NOTICE OF STOCKHOLDER ACTION BY WRITTEN CONSENT

DATE FIRST MAILED TO STOCKHOLDERS: APRIL 26, 2018

To Our Stockholders:

This Notice and the accompanying Information Statement are being furnished to the stockholders of Vince Holding Corp., a Delaware corporation (the “Company”), to notify stockholders of the actions taken by our Board of Directors (the “Board”) at its meeting held on April 2, 2018 and by the holders of a majority of the issued and outstanding shares of the Company’s common stock by written consent delivered to the Company on April 13, 2018, approving: (1) a one-time stock option exchange program (the “Option Exchange”), to permit the Company to cancel certain stock options issued under the Vince Holding Corp. Omnibus Incentive Plan (the “2013 Plan”) held by some of our employees and executive officers, referred to in this Information Statement as “Eligible Participants,” in exchange for new restricted stock units at a prescribed exchange ratio described in the accompanying Information Statement (the “Replacement RSUs”); and (2) an amendment (the “Plan Amendment”) to the 2013 Plan to increase the maximum aggregate number of shares of the Company’s common stock with respect to which equity awards may be granted under the 2013 Plan from 340,000 shares to 1,000,000 shares.

The primary purpose of the Option Exchange is to increase the retention and motivational value of the outstanding equity awards held by Eligible Participants by providing such individuals the opportunity to exchange for Replacement RSUs outstanding equity awards, substantially all of which are significantly underwater, i.e., the exercise price is significantly greater than the current market trading price of our common stock.

Only current employees and executive officers of the Company are eligible to participate in the Option Exchange. The Company expects to commence the Option Exchange on or about April 26, 2018 by filing applicable tender offer documents with the Securities and Exchange Commission. The Option Exchange will close and any Replacement RSUs will be issued on or about the 20th business day after the Option Exchange commencement, unless the Option Exchange is extended by the Company (and in any event, no earlier than 20 calendar days after the Company mails this Notice and Information Statement to stockholders).

In addition, the Plan Amendment is necessary to ensure that the number of Replacement RSUs granted as part of implementing the Option Exchange and any other equity awards to be issued under the 2013 Plan from time to time to the Company’s employees, executive officers and directors in the foreseeable future will be within the limits set forth in the 2013 Plan regarding the number of shares of the Company’s common stock that may be subject to equity awards granted thereunder.

As the matters set forth in this Information Statement have been duly authorized and approved by the written consent of the holders of more than a majority of our voting securities, your vote or consent is not requested or required to approve these matters. The Information Statement is provided solely for your information, and also serves the purpose of informing stockholders of the matters described herein pursuant to Section 14(c) of the Securities Exchange Act of 1934, as amended, and the rules and regulations prescribed thereunder, including Regulation 14C, and serves as the

Summary of the Corporate Actions

Option Exchange

The holders of a majority of the Company’s issued and outstanding shares of common stock (the “Majority Stockholders”) have approved, by written consent delivered to the Company on April 13, 2018: (i) a one-time stock option exchange program (the “Option Exchange”) as described in detail in Item 1 below. Our current employees and executive officers (“Eligible Participants”) holding stock options issued under the Vince Holding Corp. Omnibus Incentive Plan (the “2013 Plan”) to purchase shares of our common stock (“Eligible Options”) may participate in the Option Exchange. The Option Exchange will allow Eligible Participants to elect to surrender for cancellation Eligible Options currently held by such participants in exchange for the grant of new restricted stock units (the “Replacement RSUs”) at a prescribed exchange ratio of 1-to-1.7857 (the “Exchange Ratio”), resulting in the grant of 1.7857 Replacement RSUs for every Eligible Option tendered in the exchange. None of the Company’s non-executive directors, non-U.S. employees, and former executive officers or employees are eligible to participate in the Option

Exchange. Stockholder approval is required for the Option Exchange described in this Information Statement under the listing rules of the New York Stock Exchange (the “NYSE Rules”) and the terms of the 2013 Plan. Such approval has been received by written consent delivered to the Company on April 13, 2018. To implement the Option Exchange, the Company expects to commence an exchange offer to the Eligible Participants upon the terms and subject to the conditions of a written offer set forth in a tender offer statement on Schedule TO, including the exhibits thereto (the “Tender Documents”), by filing the Tender Documents with the Securities and Exchange Commission (the “SEC”) on or about April 26, 2018.

The Notice and Information Statement is first being mailed on or about April 26, 2018 to the Company’s stockholders of record as of the Record Date. The Company intends to commence the Option Exchange on or about April 26, 2018 and to complete it on or about May 24, 2018. In no event will the Option Exchange close, or the Replacement RSUs be granted, prior to the date that is 20 business days after the Option Exchange commences (and, in any event, no earlier than the 20th calendar day after the Company mails the Notice and Information Statement to stockholders).

Plan Amendment

The Majority Stockholders have also approved, by written consent delivered to the Company on April 13, 2018, an amendment (the “Plan Amendment”) to the 2013 Plan to increase the maximum aggregate number of shares of the Company’s common stock with respect to which equity awards may be granted under the 2013 Plan from 340,000 shares to 1,000,000 shares, as described in detail in Item 2 below.

The Plan Amendment is expected to become effective on May 16, 2018, the 20th calendar day after the Company mails the Notice and this Information Statement to stockholders of record as of the Record Date.

Voting and Vote Required

The Company is not seeking consent, authorizations or proxies from you. Under the Delaware General Corporation Law (the “DGCL”), the Company’s amended and restated certificate of incorporation, the Company’s amended and restated bylaws and the NYSE Rules, the Option Exchange and the Plan Amendment may be approved, without a meeting of stockholders, by a resolution of our Board of Directors (the “Board”), followed by the written consent of the Majority Stockholders. As of the Record Date, the Company had 11,616,500 shares of common stock outstanding and entitled to vote. Each share of our common stock is entitled to one vote. The written consent was executed by the Majority Stockholders, holding 8,481,318 shares of common stock, representing a majority of the voting power of our common stock as of the Record Date. Accordingly, the written consent was executed by stockholders holding sufficient voting power to approve the actions contemplated by the written consent and no further stockholder action is required. The Majority Stockholders are Sun Cardinal, LLC and SCSF Cardinal, LLC.

Dissenters’ Rights of Appraisal

The DGCL does not provide dissenters’ rights of appraisal to the Company’s stockholders in connection with the matters approved by the written consent.

Notice Pursuant to the Company’s Bylaws and Delaware General Corporation Law

Pursuant to Article II, Section 13(b) of our amended and restated bylaws and Section 228(e) of the DGCL, the Company is required to provide prompt notice of the taking of a corporate action by written consent to the Company’s stockholders who have not consented in writing to such action. This Information Statement serves as the notice required by Article II, Section 13(b) of our Bylaws and Section 228(e) of the DGCL.

Interest of Certain Persons in Matters Acted Upon

Option Exchange

The following table sets forth certain information as of April 13, 2018 about the outstanding stock options granted under the 2013 Plan held by each listed individual who was or has been an executive officer of the Company since the fiscal year ended January 28, 2017.

Our non-executive directors are not eligible to participate in the Option Exchange and do not hold any Eligible Options under the 2013 Plan. Our executive officers that are currently employed by Vince or any of its subsidiaries

and hold Eligible Options at the time of the commencement of the Option Exchange, are eligible to participate in the Option Exchange.

As of April 13, 2018, our executive officers and directors (12 persons as a group) held unexercised Eligible Options to purchase an aggregate of 104,197 shares of our common stock under the 2013 Plan, which represented approximately 68.7% of shares subject to all outstanding stock options under the 2013 Plan. The percentages in the table below are based on the total number of outstanding stock options to purchase our common stock under the 2013 Plan.

2013 Plan Amendment

No amount or benefit will be received or allocated to any of our directors or executive officers as a result of the Plan Amendment, provided that our directors and executive officers will be eligible to receive equity award grants under the 2013 Plan (as amended by the Plan Amendment), as may be determined by the Board and its compensation committee (the "Compensation Committee").

ITEM 1- APPROVAL OF A ONE-TIME STOCK OPTION EXCHANGE PROGRAM

The Board and the Majority Stockholders have approved the Option Exchange, under which Eligible Participants who hold Eligible Options will be given a one-time opportunity to exchange the Eligible Options for the grant of Replacement RSUs at the Exchange Ratio described below.

We believe the Option Exchange, as designed, is in the best interest of our stockholders and the Company and positions us well for the future. If consummated, we believe the Option Exchange would enable us to:

- assure that the existing equity awards provide meaningful compensatory opportunity to the Eligible Participants;
 - motivate and engage the Eligible Participants to continue to build stockholder value;
- provide an increased level of retention of our Eligible Participants in relation to the expense recorded with respect to the Eligible Options; and
- avoid an increase in overhang and expenses associated with granting incremental equity awards in lieu of the Option Exchange.

The Board approved the Option Exchange on April 2, 2018, and the Majority Stockholders approved the Option Exchange by written consent delivered to the Company on April 13, 2018. To implement the Option Exchange, we expect to commence an exchange offer to the Eligible Participants upon the terms and subject to the conditions of the Tender Documents, by filing the Tender Documents with the SEC on or about April 26, 2018. Eligible Participants will be given at least 20 business days in which to accept the offer of the Replacement RSUs in exchange for the surrender of their Eligible Options. The surrendered Eligible Options will be cancelled immediately upon the expiration of this election period (the “Option Exchange Date”) and the Replacement RSUs will be granted under the 2013 Plan on the business day immediately following the Option Exchange Date at the Exchange Ratio of 1-to-1.7857, resulting in the grant of 1.7857 Replacement RSUs for every Eligible Option tendered in the Option Exchange. We expect the Option Exchange Date to occur on or about May 24, 2018. Eligible Participants, as well as stockholders and members of the public, are able to review the offer to exchange and other related documents filed by us with the SEC free of charge on the SEC’s website at www.sec.gov.

Stockholder approval of the Option Exchange was required under the NYSE Rules and the terms of the 2013 Plan.

Overview

Currently, substantially all of our outstanding stock options have exercise prices significantly above the recent trading prices of our common stock. We believe these stock options no longer provide meaningful compensatory opportunity to the option holders and, accordingly, are no longer effective as incentives to retain and motivate our key contributors. We believe that many option holders perceive these stock options to have little or no value, therefore reducing the stock options’ value as a means to align the incentives of our key contributors with our stockholders. In addition, although these stock options are not likely to be exercised as long as our stock price is lower than the applicable exercise price, unless they are surrendered or cancelled they will remain outstanding with the potential to dilute stockholders’ interests for up to the full term of the stock options, while delivering little or no retentive or incentive value.

We retained an independent compensation advisory firm to assist management and the Compensation Committee in evaluating issues associated with our stock options, substantially all of which are underwater, and in structuring a compensation program to address the issues identified. The Compensation Committee and the compensation advisory firm considered various alternative structures and the positive and negative attributes of each of these structures. On April 2, 2018, following substantial consideration of the business and employee retention challenges facing the Company, the Compensation Committee recommended to the Board a stock option exchange program on the terms and conditions outlined in this Information Statement, which the Board approved on the same date.

The objective of our equity incentive programs has been, and continues to be, to link the personal interests of equity incentive plan participants to those of our stockholders, and we believe that the Option Exchange is an important component in our efforts to achieve that goal.

We have granted stock options under the 2013 Plan at varying times since our initial public offering in November 2013, with such stock options having a broad range of exercise prices based on the fair market value of our common stock as of the date of their grant. As of April 13, 2018, stock options to purchase an aggregate of 151,704 shares of our common stock were outstanding under the 2013 Plan, all of which are Eligible Options for purposes of the Option Exchange and 2,628 shares of our common stock remained available for future issuance under the 2013 Plan. The Eligible Options have a weighted average exercise price of \$42.06 and a weighted average remaining life of 7.9 years. On April 13, 2018, the last reported sale price of our common stock on NYSE was \$8.79.

None of the Company's non-executive directors, non-U.S. employees, and former executive officers or employees are eligible to participate in the Option Exchange.

Summary of Material Terms of Option Exchange

Eligible Options

The Option Exchange will be open to all Eligible Participants who hold "Eligible Options." Eligible Options are options to purchase shares of our common stock granted under the 2013 Plan. Eligible Participants are individuals who are still employed by Vince or any of its subsidiaries as an employee or executive officer (other than non-U.S. employees) as of the commencement of the Option Exchange and who remain employed by Vince or any of its subsidiaries through the Option Exchange Date.

Terms of the Option Exchange

If the Option Exchange is consummated, on the Option Exchange Date, each Eligible Option will be exchanged for the grant of Replacement RSUs under the 2013 Plan, which Replacement RSUs will be issued on the business day immediately following the Option Exchange Date. The terms of the Replacement RSUs are as follows:

Exchange Ratio. Each Eligible Option tendered for exchange will be exchanged on a 1-to-1.7857 basis, resulting in the grant of 1.7857 Replacement RSUs for each Eligible Option tendered in the exchange. For example, if an Eligible Participant tenders an Eligible Option to purchase 1,000 shares of common stock for exchange, such Eligible Participant will receive 1,786 Replacement RSUs. The Exchange Ratio was determined by the Compensation Committee, in consultation with our compensation advisory firm, and the Board to facilitate grants of Replacement RSUs with similar retentive values and growth opportunities to those attributable to the Eligible Options when they were initially granted to Eligible Participants.

New Grant Date. The grant date for the Replacement RSUs will be the business day immediately following the Option Exchange Date.

Rights Represented by the Replacement RSUs. Each Replacement RSU issued in the Option Exchange will represent a right to receive one share of our common stock on a future date when the Replacement RSU vests, subject to the holder's remaining continuously employed with Vince or any of its subsidiaries, as applicable, through such vesting date. All Replacement RSUs will be granted pursuant to our 2013 Plan and will be subject to an award agreement between the award recipient and the Company.

New Vesting Schedules. The Replacement RSUs will vest in accordance with the following schedule: 10% on April 19, 2019; 20% on April 17, 2020; 25% on April 16, 2021; and 45% on April 15, 2022, subject to the holder's remaining continuously employed with Vince or any of its subsidiaries, as applicable, through such vesting dates. Replacement RSUs will have the new vesting schedule regardless of whether the surrendered Eligible Option was partially vested at the time it was exchanged. For example, an Eligible Option that has a four-year vesting schedule that would vest on November 1, 2016, November 1, 2017, November 1, 2018, and November 1, 2019 would be exchanged for Replacement RSUs that would not be partially vested on the date of their grant and would instead vest in accordance with the schedule above, with the first vesting date being April 19, 2019.

Non-Qualified Deferred Compensation. Each Eligible Option is a non-qualified stock option under the Internal Revenue Code of 1986, as amended (the "Code") and the Replacement RSUs will continue to be treated as nonqualified deferred compensation subject to IRC §§3121(v)(2), 451 and 409A.

Other Terms Governed by the 2013 Plan. The Replacement RSUs will be governed by the terms and conditions of the 2013 Plan and the award agreements entered into thereunder evidencing such Replacement RSUs.

Eligibility

If implemented, the Option Exchange will be open to all persons who are employed by Vince or any of its subsidiaries (other than non-U.S. employees) on the date of commencement of the Option Exchange. To be an Eligible Participant, such persons must hold at least one Eligible Option and remain employed by Vince or any of its subsidiaries through the Option Exchange Date. As of April 13, 2018, we estimate there were approximately 68 Eligible Participants. If an option holder is no longer an employee with Vince or any of its subsidiaries for any reason on the Option Exchange Date, even if such option holder had elected to participate and had tendered the Eligible Options for exchange, such holder's tender will automatically be deemed withdrawn and the holder will not participate in the Option Exchange. Such option holder will retain the outstanding stock options in accordance with their original terms and conditions, and the holder may generally exercise them during a limited period of time following termination of service in accordance with their terms and to the extent that they are vested.

None of the Company's non-executive directors, non-U.S. employees, and former executive officers or employees are eligible to participate in the Option Exchange.

Election to Participate

Participation in the Option Exchange will be voluntary. Under the Option Exchange, Eligible Participants will not be permitted to elect which of their Eligible Options they wish to exchange for Replacement RSUs on a grant-by-grant basis. Instead, Eligible Participants will be required to surrender all of their Eligible Options if they elect to participate in the Option Exchange.

Return of Eligible Options Surrendered

The Eligible Options surrendered for exchange will be cancelled and all shares of common stock that were subject to such surrendered Eligible Options will again become available for future awards under the 2013 Plan pursuant to the terms of the 2013 Plan.

Although the final terms of the Option Exchange are expected to be materially similar to the terms described in this item, the Board may, in its sole discretion, change the terms of the Option Exchange to take into account a change in circumstances and may determine not to implement the Option Exchange.

U.S. Federal Income Tax Consequences

The following is a summary of the anticipated material U.S. federal income tax consequences of participating in the Option Exchange. A more detailed summary of the applicable tax considerations to participating holders are provided in the Tender Documents filed with the SEC. The Option Exchange should be treated as a non-taxable exchange for U.S. federal income tax purposes, and we and our participating optionees should recognize no income for U.S. federal income tax purposes upon the issuance of the Replacement RSUs.

Accounting Impact

In accordance with the guidance in Accounting Standard Codification 718, Compensation — Stock Compensation, issued by the Financial Accounting Standards Board, the exchange of Eligible Options for Replacement RSUs in the Option Exchange is accounted for as a modification of stock-based compensation awards. Accordingly, we will recognize the unamortized compensation cost of the surrendered Eligible Options over their original vesting period. The incremental compensation cost of the Replacement RSUs granted in the Option Exchange will be recognized gradually over the vesting period of the Replacement RSUs. The incremental compensation cost will be measured as the excess, if any, of the fair value of the Replacement RSUs granted to employees in exchange for surrendered Eligible Options, measured as of the date the Replacement RSUs are granted, over the fair value of the Eligible Options surrendered in exchange for the Replacement RSUs, measured immediately prior to the cancellation of the tendered Eligible Options. Because the number of Replacement RSUs granted will be greater than the number of Eligible Options surrendered, we expect to recognize incremental compensation expenses in connection with the Option Exchange. In the event that any of the Replacement RSUs are forfeited prior to the vesting due to termination of employment, the incremental compensation cost for the forfeited Replacement RSUs will not be recognized.

Since these factors cannot be predicted with any certainty at this time and will not be known until the Option Exchange Date, we cannot predict the exact amount of any incremental compensation expense that may result from the Option Exchange.

Potential Modification to Terms to Comply with Governmental Requirements

The terms of the Option Exchange will be described in the Tender Documents filed with the SEC. Although we do not anticipate that the SEC would require us to modify the terms materially, it is possible that we will need to alter the terms of the Option Exchange to comply with potential SEC comments.

Benefits of the Option Exchange to Eligible Participants

Because the decision whether to participate in the Option Exchange is completely voluntary, we are not able to predict which Eligible Participants will participate.

Effect on Stockholders

The Option Exchange was designed to provide renewed incentives and motivate the Eligible Participants to continue to create stockholder value. We are unable to predict the precise impact of the Option Exchange on our stockholders because we are not able to predict which Eligible Participants will participate.

Based on the assumptions described above, if all Eligible Options are exchanged, options to purchase 151,704 shares of common stock will be surrendered and cancelled and 270,981 Replacement RSUs will be granted and, after giving effect to the Plan Amendment, 543,351 shares will be reserved and eligible for future grant under the 2013 Plan.

ITEM 2- APPROVAL OF AMENDMENT TO VINCE HOLDING CORP. 2013 OMNIBUS INCENTIVE PLAN

On April 2, 2018, the Board approved the Plan Amendment and, on April 13, 2018, the Majority Stockholders approved the Plan Amendment by written consent.

Set forth below are the summary of the Plan Amendment and the summary of the material terms of the 2013 Plan after giving effect to the Plan Amendment. The summary of the 2013 Plan is not intended to be exhaustive and is qualified in its entirety by the terms of the 2013 Plan, as amended, which is attached hereto as Annex A. All references to the 2013 Plan mean the amended and restated 2013 Plan, after giving effect to the Plan Amendment, except as the context may otherwise require.

Share numbers reflected in the below summary and in the 2013 Plan attached hereto as Annex A are adjusted to reflect the effect of the Reverse Stock Split.

The Plan Amendment

The Plan Amendment to the 2013 Plan increases the maximum aggregate number of shares of common stock with respect to which equity awards may be granted to eligible individuals (a “Plan Participant”) under the 2013 Plan from 340,000 shares to 1,000,000 shares. This change is necessary to ensure that the number of Replacement RSUs granted as part of implementing the Option Exchange and any other equity awards to be issued under the 2013 Plan from time to time to the Company’s employees, executive officers and directors in the foreseeable future will be within the limits set forth in the 2013 Plan regarding the number of shares of the Company’s common stock that may be subject to equity awards granted thereunder.

Summary of Material Terms of 2013 Plan

General

Administration. The 2013 Plan is administered by the Compensation Committee. The Compensation Committee has the power to: determine the form, amount and other terms and conditions of awards; clarify, construe or resolve any ambiguity in any provision of the 2013 Plan or any award agreement; amend the terms of outstanding awards; and adopt such rules, forms, instruments and guidelines for administering the 2013 Plan as it deems necessary or proper. The Compensation Committee has authority to administer and interpret the 2013 Plan, to grant discretionary awards under the 2013 Plan, to determine the persons to whom awards will be granted, to determine the types of awards to be granted, to determine the terms and conditions of each award, to determine the number of shares of common stock to be covered by each award, to make all other determinations in connection with the 2013 Plan and the awards thereunder as the Compensation Committee deems necessary or desirable and to delegate authority under the 2013 Plan to our executive officers.

Share Reserve and Limitations.

The 2013 Plan initially reserved an aggregate of 340,000 shares of our common stock for issuance pursuant to awards granted under the 2013 Plan. As of April 13, 2018, without giving effect to the Plan Amendment, there were 2,628 shares available for future awards under the 2013 Plan. On April 2, 2018 and April 13, 2018, respectively, our Board and Majority Stockholders approved the Plan Amendment to increase the number of shares available for grant under the 2013 plan by 660,000 shares, bringing the maximum aggregate number of shares available for issuance under the 2013 Plan to 1,000,000 shares. The Plan Amendment is expected to become effective on or around May 16, 2018.

The number of shares available for issuance under the 2013 Plan is subject to adjustment in the event of a reorganization, stock split, merger or similar change in the corporate structure or the outstanding shares of common stock. In the event of any of these occurrences, we may make any adjustments we consider appropriate to, among

other things, the number and kind of shares, stock options or other property available for issuance under the 2013 Plan or covered by grants previously made under such plan. The shares available for issuance under the 2013 Plan may be, in whole or in part, either authorized and unissued shares of our common stock or shares of common stock held in or acquired for our treasury. In general, if Awards under the 2013 Plan are for any reason cancelled, or expire or terminate unexercised, the shares covered by such awards may again be available for the grant of awards under the 2013 Plan.

To the extent required by Section 162(m) of the U.S. Internal Revenue Code, the maximum number of shares of our common stock with respect to which any stock option, stock appreciation right, shares of restricted stock or other stock-based awards that are subject to the attainment of specified performance goals and may be granted under the 2013 Plan during any fiscal year to any eligible individual is 100,000 shares (per type of award); provided, that the total number of shares of our common stock with respect to all such awards that may be granted under the 2013 Plan during any fiscal year is 100,000 shares. There are no annual limits on the number of shares of our common stock with respect to an award of restricted stock that is not subject to the attainment of specified performance goals to eligible individuals. The maximum number of shares of our common stock subject to any performance award which may be granted under the 2013 Plan during any fiscal year to any eligible individual is 100,000 shares. The total number of shares of our common stock subject to any award which may be granted under the 2013 Plan during any fiscal year to any non-employee director is 10,000 shares. The maximum value of any cash payment made pursuant to an award which may be granted under the 2013 Plan during any fiscal year to any non-employee director is \$500,000.

Eligibility for Participation. Members of our Board, as well as employees of, and consultants to, us or any of our subsidiaries and affiliates are eligible to receive awards under the 2013 Plan.

Award Agreement. Awards granted under the 2013 Plan are evidenced by award agreements, which need not be identical, that provide additional terms, conditions, restrictions and/or limitations covering the grant of the award, including, without limitation, additional terms providing for the acceleration of exercisability or vesting of awards in the event of a change of control or conditions regarding the Plan Participant's employment, as determined by the Compensation Committee.

Stock Options. The Compensation Committee may grant additional nonqualified stock options to eligible individuals and incentive stock options only to eligible employees. The Compensation Committee will determine the number of shares of our common stock subject to each option, the term of each option, which may not exceed ten years, or five years in the case of an incentive stock option granted to a ten percent stockholder, the exercise price, the vesting schedule, if any, and the other material terms of each option. No incentive stock option or nonqualified stock option may have an exercise price less than the fair market value of a share of our common stock at the time of grant or, in the case of an incentive stock option granted to a ten percent stockholder, 110% of such share's fair market value. Stock options will be exercisable at such time or times and subject to such terms and conditions as determined by the Compensation Committee at the time of the grant and the exercisability of such stock options may be accelerated by the Compensation Committee.

Stock Appreciation Rights. The Compensation Committee may grant stock appreciation rights (each, a "SAR") either with a stock option, which may be exercised only at such times and to the extent the related option is exercisable (a "Tandem SAR"), or independent of a stock option, (a "Non-Tandem SAR"). A SAR is a right to receive a payment in shares of our common stock or cash, as determined by the Compensation Committee, equal in value to the excess of the fair market value of one share of our common stock on the date of exercise over the exercise price per share established in connection with the grant of the SAR. The term of each SAR may not exceed ten years. The exercise price per share covered by a SAR will be the exercise price per share of the related option in the case of a Tandem SAR and will be the fair market value of our common stock on the date of grant in the case of a Non-Tandem SAR. The Compensation Committee may also grant limited SARs, either as Tandem SARs or Non-Tandem SARs, which may become exercisable only upon the occurrence of a change in control, as defined in the 2013 Plan, or such other event as the Compensation Committee may designate at the time of grant or thereafter.

Restricted Stock. The Compensation Committee may award shares of restricted stock. Except as otherwise provided by the Compensation Committee upon the award of restricted stock, the recipient generally has the rights of a stockholder with respect to the shares, including the right to receive dividends, the right to vote the shares of restricted stock and, conditioned upon full vesting of shares of restricted stock, the right to tender such shares, subject to the conditions and restrictions generally applicable to restricted stock or specifically set forth in the recipient's restricted stock agreement. The Compensation Committee may determine at the time of award that the payment of dividends, if any, will be deferred until the expiration of the applicable restriction period.

Recipients of restricted stock are required to enter into a restricted stock agreement with us that states the restrictions to which the shares are subject, which may include satisfaction of pre-established performance goals, and the criteria or date or dates on which such restrictions will lapse.

If the grant of restricted stock or the lapse of the relevant restrictions is based on the attainment of performance goals, the Compensation Committee will establish for each recipient the applicable performance goals, formulae or standards and the applicable vesting percentages with reference to the attainment of such goals or satisfaction of such formulae or standards while the outcome of the performance goals are substantially uncertain. Such performance goals may incorporate provisions for disregarding, or adjusting for, changes in accounting methods, corporate transactions,

including, without limitation, dispositions and acquisitions, and other similar events or circumstances.

Other Cash-Based Awards. The Compensation Committee may grant awards payable in cash. Cash-based awards will be in such form, and dependent on such conditions, as the Compensation Committee will determine, including, without limitation, being subject to the satisfaction of vesting conditions or awarded purely as a bonus and not subject to restrictions or conditions. If a cash-based award is subject to vesting conditions, the Compensation Committee may accelerate the vesting of such award in its discretion.

Performance Awards. The Compensation Committee may grant a performance award to a Plan Participant payable upon the attainment of specific performance goals. If the performance award is payable in cash, it may be paid upon the attainment of the relevant performance goals either in cash or in shares of restricted stock, based on the then current fair market value of such shares, as determined by the Compensation Committee. Based on service, performance and/or other factors or criteria, the Compensation Committee may, at or after grant, accelerate the vesting of all or any part of any performance award.

Performance Goals. The Compensation Committee may grant awards of restricted stock, performance awards, and other stock-based awards that are intended to vest and be paid based on attainment of specified performance goals established by the Compensation Committee. These performance goals may be based on the attainment of a certain target level of, or a specified increase or decrease in, one or more of the following measures selected by the Compensation Committee: (1) earnings per share; (2) operating income; (3) gross income; (4) net income,

before or after taxes; (5) cash flow; (6) gross profit; (7) gross profit return on investment; (8) gross margin return on investment; (9) gross margin; (10) operating margin; (11) working capital; (12) earnings before interest and taxes; (13) earnings before interest, tax, depreciation and amortization; (14) return on equity; (15) return on assets; (16) return on capital; (17) return on invested capital; (18) net revenues; (19) gross revenues; (20) revenue growth; (21) annual recurring revenues; (22) recurring revenues; (23) license revenues; (24) sales or market share; (25) total stockholder return; (26) economic value added; (27) specified objectives with regard to limiting the level of increase in all or a portion of our bank debt or other long-term or short-term public or private debt or other similar financial obligations, which may be calculated net of cash balances and other offsets and adjustments as may be established by the Compensation Committee; (28) the fair market value of a share of our common stock; (29) the growth in the value of an investment in our common stock assuming the reinvestment of dividends; or (30) reduction in operating expenses.

To the extent permitted by law, the Compensation Committee may also exclude the impact of an event or occurrence which the Compensation Committee determines should be appropriately excluded, such as: (1) restructurings, discontinued operations, extraordinary items and other unusual or non-recurring charges; (2) an event either not directly related to our operations or not within the reasonable control of management; or (3) a change in accounting standards required by generally accepted accounting principles.

Performance goals may also be based on an individual Plan Participant's performance goals, as determined by the Compensation Committee.

In addition, all performance goals may be based upon the attainment of specified levels of our performance, or the performance of a subsidiary, division or other operational unit, under one or more of the measures described above relative to the performance of other corporations. The Compensation Committee may designate additional business criteria on which the performance goals may be based or adjust, modify or amend those criteria.

Change in Control. In connection with a change in control, as defined in the 2013 Plan, the Compensation Committee may accelerate vesting of outstanding awards under the 2013 Incentive Plan. In addition, such awards may be, in the discretion of the Compensation Committee: (1) assumed and continued or substituted in accordance with applicable law; (2) purchased by us for an amount equal to the excess of the price of a share of our common stock paid in a change in control over the exercise price of the awards; or (3) cancelled for no consideration if the price of a share of our common stock paid in a change in control is less than the exercise price of the award. The Compensation Committee may also provide for accelerated vesting or lapse of restrictions of an award at any time.

Stockholder Rights. Except as otherwise provided in the applicable award agreement, and with respect to an award of restricted stock, a Plan Participant has no rights as a stockholder with respect to shares of our common stock covered by any award until the Plan Participant becomes the record holder of such shares.

Amendment and Termination. Notwithstanding any other provision of the 2013 Plan, our Board may at any time amend any or all of the provisions of the 2013 Plan, or suspend or terminate it entirely, retroactively or otherwise, subject to stockholder approval in certain instances; provided, however, that, unless otherwise required by law or specifically provided in the 2013 Plan, the rights of a Plan Participant with respect to awards granted prior to such amendment, suspension or termination may not be adversely affected without the consent of such Plan Participant.

Transferability. Awards granted under the 2013 Plan generally are nontransferable, other than by will or the laws of descent and distribution, except that the Compensation Committee may provide for the transferability of nonqualified stock options at the time of grant or thereafter to certain family members.

Recoupment of Awards. The 2013 Plan provides that awards granted thereunder are subject to any recoupment policy that we may have in place or any obligation that we may have regarding the clawback of “incentive-based compensation” under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or under any applicable rules and regulations promulgated by the SEC.

Effective Date; Term. The 2013 Plan became effective when it was adopted by the Board and approved by our Majority Stockholders prior to the consummation of our initial public offering. The 2013 Plan will expire on November 21, 2023, ten years following its approval by our Board. Any award outstanding under the 2013 Plan at the time of expiration will remain in effect until such award is exercised or has expired in accordance with its terms.

U.S. Federal Income Tax Consequences. The following is a brief summary of the U.S. federal income tax consequences of the issuance and exercise of awards granted under 2013 Plan as generally applicable to the Company and to Plan Participants who are subject to U.S. federal taxation. The summary is based on the Code, applicable Treasury Regulations and administrative and judicial interpretations thereof, each as in effect on the date of this Information Statement and is, therefore, subject to future changes in the law, possibly with retroactive effect. The summary is general in nature and does not purport to address issues relating to the tax circumstances of any individual Plan Participant or provide legal or tax advice. Furthermore, the summary does not address issues relating to any gift or estate tax consequences or the consequences of any

state, local or foreign tax laws. Each Plan Participant is advised to consult his or her particular tax advisor concerning the application of federal, state, local or non-U.S. tax laws to such Plan Participant's particular situation before taking any action with respect to the awards.

Nonqualified Stock Options. A Plan Participant generally will not recognize taxable income upon the grant or vesting of a nonqualified stock option with an exercise price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a nonqualified stock option, a Plan Participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the option on the date of exercise and the option exercise price. When a Plan Participant sells the shares, the Plan Participant will have short-term or long-term capital gain or loss, as the case may be, equal to the difference between the amount the Plan Participant received from the sale and the tax basis of the shares sold. The tax basis of the shares generally will be equal to the greater of the fair market value of the shares on the exercise date or the option exercise price.

Incentive Stock Options. A Plan Participant generally will not recognize taxable income upon the grant of an incentive stock option. If a Plan Participant exercises an incentive stock option during employment as an employee or within a prescribed period after his or her employment ends, the Plan Participant will not recognize taxable income at the time of exercise for regular U.S. federal income tax purposes (although the Plan Participant generally will have taxable income for alternative minimum tax purposes at that time as if the option were a nonqualified stock option). If a Plan Participant sells or otherwise disposes of the shares acquired upon exercise of an incentive stock option after the later of (a) one year from the date the Plan Participant exercised the option and (b) two years from the grant date of the option, the Plan Participant generally will recognize long-term capital gain or loss equal to the difference between the amount the Plan Participant received in the disposition and the option exercise price. If a Plan Participant sells or otherwise disposes of shares acquired upon exercise of an incentive stock option before these holding period requirements are satisfied, the disposition will constitute a "disqualifying disposition," and the Plan Participant generally will recognize taxable ordinary income in the year of disposition equal to the excess of the fair market value of the shares on the date of exercise over the option exercise price (or, if less, the excess of the amount realized on the disposition of the shares over the option exercise price). The balance of the Plan Participant's gain on a disqualifying disposition, if any, will be taxed as short-term or long-term capital gain, as the case may be.

With respect to both nonqualified stock options and incentive stock options, special rules apply if a Plan Participant uses shares of our common stock already held by the Plan Participant to pay the exercise price or if the shares received upon exercise of the option are subject to a substantial risk of forfeiture by the Plan Participant.

Stock Appreciation Rights. A Plan Participant generally will not recognize taxable income upon the grant or vesting of a SAR with a grant price at least equal to the fair market value of our common stock on the date of grant and no additional deferral feature. Upon the exercise of a SAR, a Plan Participant generally will recognize compensation taxable as ordinary income in an amount equal to the difference between the fair market value of the shares underlying the SAR on the date of exercise and the grant price of the SAR.

Restricted Stock Awards. A recipient of a restricted stock award generally will recognize compensation taxable as ordinary income when the shares cease to be subject to restrictions in an amount equal to the excess of the fair market value of the shares on the date the restrictions lapse over the amount, if any, paid by the Plan Participant with respect to the shares. However, no later than 30 days after a Plan Participant receives the restricted stock award, the Plan Participant may elect to recognize compensation taxable as ordinary income in an amount equal to the fair market value of the shares at the time of receipt. Provided the election is properly made in a timely manner, when the restrictions on the shares lapse, the Plan Participant will not recognize any additional income. If the Plan Participant forfeits the shares to the Company (e.g., upon the Plan Participant's termination prior to expiration of the restriction period), the Plan Participant may not claim a deduction with respect to the income recognized as a result of making the election. Any dividends paid with respect to shares of restricted stock generally will be taxable as ordinary income to the Plan Participant at the time the dividends are received.

Restricted Stock Units. A Plan Participant generally will not recognize income at the time a restricted stock unit is granted. When any part of a stock unit is issued or paid, the Plan Participant generally will recognize compensation taxable as ordinary income at the time of such issuance or payment in an amount equal to the then fair market value of any shares the Plan Participant receives.

Tax Consequences to the Company. In the foregoing cases, the Company generally will be entitled to a deduction at the same time and in the same amount as a Plan Participant recognizes ordinary income, subject to certain limitations imposed under the Code.

Tax Withholding. In general, to the extent required by applicable law, the recipient of any payment or distribution under the 2013 Plan must make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise by reason of such payment or distribution. The Company will not be required to make any payment or distribution under the 2013 Plan until such obligations are satisfied.

New Plan Benefits. As of the date of this Information Statement, other than awards to be made in connection with respect to the Option Exchange, no awards have been made with respect to the additional shares of common stock reserved for issuance under the 2013 Plan. The selection of Eligible Participants who may receive awards under the 2013 Plan, and the size and the types of awards subject to issuance, will be determined by the Compensation Committee in its discretion in accordance with the 2013 Plan. The amount of any such awards under the 2013 Plan are not determinable at this time due to vesting, corporate performance and other future requirements that may be included in the award. Therefore, it is not possible to predict the future benefit or amounts that will be received by, or allocated to, any Plan Participant in future years.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table contains information about the beneficial ownership of our common stock as of April 13, 2018:

- each person, or group of persons, who beneficially owns more than 5% of our capital stock;
- each named executive officer within the meaning of Rule 402(m)(2) under the Securities Act of 1933, as amended (the “Named Executive Officers”);
- each of our directors; and
- all directors and executive officers as a group.

Beneficial ownership and percentage ownership are determined in accordance with the rules and regulations of the SEC and include voting or investment power with respect to shares of our common stock. This information does not necessarily indicate beneficial ownership for any other purpose. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to restrictions, options or warrants held by that person that are currently exercisable or exercisable within 60 days of April 13, 2018 are deemed outstanding. Such shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Except as indicated in the footnotes to the following table or pursuant to applicable community property laws, each stockholder named in the table has sole voting and investment power with respect to the shares set forth opposite such stockholder’s name.

Our calculation of the percentage of beneficial ownership is based on 11,616,500 shares of our common stock outstanding on April 13, 2018.

Unless otherwise indicated in the footnotes, the address of each of the individuals named below is: c/o Vince Holding Corp., 500 Fifth Avenue, 20th Floor, New York, NY 10110.

Article I
PURPOSE

The purpose of this Amended and Restated Vince Holding Corp. 2013 Omnibus Incentive Plan is to enhance the profitability and value of the Company for the benefit of its stockholders by enabling the Company to offer Eligible Individuals cash and stock based incentives in order to attract, retain and reward such individuals and strengthen the mutuality of interests between such individuals and the Company's stockholders. The Plan is effective as of the date set forth in Article XV.

Article II
DEFINITIONS

For purposes of the Plan, the following terms shall have the following meanings:

2.1 "Affiliate" means each of the following: (a) any Subsidiary; (b) any Parent; (c) any corporation, trade or business (including, without limitation, a partnership or limited liability company) which is directly or indirectly controlled 50% or more (whether by ownership of stock, assets or an equivalent ownership interest or voting interest) by the Company or one of its Affiliates; (d) any trade or business (including, without limitation, a partnership or limited liability company) which directly or indirectly controls 50% or more (whether by ownership of stock, assets or an equivalent ownership interest or voting interest) of the Company; and (e) any other entity in which the Company or any of its Affiliates has a material equity interest and which is designated as an "Affiliate" by resolution of the Committee; provided that, unless otherwise determined by the Committee, the Common Stock subject to any Award constitutes "service recipient stock" for purposes of Section 409A of the Code or otherwise does not subject the Award to Section 409A of the Code.

2.2 "Award" means any award under the Plan of any Stock Option, Stock Appreciation Right, Restricted Stock, Performance Award, Other Stock-Based Award or Other Cash-Based Award. All Awards shall be granted by, confirmed by, and subject to the terms of, a written agreement executed by the Company and the Participant.

2.3 "Award Agreement" means the written or electronic agreement setting forth the terms and conditions applicable to an Award.

2.4 "Board" means the Board of Directors of the Company.

2.5 "Cause" means, unless otherwise determined by the Committee in the applicable Award Agreement, with respect to a Participant's Termination of Employment or Termination of Consultancy, the following: (a) in the case where there is no employment agreement, consulting agreement, change in control agreement or similar agreement in effect between the Company or an Affiliate and the Participant at the time of the grant of the Award (or where there is such an agreement but it does not define "cause" (or words of like import)), termination due to a Participant's, dishonesty, fraud, moral turpitude, willful misconduct, refusal to perform the Participant's duties or responsibilities for any reason other than illness or incapacity or materially unsatisfactory performance of the Participant's duties for the Company or

an Affiliate, as determined by the Committee in its good faith discretion; or (b) in the case where there is an employment agreement, consulting agreement, change in control agreement or similar agreement in effect between the Company or an Affiliate and the Participant at the time of the grant of the Award that defines “cause” (or words of like import), “cause” as defined under such agreement; provided, however, that with regard to any agreement under which the definition of “cause” only applies on occurrence of a change in control, such definition of “cause” shall not apply until a change in control actually takes place and then only with regard to a termination thereafter. With respect to a Participant’s Termination of Directorship, “cause” means an act or failure to act that constitutes cause for removal of a director under applicable Delaware law.

2.6 “Change in Control” has the meaning set forth in 11.2.

A Disability shall only be deemed to occur at the time of the determination by the Committee of the Disability. Notwithstanding the foregoing, for Awards that are subject to Section 409A of the Code, Disability shall mean that a Participant is disabled under Section 409A(a)(2)(C)(i) or (ii) of the Code.

2.14 “Effective Date” means the effective date of the Plan as defined in Article XV.

2.15 “Eligible Employees” means each employee of the Company or an Affiliate.

Article III
ADMINISTRATION

3.1 The Committee. The Plan shall be administered and interpreted by the Committee. To the extent required by applicable law, rule or regulation, it is intended that each member of the Committee shall qualify as (a) a “non-employee director” under Rule 16b-3, (b) an “outside director” under Section 162(m) of the Code and (c) an “independent director” under the rules of any national securities exchange or national securities association, as applicable. If it is later determined that one or more members of the Committee do not so qualify, actions taken by the Committee prior to such determination shall be valid despite such failure to qualify.

3.2 Grants of Awards. The Committee shall have full authority to grant, pursuant to the terms of the Plan, to Eligible Individuals: (i) Stock Options, (ii) Stock Appreciation Rights, (iii) Restricted Stock, (iv) Performance Awards; (v) Other Stock-Based Awards; and (vi) Other Cash-Based Awards. In particular, the Committee shall have the authority:

- (a) to select the Eligible Individuals to whom Awards may from time to time be granted hereunder;
- (b) to determine whether and to what extent Awards, or any combination thereof, are to be granted hereunder to one or more Eligible Individuals;
- (c) to determine the number of shares of Common Stock to be covered by each Award granted hereunder;
- (d) to determine the terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder (including, but not limited to, the exercise or purchase price (if any), any restriction or limitation, any vesting schedule or acceleration thereof, or any forfeiture restrictions or waiver thereof, regarding any Award and the shares of Common Stock relating thereto, based on such factors, if any, as the Committee shall determine, in its sole discretion);
- (e) to determine the amount of cash to be covered by each Award granted hereunder;
- (f) to determine whether, to what extent and under what circumstances grants of Options and other Awards under the Plan are to operate on a tandem basis and/or in conjunction with or apart from other awards made by the Company outside of the Plan;
- (g) to determine whether and under what circumstances a Stock Option may be settled in cash, Common Stock and/or Restricted Stock under Section 6.4(d);
- (h) to determine whether a Stock Option is an Incentive Stock Option or Non Qualified Stock Option;
- (i) to determine whether to require a Participant, as a condition of the granting of any Award, to not sell or otherwise dispose of shares acquired pursuant to the exercise of, or otherwise subject to, an Award for a period of time as determined by the Committee, in its sole discretion, following the date of the acquisition of such shares; and
- (j) to modify, extend or renew an Award, subject to Article XII and Section 6.4(l), provided, however, that such action does not subject the Award to Section 409A of the Code without the consent of the Participant.

3.3 Guidelines. Subject to Article XII hereof, the Committee shall have the authority to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan and perform all acts, including the delegation of its responsibilities (to the extent permitted by applicable law and applicable stock exchange rules), as it shall, from time to time, deem advisable; to construe and interpret the terms and provisions of the Plan and any Award issued under the Plan (and any agreements relating thereto); and to otherwise supervise the administration of the Plan. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any agreement relating

thereto in the manner and to the extent it shall deem necessary to effectuate the purpose and intent of the Plan. The Committee may adopt special guidelines and provisions for persons who are residing in or employed in, or subject to, the taxes of, any domestic or foreign jurisdictions to comply with applicable tax and securities laws of such domestic or foreign jurisdictions. Notwithstanding the foregoing, no action of the Committee under this Section 3.3 shall impair the rights of any Participant without the Participant's consent. To the extent applicable, the Plan is intended to comply with the requirements of Rule 16b-3, and with respect to Awards intended to be "performance-based," the provisions of Section 162(m) of the Code, and the Plan shall be limited, construed and interpreted in a manner so as to comply therewith.

3.4 Decisions Final. Any decision, interpretation or other action made or taken in good faith by or at the direction of the Company, the Board or the Committee (or any of its members) arising out of or in connection with the Plan shall be within the absolute

A-6

discretion of all and each of them, as the case may be, and shall be final, binding and conclusive on the Company and all employees and Participants and their respective heirs, executors, administrators, successors and assigns.

3.5 Procedures. If the Committee is appointed, the Board shall designate one of the members of the Committee as chairman and the Committee shall hold meetings, subject to the By-Laws of the Company, at such times and places as it shall deem advisable, including, without limitation, by telephone conference or by written consent to the extent permitted by applicable law. A majority of the Committee members shall constitute a quorum. All determinations of the Committee shall be made by a majority of its members. Any decision or determination reduced to writing and signed by all of the Committee members in accordance with the By-Laws of the Company, shall be fully effective as if it had been made by a vote at a meeting duly called and held. The Committee shall keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it shall deem advisable.

3.6 Designation of Consultants/Liability.

(a) The Committee may designate employees of the Company and professional advisors to assist the Committee in the administration of the Plan and (to the extent permitted by applicable law and applicable exchange rules) may grant authority to officers to grant Awards and/or execute agreements or other documents on behalf of the Committee.

(b) The Committee may employ such legal counsel, consultants and agents as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant and any computation received from any such consultant or agent. Expenses incurred by the Committee or the Board in the engagement of any such counsel, consultant or agent shall be paid by the Company. The Committee, its members and any person designated pursuant to sub section (a) above shall not be liable for any action or determination made in good faith with respect to the Plan. To the maximum extent permitted by applicable law, no officer of the Company or member or former member of the Committee or of the Board shall be liable for any action or determination made in good faith with respect to the Plan or any Award granted under it.

3.7 Indemnification. To the maximum extent permitted by applicable law and the Certificate of Incorporation and By-Laws of the Company and to the extent not covered by insurance directly insuring such person, each officer or employee of the Company or any Affiliate and member or former member of the Committee or the Board shall be indemnified and held harmless by the Company against any cost or expense (including reasonable fees of counsel reasonably acceptable to the Committee) or liability (including any sum paid in settlement of a claim with the approval of the Committee), and advanced amounts necessary to pay the foregoing at the earliest time and to the fullest extent permitted, arising out of any act or omission to act in connection with the administration of the Plan, except to the extent arising out of such officer's, employee's, member's or former member's own fraud or bad faith. Such indemnification shall be in addition to any right of indemnification the employees, officers, directors or members or former officers, directors or members may have under applicable law or under the Certificate of Incorporation or By-Laws of the Company or any Affiliate. Notwithstanding anything else herein, this indemnification will not apply to the actions or determinations made by an individual with regard to Awards granted to such individual under the Plan.

Article IV

SHARE LIMITATION

4.1 Shares. (a) The aggregate number of shares of Common Stock that may be issued or used for reference purposes or with respect to which Awards may be granted under the Plan shall not exceed 1,000,000 shares (subject to any increase or decrease pursuant to Section 4.2), which may be either authorized and unissued Common Stock or Common Stock held in or acquired for the treasury of the Company or both. The maximum number of shares of Common Stock with respect to which Incentive Stock Options may be granted under the Plan shall be 1,000,000 shares. With respect to Stock Appreciation Rights settled in Common Stock, upon settlement, only the number of shares of Common Stock delivered to a Participant (based on the difference between the Fair Market Value of the

shares of Common Stock subject to such Stock Appreciation Right on the date such Stock Appreciation Right is exercised and the exercise price of each Stock Appreciation Right on the date such Stock Appreciation Right was awarded) shall count against the aggregate and individual share limitations set forth under Sections 4.1(a) and 4.1(b). If any Option, Stock Appreciation Right or Other Stock-Based Awards granted under the Plan expires, terminates or is canceled for any reason without having been exercised in full, the number of shares of Common Stock underlying any unexercised Award shall again be available for the purpose of Awards under the Plan. If any shares of Restricted Stock, Performance Awards or Other Stock-Based Awards denominated in shares of Common Stock awarded under the Plan to a Participant are forfeited for any reason, the number of forfeited shares of Restricted Stock, Performance Awards or Other Stock-Based Awards denominated in shares of Common Stock shall again be available for purposes of Awards under the Plan. If a Tandem Stock Appreciation Right or a Limited Stock Appreciation Right is granted in tandem with an Option, such grant shall only apply once against the maximum number of shares of Common Stock which may be issued under the Plan. Any Award under the Plan settled in cash shall not be counted against the foregoing maximum share limitations. The maximum number of shares of Common Stock which

A-7

may be granted under the Plan during any fiscal year of the Company to any Non-Employee Director shall be 10,000 shares (which shall be subject to any further increase or decrease pursuant to Section 4.2). The maximum value of any cash payment made pursuant to an Award which may be granted under the Plan with respect to any fiscal year of the Company to any Non-Employee Director shall be \$500,000.

(b) Individual Participant Limitations. To the extent required by Section 162(m) of the Code for Awards under the Plan to qualify as “performance-based compensation,” the following individual Participant limitations shall only apply after the expiration of the Transition Period:

(i) The maximum number of shares of Common Stock subject to any Award of Stock Options, or Stock Appreciation Rights, or shares of Restricted Stock, or Other Stock-Based Awards for which the grant of such Award or the lapse of the relevant Restriction Period is subject to the attainment of Performance Goals in accordance with Section 8.3(a)(ii) which may be granted under the Plan during any fiscal year of the Company to any Participant shall be 100,000 shares per type of Award (which shall be subject to any further increase or decrease pursuant to Section 4.2), provided that the maximum number of shares of Common Stock for all types of Awards does not exceed 100,000 shares (which shall be subject to any further increase or decrease pursuant to Section 4.2) during any fiscal year of the Company. If a Tandem Stock Appreciation Right is granted or a Limited Stock Appreciation Right is granted in tandem with a Stock Option, it shall apply against the Participant’s individual share limitations for both Stock Appreciation Rights and Stock Options.

(ii) There are no annual individual share limitations applicable to Participants on Restricted Stock or Other Stock-Based Awards for which the grant, vesting or payment (as applicable) of any such Award is not subject to the attainment of Performance Goals.

(iii) The maximum number of shares of Common Stock subject to any Performance Award which may be granted under the Plan during any fiscal year of the Company to any Participant shall be 100,000 shares (which shall be subject to any further increase or decrease pursuant to Section 4.2) with respect to any fiscal year of the Company.

(iv) The maximum value of a cash payment made under a Performance Award which may be granted under the Plan with respect to any fiscal year of the Company to any Participant shall be \$5,000,000.

(v) The individual Participant limitations set forth in this Section 4.1(b) (other than Section 4.1(b)(iii)) shall be cumulative; that is, to the extent that shares of Common Stock for which Awards are permitted to be granted to a Participant during a fiscal year are not covered by an Award to such Participant in a fiscal year, the number of shares of Common Stock available for Awards to such Participant shall automatically increase in the subsequent fiscal years during the term of the Plan until used.

4.2 Changes.

(a) The existence of the Plan and the Awards granted hereunder shall not affect in any way the right or power of the Board or the stockholders of the Company to make or authorize (i) any adjustment, recapitalization, reorganization or other change in the Company’s capital structure or its business, (ii) any merger or consolidation of the Company or any Affiliate, (iii) any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Common Stock, (iv) the dissolution or liquidation of the Company or any Affiliate, (v) any sale or transfer of all or part of the assets or business of the Company or any Affiliate or (vi) any other corporate act or proceeding.

(b) Subject to the provisions of Section 11.1:

(i) If the Company at any time subdivides (by any split, recapitalization or otherwise) the outstanding Common Stock into a greater number of shares of Common Stock, or combines (by reverse split, combination or otherwise) its outstanding Common Stock into a lesser number of shares of Common Stock, then the respective exercise prices for

outstanding Awards that provide for a Participant-elected exercise and the number of shares of Common Stock covered by outstanding Awards shall be appropriately adjusted by the Committee to prevent dilution or enlargement of the rights granted to, or available for, Participants under the Plan.

(ii) Excepting transactions covered by Section 4.2(b)(i), if the Company effects any merger, consolidation, statutory exchange, spin-off, reorganization, sale or transfer of all or substantially all the Company's assets or business, or other corporate transaction or event in such a manner that the Company's outstanding shares of Common Stock are

A-8

converted into the right to receive (or the holders of Common Stock are entitled to receive in exchange therefor), either immediately or upon liquidation of the Company, securities or other property of the Company or other entity (each, a “Reorganization”), then, subject to the provisions of Section 11.1, (A) the aggregate number or kind of securities that thereafter may be issued under the Plan, (B) the number or kind of securities or other property (including cash) to be issued pursuant to Awards granted under the Plan (including as a result of the assumption of the Plan and the obligations hereunder by a successor entity, as applicable), or (C) the purchase price thereof, shall be appropriately adjusted by the Committee to prevent dilution or enlargement of the rights granted to, or available for, Participants under the Plan.

(iii) If there shall occur any change in the capital structure of the Company other than those covered by Section 4.2(b)(i) or 4.2(b)(ii), including by reason of any extraordinary dividend (whether cash or equity), any conversion, any adjustment, or any issuance of any class of securities convertible or exercisable into, or exercisable for, any class of equity securities of the Company, then the Committee may adjust any Award and make such other adjustments to the Plan to prevent dilution or enlargement of the rights granted to, or available for, Participants under the Plan. For the avoidance of doubt, in the case of any “equity restructuring” (within the meaning of the Financial Accounting Standards Board (FASB) Statement of Financial Accounting Standards Codification Topic 718, Stock Compensation), the Committee shall make an equitable or proportionate adjustment to outstanding Awards to reflect such equity restructuring.

(iv) Any such adjustment determined by the Committee pursuant to this Section 4.2(b) shall be final, binding and conclusive on the Company and all Participants and their respective heirs, executors, administrators, successors and permitted assigns. Any adjustment to, or assumption or substitution of, an Award under this Section 4.2(b) shall be intended to comply with the requirements of Section 409A of the Code and Treasury Regulation §1.424-1 (and any amendments thereto), to the extent applicable. Except as expressly provided in this Section 4.2 or in the applicable Award Agreement, a Participant shall have no additional rights under the Plan by reason of any transaction or event described in this Section 4.2.

(v) Fractional shares of Common Stock resulting from any adjustment in Awards pursuant to Section 4.2(a) or this Section 4.2(b) shall be aggregated until, and eliminated at, the time of exercise or payment by rounding-down. No cash settlements shall be required with respect to fractional shares eliminated by rounding. Notice of any adjustment shall be given by the Committee to each Participant whose Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan.

4.3 Minimum Purchase Price. Notwithstanding any provision of the Plan to the contrary, if authorized but previously unissued shares of Common Stock are issued under the Plan, such shares shall not be issued for a consideration that is less than as permitted under applicable law.

Article V ELIGIBILITY

5.1 General Eligibility. All current and prospective Eligible Individuals are eligible to be granted Awards. Eligibility for the grant of Awards and actual participation in the Plan shall be determined by the Committee in its sole discretion.

5.2 Incentive Stock Options. Notwithstanding the foregoing, only Eligible Employees of the Company, its Subsidiaries and its Parent (if any) are eligible to be granted Incentive Stock Options under the Plan. Eligibility for the grant of an Incentive Stock Option and actual participation in the Plan shall be determined by the Committee in its sole discretion.

5.3 General Requirement. The vesting and exercise of Awards granted to a prospective Eligible Individual are conditioned upon such individual actually becoming an Eligible Employee, Consultant or Non-Employee Director,

respectively.

Article VI
STOCK OPTIONS

6.1 Options. Stock Options may be granted alone or in addition to other Awards granted under the Plan. Each Stock Option granted under the Plan shall be of one of two types: (a) an Incentive Stock Option or (b) a Non-Qualified Stock Option.

6.2 Grants. The Committee shall have the authority to grant to any Eligible Employee one or more Incentive Stock Options, Non-Qualified Stock Options, or both types of Stock Options. The Committee shall have the authority to grant any Consultant or Non-Employee Director one or more Non-Qualified Stock Options. To the extent that any Stock Option does not qualify as an

A-9

Incentive Stock Option (whether because of its provisions or the time or manner of its exercise or otherwise), such Stock Option or the portion thereof which does not so qualify shall constitute a separate Non-Qualified Stock Option.

6.3 Incentive Stock Options. Notwithstanding anything in the Plan to the contrary, no term of the Plan relating to Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the Plan under Section 422 of the Code, or, without the consent of the Participants affected, to disqualify any Incentive Stock Option under such Section 422.

6.4 Terms of Options. Options granted under the Plan shall be subject to the following terms and conditions and shall be in such form and contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem desirable:

(a) Exercise Price. The exercise price per share of Common Stock subject to a Stock Option shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Stock Option shall not be less than 100% (or, in the case of an Incentive Stock Option granted to a Ten Percent Stockholder, 110%) of the Fair Market Value of the Common Stock at the time of grant.

(b) Stock Option Term. The term of each Stock Option shall be fixed by the Committee, provided that no Stock Option shall be exercisable more than 10 years after the date the Option is granted; and provided further that the term of an Incentive Stock Option granted to a Ten Percent Stockholder shall not exceed five years.

(c) Exercisability. Unless otherwise provided by the Committee in accordance with the provisions of this Section 6.4, Stock Options granted under the Plan shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. If the Committee provides, in its discretion, that any Stock Option is exercisable subject to certain limitations (including, without limitation, that such Stock Option is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after the time of grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such Stock Option may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.

(d) Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under Section 6.4(c), to the extent vested, Stock Options may be exercised in whole or in part at any time during the Option term, by giving written notice of exercise to the Company specifying the number of shares of Common Stock to be purchased. Such notice shall be accompanied by payment in full of the purchase price as follows: (i) in cash or by check, bank draft or money order payable to the order of the Company; (ii) solely to the extent permitted by applicable law, if the Common Stock is traded on a national securities exchange, and the Committee authorizes, through a procedure whereby the Participant delivers irrevocable instructions to a broker reasonably acceptable to the Committee to deliver promptly to the Company an amount equal to the purchase price; or (iii) on such other terms and conditions as may be acceptable to the Committee (including, without limitation, having the Company withhold shares of Common Stock issuable upon exercise of the Stock Option, or by payment in full or in part in the form of Common Stock owned by the Participant, based on the Fair Market Value of the Common Stock on the payment date as determined by the Committee). No shares of Common Stock shall be issued until payment therefor, as provided herein, has been made or provided for.

(e) Non-Transferability of Options. No Stock Option shall be Transferable by the Participant other than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the Participant's lifetime, only by the Participant. Notwithstanding the foregoing, the Committee may determine, in its sole discretion, at the time of grant or thereafter that a Non-Qualified Stock Option that is otherwise not Transferable pursuant to this Section is Transferable to a Family Member in whole or in part and in such circumstances, and under such conditions, as specified by the Committee. A Non-Qualified Stock Option that is Transferred to a Family Member pursuant to the preceding sentence (i) may not be subsequently Transferred other than by will or by the laws of descent and

distribution and (ii) remains subject to the terms of the Plan and the applicable Award Agreement. Any shares of Common Stock acquired upon the exercise of a Non-Qualified Stock Option by a permissible transferee of a Non-Qualified Stock Option or a permissible transferee pursuant to a Transfer after the exercise of the Non-Qualified Stock Option shall be subject to the terms of the Plan and the applicable Award Agreement.

(f) Termination by Death or Disability. Unless otherwise determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination is by reason of death or Disability, all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant (or in the case of the Participant's death, by the legal representative of the Participant's estate) at any time within a period of one (1) year from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options; provided, however, that, in

A-10

the event of a Participant's Termination by reason of Disability, if the Participant dies within such exercise period, all unexercised Stock Options held by such Participant shall thereafter be exercisable, to the extent to which they were exercisable at the time of death, for a period of one (1) year from the date of such death, but in no event beyond the expiration of the stated term of such Stock Options.

(g) Involuntary Termination Without Cause. Unless otherwise determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination is by involuntary termination by the Company without Cause, all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant at any time within a period of ninety (90) days from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options.

(h) Voluntary Resignation. Unless otherwise determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination is voluntary (other than a voluntary termination described in Section 6.4(i)(y) hereof), all Stock Options that are held by such Participant that are vested and exercisable at the time of the Participant's Termination may be exercised by the Participant at any time within a period of thirty (30) days from the date of such Termination, but in no event beyond the expiration of the stated term of such Stock Options.

(i) Termination for Cause. Unless otherwise determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, if a Participant's Termination (x) is for Cause or (y) is a voluntary Termination (as provided in Section 6.4(h)) after the occurrence of an event that would be grounds for a Termination for Cause, all Stock Options, whether vested or not vested, that are held by such Participant shall thereupon terminate and expire as of the date of such Termination.

(j) Unvested Stock Options. Unless otherwise determined by the Committee at the time of grant, or if no rights of the Participant are reduced, thereafter, Stock Options that are not vested as of the date of a Participant's Termination for any reason shall terminate and expire as of the date of such Termination.

(k) Incentive Stock Option Limitations. To the extent that the aggregate Fair Market Value (determined as of the time of grant) of the Common Stock with respect to which Incentive Stock Options are exercisable for the first time by an Eligible Employee during any calendar year under the Plan and/or any other stock option plan of the Company, any Subsidiary or any Parent exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options. In addition, if an Eligible Employee does not remain employed by the Company, any Subsidiary or any Parent at all times from the time an Incentive Stock Option is granted until three months prior to the date of exercise thereof (or such other period as required by applicable law), such Stock Option shall be treated as a Non-Qualified Stock Option. Should any provision of the Plan not be necessary in order for the Stock Options to qualify as Incentive Stock Options, or should any additional provisions be required, the Committee may amend the Plan accordingly, without the necessity of obtaining the approval of the stockholders of the Company.

(l) Form, Modification, Extension and Renewal of Stock Options. Subject to the terms and conditions and within the limitations of the Plan, Stock Options shall be evidenced by such form of agreement or grant as is approved by the Committee, and the Committee may (i) modify, extend or renew outstanding Stock Options granted under the Plan (provided that the rights of a Participant are not reduced without such Participant's consent and provided further that such action does not subject the Stock Options to Section 409A of the Code without the consent of the Participant), and (ii) accept the surrender of outstanding Stock Options (to the extent not theretofore exercised) and authorize the granting of new Stock Options in substitution therefor (to the extent not theretofore exercised). Notwithstanding the foregoing, an outstanding Option may not be modified to reduce the exercise price thereof nor may a new Option at a lower price be substituted for a surrendered Option (other than adjustments or substitutions in accordance with Section 4.2), unless such action is approved by the stockholders of the Company.

(m) Deferred Delivery of Common Stock. The Committee may in its discretion permit Participants to defer delivery of Common Stock acquired pursuant to a Participant's exercise of an Option in accordance with the terms and conditions established by the Committee in the applicable Award Agreement, which shall be intended to comply with the requirements of Section 409A of the Code.

(n) Early Exercise. The Committee may provide that a Stock Option include a provision whereby the Participant may elect at any time before the Participant's Termination to exercise the Stock Option as to any part or all of the shares of Common Stock subject to the Stock Option prior to the full vesting of the Stock Option and such shares shall be subject to the provisions of Article VIII and be treated as Restricted Stock. Unvested shares of Common Stock so purchased may be subject to a repurchase option in favor of the Company or to any other restriction the Committee determines to be appropriate.

(o) Other Terms and Conditions. The Committee may include a provision in an Award Agreement providing for the automatic exercise of a Non-Qualified Stock Option on a cashless basis on the last day of the term of such Option if the Participant has

A-11

failed to exercise the Non-Qualified Stock Option as of such date, with respect to which the Fair Market Value of the shares of Common Stock underlying the Non-Qualified Stock Option exceeds the exercise price of such Non-Qualified Stock Option on the date of expiration of such Option, subject to Section 14.4. Stock Options may contain such other provisions, which shall not be inconsistent with any of the terms of the Plan, as the Committee shall deem appropriate.

Article VII

STOCK APPRECIATION RIGHTS

7.1 Tandem Stock Appreciation Rights. Stock Appreciation Rights may be granted in conjunction with all or part of any Stock Option (a "Reference Stock Option") granted under the Plan ("Tandem Stock Appreciation Rights"). In the case of a Non-Qualified Stock Option, such rights may be granted either at or after the time of the grant of such Reference Stock Option. In the case of an Incentive Stock Option, such rights may be granted only at the time of the grant of such Reference Stock Option.

7.2 Terms and Conditions of Tandem Stock Appreciation Rights. Tandem Stock Appreciation Rights granted hereunder shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee, and the following:

(a) Exercise Price. The exercise price per share of Common Stock subject to a Tandem Stock Appreciation Right shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Tandem Stock Appreciation Right shall not be less than 100% of the Fair Market Value of the Common Stock at the time of grant.

(b) Term. A Tandem Stock Appreciation Right or applicable portion thereof granted with respect to a Reference Stock Option shall terminate and no longer be exercisable upon the termination or exercise of the Reference Stock Option, except that, unless otherwise determined by the Committee, in its sole discretion, at the time of grant, a Tandem Stock Appreciation Right granted with respect to less than the full number of shares covered by the Reference Stock Option shall not be reduced until, and then only to the extent that the exercise or termination of the Reference Stock Option causes, the number of shares covered by the Tandem Stock Appreciation Right to exceed the number of shares remaining available and unexercised under the Reference Stock Option.

(c) Exercisability. Tandem Stock Appreciation Rights shall be exercisable only at such time or times and to the extent that the Reference Stock Options to which they relate shall be exercisable in accordance with the provisions of Article VI, and shall be subject to the provisions of Section 6.4(c).

(d) Method of Exercise. A Tandem Stock Appreciation Right may be exercised by the Participant by surrendering the applicable portion of the Reference Stock Option. Upon such exercise and surrender, the Participant shall be entitled to receive an amount determined in the manner prescribed in this Section 7.2. Stock Options which have been so surrendered, in whole or in part, shall no longer be exercisable to the extent that the related Tandem Stock Appreciation Rights have been exercised.

(e) Payment. Upon the exercise of a Tandem Stock Appreciation Right, a Participant shall be entitled to receive up to, but no more than, an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock over the Option exercise price per share specified in the Reference Stock Option agreement multiplied by the number of shares of Common Stock in respect of which the Tandem Stock Appreciation Right shall have been exercised, with the Committee having the right to determine the form of payment.

(f) Deemed Exercise of Reference Stock Option. Upon the exercise of a Tandem Stock Appreciation Right, the Reference Stock Option or part thereof to which such Stock Appreciation Right is related shall be deemed to have

been exercised for the purpose of the limitation set forth in Article IV of the Plan on the number of shares of Common Stock to be issued under the Plan.

(g) Non-Transferability. Tandem Stock Appreciation Rights shall be Transferable only when and to the extent that the underlying Stock Option would be Transferable under Section 6.4(e) of the Plan.

7.3 Non-Tandem Stock Appreciation Rights. Non-Tandem Stock Appreciation Rights may also be granted without reference to any Stock Options granted under the Plan.

7.4 Terms and Conditions of Non-Tandem Stock Appreciation Rights. Non-Tandem Stock Appreciation Rights granted hereunder shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee, and the following:

A-12

(a) Exercise Price. The exercise price per share of Common Stock subject to a Non-Tandem Stock Appreciation Right shall be determined by the Committee at the time of grant, provided that the per share exercise price of a Non-Tandem Stock Appreciation Right shall not be less than 100% of the Fair Market Value of the Common Stock at the time of grant.

(b) Term. The term of each Non-Tandem Stock Appreciation Right shall be fixed by the Committee, but shall not be greater than 10 years after the date the right is granted.

(c) Exercisability. Unless otherwise provided by the Committee in accordance with the provisions of this Section 7.4, Non-Tandem Stock Appreciation Rights granted under the Plan shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at the time of grant. If the Committee provides, in its discretion, that any such right is exercisable subject to certain limitations (including, without limitation, that it is exercisable only in installments or within certain time periods), the Committee may waive such limitations on the exercisability at any time at or after grant in whole or in part (including, without limitation, waiver of the installment exercise provisions or acceleration of the time at which such right may be exercised), based on such factors, if any, as the Committee shall determine, in its sole discretion.

(d) Method of Exercise. Subject to whatever installment exercise and waiting period provisions apply under Section 7.4(c), Non-Tandem Stock Appreciation Rights may be exercised in whole or in part at any time in accordance with the applicable Award Agreement, by giving written notice of exercise to the Company specifying the number of Non-Tandem Stock Appreciation Rights to be exercised.

(e) Payment. Upon the exercise of a Non-Tandem Stock Appreciation Right a Participant shall be entitled to receive, for each right exercised, up to, but no more than, an amount in cash and/or Common Stock (as chosen by the Committee in its sole discretion) equal in value to the excess of the Fair Market Value of one share of Common Stock on the date that the right is exercised over the Fair Market Value of one share of Common Stock on the date that the right was awarded to the Participant.

(f) Termination. Unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, subject to the provisions of the applicable Award Agreement and the Plan, upon a Participant's Termination for any reason, Non-Tandem Stock Appreciation Rights will remain exercisable following a Participant's Termination on the same basis as Stock Options would be exercisable following a Participant's Termination in accordance with the provisions of Sections 6.4(f) through 6.4(j).

(g) Non-Transferability. No Non-Tandem Stock Appreciation Rights shall be Transferable by the Participant other than by will or by the laws of descent and distribution, and all such rights shall be exercisable, during the Participant's lifetime, only by the Participant.

7.5 Limited Stock Appreciation Rights. The Committee may, in its sole discretion, grant Tandem and Non-Tandem Stock Appreciation Rights either as a general Stock Appreciation Right or as a "Limited Stock Appreciation Right." Limited Stock Appreciation Rights may be exercised only upon the occurrence of a Change in Control or such other event as the Committee may, in its sole discretion, designate at the time of grant or thereafter. Upon the exercise of Limited Stock Appreciation Rights, except as otherwise provided in an Award Agreement, the Participant shall receive in cash and/or Common Stock, as determined by the Committee, an amount equal to the amount (i) set forth in Section 7.2(e) with respect to Tandem Stock Appreciation Rights, or (ii) set forth in Section 7.4(e) with respect to Non-Tandem Stock Appreciation Rights.

7.6 Other Terms and Conditions. The Committee may include a provision in an Award Agreement providing for the automatic exercise of a Stock Appreciation Right on a cashless basis on the last day of the term of such Stock Appreciation Right if the Participant has failed to exercise the Stock Appreciation Right as of such date, with respect to which the Fair Market Value of the shares of Common Stock underlying the Stock Appreciation Right exceeds the

exercise price of such Stock Appreciation Right on the date of expiration of such Stock Appreciation Right, subject to Section 14.4. Stock Appreciation Rights may contain such other provisions, which shall not be inconsistent with any of the terms of the Plan, as the Committee shall deem appropriate. Notwithstanding the foregoing, an outstanding Stock Appreciation Right may not be modified to reduce the exercise price thereof nor may a new Stock Appreciation Right at a lower price be substituted for a surrendered Stock Appreciation Right (other than adjustments or substitutions in accordance with Section 4.2), unless such action is approved by the stockholders of the Company.

Article VIII

RESTRICTED STOCK

8.1 Awards of Restricted Stock. Shares of Restricted Stock may be issued either alone or in addition to other Awards granted under the Plan. The Committee shall determine the Eligible Individuals, to whom, and the time or times at which, grants of

A-13

Restricted Stock shall be made, the number of shares to be awarded, the price (if any) to be paid by the Participant (subject to Section 8.2), the time or times within which such Awards may be subject to forfeiture, the vesting schedule and rights to acceleration thereof, and all other terms and conditions of the Awards.

The Committee may condition the grant or vesting of Restricted Stock upon the attainment of specified performance targets (including, the Performance Goals) or such other factor as the Committee may determine in its sole discretion, including to comply with the requirements of Section 162(m) of the Code.

8.2 Awards and Certificates. Eligible Individuals selected to receive Restricted Stock shall not have any right with respect to such Award, unless and until such Participant has delivered a fully executed copy of the agreement evidencing the Award to the Company, to the extent required by the Committee, and has otherwise complied with the applicable terms and conditions of such Award. Further, such Award shall be subject to the following conditions:

(a) **Purchase Price.** The purchase price of Restricted Stock shall be fixed by the Committee. Subject to Section 4.3, the purchase price for shares of Restricted Stock may be zero to the extent permitted by applicable law, and, to the extent not so permitted, such purchase price may not be less than par value.

(b) **Acceptance.** Awards of Restricted Stock must be accepted within a period of 60 days (or such shorter period as the Committee may specify at grant) after the grant date, by executing a Restricted Stock agreement and by paying whatever price (if any) the Committee has designated thereunder.

(c) **Legend.** Each Participant receiving Restricted Stock shall be issued a stock certificate in respect of such shares of Restricted Stock, unless the Committee elects to use another system, such as book entries by the transfer agent, as evidencing ownership of shares of Restricted Stock. Such certificate shall be registered in the name of such Participant, and shall, in addition to such legends required by applicable securities laws, bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

“The anticipation, alienation, attachment, sale, transfer, assignment, pledge, encumbrance or charge of the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the Vince Holding Corp. (the “Company”) Amended and Restated 2013 Omnibus Incentive Plan (the “Plan”) and an Agreement entered into between the registered owner and the Company dated _____. Copies of such Plan and Agreement are on file at the principal office of the Company.”

(d) **Custody.** If stock certificates are issued in respect of shares of Restricted Stock, the Committee may require that any stock certificates evidencing such shares be held in custody by the Company until the restrictions thereon shall have lapsed, and that, as a condition of any grant of Restricted Stock, the Participant shall have delivered a duly signed stock power or other instruments of assignment (including a power of attorney), each endorsed in blank with a guarantee of signature if deemed necessary or appropriate by the Company, which would permit transfer to the Company of all or a portion of the shares subject to the Restricted Stock Award in the event that such Award is forfeited in whole or part.

8.3 Restrictions and Conditions. The shares of Restricted Stock awarded pursuant to the Plan shall be subject to the following restrictions and conditions:

(a) **Restriction Period.** (i) The Participant shall not be permitted to Transfer shares of Restricted Stock awarded under the Plan during the period or periods set by the Committee (the “Restriction Period”) commencing on the date of such Award, as set forth in the Restricted Stock Award Agreement and such agreement shall set forth a vesting schedule and any event that would accelerate vesting of the shares of Restricted Stock. Within these limits, based on service, attainment of Performance Goals pursuant to Section 8.3(a)(ii) and/or such other factors or criteria as the Committee may determine in its sole discretion, the Committee may condition the grant or provide for the lapse of such restrictions in installments in whole or in part, or may accelerate the vesting of all or any part of any Restricted Stock

and/or waive the deferral limitations for all or any part of any Restricted Stock.

(ii) If the grant of shares of Restricted Stock or the lapse of restrictions is based on the attainment of Performance Goals, the Committee shall establish the objective Performance Goals and the applicable vesting percentage of the Restricted Stock applicable to each Participant or class of Participants in writing prior to the beginning of the applicable fiscal year or at such later date as otherwise determined by the Committee and while the outcome of the Performance Goals are substantially uncertain. Such Performance Goals may incorporate provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances.

A-14

With regard to a Restricted Stock Award that is intended to comply with Section 162(m) of the Code, to the extent that any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect.

(b) Rights as a Stockholder. Except as provided in Section 8.3(a) and this Section 8.3(b) or as otherwise determined by the Committee in an Award Agreement, the Participant shall have, with respect to the shares of Restricted Stock, all of the rights of a holder of shares of Common Stock of the Company, including, without limitation, the right to receive dividends, the right to vote such shares and, subject to and conditioned upon the full vesting of shares of Restricted Stock, the right to tender such shares. The Committee may, in its sole discretion, determine at the time of grant that the payment of dividends shall be deferred until, and conditioned upon, the expiration of the applicable Restriction Period.

(c) Termination. Unless otherwise determined by the Committee at grant or, if no rights of the Participant are reduced, thereafter, subject to the applicable provisions of the Award Agreement and the Plan, upon a Participant's Termination for any reason during the relevant Restriction Period, all Restricted Stock still subject to restriction will be forfeited in accordance with the terms and conditions established by the Committee at grant or thereafter.

(d) Lapse of Restrictions. If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock, the certificates, if any, for such shares shall be delivered to the Participant. All legends shall be removed from said certificates at the time of delivery to the Participant, except as otherwise required by applicable law or other limitations imposed by the Committee.

Article IX

PERFORMANCE AWARDS

9.1 Performance Awards. The Committee may grant a Performance Award to a Participant payable upon the attainment of specific Performance Goals. The Committee may grant Performance Awards that are intended to qualify as "performance-based compensation" under Section 162(m) of the Code, as well as Performance Awards that are not intended to qualify as "performance-based compensation" under Section 162(m) of the Code. If the Performance Award is payable in shares of Restricted Stock, such shares shall be transferable to the Participant only upon attainment of the relevant Performance Goal in accordance with Article VIII. If the Performance Award is payable in cash, it may be paid upon the attainment of the relevant Performance Goals either in cash or in shares of Restricted Stock (based on the then current Fair Market Value of such shares), as determined by the Committee, in its sole and absolute discretion. Each Performance Award shall be evidenced by an Award Agreement in such form that is not inconsistent with the Plan and that the Committee may from time to time approve.

With respect to Performance Awards that are intended to qualify as "performance-based compensation" under Section 162(m) of the Code, the Committee shall condition the right to payment of any Performance Award upon the attainment of objective Performance Goals established pursuant to Section 9.2(c).

9.2 Terms and Conditions. Performance Awards awarded pursuant to this Article IX shall be subject to the following terms and conditions:

(a) Earning of Performance Award. At the expiration of the applicable Performance Period, the Committee shall determine the extent to which the Performance Goals established pursuant to Section 9.2(c) are achieved and the percentage of each Performance Award that has been earned.

(b) Non-Transferability. Subject to the applicable provisions of the Award Agreement and the Plan, Performance Awards may not be Transferred during the Performance Period.

(c) Objective Performance Goals, Formulae or Standards. With respect to Performance Awards that are intended to qualify as “performance-based compensation” under Section 162(m) of the Code, the Committee shall establish the objective Performance Goals for the earning of Performance Awards based on a Performance Period applicable to each Participant or class of Participants in writing prior to the beginning of the applicable Performance Period or at such later date as permitted under Section 162(m) of the Code and while the outcome of the Performance Goals are substantially uncertain. Such Performance Goals may incorporate, if and only to the extent permitted under Section 162(m) of the Code, provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. To the extent that any such provision would create impermissible discretion under Section 162(m) of the Code or

A-15

otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect, with respect to Performance Awards that are intended to qualify as “performance-based compensation” under Section 162(m) of the Code.

(d) Dividends. Unless otherwise determined by the Committee at the time of grant, amounts equal to dividends declared during the Performance Period with respect to the number of shares of Common Stock covered by a Performance Award will not be paid to the Participant.

(e) Payment. Following the Committee’s determination in accordance with Section 9.2(a), the Company shall settle Performance Awards, in such form (including, without limitation, in shares of Common Stock or in cash) as determined by the Committee, in an amount equal to such Participant’s earned Performance Awards. Notwithstanding the foregoing, the Committee may, in its sole discretion, award an amount less than the earned Performance Awards and/or subject the payment of all or part of any Performance Award to additional vesting, forfeiture and deferral conditions as it deems appropriate.

(f) Termination. Subject to the applicable provisions of the Award Agreement and the Plan, upon a Participant’s Termination for any reason during the Performance Period for a given Performance Award, the Performance Award in question will vest or be forfeited in accordance with the terms and conditions established by the Committee at grant.

(g) Accelerated Vesting. Based on service, performance and/or such other factors or criteria, if any, as the Committee may determine, the Committee may, at or after grant, accelerate the vesting of all or any part of any Performance Award.

Article X

OTHER STOCK-BASED AND CASH-BASED AWARDS

10.1 Other Stock-Based Awards. The Committee is authorized to grant to Eligible Individuals Other Stock Based Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of Common Stock, including but not limited to, shares of Common Stock awarded purely as a bonus and not subject to restrictions or conditions, shares of Common Stock in payment of the amounts due under an incentive or performance plan sponsored or maintained by the Company or an Affiliate, stock equivalent units, restricted stock units, and Awards valued by reference to book value of shares of Common Stock. Other Stock-Based Awards may be granted either alone or in addition to or in tandem with other Awards granted under the Plan.

Subject to the provisions of the Plan, the Committee shall have authority to determine the Eligible Individuals, to whom, and the time or times at which, such Awards shall be made, the number of shares of Common Stock to be awarded pursuant to such Awards, and all other conditions of the Awards. The Committee may also provide for the grant of Common Stock under such Awards upon the completion of a specified Performance Period.

The Committee may condition the grant or vesting of Other Stock-Based Awards upon the attainment of specified Performance Goals as the Committee may determine, in its sole discretion; provided that to the extent that such Other Stock-Based Awards are intended to comply with Section 162(m) of the Code, the Committee shall establish the objective Performance Goals for the grant or vesting of such Other Stock-Based Awards based on a Performance Period applicable to each Participant or class of Participants in writing prior to the beginning of the applicable Performance Period or at such later date as permitted under Section 162(m) of the Code and while the outcome of the Performance Goals are substantially uncertain. Such Performance Goals may incorporate, if and only to the extent permitted under Section 162(m) of the Code, provisions for disregarding (or adjusting for) changes in accounting methods, corporate transactions (including, without limitation, dispositions and acquisitions) and other similar type events or circumstances. To the extent that any such provision would create impermissible discretion under Section 162(m) of the Code or otherwise violate Section 162(m) of the Code, such provision shall be of no force or effect, with respect to Performance Awards that are intended to qualify as “performance-based compensation” under Section

162(m) of the Code.

10.2 Terms and Conditions. Other Stock-Based Awards made pursuant to this Article X shall be subject to the following terms and conditions:

(a) Non-Transferability. Subject to the applicable provisions of the Award Agreement and the Plan, shares of Common Stock subject to Awards made under this Article X may not be Transferred prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses.

(b) Dividends. Unless otherwise determined by the Committee at the time of Award, subject to the provisions of the Award Agreement and the Plan, the recipient of an Award under this Article X shall not be entitled to receive, currently or on a deferred basis, dividends or dividend equivalents in respect of the number of shares of Common Stock covered by the Award.

A-16

(c) Vesting. Any Award under this Article X and any Common Stock covered by any such Award shall vest or be forfeited to the extent so provided in the Award Agreement, as determined by the Committee, in its sole discretion.

(d) Price. Common Stock issued on a bonus basis under this Article X may be issued for no cash consideration. Common Stock purchased pursuant to a purchase right awarded under this Article X shall be priced, as determined by the Committee in its sole discretion.

10.3 Other Cash-Based Awards. The Committee may from time to time grant Other Cash-Based Awards to Eligible Individuals in such amounts, on such terms and conditions, and for such consideration, including no consideration or such minimum consideration as may be required by applicable law, as it shall determine in its sole discretion. Other Cash-Based Awards may be granted subject to the satisfaction of vesting conditions or may be awarded purely as a bonus and not subject to restrictions or conditions, and if subject to vesting conditions, the Committee may accelerate the vesting of such Awards at any time in its sole discretion. The grant of an Other Cash-Based Award shall not require a segregation of any of the Company's assets for satisfaction of the Company's payment obligation thereunder.

Article XI

CHANGE IN CONTROL PROVISIONS

11.1 Benefits. In the event of a Change in Control of the Company (as defined below), and except as otherwise provided by the Committee in an Award Agreement, a Participant's unvested Awards shall not vest automatically and a Participant's Awards shall be treated in accordance with one or more of the following methods as determined by the Committee:

(a) Awards, whether or not then vested, shall be continued, assumed, or have new rights substituted therefor, as determined by the Committee in a manner consistent with the requirements of Section 409A of the Code, and restrictions to which shares of Restricted Stock or any other Award granted prior to the Change in Control are subject shall not lapse upon a Change in Control and the Restricted Stock or other Award shall, where appropriate in the sole discretion of the Committee, receive the same distribution as other Common Stock on such terms as determined by the Committee; provided that the Committee may decide to award additional Restricted Stock or other Awards in lieu of any cash distribution. Notwithstanding anything to the contrary herein, for purposes of Incentive Stock Options, any assumed or substituted Stock Option shall comply with the requirements of Treasury Regulation Section 1.424-1 (and any amendment thereto).

(b) The Committee, in its sole discretion, may provide for the purchase of any Awards by the Company or an Affiliate for an amount of cash equal to the excess (if any) of the Change in Control Price (as defined below) of the shares of Common Stock covered by such Awards, over the aggregate exercise price of such Awards. For purposes hereof, "Change in Control Price" shall mean the highest price per share of Common Stock paid in any transaction related to a Change in Control of the Company.

(c) The Committee may, in its sole discretion, terminate all outstanding and unexercised Stock Options, Stock Appreciation Rights, or any Other Stock-Based Award that provides for a Participant elected exercise, effective as of the date of the Change in Control, by delivering notice of termination to each Participant at least ten (10) days prior to the date of consummation of the Change in Control, in which case during the period from the date on which such notice of termination is delivered to the consummation of the Change in Control, each such Participant shall have the right to exercise in full all of such Participant's Awards that are then outstanding (without regard to any limitations on exercisability otherwise contained in the Award Agreements), but any such exercise shall be contingent on the occurrence of the Change in Control, and, provided that, if the Change in Control does not take place within a specified period after giving such notice for any reason whatsoever, the notice and exercise pursuant thereto shall be null and void.

(d) Notwithstanding any other provision herein to the contrary, the Committee may, in its sole discretion, provide for accelerated vesting or lapse of restrictions, of an Award at any time.

11.2 Change in Control. Unless otherwise determined by the Committee in the at the time of grant, a “Change in Control” shall be deemed to occur if:

(a) any “person,” as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than the Company, any trustee or other fiduciary holding securities under any employee benefit plan of the Company, Sun Capital Partners, Inc. or its affiliates, or any company owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of Common Stock of the Company), becoming the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company’s then outstanding securities;

A-17

(b) during any period of two consecutive years, individuals who at the beginning of such period constitute the Board, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in paragraph (a), (c), or (d) of this Section 11.2 or a director whose initial assumption of office occurs as a result of either an actual or threatened election contest or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board) whose election by the Board or nomination for election by the Company's stockholders was approved by a vote of at least two thirds of the directors then still in office who either were directors at the beginning of the two year period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the Board;

(c) a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than 50% of the combined voting power of the voting securities of the Company or such surviving entity outstanding immediately after such merger or consolidation; provided, however, that a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no person (other than those covered by the exceptions in Section 11.2(a)) acquires more than 50% of the combined voting power of the Company's then outstanding securities shall not constitute a Change in Control of the Company; or

(d) a complete liquidation or dissolution of the Company or the consummation of a sale or disposition by the Company of all or substantially all of the Company's assets other than the sale or disposition of all or substantially all of the assets of the Company to a person or persons who beneficially own, directly or indirectly, 50% or more of the combined voting power of the outstanding voting securities of the Company at the time of the sale.

Notwithstanding the foregoing, with respect to any Award that is characterized as "nonqualified deferred compensation" within the meaning of Section 409A of the Code, an event shall not be considered to be a Change in Control under the Plan for purposes of payment of such Award unless such event is also a "change in ownership," a "change in effective control" or a "change in the ownership of a substantial portion of the assets" of the Company within the meaning of Section 409A of the Code.

11.3 Initial Public Offering not a Change in Control. Notwithstanding the foregoing, for purposes of the Plan, the occurrence of the Registration Date or any change in the composition of the Board within one year following the Registration Date shall not be considered a Change in Control.

Article XII

TERMINATION OR AMENDMENT OF PLAN

Notwithstanding any other provision of the Plan, the Board may at any time, and from time to time, amend, in whole or in part, any or all of the provisions of the Plan (including any amendment deemed necessary to ensure that the Company may comply with any regulatory requirement referred to in Article XIV or Section 409A of the Code), or suspend or terminate it entirely, retroactively or otherwise; provided, however, that, unless otherwise required by law or specifically provided herein, the rights of a Participant with respect to Awards granted prior to such amendment, suspension or termination, may not be impaired without the consent of such Participant and, provided further, that without the approval of the holders of the Company's Common Stock entitled to vote in accordance with applicable law, no amendment may be made that would (i) increase the aggregate number of shares of Common Stock that may be issued under the Plan (except by operation of Section 4.2); (ii) increase the maximum individual Participant limitations for a fiscal year under Section 4.1(b) (except by operation of Section 4.2); (iii) change the classification of individuals eligible to receive Awards under the Plan; (iv) decrease the minimum option price of any Stock Option or Stock Appreciation Right; (v) extend the maximum option period under Section 6.4; (vi) alter the Performance Goals for Restricted Stock, Performance Awards or Other Stock-Based Awards as set forth in Exhibit A hereto; (vii) award any Stock Option or Stock Appreciation Right in replacement of a canceled Stock Option or Stock Appreciation Right with a higher exercise price than the replacement award; or (viii) require stockholder approval in order for the Plan to continue to comply with the applicable provisions of Section 162(m) of the Code or, to the extent applicable to Incentive Stock Options, Section 422 of the Code. In no event may the Plan be amended without the approval of the stockholders of the Company in accordance with the applicable laws of the State of Delaware to increase the aggregate number of shares of Common Stock that may be issued under the Plan, decrease the minimum exercise price of any Award, or to make any other amendment that would require stockholder approval under Financial Industry Regulatory Authority (FINRA) rules and regulations or the rules of any exchange or system on which the Company's securities are listed or traded at the request of the Company. Notwithstanding anything herein to the contrary, the Board may amend the Plan or any Award Agreement at any time without a Participant's consent to comply with applicable law including Section 409A of the Code. The Committee may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Article IV or as otherwise specifically provided herein, no such amendment or other action by the Committee shall impair the rights of any holder without the holder's consent.

The Committee may require each person receiving shares of Common Stock pursuant to a Stock Option or other Award under the Plan to represent to and agree with the Company in writing that the Participant is acquiring the shares without a view to distribution thereof. In addition to any legend required by the Plan, the certificates for such shares may include any legend that the Committee deems appropriate to reflect any restrictions on Transfer. All certificates for shares of Common Stock delivered under the Plan shall be subject to such stop transfer orders and

other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed or any national securities exchange system upon whose system the Common Stock is then quoted, any applicable federal or state securities law, and any applicable corporate law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

14.2 Other Plans. Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required, and such arrangements may be either generally applicable or applicable only in specific cases.

14.3 No Right to Employment/Directorship/Consultancy. The Company shall have the right to deduct from any payment to be made pursuant to the Plan, or to otherwise require, prior to the issuance or delivery of shares of Common Stock or the payment of any cash hereunder, payment by the Participant of, any federal, state or local taxes required by law to be withheld. Upon the vesting of Restricted Stock (or other Award that is taxable upon vesting), or upon making an election under Section 83(b) of the Code, a Participant shall pay all required withholding to the Company. Any minimum statutorily required withholding obligation with regard to any Participant may be satisfied, subject to the consent of the Committee, by reducing the number of shares of Common Stock otherwise deliverable or by delivering shares of Common Stock already owned. Any fraction of a share of Common Stock required to satisfy such tax obligations shall be disregarded and the amount due shall be paid instead in cash by the Participant.

No Award or other benefit payable under the Plan shall, except as otherwise specifically provided by law or permitted by the Committee, be Transferable in any manner, and any attempt to Transfer any such benefit shall be void, and any such benefit shall not in any manner be liable for or subject to the debts, contracts, liabilities, engagements or torts of any person who shall be entitled to such benefit, nor shall it be subject to attachment or legal process for or against such person.

14.6 Listing and Other Conditions.

(a) Unless otherwise determined by the Committee, as long as the Common Stock is listed on a national securities exchange or system sponsored by a national securities association, the issuance of shares of Common Stock pursuant to an Award shall be conditioned upon such shares being listed on such exchange or system. The Company shall have no obligation to issue such shares unless and until such shares are so listed, and the right to exercise any Option or other Award with respect to such shares shall be suspended until such listing has been effected.

(b) If at any time counsel to the Company shall be of the opinion that any sale or delivery of shares of Common Stock pursuant to an Option or other Award is or may in the circumstances be unlawful or result in the imposition of excise taxes on the Company under the statutes, rules or regulations of any applicable jurisdiction, the Company shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act or otherwise, with respect to shares of Common Stock or Awards, and the right to exercise any Option or other Award shall be suspended until, in the opinion of said counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on the Company.

(c) Upon termination of any period of suspension under this Section 14.6, any Award affected by such suspension which shall not then have expired or terminated shall be reinstated as to all shares available before such suspension and as to shares which would otherwise have become available during the period of such suspension, but no such suspension shall extend the term of any Award.

(d) A Participant shall be required to supply the Company with certificates, representations and information that the Company requests and otherwise cooperate with the Company in obtaining any listing, registration, qualification, exemption, consent or approval the Company deems necessary or appropriate.

Notwithstanding anything herein to the contrary, as a condition to the receipt of shares of Common Stock pursuant to an Award under the Plan, to the extent required by the Committee, the Participant shall execute and deliver a stockholder's agreement or such other documentation that shall set forth certain restrictions on transferability of the shares of Common Stock acquired upon exercise or purchase, and such other terms as the Board or Committee shall from time to time establish. Such stockholder's agreement or other documentation shall apply to the Common Stock acquired under the Plan and covered by such stockholder's agreement or other documentation. The Company may require, as a condition of exercise, the Participant to become a party to
