EXPLANATORY NOTE

This Amendment No. 1 on Form 10-K/A (this “Amendment”) amends the Annual Report on Form 10-K for the fiscal year ended December 31, 2018 of BioTime, Inc. (the “Original Filing”), as originally filed with the Securities and Exchange Commission (“SEC”) on March 14, 2019 (the “Original Filing Date”). This Amendment is being filed to amend (i) Part III of the Original Filing to include the information required by Part III of Form 10-K that was previously omitted from the Original Filing in reliance on General Instruction G(3) to Form 10-K because a definitive proxy statement containing such information may not be filed within 120 days after the end of our fiscal year ended December 31, 2018, and (ii) Part IV of the Original Filing to add new certifications pursuant to Section 302 of the Sarbanes-Oxley Act of 2002 as required by Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and in accordance with Rule 13a-14(a) under the Exchange Act.

In addition, we are including the audited financial statements of OncoCyte Corporation (“OncoCyte”) for the year ended December 31, 2018 which were included in OncoCyte’s Annual Report on Form 10-K filed with the SEC on April 1, 2019. As a smaller reporting company, we are required to comply with Article 8 of Regulation S-X, accordingly, the OncoCyte financial statements are not being provided pursuant to Rule 3-09 of Regulation S-X.

Because no financial statements of the registrant have been included in this Amendment and this Amendment does not contain or amend any disclosure with respect to Items 307 and 308 of Regulation S-K, paragraphs 3, 4 and 5 of the new certifications pursuant to Section 302 of the Sarbanes-Oxley Act of 2002 have been omitted. In addition, the reference on the cover of the Original Filing to the incorporation by reference to portions of our definitive proxy statement into Part III of the Original Filing is hereby deleted. This Amendment does not amend, modify, or otherwise update any other information in the Original Filing. Accordingly, this Amendment should be read in conjunction with the Original Filing and with our filings with the SEC subsequent to the filing of the Original Filing. In addition, this Amendment does not reflect events that may have occurred after the Original Filing Date.

ITEM 11. EXECUTIVE COMPENSATION

Overview

The members of the Compensation Committee are Cavan Redmond (Chair), Deborah Andrews and Stephen C. Farrell. The Compensation Committee oversees our compensation and employee benefit plans and practices, including executive compensation arrangements and incentive plans and awards of stock options and other equity-based awards under our Equity Incentive Plan. The Compensation Committee recommends to our Board of Directors the terms and amount of executive compensation and grants of equity-based awards to executives, key employees, consultants, and independent contractors. The Chief Executive Officer may make recommendations to the Compensation Committee concerning executive compensation and performance, but the Compensation Committee makes its own determination or recommendation to our Board of Directors with respect to the amount and components of compensation, including salary, bonus and equity awards to executive officers, generally taking into account factors such as company performance, individual performance, and compensation paid by peer group companies. A copy of the Compensation Committee Charter has been posted on our internet website and can be found at www.biotimeinc.com.

We have engaged Marsh & McLennan to provide compensation consulting services and advice to management and the Compensation Committee, which has generally included market survey information and competitive market trends in employee, executive and directors' compensation programs. Marsh & McLennan has also made recommendations to the Compensation Committee with respect to pay mix components such as salary, bonus and equity awards, and the target market pay percentiles in which executive compensation should fall so BioTime can be competitive in executive hiring and retention.

In reviewing each executive's overall compensation, the Compensation Committee considers an aggregate view of base salary and bonus opportunities, previous stock option grants, and the dollar value of benefits and perquisites. Executive compensation is also influenced by the cost of living in or commuting to the San Francisco Bay Area. These factors have been balanced against our financial position and capital resources.

Named Executive Officers

The table below shows the compensation awarded to, paid to, or earned by: (1) all individuals serving or having served as our principal executive officer or acting in a similar capacity during 2018, regardless of compensation level; and (2) our two most highly compensated executive officers other than our principal executive officers who were serving as an executive officer at the end of 2018. These individuals, who collectively are referred to as our Named Executive Officers, or NEOs, were:

Brian M. Culley, our Chief Executive Officer;

Michael D. West, our former Co-Chief Executive Officer;

Aditya P. Mohanty, our former Co-Chief Executive Officer;

Russell L. Skibsted, our former Chief Financial Officer; and

Stephana E. Patton, our former General Counsel.

Other than Mr. Culley, all of our current executive officers (Ms. Roberts, Dr. Wirth and Dr. Hogge) were appointed to their positions in 2019 and therefore none of them are an NEO for 2018.

Narrative to Summary Compensation Table

Current Executive Officers

Mr. Culley was appointed as Chief Executive Officer on September 17, 2018. The amounts reported for him in the Summary Compensation Table, above, represents compensation paid to or earned by him for his service as an executive officer between September 17, 2018 and December 31, 2018. Mr. Culley's base salary for 2018 was \$530,000. In September 2018, our Board of Directors granted Mr. Culley a stock option to purchase 1,500,000 of our common stock at an exercise price of \$2.31. In connection with the AgeX distribution which occurred in November 2018, all BioTime equity awards issued and outstanding were adjusted to maintain the intrinsic value of those awards immediately prior to and following the AgeX distribution. Accordingly, Mr. Culley's stock option was amended to reflect an option to purchase 1,854,000 of the Company's common shares at an exercise price of \$1.87. In February 2019, our Board of Directors increased Mr. Culley's annual base salary for 2019 to \$535,800 and awarded him a bonus of \$70,000 for his performance during 2018.

Former Executive Officers

In September 2018, we entered into transition agreements with Dr. West and Mr. Mohanty in connection with their resignations as our co-chief executive officers. Pursuant to Dr. West's transition agreement, he was paid a total of \$729,065, his outstanding equity awards vested as of the transition date and he became entitled to exercise such options until their expiration dates. Dr. West also received a payment of \$96,214 for accrued vacation. Pursuant to Mr. Mohanty's transition agreement, he was paid \$152,600 and was entitled to a 2018 bonus in an amount to be determined by our Board of Directors at a later date. In February 2019, our Board of Directors approved a \$200,000 bonus to Mr. Mohanty. Mr. Mohanty's outstanding equity awards will continue to vest for the longer of, 12 months from his date of transition, or for as long as Mr. Mohanty continues to provide services to us, our subsidiaries or affiliates. Mr. Mohanty also received a payment of \$61,212 for accrued vacation and payment for 12 months of COBRA group health insurance premiums.

In February 2019, we entered into a separation agreement with Mr. Skibsted, our former Chief Financial Officer. Pursuant to the separation agreement, Mr. Skibsted received cash severance equal to six months of his annual base salary, a portion of his bonus target amount equal to \$100,000, payment for six months of COBRA group health insurance premiums and accelerated vesting of all outstanding option grants as well as an extension of the exercise period until January 2, 2020.

Employment Agreements and Termination of Employment & Change in Control Arrangements

Brian M. Culley, Chief Executive Officer

In September 2018, we entered into an employment agreement with Mr. Culley. The following is a description of the material terms of that agreement.

Mr. Culley is paid an annual base salary of \$530,000. He is eligible to receive a performance bonus of up to 50% of his base salary based upon the attainment of certain corporate and individual objectives as determined by our Board or its Compensation Committee. He is entitled to reimbursement for certain travel costs to our headquarters, a monthly stipend not to exceed \$3,900 for housing costs near our headquarters, and to the standard benefits available to our employees generally, including health insurance.

We granted Mr. Culley a stock option to purchase 1,500,000 of shares of our common stock with an exercise price per share of \$2.31, which was the closing price of our common stock on September 17, 2018. This grant was approved by the independent members of our Board in reliance on the employment inducement exemption to shareholder approval provided under NYSE American rules. Subject to Mr. Culley's continued service, 25% of the shares subject to the option will vest and become exercisable on the 12 month anniversary of the grant date of September 17, 2018, and the balance of the shares will vest and become exercisable in 36 equal monthly installments at the end of each one-month period thereafter. Mr. Culley was also granted an award of 200,000 restricted stock units ("RSU Award No. 1"). Subject to his continued service, 25% of the shares subject to RSU Award No. 1 will vest on the 12-month anniversary of the grant date of September 17, 2018, and the balance of the shares will vest in 12 equal quarterly installments at the end of each quarter thereafter. Mr. Culley was also granted an award of 100,000 restricted stock units ("RSU Award No. 2" and together with RSU Award No. 1, the "RSU Awards"), which vested in full on January 1, 2019. The RSU Awards are subject to the terms of our 2012 Equity Incentive Plan, as amended. All equity award described in this paragraph do not reflect the adjustments made thereto in connection with the AgeX distribution, which are described below.

On November 28, 2018, in connection with the commencement of the public trading of shares of common stock of AgeX Therapeutics, Inc. "AgeX", we distributed 12.7 million shares of AgeX common stock we owned to our shareholders, on a pro rata basis, in the ratio of one share of AgeX common stock for every 10 shares of our common

stock they owned. In connection with that distribution of AgeX common stock to our shareholders, all our outstanding equity awards were adjusted to maintain the intrinsic value of those awards immediately prior to and following the distribution. Accordingly, the stock option we granted to Mr. Culley described above is now a stock option to purchase 1,854,000 shares of our common stock with an exercise price of \$1.87 per share, and there are 247,200 and 123,600 shares of our common stock subject to RSU Award No. 1 and RSU Award No. 2, respectively.

If Mr. Culley's employment is terminated without cause or he resigns for good reason, then he may be eligible for certain severance payments including the payment of an amount equal to 12 months of his base salary, his full annual bonus amount and the payment of 6 months of health insurance premiums pursuant to our group health insurance plans as provided pursuant to COBRA. If Mr. Culley's employment is terminated without cause or he resigns for good reason within 12 months following a change of control, then he is entitled to the acceleration of all his outstanding equity awards.

Other Benefits

We maintain a defined contribution employee retirement plan for all our employees. Our 401(k) plan is intended to qualify as a tax-qualified plan under Section 401 of the Internal Revenue Code so that contributions to our 401(k) plans, and income earned on such contributions, are not taxable to participants until withdrawn or distributed from the 401(k) plan. We match employee contributions up to 5% of their annual compensation, subject to statutory limits.

We do not have any annuity, pension or deferred compensation plan or other arrangements for our executive officers or any employees.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Related Transactions

Since July 1, 2009, Alfred D. Kingsley has made available to us the use of approximately 900 square feet of office space in New York City. We pay the office building owner \$5,050 per month for the use of the space.

Shared Facilities and Services Agreement with OncoCyte and AgeX

During 2018 and 2017, we invoiced OncoCyte \$1.6 million each year for certain “Use Fees” and other charges under the terms of a Shared Facilities and Services Agreement (the “Shared Facilities Agreement”) between BioTime and OncoCyte. Under the Shared Facilities Agreement, BioTime allows OncoCyte to use BioTime’s premises and equipment located at Alameda, California for the sole purpose of conducting business. BioTime also provides accounting, billing, bookkeeping, payroll, treasury, payment of accounts payable, and other similar administrative services to OncoCyte. BioTime may also provide the services of attorneys, accountants, and other professionals who may also provide professional services to BioTime and its other subsidiaries. BioTime also has provided OncoCyte with the services of laboratory and research personnel, including BioTime employees and contractors, for the performance of research and development work for OncoCyte at the premises.

BioTime charges OncoCyte a “Use Fee” for services provided and usage of BioTime facilities, equipment, and supplies. For each billing period, BioTime prorates and allocates to OncoCyte costs incurred, including costs for services of BioTime employees and use of equipment, insurance, leased space, professional services, software licenses, supplies and utilities. The allocation of costs depends on key cost drivers, including actual documented use, square footage of facilities used, time spent, costs incurred by BioTime for OncoCyte, or upon proportionate usage by BioTime and OncoCyte, as reasonably estimated by BioTime. BioTime, at its discretion, has the right to charge OncoCyte a 5% markup on such allocated costs. In addition to the Use Fees, OncoCyte will reimburse BioTime for any out of pocket costs incurred by BioTime for the purchase of office supplies, laboratory supplies, and other goods and materials and services for the account or use of OncoCyte.

BioTime entered into a similar Shared Facilities Agreement with AgeX in 2018 and we invoiced them \$0.6 million for Use Fees and expenses for that period.

BioTime also had a similar Shared Facilities Agreement with Asterias and during 2017 we invoiced Asterias \$0.1 million for Use Fees and expenses. This Agreement did not extend into 2018.

Our Chairman, Alfred D. Kingsley, and Neal Bradsher, an officer of Broadwood Partners, L.P., were directors of Asterias prior to our acquisition of Asterias on March 8, 2019. All of our directors and executive officers, and beneficial owners of more than 5% of our outstanding common stock (“5% Shareholders”) as reported in this Amendment No. 1 on Form 10-K, in the aggregate beneficially owned approximately 10.2% of the outstanding shares of Asterias common stock as of December 31, 2018, and approximately 10.2% of the outstanding shares of Asterias common stock immediately prior to the acquisition on March 8, 2019.

Mr. Kingsley and Mr. Redmond are directors of OncoCyte. Broadwood beneficially owns more than 10% of the outstanding common stock of OncoCyte, and all of our directors and executive officers and 5% Shareholders as reported in this Amendment No. 1 on Form 10-K, including Mr. Bradsher who may be deemed to beneficially own the shares owned by Broadwood, in the aggregate beneficially own approximately 18.9% of the outstanding shares of OncoCyte common stock as of April 22, 2019. The fact that certain of our executive officers and directors own shares of OncoCyte common stock should not be considered to mean that they constitute or are acting in concert as a “group” with respect to those shares or that they otherwise share power or authority to vote or dispose of the shares that each of them own.

Related Person Transaction Policy

We have adopted a Related Person Transaction Policy that applies to transactions exceeding \$120,000 in which any of our officers, directors, beneficial owners of more than 5% of our common shares, or any member of their immediate family, has a direct or indirect material interest, determined in accordance with the policy (a “Related Person Transaction”). A Related Person Transaction must be reported to our outside legal counsel, our Chief Operating Officer, and our Chief Financial Officer, and will be subject to review and approval by our Audit Committee prior to effectiveness or consummation, to the extent practical. In addition, any Related Person Transaction that is ongoing in nature will be reviewed by the Audit Committee annually to ensure that the transaction has been conducted in accordance with any previous approval and that all required disclosures regarding the transaction are made.

As appropriate for the circumstances, the Audit Committee will review and consider:

the interest of the officer, director, beneficial owner of more than 5% of our common shares, or any member of their immediate family (“Related Person”) in the Related Person Transaction;

the approximate dollar value of the amount involved in the Related Person Transaction;

the approximate dollar value of the amount of the Related Person’s interest in the transaction without regard to the amount of any profit or loss;

whether the transaction was undertaken in the ordinary course of our business;

whether the transaction with the Related Person is proposed to be, or was, entered into on terms no less favorable to us than terms that could have been reached with an unrelated third party;

the purpose of, and the potential benefits to the transaction to us; and

any other information regarding the Related Person Transaction or the Related Person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

The Audit Committee will review all relevant information available to it about a Related Person Transaction. The Audit Committee may approve or ratify the Related Person Transaction only if the Audit Committee determines that, under all of the circumstances, the transaction is in, or is not in conflict with, our best interests. The Audit Committee may, in its sole discretion, impose such conditions as it deems appropriate on us or the Related Person in connection with approval of the Related Person Transaction.

A copy of our Related Person Transaction Policy can be found on our website at www.biotimeinc.com.

Director Independence

Our Board has determined that Deborah Andrews, Don M. Bailey, Neal C. Bradsher, Stephen C. Farrell, Michael H. Mulroy, Cavan Redmond, and Angus C. Russell qualify as “independent” in accordance with Section 803(A) of the NYSE American Company Guide. The members of our Audit Committee meet the additional independence standards under Section 803(B)(2) of the NYSE American Company Guide and Section 10A-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the members of our Compensation Committee meet the additional independence standards under Section 805(c)(1) of the NYSE American Company Guide. Our independent directors received no compensation or remuneration for serving as directors except as disclosed under “Director Compensation” in Item 11. None of these directors, nor any of the members of their families, have participated in any transaction with us that would disqualify them as “independent” directors under the standards described above.

ITEM 14. PRINCIPAL ACCOUNTING FEES AND SERVICES

The following table shows the fees billed by OUM & Co. LLP or OUM, our principal accountant, for the audit of our annual consolidated financial statements for our last two fiscal years and for other services rendered by OUM during our last two fiscal years.

	2018	2017
Audit Fees ⁽¹⁾	\$604,000	\$945,000
Audit Related Fees ⁽²⁾	28,000	40,000
Total Fees	\$632,000	\$985,000

Audit Fees consist of fees billed for professional services rendered for the audit of the consolidated annual financial statements of BioTime and its several subsidiaries included in our Annual Report on Form 10-K, the reviews of the interim consolidated financial statements included in our Quarterly Reports on Form 10-Q, and services that are normally provided by our independent registered public accountants in connection with statutory and regulatory filings or engagements. Fees in the table include amounts of \$92,000 and \$450,000 paid for AgeX by BioTime for 2018 and 2017, respectively. 2017 fees for AgeX included fees paid for its 2016 audit as well as its 2017 audit as it was a newly registered public company in 2018 and was required to have an audited beginning balance sheet for 2017.

Audit-Related Fees consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of BioTime's consolidated financial statements and are not reported under "Audit Fees." This category includes fees related to non-routine SEC filings.

Pre-Approval of Audit and Permissible Non-Audit Services

Our Audit Committee requires pre-approval of all audit and non-audit services. Other than *de minimis* services incidental to audit services, non-audit services shall generally be limited to tax services such as advice and planning and financial due diligence services. All fees for such non-audit services must be approved by the Audit Committee, except to the extent otherwise permitted by applicable SEC regulations. The Committee may delegate to one or more designated members of the Committee the authority to grant pre-approvals, provided such approvals are presented to the Committee at a subsequent meeting.
