### Item 1.01 Entry into a Material Definitive Agreement

On June 29, 2018, 2018, Twin Disc, Incorporated (the “Company”) entered into a Credit Agreement (the “Credit Agreement”) with BMO Harris Bank N.A. (“BMO”) that provides for the assignment and assumption of the existing loans between the Company and Bank of Montreal, and subsequent amendments into a term loan (the “Term Loan”) and revolving credit loans (each a “Revolving Loan” and, collectively, the “Revolving Loans,” and, together with the Term Loan, the “Loans”). Pursuant to the Credit Agreement, BMO shall make the Term Loan to the Company in a principal amount not to exceed \$35,000,000.00, and the Company may, from time to time prior to the maturity date, enter into Revolving Loans in amounts not to exceed, in the aggregate, \$50,000,000.00 (the “Revolving Credit Commitment”). The Credit Agreement also allows the Company to obtain Letters of Credit from BMO, which if drawn upon by the beneficiary thereof and paid by BMO, would become Revolving Loans.

The Credit Agreement provides that the Company may elect that the Term Loan and each Revolving Loan to be either “LIBOR Loans” or “Eurodollar Loans.” LIBOR Loans will bear interest at an annual rate equal to the sum of a specified margin (the “Applicable Margin,” determined by the Company’s total funded debt to EBITDA ratio) plus the Monthly Reset LIBOR Rate from time to time in effect. Eurodollar Loans will bear interest at an annual rate equal to the sum of the Applicable Margin plus the Adjusted LIBOR applicable for such Interest Period. The Adjusted LIBOR will be calculated as follows:

$$\text{Adjusted LIBOR} = \text{LIBOR} \\ 1 - \text{Eurodollar Reserve Percentage}$$

In calculating the Eurodollar Rate, the Eurodollar Reserve Percentage is equal to the maximum reserve percentage at which reserves are imposed by the Board of Governors of the Federal Reserve System on “eurocurrency liabilities,” as defined in such Board’s Regulation D.

The Credit Agreement also provides for the issuance of Letters of Credit upon request of the Company. Letters of Credit that are drawn upon and not timely reimbursed by the Company will bear interest at an annual rate equal to the sum of the Applicable Margin plus the Base Rate in effect from time to time. The Base Rate is the greatest of: (1) the rate of interest announced or otherwise established by BMO as its prime commercial rate with possible relevant changes to such rate; (2) the sum of (a) the rate determined by BMO to be the average of the annual rates quoted to BMO by two or more Federal funds brokers selected by BMO for sale to BMO at face value of Federal funds in the secondary market in an amount equal or comparable to the principal amount for which such rate is being determined, plus (b) 1/2 of 1%; and (3) the LIBOR Quoted Rate for such day plus 1.00%.

In addition to the monthly interest payments and any mandatory principal payments required by the Credit Agreement (if applicable), the Company will be responsible for paying a quarterly Revolving Credit Commitment Fee and quarterly Letter of Credit Fees. The Revolving Credit Commitment Fee will be paid at an annual rate equal to the Applicable Margin on the average daily unused portion of the Revolving Credit Commitment. The Letter of Credit Fee shall be paid at the Applicable Margin for Revolving Loans that are Eurodollar Loans on the daily average face amount of Letters of Credit outstanding during the preceding calendar quarter. The Company may prepay the Loans (or any one of the Loans), subject to certain limitations.

Borrowings under the Credit Agreement are secured by substantially all of the Company's personal property, including accounts receivable, inventory, machinery and equipment, and intellectual property, and the personal property of Mill-Log Equipment Co., Inc. ("Mill-Log"), a wholly-owned domestic subsidiary of the Company. The Company has also pledged 100% of its equity interests in certain domestic subsidiaries and 65% of its equity interests in certain foreign subsidiaries. To effect these security interests, the Company and Mill-Log entered into various amendment and assignment agreements that consent to the assignment to BMO of certain agreements previously entered into between the Company and Mill-Log with Bank of Montreal in connection with an April 22, 2016 credit agreement between the Company and Bank of Montreal, and further amended such agreements pursuant to the terms of the Credit Agreement. Specifically, the Company amended and agreed to the assignment to BMO of a Security Agreement, IP Security Agreement, and Pledge Agreement, and Mill-Log amended and agreed to the assignment to BMO of a Guaranty Agreement and Guarantor Security Agreement. The Company also amended and assigned to BMO a Negative Pledge Agreement that it has previously entered into with Bank of Montreal, pursuant to which it agreed not to sell, lease or otherwise encumber real estate that it owns except as permitted by the Credit Agreement and the Negative Pledge Agreement. The Company also entered into a Collateral Assignment of Rights under Purchase Agreement for its acquisition of Veth Propulsion Holding, B.V., described in Item 2.01 below.

Upon the occurrence of an Event of Default, BMO may take the following actions upon written notice to the Company: (1) terminate its remaining obligations under the Credit Agreement; (2) declare all amounts outstanding under the Credit Agreement to be immediately due and payable; and (3) demand the Company to immediately Cash Collateralize L/C Obligations in an amount equal to 105% of the aggregate L/C Obligations or a greater amount if BMO determines a greater amount is necessary. If such Event of Default is due to the Company's bankruptcy, BMO may take the three actions listed above without notice to the Company.

A copy of the Credit Agreement is attached to this report as Exhibit 10.1 and is incorporated herein by reference. A copy of the Amendment and Assignment of Revolving Loan Note between Bank of Montreal and BMO is attached to this report as Exhibit 10.2 and is incorporated herein by reference.
