PROXY STATEMENT

For
ANNUAL MEETING OF SHAREHOLDERS
To Be Held May 20, 2013

SOLICITATION OF PROXY, REVOCABILITY AND VOTING OF PROXIES

This proxy statement is being furnished to shareholders by the Board of Directors (the “Board”) of First Business Financial Services, Inc. (the “Company”, “we”, “us” and “our”) beginning on or about March 28, 2013 in connection with a solicitation of proxies by the Board for use at the annual meeting of shareholders to be held on Monday, May 20, 2013, at 4:00 P.M., local time, at the Fluno Center for Executive Education at 601 University Avenue, Madison, Wisconsin 53715, and all adjournments or postponements thereof (the “Annual Meeting”) for the purposes set forth in the attached Notice of Annual Meeting of Shareholders.

Execution of a proxy given in response to this solicitation will not affect a shareholder’s right to attend the Annual Meeting and to vote in person. Presence at the Annual Meeting of a shareholder who has signed a proxy does not in itself revoke a proxy. Any shareholder giving a proxy may revoke it at any time before it is exercised by: (i) giving notice thereof to the Company in writing or at the Annual Meeting; (ii) signing another proxy with a later date and returning it to the Company; (iii) timely submitting another proxy via the telephone or Internet, if that is the method you used to submit your original proxy; or (iv) voting in person at the Annual Meeting.

A proxy, in the enclosed form, that is properly executed, duly returned to the Company and not revoked, will be voted in accordance with the instructions contained in the proxy. The shares represented by executed but unmarked proxies will be voted “FOR” the three persons nominated for election as directors referred to in this proxy statement, “FOR” the approval of the non-binding, advisory proposal on the compensation of named executive officers, which is referred to as a “say-on-pay” proposal, for the “EVERY YEAR” alternative on a non-binding, advisory proposal regarding the frequency with which shareholders will vote on such say-on-pay proposals in the future, “FOR” the ratification of the appointment of KPMG LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2013, and on such other business or matters which may properly come before the Annual Meeting in accordance with the best judgment of the persons named as proxies in the enclosed form of proxy. Other than the above proposals, the Board has no knowledge of any matters to be presented for action by the shareholders at the Annual Meeting.

Only holders of record of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), at the close of business on March 20, 2013 are entitled to vote at the Annual Meeting. On that date, the Company had outstanding and entitled to vote 3,918,758 shares of Common Stock, each of which is entitled to one vote.

ITEM 1 – ELECTION OF DIRECTORS

The Company’s Amended and Restated Bylaws provide that the directors shall be divided into three classes, with staggered terms of three years each. At the Annual Meeting, the shareholders will elect three directors to hold office until the 2016 annual meeting of shareholders and until their successors are duly elected and qualified. Unless shareholders otherwise specify, the shares represented by the proxies received will be voted in favor of the election as directors of the three persons named as nominees by the Board herein. The Board has no reason to believe that the listed nominees will be unable or unwilling to serve as directors if elected. However, in the event that any nominee should be unable to serve or for good cause will not serve, the shares represented by proxies received will be voted for another nominee selected by the Board. Each director will be elected by a plurality of the votes cast at the Annual Meeting (assuming a quorum is present). Consequently, any shares not

voted at the Annual Meeting, whether due to abstentions, broker non-votes or otherwise, will have no impact on the election of the directors. Votes will be tabulated by an inspector of elections appointed by the Board.

The following sets forth certain information, as of January 16, 2013, about the Board's nominees for election at the Annual Meeting and each director of the Company whose term will continue after the Annual Meeting.

None of the above named directors or director nominees was a party to any Securities and Exchange Commission (the "SEC") enforcement actions or any legal proceedings that are material to an evaluation of their ability or integrity in the past ten years.

CORPORATE GOVERNANCE PRINCIPLES AND PRACTICES

Independent Directors and Meeting Attendance

Of the nine directors currently serving on the Board, the Board has determined that Mark D. Bugher, Jan A. Eddy, John J. Harris, Gerald L. Kilcoyne, John M. Silseth, Barbara H. Stephens and Dean W. Voeks are "independent directors" for purposes of NASDAQ Listing Rule 5605(a)(2).

Directors are expected to attend the Company's annual meeting of shareholders each year. All directors who were directors at the time of the Company's 2012 annual meeting attended the meeting with the exception of Ms. Eddy. The Board held eight meetings in 2012. All of the directors who were directors in 2012 attended at least 75% of the aggregate of (1) the total number of meetings of the Board during the period in which the director served and (2) the total number of meetings held by all committees of the Board on which such director served during the period in which the director served.

Board Leadership Structure

The roles of Chair of the Board and Chief Executive Officer are held separately. Mr. Smith serves as Chair, and Mr. Chambas serves as Chief Executive Officer. The Board believes that at this time, separation of these roles is in the best interests of the Company and its shareholders because separation:

- allows for additional talents, perspectives and skills on the Board;
- preserves the distinction between the Chief Executive Officer's leadership of management and the Chair's leadership of the Board;
- promotes a balance of power and an avoidance of conflict of interest;
- provides an effective channel for the Board to express its views on management; and
- allows the Chief Executive Officer to focus on leading the Company and the Chair to focus on leading the Board, monitoring corporate governance and shareholder issues.

Since Mr. Smith is the Company's former Chief Executive Officer, this separation also provides the Company with the benefit of a Chair who fully understands the risks, issues and opportunities relating to the Company and the financial services industry.

Committees

The Board has a standing Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee. Each of these committees has the responsibilities set forth in formal written charters adopted by the Board. Copies of these charters are available free of charge on the Company's website located at www.firstbusiness.com.

The Audit Committee's primary function is to assist the Board in fulfilling its oversight responsibilities by overseeing the Company's accounting and financial reporting processes and the audits of the financial statements of the Company. The Audit Committee presently consists of Dean W. Voeks (Chair), John J. Harris, Gerald L. Kilcoyne and John M. Silseth, each of whom meets the requirements set forth in NASDAQ Listing Rule 5605(c)(2)(A). The Board has thus determined that each of the Audit Committee's current members is qualified to serve in such capacity. The Board has determined that John M. Silseth qualifies as an "audit committee financial expert," for purposes of Regulation S-K, Item 407(d)(5)(ii) and has the financial sophistication required by NASDAQ Listing Rule 5605(c)(2)(A) because he has the requisite attributes through his education and prior experience. The Audit Committee held five meetings in 2012.

The Compensation Committee reviews and recommends to the Board the compensation structure for the Company's directors and executive officers, including salary rates, participation in incentive compensation and benefit plans, fringe benefits, non-cash perquisites and other forms of compensation, and administers the Company's equity incentive plans. Barbara H. Stephens (Chair), Mark D. Bugher, Jan A. Eddy and Gerald L. Kilcoyne are the current members of the Compensation Committee, each of whom is considered to be "independent" according to NASDAQ Listing Rule 5605(a)(2), an "outside" director for purposes of Section 162(m) of the Internal Revenue Code and a "Non-Employee Director" as defined in SEC Rule 16b-3. The Compensation Committee held four meetings in 2012.

The Corporate Governance and Nominating Committee's primary functions are to recommend persons to be selected by the Board as nominees for election as directors, recommend persons to be elected to fill any vacancies on the Board, lead the Board in its annual review of Board performance and develop and recommend to the Board corporate governance principles, policies and procedures. The Corporate Governance and Nominating Committee consists of Jan A. Eddy (Chair), Mark D. Bugher, John M. Silseth and Dean W. Voeks. Each of these directors is considered to be "independent" according to NASDAQ Listing Rule 5605(a)(2). The Corporate Governance and Nominating Committee held four meetings in 2012.

Nominations of Directors

In making recommendations to the Company's Board with respect to nominees to serve as directors, the Corporate Governance and Nominating Committee will examine each director nominee on a case-by-case basis regardless of who recommended the nominee and take into account all factors it considers appropriate, which may include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen and industry knowledge. While the Company does not have a separate diversity policy, in evaluating director nominees, the Board, with the assistance of the Corporate Governance and Nominating Committee, considers diversity of viewpoint, backgrounds, technical skills, industry knowledge and experience and local or community ties to ensure a balanced, diverse Board, with each director contributing talents, skills and experiences needed for the Board as a whole. The Board also believes the following minimum qualifications must be met by a director nominee to be recommended by the Corporate Governance and Nominating Committee:

• High personal and professional ethics, integrity and values.

• The ability to exercise sound business judgment.

• Accomplished in his or her respective field as an active or former executive officer of a public or private organization, with broad experience at the administrative and/or policy-making level in business, government, education, technology or public interest.

• Relevant expertise and experience and the ability to offer advice and guidance based on that expertise and experience.
• Independence from any particular constituency, the ability to represent all shareholders of the Company and a
• commitment to enhancing long-term shareholder value.

• Sufficient time available to devote to activities of the Board and to enhance his or her knowledge of the Company's
• business.

The Corporate Governance and Nominating Committee will consider persons recommended by shareholders to become nominees for election as directors. Recommendations for consideration by the Corporate Governance and Nominating Committee should be sent to the Corporate Secretary of the Company in writing together with appropriate biographical information concerning each proposed nominee. The Company's Amended and Restated Bylaws also set forth certain requirements for shareholders wishing to nominate director candidates directly for consideration by the shareholders. With respect to an election of directors to be held at an annual meeting, a shareholder must, among other things, give notice of an intent to make such a nomination to the Corporate Secretary of the Company not less than 60 days or more than 90 days prior to the date of the previous year's annual meeting (subject to certain exceptions if the annual meeting is advanced or delayed a certain number of days.)

Board Role in Risk Oversight

The Board, acting as a whole and through its committees, is responsible for oversight of the Company's enterprise wide risk management including strategic risk, financial reporting risk, credit risk, liquidity risk, compensation risk and operational risk. Given the critical link between strategy and risk, the Board is also responsible for developing strategies based on an assessment of the Company's overall risk tolerance, the related opportunities and the capacity to manage the resulting risk. The Board may delegate the responsibility for identifying, analyzing and managing risk to the appropriate committees of the Board in accordance with the committee charters. The committees report back to the Board with recommendations and updates. The committee charters are reviewed annually to reflect the changing risk environment. To best coordinate the management of shared risk issues, committees work together and share common membership. Members of management responsible for day to day risk management report to the Board and/or to the appropriate committees at Board direction.

Communications with the Board of Directors

Shareholders may communicate with the Board by writing to First Business Financial Services, Inc., Board of Directors (or, at the shareholder's option, to a specific director), c/o Barbara M. Conley, SVP, General Counsel and Corporate Secretary, 401 Charmany Drive, Madison, Wisconsin 53719. The Corporate Secretary will ensure that the communication is delivered to the Board or the specified director, as the case may be.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter, the Audit Committee oversees the Company's financial reporting process on behalf of the Board. The Company's management, under the supervision of the Chief Executive Officer and Chief Financial Officer, is responsible for the financial statements, for maintaining effective internal control over financial reporting, and for assessing the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements in the Annual Report on Form 10-K with Company management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the consolidated financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, which firm is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by the standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"), including PCAOB AU Section 380, Communication With Audit Committees, the rules of the SEC, and other applicable regulations. In addition, the Audit Committee has discussed with the independent registered public accounting firm the firm's independence from Company management and the Company, including the matters in the letter from the firm required by PCAOB Rule 3526, Communication with Audit Committees Concerning Independence, and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

The Audit Committee also reviewed and discussed together with management and the independent registered public accounting firm the Company's audited consolidated financial statements for the year ended December 31, 2012 and the results of management's assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's audit of internal control over financial reporting as required by Section 112 of the FDIC Improvement Act of 1991 and the rules and regulations promulgated thereunder. The Audit Committee discussed with management and the independent registered public accounting firm any material weaknesses and any significant deficiencies identified during the course of the assessment and the audit and management's plan to remediate those control deficiencies.

The Audit Committee discussed with the Company's internal auditors and independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the internal audit firm and the independent registered public accounting firm, with and without management present, to discuss the results of their examinations; their evaluations of the Company's internal control, including internal control over financial reporting; and the overall quality of the Company's financial reporting.

EXECUTIVE COMPENSATION

The Company maintains a comprehensive compensation program that is designed to attract and retain key employees, motivate the key employees to achieve strategic objectives and reward key employees for superior performance. Our compensation programs support a pay for performance culture. The success of the Company and its executives is measured by the financial success of our shareholders. Our compensation plans are designed to preserve and grow book value, support sound business practices and credit quality, and maintain and increase shareholder value.

The Compensation Committee has overall responsibility for evaluating the compensation plans, policies and programs relating to the executive officers of the Company. The Company's Chief Executive Officer conducts annual performance reviews for the executive officers, and the Compensation Committee considers the Chief Executive Officer's assessment of each executive officer's individual performance and his salary recommendations for the other executive officers in determining executive officer compensation. The Compensation Committee evaluates the Chief Executive Officer's performance and establishes his compensation. The Chief Executive Officer does not participate in Compensation Committee discussions or decisions relating to his compensation.

The Compensation Committee has the authority to retain inside advisors and has sole authority to retain and pay outside advisors. In 2012, the Compensation Committee continued to work with Pearl Meyer & Partners ("PM&P"), one of the country's largest independent compensation consulting firms addressing executive and director compensation, on a variety of executive compensation matters. The Compensation Committee has reviewed and considered information provided to it by PM&P, the Compensation Committee members and the Company's executive officers, and based on its review and such factors as it deemed relevant, the Compensation Committee has concluded that the advice it receives from PM&P is objective and that PM&P's work did not raise any conflict of interest.

With respect to the Named Executive Officers, the compensation program includes the following: salary, annual cash incentive bonus, long-term incentive compensation (which is delivered primarily through equity awards) and other benefits and perquisites. The compensation program is administered by the Compensation Committee.

Compensation Philosophy

In accordance with its written charter, the Compensation Committee carries out its responsibilities as authorized by the Board with respect to the compensation of the Company's executive officers. The Compensation Committee makes compensation decisions for the Company's executive officers based on the Company's compensation philosophy and the following guiding principles:

Base salaries are determined with consideration to a number of factors including the positions' roles and responsibilities, competitive market data for similar positions and pay levels for peer positions within the Company.

A significant portion of our executive officers' compensation is directly and materially linked to operating performance. In particular, annual cash incentive bonus payments are heavily dependent on meeting or exceeding Company performance goals as well as objective and subjective criteria related to the executive officers' areas of responsibility.

The Company's equity incentive plans are an important component of executive officer compensation. The plans are intended to advance the interest of the Company and its shareholders by encouraging executive officers and other key employees to own Company stock. Through equity grants, the long-range interests of executive officers and other key employees are linked with those of shareholders as they accumulate meaningful stakes in the Company.

In general, the Company only provides perquisites to executive officers if there is a meaningful benefit to the Company in doing so.

Assessment of Compensation Risk

The Compensation Committee believes that a sensible approach to balancing risk-taking and rewarding the achievement of reasonable, but not necessarily easily attainable, goals is a key component of its overall assessment of the compensation plans, programs and arrangements it has put in place for the Company's Named Executive Officers and all employees. As a publicly-traded financial institution, the Company must contend with several often overlapping layers of regulations when considering and implementing compensation-related decisions. These regulations do not set specific parameters within which compensation decisions must be made, but do require the Company and the Compensation Committee to be mindful of the risks that often go hand-in-hand with compensation programs designed to incentivize the achievement of better than average performance. While the regulatory focus on risk assessment has been heightened over the last several years, the incorporation of general concepts of risk assessment in our compensation decisions is not a recent development.

The Compensation Committee annually reviews the Company's compensation plans and has made all reasonable efforts to ensure that these plans do not encourage the Named Executive Officers or employees to take unnecessary and excessive risks or risks that would adversely affect the Company's performance or long-term value.

Conclusion

Through the leadership of the Company's executive management team we were able to achieve the following in 2012:

• Successfully closed a public offering of \$29.1 million in common equity.

• Achieved record net income of \$8.9 million, up 6% from the prior year.

• Reached record core earnings of \$18.5 million, up 12% from the prior year.¹

• Achieved return on average assets of 0.75% and return on average equity of 12.65%.

• Reported record average in-market deposits of \$649 million, up 25% from the prior year.

• Decreased non-performing assets by \$8.3 million, or 35%, over the prior year.

After considering all components of the compensation paid to the Named Executive Officers and the accomplishments described above, the Compensation Committee and the Board believe 2012 was a success for the Company; the Company's achievement of financial results relative to the broader financial services industry is noteworthy and the Named Executive Officer compensation appropriately reflects the Company's compensation philosophy and aligns with the Company's success in meeting its strategic, operating and financial goals.

¹Core earnings is a non-GAAP financial measure comprised of pre-tax income plus provision for loan and leases losses, other identifiable costs of credit and other discrete items that are unrelated to the Company's core business activities. The presentation of core earnings provides for an assessment of the growth of the Company's core business without the volatility that is associated with costs of credit and other discrete items that are unrelated to its core business. A reconciliation of core earnings to net income before taxes, the most directly comparable GAAP financial measure, can be found on page 32 of the Company's Annual Report on Form 10-K, filed with the SEC on March 8, 2013.

SUMMARY COMPENSATION TABLE

The following table sets forth for each of the Named Executive Officers: (1) the dollar value of base salary during the years ended December 31, 2011 and 2012; (2) the dollar value of the compensation cost of all outstanding stock awards recognized over the requisite service period, computed in accordance with FASB Accounting Standards Codification (ASC) Topic 718 (without reduction for estimated forfeitures); (3) the dollar value of earnings for services pursuant to awards granted during these years under non-equity incentive plans; (4) all other compensation for these years; and (5) the dollar value of total compensation for these years. 1) The value of the restricted stock award is computed by multiplying the number of shares granted by the market value on the grant date. See "Outstanding Equity Awards at December 31, 2012."

2) The amounts reported in the "Non-equity incentive plan compensation" column were calculated under the Annual Incentive Bonus Program in the calendar year reported. The Board defined specific threshold, target, and superior award opportunities as a percentage of salary for each named executive officer. The specific percentages were based on the individual executive's position and competitive market data for similar positions. The 2012 awards were contingent primarily on performance relative to goals for return on assets, core earnings growth, and core deposit growth. The performance criteria were equally weighted and reflect the Company's strategic objectives.

3) The Company provided a 3.0% 401(k) match and a 5.0% discretionary 401(k) profit sharing contribution in 2012 for each of the Named Executive Officers as follows: Mr. Chambas, \$7,500 and \$12,500; Mr. Losenegger, \$7,500 and \$12,500; and Mr. Meloy, \$7,264 and \$12,107. Mr. Chambas and Mr. Losenegger have the use of vehicles owned by the Company. The other compensation listed is the value of their personal mileage, included as a "taxable fringe" on their respective W-2's. Mr. Meloy receives a \$350 per month automobile allowance.

LONG TERM INCENTIVE PLANS

2012 Equity Incentive Plan

The Company adopted the 2012 Equity Incentive Plan (“Plan”) during the quarter ended June 30, 2012. The Plan was established to advance the interests of our shareholders by enhancing the Company’s ability to attract, retain and motivate persons who make or are expected to make important contributions to the Company by providing such persons with equity ownership opportunities and equity-based incentives, thereby aligning the interests of such persons with those of our shareholders. The Plan is administered by the Compensation Committee of the Board and provides for the grant of equity ownership opportunities through incentive stock options and nonqualified stock options, restricted stock, restricted stock units, dividend equivalent units, and any other type of award permitted by the Plan. Shares previously available for grant under the 2006 Equity Incentive Plan were transferred to the Plan. As of December 31, 2012, 218,115 shares were available for future grants under the Plan.

401(k) Retirement Savings Plan

A “tax-qualified” Section 401(k) plan has been adopted by the Board of the Company. All employees who are 21 years old or older and who are projected to work over 1000 hours per year are eligible to begin salary deferrals on the first day of the month following 90 days of employment. Employees may annually contribute the maximum allowed by the Internal Revenue Code. The Company provides a discretionary matching contribution of up to 3.0% of the employee's gross wages. To qualify for the employer match, employees must work over 1000 hours in their first anniversary year, have continuous employment during the year and attain at least age 21. The Company, in its sole discretion, can contribute an additional profit sharing contribution, based on Company performance. Employees are eligible to receive a profit sharing contribution after one year of employment. Employees must be employed on the last day of the plan year and have worked 1000 hours during the plan year to receive the discretionary contribution.

DISCLOSURE REGARDING TERMINATION AND CHANGE IN CONTROL PROVISIONS

Corey A. Chambas

Effective January 1, 2005, First Business Bank amended and restated an agreement with Corey Chambas, President and Chief Executive Officer of the Company and former President and Chief Executive Officer of First Business Bank. The agreement provides Mr. Chambas with retirement and death benefits as well as certain change in control benefits as outlined below. For purposes of the definition of "Company" under certain provisions of this agreement, Company means First Business Financial Services, Inc. or First Business Bank.

Mr. Chambas is entitled to a change in control benefit if, within two years after the change in control, one of the following occurs:

- i) the Company terminates Mr. Chambas' employment without cause;
- ii) Mr. Chambas terminates his employment within three months after being demoted or moved outside Milwaukee, Ozaukee, Waukesha, or Dane counties;
- iii) Mr. Chambas terminates his employment within three months after his salary is reduced by 10% or more without his agreement; or
- iv) Mr. Chambas voluntarily terminates his employment within three months of the change in control.

If Mr. Chambas' employment is terminated pursuant to (i), (ii), or (iii), then the amount of the change in control benefit payable to Mr. Chambas will be equal to the aggregate of the fair value of Mr. Chambas' unvested restricted shares issued by the Company, which will be immediately vested, calculated as of the date of his termination or separation from employment, plus such additional amount as will, when added to any parachute payment, as defined in Section 280G of the Internal Revenue Code, made to Mr. Chambas contingent upon the change in control, be equal to 2.99 times his salary (referred to as the "allowable amount"). In the event the amount is greater than the allowable amount, Mr. Chambas will be paid the lesser amount. If Mr. Chambas' employment is terminated pursuant to (iv), then the change in control benefit payable to Mr. Chambas will be equal to two times his salary, unless such amount will be greater than the allowable amount, in which event Mr. Chambas will be paid the allowable amount.

Under the agreement, Mr. Chambas is prohibited from competing with the Company or any of its affiliates for a period of two years after the termination of his employment.

A "change in control" of the Company will be deemed to have occurred if: (i) any person becomes the beneficial owner of securities of the Company representing at least fifty percent of the combined voting power of the Company's then outstanding securities; (ii) during any twelve consecutive months, individuals who, at the beginning of the twelve month period constitute the Board of the Company, cease for any reason to constitute a majority of the Board of the Company; provided, however, a change in control shall not occur pursuant to this provision, if a new director is approved by a vote of at least a majority of the directors serving on the Board of the Company, and these directors either were directors at the beginning of the twelve month period or whose election or nomination for election was so approved; or (iii) the shareholders of the Company approve: (A) a plan of complete liquidation of the Company; (B) an agreement for the sale or disposition of all or substantially all of the Company's assets; or (C) a merger, consolidation, or reorganization of the Company with or involving any other corporation, other than a merger, consolidation, or reorganization that would result in the voting securities of the Company outstanding prior thereto continuing to represent at least fifty percent of the combined voting power of the voting securities of the Company (or such surviving entity) outstanding immediately after or within one year following such merger, consolidation, or reorganization.

The following table describes the potential payments upon termination or a change in control for Mr. Chambas. The table assumes that his employment was terminated on December 31, 2012, and the price per share was \$22.95, the closing price of the Company's Common Stock on December 31, 2012.

Corey A. Chambas

Total	0	860,225	1,819,120	319,120	730,418

The total benefit to Mr. Chambas excludes the value received through the acceleration of unvested restricted stock 1) because the value is transferred upon the occurrence of a change in control and is not contingent upon a separation from the Company.

Mr. Chambas' other potential benefits do not become vested either partially or completely until December 1, 2016.

The agreement also provides that, in the event Mr. Chambas dies while in the employ of the Company, the Company shall pay to his designated beneficiary or to his estate, the sum of \$1,500,000. This supplemental retirement benefit as described above is paid over a period of ten years beginning on the 15th day of the month immediately following Mr. Chambas' death. Under normal circumstances, the death benefit is paid in lieu of, rather than in addition to the retirement benefit. If, however, the amount of normal or early retirement benefit Mr. Chambas would be entitled to on the day of his death exceeds the amount of the death benefit, then the retirement benefit shall be paid as a replacement for the death benefit.

If Mr. Chambas is terminated for a reason other than cause prior to a change in control or more than two years after a change in control, then he will be entitled to a severance benefit equal to the greater of two times his salary (defined above) or the amount of any early or normal retirement benefit. If Mr. Chambas is terminated for cause, all of the Company's obligations to pay any benefit under the agreement shall immediately become null and void.

"Cause" shall be determined by the Board of the Company, in the exercise of good faith and reasonable judgment, and shall generally mean any of the following:

- i) the willful, intentional, and continued failure by Mr. Chambas to substantially perform his duties to the best of his ability after a written demand for performance is delivered by the Board of the Company to Mr. Chambas that

- identifies the failure to perform such duties if such failure is not remedied within ninety calendar days after receipt of the written demand by Mr. Chambas; or
- ii) the occurrence of Mr. Chambas' conviction for committing an act of fraud, embezzlement, theft or other act constituting a felony substantially related to the circumstances of his duties; or material breach by Mr. Chambas of the banking laws of Wisconsin or the United State or any regulation issued by a state or federal regulatory authority having jurisdiction over the banking affairs of FBB, or any of its subsidiaries, parent or affiliated organizations; or an act that disqualifies Mr. Chambas from serving as an officer or director of a bank under Wisconsin or federal banking laws.

ITEM 2 – NON-BINDING ADVISORY PROPOSAL ON EXECUTIVE COMPENSATION

Section 14A of the Exchange Act, as created by Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), and the rules and regulations promulgated thereunder by the SEC, require publicly traded companies, such as the Company, to conduct a separate shareholder advisory vote to approve the compensation of the registrant’s executive officers, as disclosed pursuant to the SEC’s compensation disclosure rules, commonly referred to as a “say-on-pay” vote. In accordance with these requirements, we are providing shareholders with an advisory vote on the compensation of our Named Executive Officers.

The overall objectives of the Company’s compensation programs have been to align executive officer compensation with the success of meeting annual and long-range strategic operating and financial goals. The Compensation Committee and our Board believe that the Company’s policies and procedures are effective in implementing our compensation philosophy and achieving our goals, and that the compensation of our Named Executive Officers in 2012 reflects and supports these compensation policies and procedures.

In accordance with the requirements of the Dodd-Frank Act and the rules and regulations promulgated thereunder, the following resolution is submitted for shareholder approval:

“RESOLVED, that First Business Financial Services, Inc.’s shareholders approve, on an advisory basis, the compensation of the Company’s Named Executive Officers, as described in the Company’s proxy statement dated March 28, 2013.”

Approval of this resolution requires that the number of votes cast in favor of the resolution at the Annual Meeting exceed the number of votes cast against it. While this say-on-pay vote is required, as provided in Section 14A of the Exchange Act, it is not binding on the Compensation Committee or our Board and may not be construed as overruling any decision by the Compensation Committee or our Board. However, the Compensation Committee will take into account the outcome of the vote when considering future compensation arrangements. Abstentions and broker non-votes will not affect the voting results for this proposal.

THE BOARD RECOMMENDS SHAREHOLDERS VOTE TO APPROVE THE OVERALL COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DESCRIBED IN THIS PROXY STATEMENT, BY VOTING “FOR” THIS PROPOSAL. SHARES OF COMMON STOCK REPRESENTED BY EXECUTED BUT UNMARKED PROXIES WILL BE VOTED “FOR” THIS PROPOSAL.

ITEM 3 – NON-BINDING ADVISORY VOTE ON FREQUENCY OF SHAREHOLDER VOTES ON EXECUTIVE COMPENSATION

Section 14A of the Exchange Act, as created by Section 951 of the Dodd-Frank Act, and the rules and regulations promulgated thereunder require publicly traded companies, such as the Company, to provide a separate shareholder vote on the frequency with which shareholders shall conduct an advisory say-on-pay vote on executive compensation, such as the proposal above. In accordance with these requirements, we are providing shareholders with an advisory vote on the frequency with which our shareholders will vote on a say-on-pay proposal.

The advisory vote on the frequency of say-on-pay votes is a non-binding vote as to how often say-on-pay votes should occur: every year, every two years, or every three years. In addition to those choices, shareholders may also abstain from voting. Section 14A of the Exchange Act requires us to hold an advisory vote on the frequency of say-on-pay votes at least once every six years.

After careful consideration, our Board recommends that future shareholder say-on-pay votes be conducted annually. The Board values and encourages constructive input from our shareholders regarding the Company's compensation philosophy, policies and practices, and believes it is important that such policies and practices are aligned with the best interests of our shareholders. An annual say-on-pay vote will provide the Board and Compensation Committee with useful information on shareholder sentiment about these important matters on the most frequent and consistent basis.

Although the Board recommends a say-on-pay vote every year, shareholders are not voting to approve or disapprove the Board's recommendation. Rather, shareholders are being asked to vote on the following resolution:

“RESOLVED, that the shareholders of First Business Financial Services, Inc. determine, on an advisory basis, that the frequency with which the shareholders shall have an advisory vote on executive compensation set forth in the Company's proxy statement for its annual meeting of shareholders, beginning with the 2013 Annual Meeting of Shareholders, is (i) every year, (ii) every two years, or (iii) every three years.”

The choice which receives the highest number of votes will be deemed the choice of the shareholders. While this advisory vote is required, as provided in Section 14A of the Exchange Act, it is not binding on our Compensation Committee or Board of Directors and may not be construed as overruling any decision by the Compensation Committee or the Board. However, the Compensation Committee will take into account the outcome of the vote when determining the frequency of future say-on-pay votes. Abstentions and broker non-votes will not affect the voting results for this proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE “EVERY YEAR” FREQUENCY ALTERNATIVE. SHARES OF COMMON STOCK REPRESENTED BY EXECUTED BUT UNMARKED PROXIES WILL BE VOTED FOR THE “EVERY YEAR” FREQUENCY ALTERNATIVE.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company’s directors, executive officers and holders of 10% or more of the outstanding Common Stock to file reports concerning their ownership of Company equity securities with the SEC. Based solely upon a review of such reports, the Company believes that during the fiscal year ended December 31, 2012, all of its directors and executive officers complied with the Section 16(a) filing requirements except that one de minimis recurring stock purchase as part of a stock purchase plan was filed late on a Form 4 for Mark D. Bugher and one purchase was filed late on a Form 4 for Joan A. Burke.

RELATED PARTY TRANSACTIONS

Under its written charter, the Audit Committee is responsible for reviewing related party transactions and potential conflicts of interest. The Audit Committee is also responsible for reviewing, on an annual basis, a report prepared by management summarizing the Company’s compliance with the Federal Reserve System’s Regulation O and the FR Y-6 Report filed with the Federal Reserve Bank. The Company’s executive officers and directors and their associates have been, and the Company anticipates that they will continue to be, clients of the Company’s subsidiary banks, First Business Bank and First Business Bank-Milwaukee (the “Banks”) in the ordinary course of business, which includes maintaining deposit, trust and other fiduciary accounts and obtaining loans. The Banks have granted various types of loans to the Company’s executive officers and directors, and to entities controlled by them. As of December 31, 2012, such loans: (i) were made consistent with similar practices in the banking industry generally; (ii) were made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the Bank’s other clients; (iii) did not involve more than the normal risk of collectability or present other unfavorable features; (iv) and were subject to and made in accordance with the Federal Reserve System’s Regulation O. All extensions of credit made to the Company’s directors are approved by the Banks’ boards of directors as insider loans under Regulation O requirements.

MISCELLANEOUS

Independent Registered Public Accounting Firm

KPMG LLP acted as the Company’s independent registered public accounting firm for its fiscal year ended December 31, 2012. The Audit Committee is solely responsible for the selection, retention, oversight and, when appropriate, termination of the Company’s independent registered public accounting firm. Representatives of KPMG LLP are expected to be present at the Annual Meeting with the opportunity to make a statement if they so desire. Such representatives are also expected to be available to respond to appropriate questions.

The fees to KPMG LLP for the fiscal years ended December 31, 2012 and 2011 were as follows:

	2,012	2,011
Audit Fees ⁽¹⁾	\$363,188	\$163,700
Audit-Related Fees.....	--	--
Tax Fees.....	--	--
All Other Fees.....	--	--
Total.....	\$363,188	\$163,700

Audit fees consist of fees incurred in connection with the audit of annual financial statements, the review of interim financial statements included in the quarterly reports on Form 10-Q, the issuance of consents, the issuance of (1) comfort letters, assistance with and review of documents filed with the SEC and reports on internal controls. The primary reason for the increase is due to the service provided for, and in relation to, the Company’s equity offering completed in December 2012.

Audit Committee Pre-Approval Policy

The Audit Committee has established pre-approval policies and procedures with respect to audit and permitted non-audit services to be provided by its independent registered public accounting firm. Pursuant to these policies and procedures, the Audit Committee may form, and delegate authority to, subcommittees consisting of one or more members when appropriate to grant such pre-approvals, provided that decisions of such subcommittee to grant pre-approvals are presented to the Audit Committee at its next scheduled meeting. The Audit Committee's pre-approval policies do not permit the delegation of the Audit Committee's responsibilities to management. During 2012, approximately \$1,500 of fees to the independent registered public accounting firm were approved pursuant to the de minimis exception under the SEC's rules, representing 0.4% of the amount paid by the Company to KPMG LLP.

ITEM 4 – RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected KPMG LLP as the Company's independent registered public accounting firm for the year ending December 31, 2013. Although not required to be submitted to a shareholder vote, the Board believes it appropriate to obtain shareholder ratification of the Audit Committee's action in appointing KPMG LLP as the Company's independent registered public accounting firm. Should such appointment not be ratified by the shareholders, the Audit Committee will reconsider the matter. The Audit Committee expects that the Board will ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm at their first meeting after the Annual Meeting. Unless shareholders otherwise specify, the shares represented by the proxies received will be voted "FOR" the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm. The affirmative vote of a majority of the votes cast in person or by proxy at the Annual Meeting will be required to ratify the appointment of KPMG LLP as the Company's independent registered public accounting firm. Abstentions and broker non-votes will not affect the voting results for this proposal.

THE BOARD RECOMMENDS THE RATIFICATION OF THE AUDIT COMMITTEE'S APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2013 AND THAT EACH SHAREHOLDER VOTE "FOR" SUCH RATIFICATION. SHARES OF COMMON STOCK REPRESENTED BY EXECUTED BUT UNMARKED PROXIES WILL BE VOTED "FOR" THE RATIFICATION OF THE AUDIT COMMITTEE'S APPOINTMENT OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

OTHER MATTERS

Shareholder Proposals

Proposals that shareholders of the Company intend to include in the Company's proxy statement for the 2014 annual meeting and present at the 2014 annual meeting pursuant to SEC Rule 14a-8 must be received by the Company by the close of business on November 29, 2013. In addition, a shareholder who otherwise intends to present business at the 2014 annual meeting (including nominating persons for election as directors) must comply with the requirements set forth in the Company's Amended and Restated Bylaws. Among other things, to bring business before an annual meeting, a shareholder must give written notice thereof, complying with the Amended and Restated Bylaws, to the Corporate Secretary of the Company not less than 60 days and not more than 90 days prior to the anniversary date of the previous year's annual meeting (subject to certain exceptions if the annual meeting is advanced or delayed a certain number of days). Under the Amended and Restated Bylaws, if the Company does not receive notice of a shareholder proposal submitted otherwise than pursuant to Rule 14a-8 (i.e., proposals shareholders intend to present at the 2014 annual meeting but do not intend to include in the Company's proxy statement for such meeting) after February 19, 2014 and before March 21, 2014, then the notice will be considered untimely and the Company will not be required to present such proposal at the 2014 annual meeting. If the Board chooses to present such proposal at the 2014 annual meeting, then the persons named in

proxies solicited by the Board for the 2014 annual meeting may exercise discretionary voting power with respect to such proposal.

Other Matters

The cost of soliciting proxies will be borne by the Company. In addition to soliciting proxies by mail, proxies may be solicited personally and by telephone by certain directors, officers and employees of the Company, who will receive no extra compensation for their services. The Company will reimburse brokers and other nominees for their reasonable expenses in communicating with the persons for whom they hold Common Stock.

Pursuant to the rules of the SEC, services that deliver the Company's communications to shareholders that hold stock through a bank, broker or other holder of record may deliver to multiple shareholders sharing the same address a single copy of the Company's annual report to shareholders and proxy statement. Upon written or oral request, the Company will promptly deliver a separate copy of the annual report to shareholders and/or proxy statement to any shareholder at a shared address to which a single copy of each document was delivered. Similarly, if shareholders sharing an address wish to receive a single copy of future notices, proxy statements or annual reports, the Company will comply upon receipt of such request. Shareholders may notify the Company of their requests by writing Barbara M. Conley, SVP, General Counsel and Corporate Secretary, First Business Financial Services, Inc., 401 Charmany Drive, Madison, Wisconsin 53719 or calling her at 608-238-8008.
