OVERVIEW

Crown Equity Holdings Inc. ("Crown Equity") was incorporated in August 1995 in Nevada. The Company is offering its services to companies seeking to become public entities in the United States. It has launched a website, www.crownequityholdings.com, which offers its services in a wide range of fields. The Company provides various consulting services to companies and individuals dealing with corporate structure and operations globally. The Company also provides public relations and news dissemination for publicly and privately held companies.

In December, 2010, the Company formed two wholly owned subsidiaries Crown Tele Services, Inc. and Crown Direct, Inc. Crown Tele Services, Inc. was formed to provide voice over internet ("VoIP") services to clients at a competitive price and Crown Direct, Inc. was formed to provide direct sales to customers. Both entities had minimum sales during the quarter.

In March, 2011, the Company formed a wholly owned subsidiary CRWE Real Estate, Inc. as a subsidiary to engage in potential real estate holdings. The entity had minimal activity during the quarter.

The Company has focused its primary vision to using its network of websites to provide advertising and marketing services, as a worldwide online media advertising publisher, dedicated to the distribution of quality branding information. The Company offers Internet media-driven advertising services, which cover and connect a wide range of marketing specialties, as well as search engine optimization for clients interested in online media awareness. As part of its operations, the Company has utilized the services of software and hardware technicians in developing its websites and adding additional websites. This allows the Company to disseminate news and press releases for its customers as well as general news and financial information on a much bigger scale than it did previously. The Company markets its services to companies seeking market awareness of them and the services or goods that they offer. The Company then publishes information concerning these companies on its many websites. The Company is paid in cash and/or stock of the customer companies. The Company has numerous consulting and service customers and is therefore not dependent on any particular customer for a majority of its revenue.

Crown Equity's office is located at 11226 Pentland Down Street, Las Vegas, NV 89141.

As of March 31, 2015, Crown Equity had no paid employees and was utilizing the services of one independent contractor and consultant.

ITEM 3: QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

As a “smaller reporting company” as defined by Item 12b-2 of the securities exchange act of 1934 (the "exchange act") and are not requires to provide information required under this Item.

ITEM 4: CONTROLS AND PROCEDURES

(a) Evaluation of Disclosure Controls and Procedures

Edgar Filing: Crown Equity Holdings, Inc. - Form 10-Q

Based on their evaluation of our disclosure controls and procedures(as defined in Rule 13a-15e under the Securities Exchange Act of 1934 the "Exchange Act"), our principal executive officer and principal financial officer have concluded that as of the end of the period covered by this quarterly report on Form 10-Q such disclosure controls and procedures were not effective to ensure that information required to be disclosed by us in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission rules and forms because of the identification of material weaknesses in our internal control over financial reporting which we view as an integral part of our disclosure controls and procedures. The material weaknesses relates to the lack of segregation of duties in financial reporting, as our financial reporting and all accounting functions are performed by an external consultant with no oversight by a professional with accounting expertise. Our CEO and CFO also do not possess accounting expertise and our Company does not have an audit committee. This weakness is due to the company's lack of working capital to hire additional staff. To remedy this material weakness, we intend to engage another accountant to assist with financial reporting as soon as our finances will allow.

Changes in Internal Control over Financial Reporting

There have been no changes in our internal control over financial reporting identified in connection with the evaluation required by paragraph (d) of Exchange Act Rules 13a-15 or 15d-15 that occurred during our first quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.
