RespireRx Pharmaceuticals Inc. (the "Registrant") was unable, without unreasonable effort or expense, to file its Annual Report on Form 10-K for the period ended December 31, 2017 (the "Annual Report") by the April 2, 2018 filing date applicable to smaller reporting companies due to a delay experienced by the Registrant in completing its financial statements. The Registrant continues to seek responses to certain audit confirmation requests. Additionally, there were medical issues in the family of the Registrant's Chief Financial Officer requiring the attention of the Registrant's Chief Financial Officer that interfered with the Registrant's ability to timely file. As a result, the Registrant is still in the process of compiling and confirming required information to complete the Annual Report and requires additional time to complete the Annual Report. The Registrant intends to file a complete Annual Report as soon as practicable within the extension period of fifteen calendar days provided under Rule 12b-25 of the Securities Exchange Act of 1934, as amended.
