Investor Presentation
Charming Shoppes, Inc.
April / May 2008

This presentation contains certain forward-looking statements concerning the Company's operations, performance, and financial condition. Such forward-looking statements are subject to various risks and uncertainties that could cause actual results to differ materially from those indicated. Such risks and uncertainties may include, but are not limited to: the failure to consummate our identified strategic solution for our non-core misses apparel catalog titles and the refinancing of certain real estate assets, the failure to effectively implement our planned cost and capital budget reduction plans, the failure to effectively implement the Company's plans for consolidation of the Catherines Plus Sizes brand, a new organizational structure and enhancements in the Company's merchandise and marketing, the failure to generate a positive response to the Company's new Lane Bryant catalog and the Lane Bryant credit card program, the failure to implement the Company's business plan for increased profitability and growth in the Company's retail stores and direct-to-consumer segments, the failure to successfully implement the Company's expansion of Cacique through new store formats, the failure to achieve improvement in the Company's competitive position, adverse changes in costs vital to catalog operations, such as postage, paper and acquisition of prospects, declining response rates to catalog offerings, the failure to maintain efficient and uninterrupted order-taking and fulfillment in our direct-to-consumer business, changes in or miscalculation of fashion trends, extreme or unseasonable weather conditions, economic downturns, escalation of energy costs, a weakness in overall consumer demand, the failure to find suitable store locations, increases in wage rates, the ability to hire and train associates, trade and security restrictions and political or financial instability in countries where goods are manufactured, the interruption of merchandise flow from the Company's centralized distribution facilities, competitive pressures, and the adverse effects of natural disasters, war, acts of terrorism or threats of either, or other armed conflict, on the United States and international economies. These, and other risks and uncertainties, are detailed in the Company's filings with the Securities and Exchange Commission, including the Company's Annual Report on Form 10-K for the fiscal year ended February 2, 2008 and other Company filings with the Securities and Exchange Commission. Charming Shoppes assumes no duty to update or revise its forward-looking statements even if experience or future changes make it clear that any projected results expressed or implied therein will not be realized.

Strategy: Become The Leader In

Women's Plus Apparel

- In 1996, we began to reposition Charming Shoppes to be the women's specialty plus apparel leader

8

History of Managing Through
Economic Downturns

- During the 2002 / 2003 economic downturn, we took the following actions:
 - > Refocused merchandising and store execution at all brands
 - > Controlled inventory
 - > Reduced overhead costs
 - > Conserved cash
 - ...and over the next several years, we successfully returned the business to growth and enhanced profitability...
 - > Increased the top-line from \$2.3 billion to \$3.1 billion
 - > Increased operating margins from 3.2% to 5.6%
 - > Achieved a 33% operating earnings CAGR
 - > Culminated in record sales and earnings in 2006

Macro-Economic and
Business Performance Shifts

- Following a year of record sales and earnings in 2006, we entered 2007 with much optimism about our proven growth strategy and planned the business accordingly
 - During the 1st half of 2007, we continued to meet our objectives
- Mid-2007, with a significant economic downturn, our performance changed sharply

11

(1) Source: The Conference Board.

Current Economic Downturn

- 2007 was the worst Christmas season in 20 years
 - The Consumer Confidence Expectations Index(1) is now at a 35-year low (December 1973, 45.2)
- > 42% of Americans believe we are in a recession; 46% believe we are on the way
- > Escalating Food Costs, Record Food Stamp Recipients, Credit Crisis, Energy Costs, Weakening Housing Market - all leading to less disposable income
- Our customer - The Plus Apparel Consumer - falls in the heart of where America is being economically impacted
 - The result: declining discretionary spending has led to significant decreases in retail traffic

Recent Downturn Remains a Challenge for
Specialty Apparel Companies

- Our stock price performance during this period has been in-line with our peers in the retail apparel sector
 - Through a series of recently announced initiatives, we are positioning Charming Shoppes for growth when the current retail downturn abates

13

2008: Managing Through The
Downturn

- As in 2002 / 2003, we have taken a number of actions:
 - > Streamlined operations
 - > Eliminated 13% of corporate positions
 - > Closing 150 underperforming stores
 - > Reduced inventory by 19% on a same-store basis
 - > Resulting in \$28 million in planned annualized cost savings
-

14

2008: Managing Through The
Downturn

- Increasing financial flexibility and liquidity
 - > We have made “conserving cash” a priority during the downturn
 - > We have identified further capital budget reductions, resulting in a total reduction of \$63 million for FY2009, a decrease of nearly 50% compared to FY2008
 - > We have announced planned refinancing of certain real estate assets to capitalize on the ability to generate additional meaningful cash resources
 - > We are exploring strategic alternatives for our non-core misses apparel catalogs, including the possible sale of our non-core misses apparel catalogs
 - > Temporarily suspended share repurchase program
-

Charming Shoppes' Strategies

Dissident's Strategies

Short-Term Strategies

- Has a highly-qualified management team and Board in place that has significant experience in retail, marketing and operations
 - Focused strategy to grow its leading position in plus sizes through its core brands
 - Leverage its multi-channel strategy to expand the customer base of its core brands through catalog, E-commerce and retail stores
 - Retain financial flexibility by conserving cash to manage through a difficult environment
 - Do not have a strategy other than the sale of assets (i.e. catalog businesses, credit operations) using the proceeds, combined with cash, to buy back a significant amount of shares
 - Will disrupt Charming Shoppes' plan to build long-term value for its shareholders
 - Risking the viability of the Company by reducing its financial flexibility in a weak economic environment
-

31

Dissident's Strategies

- Leverage plus-apparel expertise through multi-brand, multi-channel strategy
- Focus on Merchandising and Marketing
- Improve operating margins through mix and focus on Lane Bryant as growth catalyst
- Disciplined capital allocation process
 - Maintain strong balance sheet
