(1)Represents the maximum number of shares of common stock, par value \$0.01 per share (“Common Stock”), of Rayonier Advanced Materials Inc. issuable pursuant to the Rayonier Advanced Materials Inc. Incentive Stock Plan (the “Plan”) being registered herein. The registration herein relates to awards of stock options to former employees of Rayonier Inc., the Registrant and their respective subsidiaries who did not become employees of the Registrant, which awards were made pursuant to adjustments to Rayonier Inc. awards made in connection with the separation of the Registrant from Rayonier Inc.

(2)Pursuant to Rule 416 of the U.S. Securities Act of 1933, as amended (the “Securities Act”), this Registration Statement also covers such additional shares of Common Stock as may become issuable pursuant to the anti-dilution provisions of the Plan.

(3)Estimated solely for the purposes of determining the amount of the registration fee in accordance with Rule 457(c) and 457(h) of the Securities Act on the basis of the average of the high and low sale prices for the shares of the Registrant’s Common Stock as reported on the New York Stock Exchange on June 10, 2016.

(4)The securities registered pursuant to this Registration Statement include only shares of Common Stock previously registered on the Registration Statement on Form S-3ASR (File Number 333-197107) originally filed with the Securities and Exchange Commission on June 30, 2014 (the “Prior Registration Statement”) that have not been issued by the Registrant. All such unissued shares (the “Previously Registered Unissued Shares”) have been included in this Registration Statement. Pursuant to Rule 415(a)(6) under the Securities Act, the filing fee of 257.01 relating to such Previously Registered Unissued Shares, which was previously paid in connection with the Prior Registration Statement, is being applied to the filing fees for such securities registered in this Registration Statement. As a result, no filing fee is due in connection with this filing. To the extent that, after the filing date hereof and prior to the effectiveness of this Registration Statement, any Previously Registered Unissued Shares are sold pursuant to the Prior Registration Statement, the Registrant will identify in a pre-effective amendment to this Registration Statement the updated amount of Previously Registered Unissued Shares from the Prior Registration Statement to be included in this

Registration Statement pursuant to Rule 415(a)(6). Pursuant to Rule 415(a)(6), the offering of the Previously Registered Unissued Shares under the Prior Registration Statement will be deemed terminated as of the date of effectiveness of this Registration Statement

The Registrant hereby amends this Registration Statement on such date or dates as may be necessary to delay its effective date until the Registrant shall file a further amendment which specifically states that this Registration Statement shall thereafter

become effective in accordance with Section 8(a) of the Securities Act of 1933 or until the Registration Statement shall become effective on such date as the U.S. Securities and Exchange Commission, acting pursuant to said Section 8(a), may determine.

EXPLANATORY NOTE

This Registration Statement on Form S-3 of Rayonier Advanced Materials Inc. (the "Registrant") is being filed because the Registrant is no longer a well-known seasoned issuer (as such term is defined in Rule 405 under the Securities Act of 1933, as amended), because the worldwide market value of its outstanding common equity held by non-affiliates was less than \$700 million during the 60-day period preceding the most recent determination date and as such, the Registrant may no longer rely on its previous Registration Statement on Form S-3ASR (Registration No. 333-197107) (the "Prior Registration Statement"). Accordingly, the Registrant is filing this Registration Statement on Form S-3 for the purpose of carrying-forward shares registered on the Prior Registration Statement (the "Previously Registered Unissued Shares").

Pursuant to Rule 415(a)(5) under the Securities Act, the Registrant may continue to offer and sell the Previously Registered Unissued Shares under the Prior Registration Statement until the earlier of the effective date of this Registration Statement and December 27, 2017, and the offering of the Previously Registered Unissued Shares under the Prior Registration Statement will be deemed terminated as of the date of effectiveness of this Registration Statement.

About Rayonier Advanced Materials Inc.

Rayonier Advanced Materials Inc. is the global leader in the production of cellulose specialties. Cellulose specialties are natural polymers, used as raw materials to manufacture a broad range of consumer-oriented products such as cigarette filters, liquid crystal displays, impact-resistant plastics, thickeners for food products, pharmaceuticals, cosmetics, high-tenacity rayon yarn for tires and industrial hoses, food casings, paints and lacquers. We manufacture products tailored to the precise and demanding chemical and physical specifications required by our customers, achieving industry leading purity and product functionality. Our ability to consistently manufacture technically superior products is the result of our proprietary production processes, intellectual property, technical expertise and knowledge of cellulosic chemistry.

Additionally, we produce commodity products for viscose and absorbent materials applications. Commodity viscose is a raw material required for the manufacture of viscose staple fibers which are used in woven applications such as textiles for clothing and other fabrics, and in non-woven applications such as baby wipes, cosmetic and personal wipes, industrial wipes and mattress ticking. Absorbent materials, typically referred to as fluff fibers, are used as an absorbent medium in products such as disposable baby diapers, feminine hygiene products, incontinence pads, convalescent bed pads, industrial towels and wipes and non-woven fabrics.

Our principal executive offices are located at 1301 Riverplace Boulevard, Suite 2300, Jacksonville, Florida 32207, and our telephone number at that location is (904) 357-4600.

Prior to June 27, 2014, the Company consisted of Rayonier Inc.'s wholly-owned performance fibers segment. On that date, holders of Rayonier Inc. common shares received one share of the Company's Common Stock for every three Rayonier Inc. common shares held on the record date. This resulted in the separation of the Company from Rayonier Inc. The separation was structured to be tax free to Rayonier Inc. shareholders for U.S. federal income tax purposes and, following the separation, the Company began operating as an independent, publicly traded company.

You should review the complete document for complete information and to evaluate these statements.

Incorporation of Certain Documents by Reference

SEC rules allow us to "incorporate by reference" into this prospectus much of the information we file with the SEC, which means that we can disclose important information to you by referring you to those publicly available documents. The information that we incorporate by reference into this prospectus is an important part of this prospectus. This prospectus incorporates by reference the documents listed below and any future filings we make with the SEC under each of Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act (in each case, other than those documents, the portions of those documents and the exhibits thereto that are deemed to be furnished and not filed in accordance with SEC rules) until the offering of the securities under the Registration Statement of which this prospectus forms a part is terminated or completed:

Because we are incorporating by reference future filings with the SEC, this prospectus is continually updated and later information filed with the SEC may update and supersede some of the information included or incorporated by reference in this prospectus. This means that you must look at all of the SEC filings that we incorporate by reference to determine if any of the statements in this prospectus or in any document previously incorporated by reference have been modified or superseded.

We will provide without charge to each person, including any beneficial owners, to whom this prospectus is delivered, upon his or her written or oral request, a copy of any or all documents referred to above which have been or may be incorporated by reference into this prospectus but not delivered with this prospectus, excluding exhibits to those documents unless they are specifically incorporated by reference into those documents. Note About Forward-Looking Statements

Certain statements in this document regarding anticipated financial, business, legal or other outcomes including business and market conditions, outlook and other similar statements relating to Rayonier Advanced Materials' future events, developments, or financial or operational performance or results, are "forward-looking statements" made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 and other federal securities laws. These forward-looking statements are identified by the use of words such as "may," "will," "should," "expect," "estimate," "believe," "intend," "anticipate" and other similar language. However, the absence of these or similar words or expressions does not mean a statement is not forward-looking. While we believe these forward-looking statements are reasonable when made, forward-looking statements are not guarantees of future performance or events and undue reliance should not be placed on these statements. Although we believe the expectations reflected in any forward-looking statements are based on reasonable assumptions, we can give no assurance these expectations will be attained and it is possible actual results may differ materially from those indicated by these forward-looking statements due to a variety of risks and uncertainties. The risk factors contained in Item 1A - Risk Factors of our Annual Report on Form 10-K for the year ended December 31, 2015 and filed with the SEC on February 26, 2016 (the "Form 10-K"), among others, could cause actual results or events to differ materially from the Company's historical experience and those expressed in forward-looking statements made in this document.

Forward-looking statements are only as of the date they are made, and the Company undertakes no duty to update its forward-looking statements except as required by law. You are advised, however, to review any further disclosures we have made or may make in our filings and other submissions to the SEC, including those on Forms 10-Q, 10-K, 8-K and other reports.

Risk Factors

An investment in our securities involves a high degree of risk. You should carefully consider the risks described under the heading "Risk Factors" beginning on page 4 of the Form 10-K, which information is incorporated by reference in this prospectus, and the additional risks and other information in this prospectus, any prospectus supplement and the documents incorporated by reference herein and therein before deciding to invest in our securities. If any of the identified risks actually occur, they could materially adversely affect our business, financial condition, operating results or prospects and the trading price of our securities. Additional risks and uncertainties that we do not presently know or that we currently deem immaterial may also impair our business, financial condition, operating results and prospects and the trading price of our securities. In which case, the value of our securities could decline, and you could lose all or part of your investment. See also the information contained under the heading "Note About Forward-Looking Statements" above.

Use of Proceeds

We expect to use any net proceeds from the exercise of stock options issued under the Plan for general corporate purposes including reduction or refinancing of outstanding indebtedness, additions to working capital, capital expenditures and acquisitions. Pending any specific application, we may initially invest funds in short-term marketable securities or apply them to the reduction of other short-term indebtedness. We cannot estimate the amount of any such proceeds at this time.

Plan of Distribution

In connection with the separation of the Company from Rayonier Inc. on June 27, 2014, awards of stock options that were previously made to former employees of Rayonier Inc. and the Company (as of the date of the separation) under Rayonier Inc.'s equity compensation program were converted into adjusted awards based on Rayonier Inc.'s common shares and "new" awards based on the Company's Common Stock, as described below under "Description of Award Adjustments." The awards that are based on the Company's Common Stock were granted by the Company under the Plan, in accordance with the terms of an employee matters agreement that the Company entered into with Rayonier

Inc. in connection with the separation, and were made in partial substitution of the stock options that were previously granted under Rayonier Inc.'s equity compensation program. The Registration Statement of which this prospectus forms a part only covers awards that were granted under the Plan to former employees of Rayonier Inc. and its subsidiaries who did not become employees of the Company at the time of the separation, and any such individuals' donees, pledgees, permitted transferees, assignees, successors and others who come to hold any such awards. The

3

Table of Contents

Registration Statement of which this prospectus forms a part does not cover any awards that were granted to any individual who, upon completion of the separation, was employed by or was serving on the board of directors of either Rayonier Inc. or the Company, or any other awards that may be granted under the Plan in the future.

Description of Award Adjustments

The employee matters agreement between Rayonier Inc. and the Company establishes, among other things, the mechanics for the conversion and adjustment on the separation date of equity awards granted under Rayonier Inc.'s equity compensation plans into adjusted Rayonier Inc. awards and awards of the Company. In accordance with the employee matters agreement, as of the separation date, each Rayonier Inc. stock option was converted into both an adjusted Rayonier Inc. stock option and a Company stock option, with adjustments made to the exercise prices and number of shares subject to each option in order to preserve the aggregate intrinsic value of the original Rayonier Inc. stock option as measured immediately before and immediately after the separation, subject to rounding. The adjusted Rayonier Inc. stock options and the Company stock options are subject to substantially the same terms, vesting conditions, post-termination exercise rules, and other restrictions that applied to the original Rayonier Inc. stock option immediately before the separation. For purposes of vesting for all awards, continued employment with or service to Rayonier Inc. or the Company, as applicable, will be treated as continued employment with or service to both Rayonier Inc. and the Company.

The mechanics for conversion and adjustment of the equity awards summarized above are more fully described in the employee matters agreement, which is filed as an exhibit to the Company's Current Report on Form 8-K filed with the SEC on June 30, 2014, and incorporated in this prospectus by reference.

Legal Matters

Certain legal matters in connection with the securities offered by this prospectus will be passed upon for us by Michael R. Herman, Senior Vice President, General Counsel and Corporate Secretary of the Company.

Experts

The consolidated financial statements of the Company, for the year ended December 31, 2015, appearing in the Company's Annual Report on Form 10-K (File No. 001-36285), including the schedule appearing therein, and the effectiveness of the Company's internal control over financial reporting as of December 31, 2015, have been audited by Ernst & Young LLP, independent registered public accounting firm, as set forth in their reports thereon included therein, and incorporated herein by reference. Such consolidated financial statements are, and audited financial statements to be included in subsequently filed documents will be, incorporated herein in reliance upon the reports of Ernst & Young LLP pertaining to such financial statements and the effectiveness of our internal control over financial reporting as of the respective dates (to the extent covered by consents filed with the SEC) given on the authority of such firm as experts in accounting and auditing.

Indemnification for Securities Act Liabilities

Our certificate of incorporation and bylaws include provisions that indemnify, to the fullest extent allowable under the Delaware General Corporation Law ("DGCL"), the personal liability of directors or officers for monetary damages for actions taken as a director or officer of the Company, or for serving at the Company's request as a director or officer or another position at another corporation or enterprise, as the case may be. Our certificate of incorporation and bylaws also provide that the Company must indemnify and advance reasonable expenses to its directors and officers, subject to its receipt of an undertaking from the indemnified party as may be required under the DGCL. Our certificate of incorporation expressly authorizes the Company to carry directors' and officers' insurance to protect it, its directors, officers and certain employees for some liabilities. We have obtained insurance covering our directors and officers against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations. These policies include coverage for liabilities arising under the Securities Act.

Table of Contents

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 15. Indemnification of Directors and Officers

The Registrant is incorporated under the laws of the State of Delaware.

Delaware law provides that directors of a corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of their fiduciary duties as directors, except for liability:

- for any breach of their duty of loyalty to the corporation or its stockholders;
- for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

The Registrant’s amended and restated certificate of incorporation and bylaws include provisions that indemnify, to the fullest extent allowable under the DGCL, the personal liability of directors or officers for monetary damages for actions taken as a director or officer of the Registrant, or for serving at the Registrant’s request as a director or officer or another position at another corporation or enterprise, as the case may be. The Registrant’s amended and restated certificate of incorporation and bylaws provide that the Registrant must indemnify and advance reasonable expenses to its directors and officers, subject to its receipt of an undertaking from the indemnified party as may be required under the DGCL. The Registrant’s amended and restated certificate of incorporation expressly authorizes the Registrant to carry directors’ and officers’ insurance to protect it, its directors, officers and certain employees for some liabilities. We have obtained insurance covering our directors and officers against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations. These policies include coverage for liabilities arising under the Securities Act.

The foregoing is only a general summary of certain aspects of Delaware law and the Registrant’s amended and restated certificate of incorporation and bylaws dealing with indemnification of directors and officers and does not purport to be complete.

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(d) The undersigned also hereby undertakes that:

(1) For the purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in a form of

prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this Registration Statement as of the time it was declared effective.
