesting that requires continued service and/or the attainment of certain performance goals.

Table of Contents

Determining and Setting Executive Compensation

Our management develops our compensation plans by utilizing publicly available compensation and on-line survey data for a broad selection of national and regional companies, which we believe are generally comparable to the Company in terms of public ownership, organizational structure, size and stage of development, and against which we believe we may compete for executive talent. The results of these analyses are reviewed with and approved by the Compensation Committee annually. We believe that these compensation practices provide us with appropriate compensation guidelines. The Compensation Committee generally targets compensation for our executives near the median range of compensation paid to similarly situated executives in comparable companies covered by the on-line survey data. Other considerations, including market factors, the unique nature of our business and the experience level of an executive, may dictate variations to this general target.

Our business is characterized by a long product development cycle, including a lengthy engineering and product-testing period and regulatory approval and licensing. Because of this, many of the traditional benchmarking metrics, such as product sales, revenues and profits are inappropriate for our Company. Instead, the specific factors the Compensation Committee considers when determining our named executive officers' compensation include:

- key product development initiatives;
- technology advancements;
- achievement of regulatory and other commercial milestones;
- establishment and maintenance of key strategic relationships;
 - implementation of appropriate financing strategies; and
- financial and operating performance.

Stock Option and Other Compensation Plans

2001 Stock Plan

Our 2001 Stock Plan was adopted by our Board of Directors and approved by our stockholders on August 24, 2001. The 2001 Stock Plan provided for the grant of incentive stock options, non-statutory options, restricted stock awards and stock awards. A maximum of 1,000,000 shares of Common Stock were authorized for issuance under our 2001 Stock Plan. Our employees, officers, directors, consultants and advisors were eligible to receive awards under our 2001 Stock Plan; however, incentive stock options could only be granted to our employees.

Our Board of Directors administered our 2001 Stock Plan. Pursuant to the terms of our 2001 Stock Plan, and to the extent permitted by law, our Board could delegate administrative authority to a committee composed of two or more of our non-executive directors. Our Board of Directors, or a committee to whom the Board of Directors delegated authority, selected the recipients of awards and determines:

- the number of shares of Common Stock covered by options and the dates upon which the options become exercisable;
- the exercise price of options;
- the duration of the options; and
- the terms and conditions of awards, including transfer restrictions, conditions for repurchase and rights of first refusal.

The 2001 Stock Plan provided that outstanding options shall become fully exercisable if we underwent a fundamental transaction, as defined in the 2001 Stock Plan, and the successor entity did not assume the options under the 2001 Stock Plan or substitute equivalent options.

As of April 30, 2017, there were no options to purchase shares of our Common Stock under our 2001 Stock Plan. No further stock options or other awards have been granted under the 2001 Stock Plan since the effective date of our 2006 Stock Incentive Plan described below.

2006 Stock Incentive Plan

Our 2006 Stock Incentive Plan was adopted by our Board of Directors on December 7, 2006, was approved by our stockholders on January 12, 2007 and became effective on April 24, 2007. The 2006 Stock Incentive Plan provides for the grant of incentive stock options, non-statutory stock options, restricted stock awards and other stock-unit awards. On October 2, 2009, an amendment to the 2006 Stock Incentive Plan was approved, increasing the aggregate number of shares authorized for issuance by 850,000 shares to 1,653,215 shares. In 2010, our Board of Directors approved amending and restating the 2006 Stock Incentive Plan to make certain adjustments, including imposing minimum performance periods for performance awards and minimum vesting periods for time-based awards, a requirement that we obtain stockholder approval prior to certain option and stock appreciation right repricing actions, and limiting the situations in which vesting periods may be waived or accelerated. This amendment and restatement did not require the approval of our stockholders. On October 2, 2013, a further amendment to the 2006 Stock Incentive Plan was approved by our stockholders, increasing the aggregate number of shares authorized for issuance by an additional 800,000 shares to 2,453,215.

Our employees, officers, directors, consultants and advisors are eligible to receive awards under our 2006 Stock Incentive Plan; however, incentive stock options may only be granted to our employees. The maximum number of shares of Common Stock with respect to which awards may be granted to any participant under our 2006 Stock Incentive Plan is 200,000 per calendar year.

Table of Contents

Our 2006 Stock Incentive Plan was administered by our Board of Directors. Pursuant to the terms of our 2006 Stock Incentive Plan, and to the extent permitted by law, our Board of Directors could delegate authority to one or more committees or subcommittees of the Board of Directors or to our officers. Our Board of Directors or any committee to whom the Board of Directors delegates authority selected the recipients of awards and determined:

- the number of shares of Common Stock covered by options and the dates upon which the options become exercisable;
- the exercise price of options; provided, however, that the exercise price shall not be less than 100% of the fair market value of the underlying Common Stock on the date the option is granted;
- the duration of the options; and
- the number of shares of Common Stock subject to any restricted stock or other stock-unit awards and the terms and conditions of such awards, including conditions for repurchase, issue price and repurchase price.

If our Board of Directors delegated authority to an officer, the officer had the power to make awards to all of our employees, except to executive officers. Our Board of Directors fixed the terms of the awards to be granted by such officer, including the exercise price of such awards, and the maximum number of shares subject to awards that such officer could make.

If a merger or other reorganization event occurred, our Board of Directors could provide that all of our outstanding options are to be assumed or substituted by the successor corporation. Our Board of Directors could also provide that, in the event the succeeding corporation did not agree to assume, or substitute for, outstanding options, then all unexercised options would become exercisable in full prior to the completion of the event and that these options would terminate immediately prior to the completion of the merger or other reorganization event if not previously exercised. Our Board of Directors could also provide for cashing out the value of any outstanding options.

No awards could be granted under our 2006 Stock Incentive Plan after December 6, 2016, but the vesting and effectiveness of awards granted before that date could extend beyond that date. Our Board of Directors could amend, suspend or terminate our 2006 Stock Incentive Plan at any time, except that stockholder approval would be required for any revision that would materially increase the number of shares reserved for issuance, expand the types of awards available under the plan, materially modify plan eligibility requirements, extend the term of the plan or materially modify the method of determining the exercise price of options granted under the plan, or otherwise as required to comply with applicable law or stock market requirements.

As of April 30, 2017, options to purchase 65,465 shares of our Common Stock at a weighted average exercise price of \$47.46 were outstanding under our 2006 Stock Incentive Plan.

As of April 30, 2017, we had granted 114,019 shares of restricted Common Stock under our 2006 Stock Incentive Plan, of which 15,366 remain outstanding.

Once the 2015 Omnibus Incentive Plan (discussed below) was approved by the stockholders on October 22, 2015, no further stock options or other awards were awarded under the 2006 Stock Incentive Plan and it was terminated.

2015 Omnibus Incentive Plan

On August 17, 2015, the Board of Directors approved, subject to the receipt of stockholder approval, the Ocean Power Technologies, Inc. 2015 Omnibus Incentive Plan (the “2015 Plan”). On October 22, 2015, the stockholders approved the 2015 Plan and the 2006 Stock Incentive Plan was terminated. Effective August 17, 2016, our Board approved and adopted an amendment to the 2015 Plan, subject to stockholder approval, to increase the number of shares available for grant under the 2015 Plan from 240,703 to 640,703 in order to assure that adequate shares will be available for future grants. On October 21, 2016, the stockholders approved the amendment to the 2015 Plan.

Description of 2015 Plan

The following is a summary of the material provisions of the 2015 Plan, as amended, and is qualified in its entirety by reference to the complete text of the 2015 Plan, a copy of which is filed as Annex A to our Proxy Statement on Schedule 14A filed with the SEC on September 3, 2015.

Administration

The 2015 Plan is administered by a committee of the Board, which consists of not fewer than two directors of the Company designated by the Board, each of whom is a “non-employee director” within the meaning of Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”), an “outside director” within the meaning of Section 162(m) of the Internal Revenue Code as amended (as now in effect or later amended and any successor thereto, the “Code”) and, for so long as our Common Stock is listed on the NASDAQ, an “independent director” within the meaning of the NASDAQ rules. Among other things, the committee administering the 2015 Plan has full power and authority to take all actions and to make all determinations required or provided for under the 2015 Plan, any award under the 2015 Plan or any award agreement under the 2015 Plan, not inconsistent with the specific terms and conditions of the 2015 Plan, which the committee deems to be necessary or appropriate to the administration of the 2015 Plan. The committee administering the 2015 Plan, may amend, modify or supplement the terms of any outstanding award, provided that no amendment, modification or supplement of the terms of any outstanding award shall impair a grantee’s rights under an award without the consent of the grantee. The committee administering the 2015 Plan is also authorized to construe the award agreements, and may prescribe rules relating to the 2015 Plan. Notwithstanding the foregoing, our full Board will conduct the general administration of the 2015 Plan with respect to all awards granted to our non-employee directors. In addition, in its sole discretion, our Board may at any time and from time to time exercise any and all rights and duties of the committee under the 2015 Plan except with respect to matters which are required to be determined in the sole discretion of the committee under Rule 16b-3 of the Exchange Act or Section 162(m) of the Code, or any regulations or rules issued thereunder.

Grant of Awards; Shares Available for Awards; Award Limits; Eligible Grantees

The 2015 Plan provides for the grant of stock options, SARs, restricted stock awards, stock unit awards and unrestricted stock awards, dividend equivalent rights, performance share awards or other performance-based awards, other equity-based awards or cash to eligible employees, officers and non-employee directors of the Company or any affiliate of the Company, or any consultant or adviser to the Company or an affiliate who is currently providing services to the Company or an affiliate, or to any other individual whose participation in the 2015 Plan is determined to be in the best interests of the Company by the committee administering the 2015 Plan. We have reserved a total of 200,000 shares of Common Stock for issuance as or under awards to be made under the 2015 Plan, plus (y) 40,703, which was the number of shares of Common Stock available for issuance under our 2006 Stock Incentive Plan as of the effective date of the 2015 Plan, plus (z) the number of shares of our Common Stock related to awards under the 2006 Stock Incentive Plan as of the effective date of the 2015 Plan which thereafter terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such shares. With the amendment to the Plan approved by the stockholders on October 21, 2016, the number of shares of Common Stock increased from 240,703 to 640,703. If any award expires, is cancelled, or terminates unexercised or is forfeited, the number of shares subject thereto is again available for grant under the 2015 Plan. The maximum number of shares of stock that can be granted under the 2015 Plan pursuant to incentive stock option awards is currently two hundred thousand (200,000). The maximum number of shares of stock subject to awards that can be granted under the 2015 Plan in any one calendar year to any person, other than a non-employee director, is seventy-five thousand (75,000). The maximum fair market value of shares of stock that may be granted under the 2015 Plan in any one calendar year to any non-employee director is two-hundred thousand dollars (\$200,000). The limitations on the amount of shares of stock issuable under the 2015 Plan is subject to adjustment in the event of certain changes in our capital stock, such as recapitalizations, reclassifications, stock splits, reverse stock splits, spin-offs, combinations of our stock, exchanges of our stock and other increases or decreases in our stock without receipt of consideration.

Table of Contents

Currently, there are approximately 40 employees, non-employee directors, consultants and advisers who would be entitled to receive stock options and/or shares of restricted stock under the 2015 Plan. Potential Payments upon Termination of Employment or Change in Control

The following information sets forth the terms of potential payments to each of our named executive officers in the event of a termination of employment. We do not present any information regarding Dr. Mekhiche due to his resignation effective August 8, 2017.

Termination by Company without Cause; Termination by Executive for Good Reason. Our employment agreement with Mr. Kirby provides for severance pay equal to one-half (1/2) of a year of base salary in a lump sum within 30 days in the event that employment is terminated by the Company, other than for cause, upon Mr. Kirby's disability or by the executive with good reason, each occurring during the first year of employment (i.e., prior to January 20, 2016). After the first year of employment, the amount of severance pay increases to one (1) year of base salary. In both instances, Mr. Kirby would also be entitled to receive any other payments owed such as a short-term bonus, long-term compensation, benefits and expenses reimbursements to the degree such payments are owed for service provided up to the date of termination. Finally, the expiration date of any other options held by Mr. Kirby would be extended to a date 90 days after the date of termination of employment (but not longer than the original term of such options).

Our employment agreement with Mr. Shafer provides, upon the termination of his employment other than for cause, or if Mr. Shafer terminates his employment for good reason, that Mr. Shafer has the right to receive severance payments. If such termination occurs before the end of six months of service, Mr. Shafer will receive no severance. If such termination occurs after completing six months of service, Mr. Shafer will receive six months of his base salary.

Termination by Company for Cause; Termination by Executive without Good Reason. Under our employment contracts with Mr. Kirby upon termination for cause or at the executive's election without good reason, the executive is entitled to the base salary and benefits due and owing to the executive as of the date of termination. The employment agreement with Mr. Shafer does not contain provisions regarding severance in the event of a termination by the Company with or without cause or termination by the executive without good reason

Change in Control. Our employment agreement with Mr. Kirby provides for severance pay equal to one (1) year of base salary if a change of control occurs and Mr. Kirby is terminated by the Company or Mr. Kirby terminates the agreement, each occurring within 90 days of the change of control. Mr. Kirby would also be entitled to receive any other payments owed such as a short-term bonus, long-term compensation, benefits and expenses reimbursements to the degree such payments are owed for service provided up to the date of termination. Finally, the expiration date of any other options held by Mr. Kirby would be extended to a date 90 days after the date of termination (but not longer than the original term of such options). In addition, to the extent that Mr. Kirby has not previously vested in rights and interests held by Mr. Kirby under the Company's stock and other equity plans (including stock options, restricted stock, RSU's, performance units or performance shares), such rights and interest would become fully vested.

The employment agreement for Mr. Shafer does not contain change of control provisions; therefore, payments for cash severance and continued healthcare benefits are the same as for termination without cause. The restricted stock agreement provides for accelerated stock vesting upon a change in control.

Termination upon Failure to Renew by the Company. In the event that our employment agreement with Mr. Kirby terminates the end of the term and is not renewed as a result of a decision by the Company not to renew, prior to a decision by Mr. Kirby not to renew, the Company will pay Mr. Kirby a severance payment in the amount of one (1) year base salary in a lump sum within 30 days after the termination date.

The employment agreement for Mr. Shafer does not contain similar provisions.

Qualifying retirement. Under our restricted stock agreements with the named executive officers, upon a Qualifying Retirement 50% of unvested restricted shares will vest immediately. A “Qualifying Retirement” means retirement by the recipient after satisfaction of the conditions in either clause (A) or clause (B): (A) the recipient has both (1) attained the age of 55 and (2) completed at least ten years of employment with the Company; or (B) the sum of the recipient’s age plus the number of years he or she has been employed by the Company equals or exceeds 75 years.

PROPOSAL THREE

ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION PRACTICES

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in 2010, requires that we provide our stockholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. Consistent with our stockholders' preference expressed in voting at the 2011 annual meeting of stockholders, the Board of Directors determined that an advisory vote on the compensation of our named executive officers will be conducted every year. The next advisory vote on the frequency of an advisory vote on executive compensation will take place at the Meeting as Proposal Four. In this proposal we are asking stockholders to approve the following advisory resolution at the Meeting:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion in the Company's proxy statement for its 2017 Annual Meeting of Stockholders, is hereby APPROVED.

The Board of Directors recommends a vote FOR this resolution because it believes that the policies and practices described in the Executive Compensation section are effective in achieving our goals of rewarding sustained financial and operating performance and leadership excellence, aligning the executives' long-term interests with those of our stockholders and motivating our executives to remain with us for long and productive careers. Named executive officer compensation over the past two years reflects amounts of cash and equity compensation consistent with our stated goals and objectives.

We urge stockholders to read the Executive Compensation section beginning on page 16 of this proxy statement, including the 2017 Summary Compensation Table and related tables and narrative, appearing on pages 17 through 25 which provide information on our compensation policies and practices and the compensation of our named executive officers.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is nonbinding on the Board of Directors. Although nonbinding, the Board will review and consider the voting results when evaluating our executive compensation program.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE *FOR* APPROVAL OF THE ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION.

PROPOSAL FOUR

ADVISORY VOTE ON THE FREQUENCY OF

FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended, we are asking stockholders to indicate their preference for how frequently the Company should seek advisory approval of our named executive officer compensation, such as the “say-on-pay” vote included in Proposal No. 3 above. By voting on this Proposal No. 4, stockholders may indicate whether they would prefer an advisory vote on our named executive officer compensation once every one, two or three years.

The Company has held annual say-on-pay votes starting with the 2011 annual meeting. The Board continues to believe that an advisory vote on our executive compensation every year is most appropriate and recommends stockholders approve an annual advisory vote on named executive officer compensation. Holding an annual advisory vote on executive compensation allows stockholders to provide timely input on our compensation philosophy, policies and practices and provides a direct and simple means to express investor sentiment regarding our executive compensation program.

Stockholders should understand they are not voting “for” or “against” a recommendation of the Board; rather, stockholders are asked to choose whether future advisory votes on named executive officer compensation should be held every one, two or three years. Stockholders may also abstain from voting. This vote is advisory and not binding on the Board or the Company and the final decision on the frequency of future advisory votes on named executive compensation remains with the Board. The Board values the opinions expressed by our stockholders through their votes and will carefully consider the outcome of the vote when making future decisions regarding the frequency of future advisory votes on named executive compensation.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO HOLD FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION EVERY *ONE YEAR*.
