ITEM 8.01 OTHER EVENTS

Settlement of Securities Class Action

As previously reported in the Quarterly Report on Form 10-Q of Revance Therapeutics, Inc. (the "Company") for the quarter ended March 31, 2017, the related disclosures of which are incorporated by reference herein, on January 6, 2017, the Superior Court for the County of Santa Clara (the "Court") issued an order (the "Order") preliminarily approving the settlement proposed in the stipulation of settlement by and among the plaintiff class and all named defendants in the action, including the Company (the "Settlement"), in the securities class action complaint captioned City of Warren Police and Fire Retirement System, Individually and on Behalf of All Others Similarly Situated v. Revance Therapeutics, Inc., et al, Case No. 15-CV-287794, and directing that notice of the proposed settlement be given to all members of the plaintiff class. The Court scheduled a hearing on May 19, 2017 to, among other things, make a final determination whether the Settlement is fair, reasonable and adequate and should be approved by the Court. Following the hearing on May 19, 2017, the Court issued an order ruling that, while it appeared that the claims process was proceeding as expected, it was not yet complete. The Court therefore postponed its decision regarding final approval of the Settlement to a later hearing, set for July 28, 2017. At the hearing on July 28, 2017, the Court granted final approval of the Settlement and indicated that the judgment dismissing the action with prejudice would be entered forthwith, thereby ending the litigation. This litigation did not have a material adverse effect on the Company's business, results of operations, financial position or cash flows.
