Proxy Statement
Annual Meeting of Shareholders
To be held on Thursday, May 13, 2010

General Information

The Board of Directors of CompuCredit Holdings Corporation, a Georgia corporation, is furnishing this Proxy Statement to the holders of its Common Stock, in connection with its solicitation of proxies for use at the Annual Meeting of Shareholders to be held at the company's corporate headquarters, Five Concourse Parkway, Suite 400, Atlanta, Georgia 30328, at 9:00 a.m., local time, on Thursday, May 13, 2010, and at any and all adjournments thereof. You may obtain directions to the location of the Annual Meeting by visiting www.compucredit.com/2010AnnualMeeting or by contacting Jay Putnam at the address or telephone number listed above.

A proxy delivered pursuant to this solicitation is revocable at the option of the person giving it at any time before it is exercised. A proxy may be revoked, prior to its exercise, by executing and delivering a later dated proxy, by delivering written notice of the revocation of the proxy to the Secretary of CompuCredit Holdings Corporation ("CompuCredit") prior to the Annual Meeting or by attending and voting at the Annual Meeting. Attendance at the Annual Meeting, in and of itself, will not constitute a revocation of a proxy. Unless previously revoked, the shares represented by the enclosed proxy will be voted in accordance with the shareholder's directions if the proxy card is duly executed and returned prior to the Annual Meeting. If no directions are specified, the shares will be voted "FOR" the election of the director nominees recommended by the Board of Directors and in accordance with the discretion of the named proxies on other matters brought before the Annual Meeting.

CompuCredit will bear the expense of preparing, printing and mailing this Proxy Statement and soliciting the proxies it is seeking. In addition to the use of the mails, proxies may be solicited by officers, directors and employees of CompuCredit, in person or by telephone, e-mail or facsimile transmission. CompuCredit also will request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of the underlying shares as of the Record Date and will reimburse the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly completing, signing and returning the enclosed proxy card will help to avoid additional expense.

This Proxy Statement and the enclosed proxy card are first being mailed to shareholders on or about April 19, 2010. A copy of the 2009 Annual Report to Shareholders, including the Annual Report on Form 10-K for the fiscal year ended December 31, 2009, as filed with the Securities and Exchange Commission (the "SEC"), is being mailed with this Proxy Statement.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting To Be Held on May 13, 2010:

This Proxy Statement and the 2009 Annual Report to Shareholders are available at www.compucredit.com/2010AnnualMeeting.

Voting Rights

CompuCredit's Common Stock is the only class of voting securities outstanding. The close of business on April 9, 2010 has been fixed as the Record Date for the determination of our shareholders entitled to notice of, and to vote at, the 2010 Annual Meeting. Only shareholders of record at the close of business on the Record Date will be entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, we had outstanding 50,173,232 shares of Common Stock. Each outstanding share of Common Stock entitles the holder to one vote on all matters submitted to the shareholders.

Quorum and Voting Requirements

For each proposal to be considered at the Annual Meeting, the holders of a majority of the number of shares entitled to vote on such matter at the meeting, present in person or by proxy, will constitute a quorum. Both abstentions and "broker non-votes" will be treated as present for purposes of determining a quorum. A "broker non-vote," however, does not count as a vote in favor of or against a particular proposal for which the broker has no discretionary voting authority. "Broker non-votes" are votes that brokers holding shares of record for their customers (i.e., in "street name") are not permitted to cast under applicable stock market regulations because the brokers have not received instructions (or have received incomplete instructions) from their customers as to certain proposals, and, therefore, the brokers have advised us that they lack voting authority.

With regard to Proposal One (Election of Directors), votes may be cast for the nominees or may be withheld. Each director nominee was recommended by the Nominating and Corporate Governance Committee of the Board of Directors, and all nominees are current directors, standing for re-election. The election of directors requires a plurality of the votes cast, and the eight nominees receiving the greatest number of votes will be elected. Votes that are withheld, abstentions and broker non-votes are not considered "votes cast" and therefore will have no effect on the outcome of Proposal One.

Holding Company Reorganization

On June 30, 2009, CompuCredit Corporation completed its holding company reorganization (the "Reorganization"). In the Reorganization, CompuCredit Corporation became a wholly owned subsidiary of CompuCredit Holdings Corporation. The Reorganization was effected through a merger pursuant to an Agreement and Plan of Merger, dated as of June 2, 2009. As a result of the Reorganization, each outstanding share of CompuCredit Corporation common stock was automatically converted into one share of CompuCredit Holdings Corporation common stock. CompuCredit Holdings Corporation is incorporated in the State of Georgia, as is CompuCredit Corporation. The rights of shareholders of CompuCredit Holdings

Corporation are generally governed by Georgia law and CompuCredit Holdings Corporation's articles of incorporation and bylaws, which are the same in all material respects as those for CompuCredit Corporation. Therefore, the rights of a CompuCredit Holdings Corporation shareholder are substantially similar as to the rights of a CompuCredit Corporation shareholder.

In connection with the Reorganization, pursuant to an Assumption Agreement, dated as of June 30, 2009, CompuCredit Holdings Corporation assumed CompuCredit Corporation's currently effective registration statements, CompuCredit Corporation's equity incentive plans, CompuCredit Corporation's Employee Stock Purchase Plan (the "ESPP"), CompuCredit Corporation's employee benefit plans and employment agreements between CompuCredit Corporation and its executive officers. This allows CompuCredit Holdings Corporation to grant equity awards under CompuCredit Corporation's 2008 Equity Incentive Plan (the "2008 Plan") and permits eligible CompuCredit Holdings Corporation employees to participate in the ESPP. The number of shares authorized for issuance under the 2008 Plan and the ESPP was not increased as a result of the Reorganization. Outstanding awards under all of CompuCredit Corporation's equity incentive plans continued in effect in accordance with the terms and conditions of the applicable plan and award, except that CompuCredit Holdings Corporation common stock was substituted for CompuCredit Corporation common stock.

Pursuant to Rule 12g-3(a) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), CompuCredit Holdings Corporation common stock is deemed to be registered under Section 12(b) of the Exchange Act because CompuCredit Holdings Corporation is the successor issuer of CompuCredit Corporation.

CompuCredit Holdings Corporation common stock commenced trading on the NASDAQ Global Select Market on July 1, 2009 under the symbol "CCRT," the same symbol under which CompuCredit Corporation common stock was previously listed and traded. As a result of the Reorganization, CompuCredit Corporation common stock is no longer publicly traded.

Information presented in this Proxy Statement for the period on and prior to June 30, 2009 refers to CompuCredit Corporation and information for the period after June 30, 2009 refers to CompuCredit Holdings Corporation.

Proposal One:

Election of Directors

Action will be taken at the Annual Meeting for the election of eight directors. Each director elected at the Annual Meeting will serve until the 2011 Annual Meeting or until his successor is elected and qualified. Proxies can be voted for only eight nominees.

The Board of Directors has no reason to believe that any of the nominees for director will not be available to stand for election as director. However, if some unexpected occurrence should require the substitution by the Board of Directors of some other person or persons for any one or more of the nominees, the proxies may be voted in accordance with the discretion of the named proxies "FOR" such substitute nominees.

The term of Nicholas B. Paumgarten expires at this year's Annual Meeting and he has decided not to stand for re-election. Because of Mr. Paumgarten's decision not to stand for re-election, there will be a vacant seat on the Board of Directors that will not be filled at the Annual Meeting. Following the Annual Meeting, CompuCredit will not be in compliance with NASDAQ Rule 5605(b)(1), which requires that a majority of the Board of Directors be independent. Under NASDAQ Rule 5605(b)(1)(A), CompuCredit will be required to regain compliance with this requirement by the earlier of our next annual meeting of shareholders or May 13, 2011. We intend to regain compliance with this requirement prior to the expiration of the cure period provided by NASDAQ.

Corporate Governance

We have established corporate governance practices designed to serve the best interests of CompuCredit and our shareholders. We are in compliance with the current corporate governance requirements imposed by the Sarbanes-Oxley Act of 2002, the rules and regulations of the SEC and the listing standards of The Nasdaq Stock Market. Our current Code of Business Conduct and Ethics and charters for certain committees of the Board of Directors are available on our corporate website at www.compucredit.com under the heading "For Investors."

Set forth below is information regarding the meetings of the Board of Directors during 2009, a description of the Board's standing committees and additional highlights of our corporate governance policies and procedures.

Committees and Meetings of the Board of Directors

Board Composition. The Board of Directors presently consists of nine members elected by holders of Common Stock. The current members of the Board of Directors are Gregory J. Corona, Richard W. Gilbert, David G. Hanna, Frank J. Hanna, III, Richard R. House, Jr., Deal W. Hudson, Mack F. Mattingly, Nicholas B. Paumgarten and Thomas G. Rosencrants. The term of Nicholas B. Paumgarten expires at this year's Annual Meeting and he has decided not to stand for re-election. The Board has determined that the following directors are independent in accordance with the Nasdaq and SEC rules governing director independence: Gregory J. Corona, Deal W. Hudson, Mack F. Mattingly, Nicholas B. Paumgarten and Thomas G. Rosencrants.

Meetings of the Board of Directors. During fiscal year 2009, the Board of Directors met seven times. During that period, each of the incumbent directors attended at least 75% of the aggregate number of meetings held by the Board and by each of the committees on which such director served, except for Mr. House who did not attend two board meetings.

Board Committees. Our Board of Directors currently has three standing committees: the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee. The principal functions and the names of the directors currently serving as members of each of those committees are set forth below. In accordance with applicable Nasdaq and SEC requirements, the Board of Directors has determined that each director serving on the Audit, Compensation and Nominating and Corporate Governance committees is an independent director.

Audit Committee. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to our financial matters. The Audit Committee operates under a written charter, a copy of which is available on our website at www.compucredit.com under the heading “For Investors.” Under the charter, the committee’s principal responsibilities include reviewing our financial statements, reports and releases; reviewing with the independent auditor all critical accounting policies and alternative treatments of financial information under generally accepted accounting principles; appointing, compensating, retaining and overseeing the work of the independent auditor; and monitoring and overseeing our Code of Business Conduct and Ethics.

The Audit Committee met 12 times during 2009. The current members of the Audit Committee are Thomas G. Rosencrants (Chairman), Gregory J. Corona and Deal W. Hudson. The Board of Directors has determined that Mr. Rosencrants is an “audit committee financial expert,” as that term is defined in SEC rules. Following the Annual Meeting, we expect that the Audit Committee will be composed of Messrs. Rosencrants (Chairman), Corona and Hudson.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee assists the Board in identifying qualified director candidates and developing and monitoring our corporate governance policies. The Nominating and Corporate Governance Committee operates under a written charter, a copy of which is available on our website at www.compucredit.com under the heading “For Investors.” Under the charter, the committee’s principal responsibilities include identifying individuals qualified to become members of the Board of Directors and recommending candidates for re-election as directors; monitoring and recommending corporate governance and other Board and company practices; and overseeing performance reviews of the Board of Directors as a whole, its committees and the individual directors.

With respect to the identification of nominee candidates, the Nominating and Corporate Governance Committee has opted against developing a formalized process. Instead, in keeping with the prior practice of the Board, the committee and our senior management have recommended candidates whom they are aware of personally or by reputation.

Similarly, with respect to the evaluation of director nominee candidates by the Nominating and Corporate Governance Committee, the committee has opted against adopting formal requirements or minimum standards regarding the evaluation of potential directors. Rather, the committee will consider each candidate on his or her own merits on a case-by-case basis. However, in evaluating candidates, there are a number of factors that the committee generally views as relevant and is likely to consider. Some of these factors include the candidates’:

- professional experience, particularly experience that is germane to our business, such as credit services, risk management, legal, human resources, finance, marketing, and regulatory experience;
 - ability to qualify as an “audit committee financial expert” (as defined by the SEC);

- experience in serving on other boards of directors or in the senior management of companies that have faced issues generally of the level of sophistication that we face;
 - contribution to diversity on the Board of Directors;
 - integrity and reputation;
 - ability to work collegially with others;
 - availability and the ability to attend meetings in person; and
- current membership on our Board of Directors due to the fact that the Board values continuity (but not entrenchment).

The Nominating and Corporate Governance Committee does not assign a particular weight to the individual factors. Similarly, the committee does not expect to see all (or even more than a few) of these factors in any individual candidate. Rather, the committee looks for a mix of factors that, when considered along with the experience and credentials of the other candidates and existing Board members, will provide shareholders with a diverse and experienced Board of Directors.

The Nominating and Corporate Governance Committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the committee members consider and discuss diversity, among other factors, with a view toward the needs of the Board of Directors as a whole. The committee members generally conceptualize diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities or attributes that contribute to board heterogeneity, when identifying and recommending director nominees. The Nominating and Corporate Governance Committee believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the committee's goal of creating a Board of Directors that best serves the needs of the company and the interest of its shareholders.

The Nominating and Corporate Governance Committee met four times during 2009. The current members of the Nominating and Corporate Governance Committee are Gregory J. Corona (Chairman), Deal W. Hudson, Mack F. Mattingly and Nicholas B. Paumgarten. Following the Annual Meeting, we expect that the Nominating and Corporate Governance Committee will be composed of Messrs. Corona (Chairman), Hudson and Mattingly.

Compensation Committee. The Compensation Committee has the primary authority to determine our compensation philosophy and to establish compensation for our executive officers and directors. The Compensation Committee does not operate under a written charter. The Compensation Committee met six times during 2009. The current members of the Compensation Committee are Mack F. Mattingly (Chairman), Nicholas B. Paumgarten and Thomas G. Rosencrants. Following the Annual Meeting, we expect that the Compensation Committee will be composed of Messrs. Mattingly (Chairman) and Rosencrants. For more information on the Compensation Committee, see "Corporate Governance—Corporate Governance Policies—Consideration and Determination of Executive and Director Compensation."

Corporate Governance Policies

In addition to corporate governance matters described throughout this Proxy Statement, some additional highlights of our corporate governance policies and procedures are set forth below:

Code of Ethics. Our Code of Business Conduct and Ethics (the “Code of Ethics”) applies to all of our directors, executive officers and employees. The Code of Ethics is available on our website at www.compucredit.com under the heading “For Investors.” We intend to disclose any amendments to our Code of Ethics, and any waiver from a provision of the Code of Ethics granted to our Chief Executive Officer, Chief Financial Officer or Controller, on our website within four business days following such amendment or waiver.

Risk Management. CompuCredit’s management is responsible for day-to-day risk management of the company. Management reports to the Board of Directors on the material risks the company faces when management determines that the company’s risk profile materially changes. The Board of Directors uses management’s reports to evaluate the company’s exposure to risks in light of the company’s business plan and growth strategies. The Board of Directors primarily focuses on risks in the areas of operations, liquidity and regulatory changes and compliance, which the Board of Directors believes are the areas most likely to have a potential impact on the company in a material way.

Executive Sessions of Independent Directors. The Board of Directors has scheduled regular executive sessions of our independent directors. At executive sessions, our independent directors meet without management or any non-independent directors present. The independent directors are responsible for establishing the agenda at executive sessions. The Board believes that executive sessions foster open and frank communication among the independent directors, which will ultimately add to the effectiveness of the Board, as a whole.

Consideration and Determination of Executive and Director Compensation. The Compensation Committee has the primary authority to determine our compensation philosophy and to establish compensation for our executive officers. In establishing executive officer compensation, the Compensation Committee uses its subjective evaluation of the executives’ performance and responsibilities, our overall performance and the Chief Executive Officer’s recommendations. The Compensation Committee has not used any compensation consultant in setting executive salaries, or in determining other components of executive compensation, nor does it seek formally to benchmark the compensation of our executive officers against compensation paid by other companies to their executives.

Management plays a significant role in the compensation-setting process. The most significant aspects of management’s role are:

- evaluating employee performance;
- preparing information for Compensation Committee meetings;

- establishing business performance targets and objectives;
- providing background information regarding CompuCredit's strategic objectives; and
- recommending salary levels and equity awards.

From time to time, the Compensation Committee invites members of management, including Mr. Hanna, Mr. Whitehead and Rohit Kirpalani, our General Counsel, to attend all or a portion of its meetings. Typically, Mr. Hanna reviews the performance of senior management and makes recommendations on compensation levels. Mr. Whitehead assists the committee in setting performance targets and advising on accounting and tax matters. Mr. Kirpalani advises the committee on legal matters and prepares documents for the committee's consideration. In addition, all three of these officers answer questions posed by the committee.

In the past, the Compensation Committee has authorized Mr. Hanna to negotiate employment agreements with senior executive officers (other than himself). Typically, the negotiated employment agreements are subject to review and approval by the Compensation Committee.

Risk Management related to Compensation Policies and Practices. We do not believe that our compensation policies and practices encourage excessive and unnecessary risk-taking, and that the level of risk that they do encourage is not reasonably likely to have a material adverse effect on CompuCredit. The design of our compensation policies and practices encourages our employees to remain focused on both our short- and long-term goals. For example, while our cash bonus plans measure performance on an annual basis, our equity awards typically vest over a number of years, which we believe encourages our employees to focus on sustained stock price appreciation, thus limiting the potential value of excessive risk-taking.

Committee Authority to Retain Independent Advisors. Each of the Audit Committee and the Nominating and Corporate Governance Committee has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by CompuCredit.

Board Leadership Structure. David G. Hanna has served in the combined roles of Chairman and Chief Executive Officer since our initial public offering in 1999. Mr. Hanna's combined service as Chairman and Chief Executive Officer creates unified leadership for CompuCredit. This leadership structure demonstrates to our business partners and shareholders that CompuCredit is under strong leadership and minimizes the potential duplication of efforts among management and the directors. The Board of Directors does not have a lead independent director and does not believe that one is necessary in light of CompuCredit's size and the lengthy experience the majority of the directors have working with Mr. Hanna. The Board of Directors believes its leadership structure allows CompuCredit to operate efficiently and is in the best interests of the company and its shareholders.

Whistleblower Procedures. The Audit Committee has established procedures for the treatment of complaints regarding accounting, internal accounting controls or auditing matters,

including procedures for confidential and anonymous submission by our employees of concerns regarding questionable accounting, internal accounting controls or auditing matters.

No Executive Loans. We do not extend loans to executive officers or directors, and we have no such loans outstanding.

Policy for Director Attendance at Annual Meetings. It is the policy of CompuCredit and our Board of Directors that all directors attend the Annual Meeting of Shareholders and be available for questions from shareholders, except in the case of unavoidable conflicts. Seven of our nine directors attended our 2009 Annual Meeting of Shareholders.

Process for Shareholders to Send Communications to the Board. We encourage shareholder communication with the Board of Directors. Any shareholder who wishes to communicate with the Board or with any particular director, including any independent director, may send a letter to the Secretary of CompuCredit at our principal executive offices. Any communication should indicate that you are a CompuCredit shareholder and clearly specify whether it is intended to be delivered to the entire Board or to one or more particular director(s).

Policy for Consideration of Director Candidates Recommended by Shareholders. We welcome recommendations for director candidates from shareholders. In order to make a recommendation, a shareholder should submit the following information to the Nominating and Corporate Governance Committee of the Board of Directors:

- a resume for the candidate detailing the candidate's work experience and academic credentials;
- written confirmation from the candidate that he or she (1) would like to be considered as a candidate and would serve if nominated and elected, (2) consents to the disclosure of his or her name, (3) has read our Code of Ethics and that during the prior three years has not engaged in any conduct that, had he or she been a director, would have violated the Code of Ethics or required a waiver, (4) is, or is not, "independent" as that term is defined by Nasdaq and SEC rules, and (5) has no plans to change or influence the control of CompuCredit;
- the name of the recommending shareholder as it appears in our books, the number of shares of Common Stock that is owned by the shareholder and written confirmation that the shareholder consents to the disclosure of his or her name (if the recommending person is not a shareholder of record, he or she should provide proof of share ownership);
 - personal and professional references, including contact information; and
- any other information relating to the candidate required to be disclosed in a proxy statement for election of directors under Regulation 14A of the Exchange Act.

This information should be sent to the Nominating and Corporate Governance Committee, c/o Rohit H. Kirpalani, Secretary at our principal executive offices, who will forward it to the chairperson of the committee. The committee does not necessarily respond to shareholder recommendations.

REPORT OF AUDIT COMMITTEE

Notwithstanding anything to the contrary set forth in any of CompuCredit's filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate by reference this Proxy Statement, in whole or in part, the following report shall not be incorporated by reference into any such filings.

The Audit Committee of the Board of Directors is composed of three directors and operates under a written charter adopted by the Board of Directors, a copy of which is available on our website at www.compucredit.com under the heading "For Investors." The members of the committee meet the independence requirements of SEC rules and Nasdaq listing standards.

Management is responsible for CompuCredit's internal controls, financial reporting process and compliance with laws, regulations and ethical business standards. The independent auditors are responsible for performing an independent audit of CompuCredit's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes and to report its findings to the Board of Directors. The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the committee certify that the independent auditor is "independent" under applicable rules. The committee serves a board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the committee's members in business, financial and accounting matters.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that CompuCredit's audited consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications).

CompuCredit's independent auditors also provided to the Audit Committee the written disclosures and letter required by applicable requirements of the Public Company Accounting Oversight Board, and the Audit Committee discussed with the independent auditors that firm's independence.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representation of management and the report of the independent auditors to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in CompuCredit's Annual Report on Form 10-K for the year ended December 31, 2009, filed with the SEC.

AUDITOR FEES

The Audit Committee has selected BDO Seidman, LLP ("BDO") to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2010. We first engaged BDO in 2002 on the recommendation of the Audit Committee, and it has served as our principal accounting firm since that date. A representative of BDO is expected to be present at the 2010 Annual Meeting of Shareholders and will be available to respond to appropriate questions. The representative also will have an opportunity to make a statement if he or she desires to do so. Approval of our accounting firm is not a matter required to be submitted to the shareholders.

Audit Fees. The aggregate fees billed by BDO for professional services rendered for the audit of our annual financial statements included in our Annual Report on Form 10-K and the reviews of the financial statements included in our quarterly reports on Form 10-Q totaled \$960,000 for the fiscal year ended December 31, 2009 and \$1,049,000 for the fiscal year ended December 31, 2008.

Audit-Related Fees. The aggregate fees billed by BDO related to assurance and similar services totaled \$170,000 for the fiscal year ended December 31, 2009 and \$318,000 for the fiscal year ended December 31, 2008. These fees were principally related to audit work in connection with our 401(k) defined contribution plan, agreed upon procedures as required by our lenders, securitization investors and trustees, accounting guidance and consultation as well as various reimbursable expenses.

Tax Fees. The aggregate fees billed by BDO for professional services rendered for tax compliance, tax advice or tax planning totaled \$0 for the fiscal year ended December 31, 2009 and \$0 for the fiscal year ended December 31, 2008.

All Other Fees. The aggregate fees billed by BDO for project consultations were \$65,000 for the fiscal year ended December 31, 2009 and \$31,000 for the fiscal year ended December 31, 2008.

All audit-related services, tax services and other non-audit services were pre-approved by the Audit Committee, which concluded that the provision of such services by BDO was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee's Outside Auditor Independence Policy provides for pre-approval of audit, audit-related and tax services specifically described by the committee on

an annual basis and, in addition, individual engagements anticipated to exceed pre-established thresholds must be separately approved. The policy authorizes the committee to delegate to one or more of its members pre-approval authority with respect to permitted services.

Director Compensation

During fiscal year 2009, we paid each of our independent directors an annual fee of \$50,000 in cash for their directorship services. In addition, independent directors received a cash fee of \$2,500 for each Board meeting attended (including telephonic attendance) and \$1,000 for each committee meeting attended (including telephonic attendance) regardless of whether such committee meeting was held on the same day as a meeting of the full Board of Directors. For services in 2009, we paid additional cash fees of \$25,000 to the Chairman of the Audit Committee and \$5,000 to the Chairman of each of the Nominating and Corporate Governance Committee and Compensation Committee. We expect these cash fees to remain the same for service during 2010. For more on our independent directors, please see the “Corporate Governance” section of this Proxy Statement.

On January 4, 2010, each independent director received an award of 18,000 shares of restricted stock. Each award vests in two equal annual installments beginning on the first anniversary of the grant date and is subject to other terms and conditions imposed by the 2008 Plan and the standard form of award agreement under that plan. All directors are reimbursed for expenses incurred in connection with their attendance at meetings of the Board of Directors or its committees.

We do not currently provide our non-independent directors with any additional compensation, including equity grants, for their service on the Board of Directors, except for reasonable out-of-pocket expenses incurred in connection with their attendance at meetings of the Board of Directors.

In addition, he will become fully vested in all equity awards that he has received and we will continue Mr. Whitehead's medical, disability and life insurance benefits for 24 months from the date of his termination, unless earlier he becomes eligible for such benefits with another employer. In the event Mr. Whitehead's employment is terminated by us for "cause," or if he leaves his position without "good reason," Mr. Whitehead may be entitled to receive a prorated bonus. In the event of a termination due to "disability," Mr. Whitehead's restricted stock awards will vest immediately, he will be entitled to receive an additional three months of salary and he may be entitled to receive a prorated bonus. In the event Mr. Whitehead's employment is terminated due to his death, his restricted stock awards will vest

immediately and his estate may be entitled to receive a prorated bonus. No other severance or other benefits will be paid by us to Mr. Whitehead upon his termination of employment. Compensation Committee Interlocks and Insider Participation

The Compensation Committee currently consists of Messrs. Mattingly, Paumgarten and Rosencrants. None of the members of the Compensation Committee is a current or former officer or employee of CompuCredit or any of our subsidiaries. There are no compensation committee interlocks or insider participation in compensation decisions that are required to be disclosed in this Proxy Statement.

Equity Compensation Plan Information

We maintain two stock-based employee compensation plans — the 2008 Plan and the ESPP. We assumed these two plans from CompuCredit Corporation in connection with the June 30, 2009 holding company reorganization. The 2008 Plan provides for grants of (i) incentive and nonqualified stock options; (ii) stock appreciation rights; (iii) restricted stock; (iv) restricted stock units; and (v) other stock or cash-based incentive awards. The maximum aggregate number of shares of common stock that may be issued under this plan and to which awards may relate is 2,000,000 shares. Upon shareholder approval of the 2008 Plan in May 2008, all remaining shares available for grant under our previous stock option and restricted stock plans were terminated.

All employees, excluding executive officers, are eligible to participate in the ESPP. Under the ESPP, employees can elect to have up to the lesser of 100% of their annual wages or \$8,500 withheld to purchase CompuCredit common stock. The amounts deducted and accumulated by each participant are used to purchase shares of common stock at the end of each one-month offering period. The price of stock purchased under the ESPP is approximately 85% of the fair market value per share of our common stock on the last day of the offering period.

The following table provides information about option and restricted stock unit awards under our current and former equity incentive plans as of December 31, 2009.

Plan Category	Number of securities to be issued upon exercise of outstanding options and rights (1)	Weighted-average exercise price of outstanding options and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in first column)(2)

Equity compensation plans not approved by security holders	—	—	—
Total	1,222,312	\$ 31.75	1,454,939

(1) Does not include outstanding shares of previously awarded restricted stock.

(2) Includes 1,366,165 options or other share-based awards available under our 2008 Plan and 88,774 shares available under our ESPP as of December 31, 2009.

Related Party Transactions

Transactions with Related Persons

In June 2008, Thomas G. Rosencrants (Director) and two family members as joint tenants with right of survivorship purchased \$200,000 principal amount of our 3.625% Convertible Senior Notes due May 30, 2025 (the “3.625% Notes”) from unrelated third parties at prevailing market prices. The 3.625% Notes mature on May 30, 2025, unless earlier converted, redeemed or repurchased, and bear interest at a rate of 3.625% per year. Interest is payable semi-annually in arrears. In January 2009, two of Mr. Rosencrants’ immediate family members purchased \$200,000 aggregate principal amount of the 3.625% Notes from unrelated third parties at prevailing market prices. Since the purchase of these notes, CompuCredit has paid the Rosencrants family an aggregate of \$18,000 of interest and no principal on these notes.

In November 2008, J.Paul Whitehead, III (Chief Financial Officer) purchased \$215,000 principal amount of our 3.625% Notes from unrelated third parties at prevailing market prices. In March 2010, CompuCredit purchased these notes from Whitehead for \$107,500. During the time that Mr. Whitehead owned these notes, CompuCredit paid Mr. Whitehead an aggregate of approximately \$14,000 of interest and no principal on these notes.

Under a shareholders agreement into which we entered with David G. Hanna (Chairman and Chief Executive Officer), Frank J. Hanna, III (Director), Richard R. House, Jr. (President and Director), Richard W. Gilbert (Chief Operating Officer and Vice Chairman) and certain trusts that were or are affiliates of the Hannas following our initial public offering, if (i) one or more of the shareholders accepts a bona fide offer from a third party to purchase more than 50% of the

outstanding Common Stock, each of the other shareholders that is a party to the agreement may elect to sell its shares to the purchaser on the same terms and conditions, and (ii) shareholders that are a party to the agreement owning more than 50% of the Common Stock propose to transfer all of their shares to a third party, then such transferring shareholders may require the other shareholders that are a party to the agreement to sell all of the shares owned by them to the proposed transferee on the same terms and conditions.

In June 2007, we entered into a sublease for 1,000 square feet of excess office space at our Atlanta headquarters, with HBR Capital, Ltd., a company co-owned by David G. Hanna and Frank J. Hanna, III. The sublease rate of \$22.44 per square foot is the same as the rate that we pay on the prime lease. This sublease expires in May 2022.

In June 2007, a partnership formed by Richard W. Gilbert, Richard R. House, Jr., J. Paul Whitehead III and other individual investors (including an unrelated third-party individual investor) acquired £4.7 million (\$9.2 million) of class "B" notes originally issued to another investor out of our U.K. Portfolio securitization trust. The acquisition price of the notes was the same price at which the original investor had sold \$60 million of notes to another unrelated third party. As of the Record Date, the outstanding balance of the notes held by the partnership was £1.1 million (\$1.7 million). The notes held by the partnership comprised approximately 0.8% of the \$210.1 million in total notes within the trust on the Record Date and are subordinate to the senior tranches within the trust. The class "B" tranche bears interest at LIBOR plus 9%. The partnership received \$0.8 million of interest payments from January 1, 2008 through the Record Date.

In December 2006, we established a contractual relationship with Urban Trust Bank, a federally chartered savings bank ("Urban Trust"), pursuant to which we purchased credit card receivables underlying specified Urban Trust credit card accounts. Under this arrangement, in general Urban Trust was entitled to receive 5% of all payments received from cardholders and was obligated to pay 5% of all net costs incurred by us in connection with managing the program, including the costs of purchasing, marketing, servicing and collecting the receivables. In April 2009, however, we amended our contractual relationship with Urban Trust such that, in exchange for a payment by us of \$300,000, Urban Trust would sell back its ownership interest in the economics underlying cards issued through Urban Trust. The purchase of this interest resulted in a net gain of \$1.1 million, which we recorded in our second quarter 2009 results of operations. Frank J. Hanna, Jr., who is the father of our Chairman and Chief Executive Officer, David G. Hanna, and one of our directors, Frank J. Hanna, III, owns a substantial noncontrolling interest in Urban Trust and serves on its Board of Directors. In December 2006, Urban Trust deposited funds with us to pay for its portion of operating expenses and we deposited funds with Urban Trust that were required to be maintained with Urban Trust as our third-party issuing bank partner. The vast majority of deposits made by Urban Trust was used in 2007 to pay for its portion of operating costs. As of the Record Date, our deposit with Urban Trust decreased to only \$11,200, corresponding to account closures and reduced credit lines impacting Urban Trust cardholders.

Review, Approval or Ratification of Transactions with Related Persons

Under Nasdaq Marketplace Rules, we are required to conduct an appropriate review of all related party transactions for potential conflict of interest situations on an ongoing basis, and all such transactions must be approved by our Audit Committee or another independent body of our Board of Directors. In accordance with our Audit Committee's charter, the Audit Committee must review and approve in advance all related party transactions. For these purposes, a "related party transaction" refers to any transaction that is required to be disclosed pursuant to Item 404 of Regulation S-K.

In addition, all of our employees, officers and directors are required to comply with the CompuCredit Holdings Corporation Code of Ethics. The Code of Ethics addresses, among other things, what actions are required when potential conflicts of interest may arise, including those from related party transactions. Specifically, if an employee, officer or director believes a conflict of interest exists or may arise, he or she is required to disclose immediately the nature and extent of the conflict, or potential conflict, to his or her supervisor, who, along with appropriate officials of CompuCredit, will evaluate the conflict and take the appropriate action, if any, to ensure that our interests are protected. Any transaction between CompuCredit and another party on terms that are reasonably believed to be at least as favorable as the terms that we otherwise could have obtained from an unrelated third party shall not create a conflict of interest or cause a violation of the Code of Ethics, provided that (i) with respect to the directors and any member of senior management, the Audit Committee of the Board was given prior notice of such transaction and (ii) with respect to all other employees, our General Counsel was given prior notice of such transaction. The rules in the Code of Ethics regarding conflicts of interest not only apply to all of our employees, officers and directors, but also to immediate family members and certain business associates of our employees, officers and directors.

There were no transactions that were required to be reported under "Related Party Transactions—Transactions with Related Persons" where the procedures described above did not require review, approval or ratification or where these procedures were not followed.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information regarding the beneficial ownership of our Common Stock as of the Record Date. The information is provided with respect to (1) each person who is known by us to own beneficially more than 5% of the outstanding shares of Common Stock, (2) each of our directors, (3) each of our named executive officers and (4) all of our directors and executive officers, as a group.

Beneficial ownership is determined in accordance with the rules of the SEC, which deem a person to beneficially own any shares the person has or shares voting or dispositive power over and any additional shares obtainable within 60 days through the exercise of options, warrants or other purchase rights. Shares of Common Stock subject to options, warrants or other rights to purchase that are currently exercisable or are exercisable within 60 days of the Record Date (including shares subject to restrictions that lapse within 60 days of the Record Date) are deemed outstanding for purposes of computing the percentage ownership of the person holding such shares, options, warrants or other rights, but are not deemed outstanding for purposes of computing the percentage

ownership of any other person. Unless otherwise indicated, each person possesses sole voting and investment power with respect to the shares identified as beneficially owned. An asterisk indicates beneficial ownership of less than 1% of the Common Stock outstanding.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who beneficially own more than 10% of any class of our equity securities, who collectively we generally refer to as insiders, to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of Common Stock and other equity securities of CompuCredit. Our insiders are required by SEC regulation to furnish us with copies of all

Section 16(a) reports they file. Based solely upon a review of the copies of the forms furnished to us, we believe that during the 2009 fiscal year our insiders complied with all applicable filing requirements, except that K.K. Srinivasan made a single late filing reporting two transactions and Mr. Mattingly made a single late filing reporting one transaction.

Shareholder Proposals

The 2011 Annual Meeting of Shareholders is anticipated to be held in May 2011. Under Rule 14a-8 promulgated by the SEC under the Exchange Act, any proposal that a shareholder intends to be presented at the 2011 Annual Meeting via the proxy statement and form of proxy to be distributed by us in connection with the 2011 Annual Meeting, must be received by the Secretary of CompuCredit at our principal executive offices prior to December 20, 2010. However, if the 2011 Annual Meeting is held on a date more than 30 days before or after May 13, 2011 (the anniversary date of the 2010 Annual Meeting), shareholder proposals for the 2011 Annual Meeting must be submitted a reasonable time before we begin to print and send our proxy materials. Shareholder proposals received after this date will be considered untimely under Rule 14a-8.

If a shareholder desires to bring a matter before the meeting that is not the subject of a proposal meeting the SEC proxy rule requirements for inclusion in the proxy statement, the shareholder must follow procedures outlined in CompuCredit's Amended and Restated Bylaws in order to personally present the proposal at the meeting. One of the procedural requirements is timely notice in writing of the business the shareholder proposes to bring before the meeting. Written notice must be received by the Secretary of CompuCredit no earlier than December 14, 2010 and no later than January 13, 2011. Any proposal brought directly before the 2010 Annual Meeting via a shareholder's written notice will not be included in next year's proxy statement or form of proxy to be distributed by us in connection with the 2011 Annual Meeting. In the event that our 2011 Annual Meeting is called for a date that is not within 60 days before or after May 13, 2011 (the anniversary date of the 2010 Annual Meeting), the written notice must be received not later than the close of business on the tenth day following the earlier of (1) the date on which notice of the annual meeting date was mailed or (2) the date public disclosure of the meeting date was made.

We reserve the right to decline to include in our proxy materials any shareholder's proposal that does not comply with the rules of the SEC for inclusion therein. We will furnish copies of the applicable Bylaw provisions that set forth the requirements for a shareholder's written notice upon written request to the Secretary of CompuCredit at the address listed above.
