- These securities are restricted stock units, each representing a contingent right to receive one share of common stock, par value \$0.01 per(1) share, of the issuer. These restricted stock units were granted under the issuer's equity incentive plan and will vest in three equal installments beginning on March 1, 2019.

The issuer withheld shares of common stock that would have otherwise been issuable to the reporting person to satisfy the issuer's tax withholding obligations in connection with the vesting and settlement of one-third of the restricted stock units granted on March 1, 2019.

(2) Withinfording congations in connection with the vesting and settlement of one-unit of the restricted stock units granted on March 1, 2015.
 (2) The number of shares of common stock withheld was determined based on the closing price per share of the issuer's common stock on March 1, 2019.
