Item 1.01 Entry into a Material Definitive Agreement

On April 19, 2018, Torchlight Energy Resources, Inc. (the “Company”) entered into an Underwriting Agreement (the “Underwriting Agreement”) with Roth Capital Partners, LLC (the “Underwriter”), relating to the issuance and sale in an underwritten public offering of 5,000,000 shares of the Company’s common stock, par value \$0.001 per share (the “Common Stock”). The public offering price for each share of Common Stock is \$1.15.

The Underwriter will purchase the shares of Common Stock from the Company at a price of \$1.0752 per share, representing a 6.5% discount from the public offering price. The Underwriter is acting as the sole manager for the offering.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriter, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement and may be subject to limitations agreed upon by the contracting parties.

Pursuant to the Underwriting Agreement, and subject to certain exceptions, the Company and its directors and officers agreed not to sell or otherwise dispose of any Common Stock for a period ending 90 days after the date of the final prospectus used to sell the Common Stock in the offering without first obtaining the written consent of the Underwriter.

The Common Stock is being offered and sold pursuant to the Company’s effective registration statement on Form S-3 (File No. 333--220181) filed with the Securities and Exchange Commission (the “SEC”) on August 25, 2017 and declared effective by the SEC on September 28, 2017, the accompanying prospectus contained therein, and preliminary and final prospectus supplements filed with the SEC in connection with the Company’s takedown relating to the offering. A copy of the opinion of Axelrod & Smith relating to the legality of the issuance and sale of the shares of Common Stock in the offering is attached as Exhibit 5.1 hereto.

The net proceeds to the Company from the sale of the shares of Common Stock is expected to be approximately \$5.18 million, after deducting underwriting discounts and commissions and other estimated offering expenses payable by the Company, assuming no exercise by the Underwriter of the 30-day over-allotment option that the Company has granted it under the terms of the Underwriting Agreement to purchase up to an additional 750,000 shares of Common Stock to cover over-allotments, if any. The offering is expected to close on or about April 23, 2018, subject to customary closing conditions.

The foregoing description of the terms of the Underwriting Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the Underwriting Agreement, which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.

Item 8.01 Other Events.

On April 18, 2018, the Company issued a press release announcing the offering, and on April 19, 2018, the Company issued a press release announcing the pricing terms of the offering. The press releases are attached hereto as Exhibits 99.1 and 99.2, respectively.
