NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Except for per share amounts, dollar amounts in tables are in thousands
unless otherwise indicated)
(Unaudited)

Note 1 - Basis of Presentation

The accompanying consolidated financial statements and notes thereto have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission. Accordingly, certain disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") have been omitted. The accompanying consolidated financial statements and notes thereto should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's 2001 Annual Report on Form 10-K.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

The consolidated financial statements include the financial statements of the Company and its wholly owned subsidiaries. All significant intercompany balances and transactions have been eliminated in consolidation.

In the opinion of management, the accompanying unaudited financial statements as of June 30, 2002, and for the three months and six months ended June 30, 2002 and 2001, reflect adjustments (which were normal and recurring) which, in the opinion of management, are necessary for a fair statement of the financial position and results of operations of the interim periods presented. Results for the three months and six months ended June 30, 2002 are not necessarily indicative of results expected for the full year.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - Contingencies

The Company and various of its executive officers have been named as defendants in a putative securities class action originally filed in the United States District Court for the Western District of Oklahoma in early 2001 seeking unspecified damages on the basis of allegations that the Company issued false and misleading financial information, primarily related to the method the Company used to account for commission advance receivables from sales associates. On March 5, 2002, the Court granted the Company's motion to dismiss the complaint, with prejudice, and entered a judgment in favor of the defendants. Plaintiffs thereafter filed a motion requesting reconsideration of the dismissal which was denied. The plaintiffs have appealed the judgment and the order denying their motion to reconsider the judgment to the Tenth Circuit Court of Appeals, and the Pre-Paid defendants will respond according to the schedule set by the appellate court. The ultimate outcome of this case is not determinable.

On June 7, 2001 and August 3, 2001, shareholder derivative actions were filed by alleged company shareholders, Bruce A. Hansen and Donna L. Hansen, and Roger Strykowski, respectively, against all of the directors of the Company seeking unspecified actual and punitive damages on behalf of the Company based on allegations of breach of fiduciary duty, corporate waste and mismanagement by the defendant directors. On March 1, 2002, plaintiffs filed a consolidated amended derivative complaint. The amended complaint alleges that the defendant directors caused the Company to violate generally accepted accounting principles and federal securities laws by improperly capitalizing commission expenses, caused the Company to allegedly pay increased salaries and bonuses based upon financial performance which was allegedly improperly inflated, and caused the Company to expend significant dollars in connection with the defense of its accounting policy, including cost incurred in connection with the defense of the securities class action described above, and in connection with the repurchase of its own shares on the open market at allegedly artificially inflated prices. This derivative action is related to the putative securities class action described above, which has been dismissed with prejudice. The defendants have moved to dismiss the consolidated amended derivative complaint. The Company anticipates that briefing on this motion will be completed in August 2002. The case is in the preliminary stages and the ultimate outcome is not determinable.

Beginning in the second quarter of 2001 and through June 30, 2002, multiple lawsuits were filed against the Company, certain officers, employees, sales

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

associates and other defendants in various Alabama and Mississippi state courts by current or former members seeking unspecified actual and punitive damages for alleged breach of contract, fraud and various other claims in connection with the sale of memberships. As of June 30, 2002, the Company was aware of 22 separate lawsuits involving approximately 115 plaintiffs that have been filed in multiple counties in Alabama, and nine separate lawsuits involving approximately 416 plaintiffs in multiple counties in Mississippi. The Mississippi lawsuits also name the Company's provider attorney in Mississippi as a defendant. A complaint has also been filed on behalf of the Mississippi plaintiffs and others with the Attorney General of Mississippi and the Company has responded to a request for information from the Attorney General. Additional suits of a similar nature have been threatened. In January 2002, one of the law firms representing individual plaintiffs in some of those Alabama suits filed a putative class action on behalf of all Alabama residents purchasing memberships seeking damages and injunctive relief based on alleged failures to provide coverage under the memberships. The class action allegations of that suit have been dismissed with prejudice and the claims of the two individuals are all that remain in that suit. Another Alabama member suit was dismissed with prejudice by the Pre-Paid member who brought the suit due to her attorney's assessment of the merits of the case. In Mississippi, the Company has filed a lawsuit in the United States District Court for the Southern District of Mississippi in which the Company seeks to compel arbitration of the various Mississippi claims under the Federal Arbitration Act and the terms of the Company's membership agreements. These cases are all in various stages of litigation, and the ultimate outcome of any particular case is not determinable.

On April 19, 2002, counsel in certain of the above-referenced Alabama suits also filed a similar suit against the Company and certain of its officers in the District Court of Creek County, Oklahoma on behalf of Jeff and Jana Weller individually and doing business as Hi-Tech Auto making similar allegations relating to the Company's memberships and seeking unspecified damages on behalf of a "nationwide" class. The Company has filed various preliminary motions in this case, all of which were pending as of June 30, 2002. The case is in the preliminary stages and the ultimate outcome is not determinable.

On June 29, 2001, an action was filed against the Company in the District Court of Canadian County, Oklahoma. In the second quarter of 2002, the petition was amended to add five additional named plaintiffs and to add and drop certain claims. This action is a putative class action brought by Gina Kotwitz, George Kotwitz, Rick Coker, Richard Starke, Jeff Turnipseed and Aaron Bouren on behalf of all sales associates of the Company. The amended petition seeks injunctive and declaratory relief, with such other damages as the court deems appropriate, for alleged violations of the Oklahoma Uniform Consumer Credit Code and seeks injunctive and declaratory relief regarding the enforcement of certain contract provisions with sales associates. The case is in the preliminary stages and the ultimate outcome is not determinable.

On March 1, 2002, an action was filed in the United States District Court for the Western District of Oklahoma by Caroline Sandler, Robert Schweikert, Sal Corrente, Richard Jarvis and Vincent Jefferson against the Company and certain executive officers. This action is putative class action seeking unspecified damages filed on behalf of all sales associates of the Company and alleges that the marketing plan offered by the Company constitutes a security under the Securities Act of 1933 and seeks remedies for failure to register the marketing plan as a security and for violations of the anti-fraud provisions of the Securities Act of 1933 and the Securities Exchange Act of 1934 in connection with representations alleged to have been made in connection with the marketing plan. The complaint also alleges violations of the Oklahoma Securities Act, the Oklahoma Business Opportunities Sales Act, breach of contract, breach of duty of good faith and fair dealing and unjust enrichment and violation of the Oklahoma Consumer Protection Act and negligent supervision. This case is subject to the Private Litigation Securities Reform Act. Pursuant to the Act, the Court has

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

approved the named plaintiffs and counsel and an amended complaint is required to be filed on or before August 2, 2002. The Company expects to file a motion to dismiss on or before September 16, 2002. All discovery in the action is stayed pending a ruling on this motion, which the Company expects will occur no earlier than January of 2003. The case is in the preliminary stages and the ultimate outcome is not determinable.

The Company is a defendant in various other legal proceedings that are routine and incidental to its business. The Company will vigorously defend its interests in all proceedings in which it is named as a defendant. While the ultimate outcome of these proceedings is not determinable, the Company does not currently anticipate that these contingencies will result in any material adverse effect to its financial condition or results of operation.

The Company is constructing a new corporate office complex with an estimated completion during the third quarter of 2003 at an estimated cost of approximately \$30 million. Costs incurred through June 30, 2002 of approximately \$4.3 million have been paid from existing resources and cash flow. The Company continues to consider incurring indebtedness in order to finance the remaining costs of its new corporate headquarters in order to allow cash flow from operations to continue to be used to purchase treasury stock. The Company has entered into construction contracts in the amount of \$7.7 million with the general contractor pertaining to the new office complex and expects to enter into similar types of construction contracts for various phases of construction during the remainder of the construction period. Total remaining costs of construction from July 1, 2002 are estimated at approximately \$25.7 million.

Note 3 - Treasury Stock Purchases

The Company announced on April 6, 1999, a treasury stock purchase program authorizing management to acquire up to 500,000 shares of the Company's common stock. The Board of Directors has increased such authorization from 500,000 shares to 5 million shares during subsequent board meetings. At June 30, 2002, the Company had purchased 4.3 million shares under these authorizations for a total consideration of \$100.0 million, an average price of \$23.30 per share.

Treasury stock purchases will be made at prices that are considered attractive by management and at such times that management believes will not unduly impact the Company's liquidity. No time limit has been set for completion of the purchase program. The Company has obtained a \$10 million line of credit facility to be used for additional stock purchases. As of July 22, 2002, the Company had drawn \$1 million on this available credit line and may make additional draws in the future.

Note 4 - Earnings Per Share

Basic earnings per common share are computed by dividing net income applicable to common shares by the weighted average number of shares of common stock outstanding during the respective periods.

Diluted earnings per common share are computed by dividing net income applicable to common shares by the weighted average number of shares of common stock and common stock equivalents outstanding during the respective periods. The weighted average number of common shares is increased by the number of shares issuable on the exercise of options less the number of common shares assumed to have been purchased with the proceeds from the exercise of the options pursuant to the treasury stock method; those purchases are assumed to have been made at the average price of the common stock during the respective period.

Note 5 - Discontinued Operations

On December 31, 2001 the Company completed the sale of its wholly owned subsidiary Universal Fidelity Life Insurance Company ("UFL"). The Company received a \$2.8 million dividend and \$1.2 million from the sale of 100% of UFL stock. The results of operations of the UFL segment have been segregated and reported as discontinued operations in the Consolidated Statements of Income for the three months and six months ended June 30, 2001. Cash flow impacts of discontinued operations have been segregated in the Consolidated Statements of Cash Flows for the six months ended June 30, 2001. Note 6 - Recent Issued Accounting Pronouncements

In July 2001, the Financial Accounting Standards Board issued new pronouncements: SFAS 142, "Goodwill and Other Intangible Assets"; and SFAS 143, "Accounting for Asset Retirement Obligations." SFAS 142 requires that goodwill as well as other intangible assets be tested annually for impairment. In

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

addition, the Statement eliminates the previous requirement to amortize goodwill or intangible assets with indefinite lives, and is effective for fiscal years beginning after December 15, 2001. SFAS 142 was adopted effective January 1, 2002 and did not have a material impact on the Company's financial position or results of operations. SFAS 143 requires entities to record the fair value of a liability for an asset retirement obligation in the period in which it is incurred and a corresponding increase in the carrying amount of the related long-lived asset. SFAS 143 is effective for fiscal years beginning after June 15, 2002. The Company does not expect SFAS 143 to materially impact its reported results.

SFAS No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets", (SFAS 144") is effective for the Company for the fiscal year beginning January 1, 2002, and addresses accounting and reporting for the impairment or disposal of long-lived assets. SFAS 144 supersedes SFAS No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of" and APB Opinion No. 30, "Reporting the Results of Operations - Reporting the Effects of Disposal of a Segment of a Business." SFAS 144 retains the fundamental provisions of SFAS No. 121 and expands the reporting of discontinued operations to include all components of an entity with operations that can be distinguished from the rest of the entity and that will be eliminated from the ongoing operations of the entity in a disposal transaction. The Company adopted SFAS 144 effective January 1, 2002. The new standard did not have a material impact on the Company's financial statements.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND ----- RESULTS OF OPERATIONS -----

Results of Operations -----

First Six Months of 2002 Compared to First Six Months of 2001 -----

The Company reported net income applicable to common shares of \$17.4 million, or \$.86 per diluted common share, for the six months ended June 30, 2002, up 40% from net income applicable to common shares of \$12.4 million, or \$.57 per diluted common share, for the comparable period of the prior year. Diluted earnings per share increased 51 percent due to increased net income of 40 percent and an approximate 7 percent decrease in the number of outstanding shares.

Membership fees totaled \$149.5 million during 2002 compared to \$126.4 million for 2001, an increase of 18%. Membership fees and their impact on total revenues in any period are determined directly by the number of active Memberships in force during any such period. The active Memberships in force are determined by both the number of new Memberships sold in any period together with the renewal rate of existing Memberships. New Membership sales increased 9% during the six months ended June 30, 2002 to 406,975 from 371,832 during the comparable period of 2001. At June 30, 2002, there were 1,360,502 active Memberships in force compared to 1,179,705 at June 30, 2001, an increase of 15%. Additionally, the average annual fee per Membership has increased from \$249 for all Memberships in force at June 30, 2001 to \$256 for all Memberships in force at June 30, 2002, a 3% increase. This increase is a result of a higher portion of active Memberships containing additional benefits at an additional cost.

Associate services revenue decreased 5% from \$19.1 million for the first six months of 2001 to \$18.1 million during the same period of 2002 primarily as a result of a reduced associate entry fee during the months of March through

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

June of 2002. The associate entry fee ranged from \$99 to \$199 during these months compared to the typical associate fee of \$249. The associate entry fee has been reduced periodically in the past and may continue to be reduced at certain times in future periods. Although the reduction in price may lead to lower associate services revenues overall, the reduced price typically increases the number of new associates that join and to a great extent offsets the overall reduction in revenue. As a result of this lower fee for part of the 2002 period, the Fast Start program generated training fees of approximately \$6.0 million during the first six months of 2002 compared to \$10.7 million for the comparable period of 2001. The field training program, titled Fast Start to Success ("Fast Start") is aimed at increasing the level of new Membership sales per associate. Fast Start typically requires a training fee of \$184 per new associate, except for special promotions the Company implements from time to time, and upon successful completion of the program, which includes a specified number of Membership sales, provides for the payment of certain training bonuses. The \$6.0 million and \$10.7 million for the six month periods ending June 30, 2002 and 2001, respectively, in training fees was collected from approximately 74,422 new sales associates who elected to participate in Fast Start during the first six months of 2002 compared to 58,363 that participated during the comparable period of 2001. Total new associates enrolled during the first six months of 2002 were 79,455 compared to 61,191 for the same period of 2001, an increase of 30%.

Other income increased 46%, to \$2.4 million for the six months ended June 30, 2002 from \$1.6 million for the comparable period of 2001 primarily due to an increase in Membership enrollment fees of \$600,000.

Primarily as a result of the increase in Membership fees, total revenues increased to \$170.0 million for the six months ended June 30, 2002 from \$147.1 million during the comparable period of 2001, an increase of 16%.

Membership benefits totaled \$50.3 million for the six months ended June 30, 2002 compared to \$41.8 million for the comparable period of 2001, and represented 34% and 33%, respectively of Membership fees for both the 2002 and 2001 periods. This Membership benefit ratio (Membership benefits as a percentage of Membership fees) should remain near current levels as substantially all active Memberships provide for a capitated cost.

Commissions to associates increased 10% to \$60.6 million for the six months ended June 30, 2002 compared to \$55.1 million for the comparable period of 2001, and represented 41% and 44% of Membership fees for such periods. These amounts were reduced by \$550,000 and \$1.2 million, respectively, representing Membership lapse fees. Prior to March 1, 2002, these fees were determined by applying the prime interest rate to the advance commission balance pertaining to lapsed Memberships. The Company realizes and recognizes this fee only when the amount of the calculated fee is collected by withholding from cash commissions payments due the associate, because the Company's ability to recover fees in excess of current payments is primarily dependent on the associate selling new Memberships which qualify for advance commissions. The Company eliminated these fees for Memberships sold after March 1, 2002 in conjunction with the change in the commission structure as discussed in "Liquidity and Capital Resources". Commissions to associates are primarily dependent on the number of new memberships sold during a period. New memberships sold during the six months ended June 30, 2002 totaled 406,975, a 9% increase from the 371,832 sold during the comparable period of 2001. Commissions to associates per new membership sold were \$150 per membership for the six months ended June 30, 2002 compared to \$149 for the comparable period of 2001. The average commission per new membership sold varies depending on the compensation structure that is in place at the time a new membership is sold and the amount of any charge-backs (recoupment of previous commission advances) that are deducted from amounts that would otherwise be paid to the various sales associates that are compensated for the membership sale.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

Associate services and direct marketing expenses decreased to \$14.7 million for the six months ended June 30, 2002 from \$16.0 million for the comparable period of 2001. Fast Start bonuses incurred were approximately \$2.6 million during the first six months of 2002 compared to \$6.2 million in the same period of 2001. Fast Start bonuses are typically eliminated or reduced during those times the Company reduces the sales associate entry fee as it did from March to June of 2002. These Fast Start training bonuses are also affected by the number of new sales associates that successfully meet the qualification criteria established by the Company, i.e. more training bonuses will be paid when a higher number of new sales associates meet such criteria. These expenses also include marketing costs, other than commissions, that are directly associated with new Membership sales.

General and administrative expenses during the six months ended June 30, 2002 and 2001 were \$15.3 million and \$13.9 million, respectively, and represented 10% and 11%, respectively of Membership fees for each period. Management expects general and administrative expenses as a percentage of Membership fees to remain near current levels in the near term but to gradually decrease as a percentage of Membership fees as a result of certain economies of scale.

Other expenses, net, which include depreciation and amortization and premium taxes reduced by interest income, were approximately \$2.4 million and \$2.1 million, respectively for the six months ended June 30, 2002 and June 30, 2001. Depreciation and amortization increased to \$2.5 million for the first six months of 2002 from \$1.9 million for the comparable period of 2001 but premium taxes decreased to \$900,000 from \$1.0 million for the six months ended June 30, 2001 due to a change in the tax structure of one of the states in which the Company pays premium taxes. Interest income decreased by approximately \$200,000 for the first six months of 2002 to \$1.0 million from \$1.2 million for the 2001 period due to a decrease in investment balances and a reduction in interest rates.

The Company has recorded a provision for income taxes of \$9.2 million (34.5% of pretax income) for the first six months of 2002 compared to \$6.0 million (32.6% of pretax income) for the same period of 2001. The lower effective tax rate for the 2001 period was primarily attributable to the utilization of net operating loss carryforwards and tax credits.

The results of operations of the UFL segment have been segregated and reported as discontinued operations in the Consolidated Statements of Income. Income from discontinued operations, net of income tax of \$0, was \$56,000 for the six months ended June 30, 2001. UFL was sold on December 31, 2001.

Second Quarter of 2002 compared to the Second Quarter of 2001

The results of operations in the second quarter of 2002, compared to the second quarter of 2001, reflect increases in revenues and expenses primarily as a result of the same factors discussed in the comparison of the first six months of 2002 to the first six months of 2001.

Total revenues increased 14% or approximately \$11.1 million to \$87.9 million in the second quarter of 2002 compared to \$76.8 million in the second quarter of 2001, primarily as a result of increases in membership premiums. The membership premium increase of 16% primarily resulted from an increase in the number of average active memberships during the second quarter of 2002 compared to the similar period in 2001.

Membership benefits totaled \$26.0 million in the 2002-second quarter compared to \$21.8 million in the 2001-second quarter and resulted in a loss ratio of 34% and 32%, respectively.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

Associate services revenue increased 1% from \$9 million for the second quarter of 2001 to \$9.1 million during the same period of 2002 primarily as a result of more new associates enrolled during the second quarter of 2002 of 45,962 compared to 26,905 enrolled during the comparable period of 2001, partially offset by a reduced associate entry fee of \$99 during part of the second quarter 2002 compared to the typical associate fee of \$249. The associate entry fee has been reduced periodically in the past and may continue to be reduced at certain times in future periods. As a result of this lower fee for part of the 2002 quarter, the Fast Start program generated training fees of approximately \$2.5 million during the second quarter of 2002 compared to \$4.3 million for the comparable period of 2001. The field-training program, titled Fast Start to Success ("Fast Start") is aimed at increasing the level of new Membership sales per associate. Fast Start typically requires a training fee of \$184 per new associate, except for special promotions the Company implements from time to time, and upon successful completion of the program provides for the payment of certain training bonuses. The \$2.5 million and \$4.3 million for the second quarter 2002 and 2001, respectively, in training fees was collected from approximately 43,235 new sales associates who elected to participate in Fast Start during the 2002-second quarter compared to 25,573 that participated during the comparable quarter of 2001. Total new associates enrolled during the second quarter of 2002 were 45,962 compared to 26,905 for the same period of 2001, an increase of 71%. The number of new associates recruited in the second quarter of 2002 represents the highest recruiting quarter in the Company's history.

Other income increased 73%, to \$1.2 million for the three months ended June 30, 2002 from \$700,000 for the comparable period of 2001 primarily due to an increase in enrollment fees of \$400,000.

Commissions to associates increased 4% to \$32.8 million for the three months ended June 30, 2002 compared to \$31.5 million for the comparable period of 2001, and represented 42% and 47% of Membership fees for such periods. These amounts were reduced by \$111,000 and \$640,000, respectively, representing Membership lapse fees. Commissions to associates per new membership sold were \$159 per membership for the three months ended June 30, 2002 compared to \$165 for the comparable period of 2001.

Associate services and direct marketing expenses decreased to \$7.2 million for the three months ended June 30, 2002 from \$7.8 million for the comparable period of 2001. Fast Start bonuses incurred were approximately \$1.0 million during the second quarter of 2002 compared to \$3.6 million in the same period of 2001. Fast Start bonuses are typically eliminated or reduced during those times the Company reduces the sales associate entry fee as it did in the 2002-second quarter. These Fast Start training bonuses are also affected by the number of new sales associates that successfully meet the qualification criteria established by the Company, i.e. more training bonuses will be paid when a higher number of new sales associates meet such criteria. These expenses also include marketing costs, other than commissions, that are directly associated with new Membership sales.

General and administrative expenses during the three months ended June 30, 2002 and 2001 were \$7.5 million and \$7.6 million, respectively, and represented 10% and 11% of Membership fees, respectively, for each period. Management expects general and administrative expenses as a percentage of Membership fees to remain near current levels in the near term but to gradually decrease as a percentage of Membership fees as a result of certain economies of scale.

Other expenses, net, which include depreciation and amortization and premium taxes reduced by interest income, were approximately \$1.4 million and \$1.1 million for the three-month periods ended June 30, 2002 and 2001, respectively. Depreciation and amortization increased to \$1.3 million for the

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

three months ended June 30, 2002 from \$976,000 for the comparable period of 2001 and premium taxes increased \$127,000 from \$495,000 for the three months ended June 30, 2001 to \$622,000 for the comparable period of 2002 due to an increase in membership revenues. Interest income decreased by approximately \$78,000 for the first three months ended June 30, 2002 to \$492,000 from \$414,000 for the 2001 period due to an increase in investment balances.

The above factors resulted in a 2002 second quarter net income applicable to common shareholders of \$8.5 million, or \$.42 per share, diluted, compared to \$4.7 million, or \$.22 per share, for the second quarter of 2001.

The results of operations of the UFL segment have been segregated and reported as discontinued operations in the Consolidated Statements of Income. Loss from discontinued operations, net of income tax of \$0, was \$(102,000) for the three months ended June 30, 2001.

Liquidity and Capital Resources

General

Consolidated net cash provided by operating activities of continuing operations was \$23.5 million for the first six months of 2002 compared to cash provided of \$13.8 million for the 2001 period. The increase of \$9.8 million resulted primarily from the increase in net income of \$5.0 million, a net increase in the change in accounts payable and accrued expenses of \$3.9 million, a decrease in the change in income taxes payable of \$800,000, an increase of \$600,000 in depreciation and amortization and an increase of \$800,000 in the tax benefit on exercise of stock options, partially offset by an increase in the provision for deferred taxes of \$700,000.

Consolidated net cash used in investing activities of continuing operations was \$5.5 million for the first six months of 2002 compared to net cash provided by investing activities of \$1.2 million for the comparable period of 2001. This \$6.7 million increase in cash used in investing activities resulted primarily from the \$4.9 million increase in the purchases of investments and the \$1.7 million decrease in maturities and sales of investments.

Net cash used in financing activities of continuing operations during the first six months of 2002 was \$22.1 million compared to \$15.9 million for the comparable period of 2001. This \$6.2 million change was primarily comprised of the \$9.2 million increase in treasury stock purchases during the first six months of 2002 compared to the first six months of 2001 offset by a \$3.0 million increase in proceeds from the exercise of stock options during the 2002 period when compared to the comparable period of 2001.

Primarily due to the large amount of treasury stock purchases in the first six months of 2002 of approximately \$25.0 million, the Company had a consolidated working capital deficit of \$1.1 million at June 30, 2002, a decrease of \$6.2 million compared to a consolidated working capital surplus of \$5.1 million at December 31, 2001. The \$1.1 million working capital deficit at June 30, 2002 would have been a \$6 million working capital surplus excluding the deferred revenue and fees in excess of deferred member and associate service costs. These amounts will be eliminated by the passage of time without the utilization of other current assets or the Company incurring other current liabilities. Additionally, at the current rate of cash flow provided by continuing operations (\$23.5 million during the first six months of 2002), the Company's ability to control the timing of its discretionary treasury stock purchases and the availability pursuant to its lines of credit, the Company does not expect any difficulty in meeting its financial obligations in the short term or the long term.

At June 30, 2002 the Company reported \$30.4 million in cash and cash

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

equivalents and unpledged investments (after utilizing more than \$25.0 million to purchase approximately 1.1 million shares of its common stock during the six months ended June 30, 2002) compared to \$33.7 million at December 31, 2001. The Company's investments consist of common stocks, investment grade (rated Baa or higher) preferred stocks and investment grade bonds primarily issued by corporations, the United States Treasury, federal agencies, federally sponsored agencies and enterprises as well as mortgage-backed securities and state and municipal tax-exempt bonds.

The Company generally advances significant commissions at the time a Membership is sold. During the six months ended June 30, 2002, the Company advanced commissions of \$61.2 million on new Membership sales compared to \$55.1 million for the same period of 2001. Since approximately 95% of Membership premiums are collected on a monthly basis, a significant cash flow deficit is created at the time a Membership is sold. This deficit is reduced as monthly premiums are remitted and commissions payable on those Memberships are withheld to recover the advance. Effective March 1, 2002, and in order to offer additional incentives for increased Membership retention rates, the Company returned to a differential commission structure with advance rates of approximately 80% of first year Membership premiums on new Memberships written and variable renewal commission rates ranging from zero to 25% per annum based on the first year Membership retention rate of the associate's sales organization. This 12-month advance structure replaces the prior compensation structure utilized by the Company that included up to a 3-year commission advance based on an average commission rate of approximately 27% for all membership years.

The Company expenses advance commissions ratably over the first month of the related membership. As a result of this accounting policy, the Company's commission expenses are all recognized over the first month of a Membership and there is no commission expense recognized for the same Membership during the remainder of the advance period. The Company tracks its unearned advance commission balances outstanding in order to ensure the advance commissions are recovered before any renewal commissions are paid and for internal purposes of analyzing its commission advance program. While not recorded as an asset, unearned advance commission balances from associates as of June 30, 2002 were:

	(Amounts in 000)
Beginning unearned advance commission payments (1).....	\$ 211,609
Advance commission payments, net.....	61,156
Earned commissions applied.....	(41,101)
Advance commission payment write-offs.....	(1,056)
Ending unearned advance commission payments before estimated unrecoverable payments (1).....	230,608
Estimated unrecoverable advance commission payments (1).....	(18,797)
Ending unearned advance commission payments, net (1).....	\$ 211,811

(1) These amounts do not represent fair value, as they do not take into consideration timing of estimated recoveries.

The ending unearned advance commission payments, net, above includes net unearned advance commission payments to non-vested associates of \$23 million. As such, at June 30, 2002 future commission payments and related expense should be reduced as unearned advance commission payments of \$189 million are recovered. Commissions are earned by the associate as Membership premiums are earned by the

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

Company, usually on a monthly basis. For additional information concerning these commission advances, see the Company's Annual Report on Form 10-K under the heading Commissions to Associates in Item 7 - Management's Discussion and Analysis of Financial Condition and Results of Operations.

The Company believes that it has significant ability to finance expected future growth in Membership sales based on its existing amount of cash and cash equivalents and unpledged investments at June 30, 2002 of \$30.4 million. The Company expects to maintain cash and investment balances, including pledged investments, on an on-going basis of approximately \$25 to \$35 million in order to meet expected working capital needs and regulatory capital requirements. Cash balances in excess of this amount would be used for discretionary purposes such as treasury stock purchases.

The Company is constructing a new corporate office complex with an estimated completion during the third quarter of 2003 at an estimated cost of approximately \$30 million. Costs incurred through June 30, 2002 of approximately \$4.3 million have been paid from existing resources and cash flow. The Company continues to consider incurring indebtedness in order to finance the remaining costs of its new corporate headquarters in order to allow cash flow from operations to continue to be used to purchase treasury stock. The Company has entered into construction contracts in the amount of \$7.7 million with the general contractor pertaining to the new office complex and expects to enter into similar types of construction contracts for various phases of construction during the remainder of the construction period. Total remaining costs of construction from July 1, 2002 are estimated at approximately \$25.7 million.

On June 11, 2002, the Company entered into line of credit agreements totaling \$30 million with commercial lenders providing for a stock repurchase line and a real estate line for funding of the Company's new corporate office complex. These arrangements provide for funding of up to \$10 million to finance treasury stock purchases over the period ending March 31, 2003 with scheduled monthly repayments beginning after the initial advance and ending no later than March 31, 2004 with interest at the 30 day LIBOR Rate plus two percent, adjusted monthly. The Company plans to incur indebtedness to finance its new corporate headquarters in order to allow cash flow from operations to continue to be used to purchase treasury stock. The real estate term loan portion of up to \$20 million may be funded over the period ending December 31, 2003 will be at the 30 day LIBOR Rate plus 2.25%, adjusted monthly, and will be repayable beginning after the advance period based on a 10 year monthly amortization schedule with a balloon payment on September 30, 2008. These agreements contain normal reporting covenants and the loans will be secured by the Company's rights to receive membership fees on a portion of its memberships and a mortgage on the new headquarters. The line of credit contains covenants restricting the Company from various activities, the most significant of which restrict the Company from:

- o Pledging any of its assets;
- o Selling any assets;
- o Incurring additional indebtedness;
- o Paying any cash dividends to shareholders;
- o Making any loans or advances to other persons, except employees in connection with the exercise of stock options; and
- o Engaging in any merger or acquisition in which the Company is not the surviving corporation.

The line of credit also contains financial covenants requiring the Company to

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

maintain:

- o Quarterly debt coverage ratio (net income plus depreciation and amortization for most recent quarter divided by scheduled principal payments on the line of credit for the next quarter) of at least 125%;
- o Rolling 12 month average retention rate of memberships greater than 18 months old of at least 70% calculated quarterly;
- o Cancellation rate on contracts less than 12 months old of no more than 50% for 2002 and 45% thereafter, calculated quarterly; and
- o Ratio of total liabilities to tangible net worth of no more than 2.5 to 1.

Subsequent to June 30, the Company accessed \$1 million of the \$30 million available to it under previously announced lines of credit, and expects to access additional amounts in the future.

Actions that May Impact Retention in the Future

The potential impact on the Company's future profitability and cash flow due to future changes in Membership retention can be significant. While blended retention rates have not changed significantly over the past five years, the Company has recently taken actions that may impact retention rates in the future. Since December 31, 2001, the Company has implemented several new initiatives aimed at improving the retention rate of both new and existing Memberships. Such initiatives include a revised compensation structure, effective March 1, 2002, featuring variable renewal commission rates ranging from zero to 25% per annum based on the first year Membership retention rate of the associate's sales organization; implementation of a "non-taken" administrative fee to sales associates of \$35 for any Membership application that is processed by the Company after March 1, 2002, but for which a payment is never received; and, an increase in the amount of the commission "charge-back" for Memberships written after March 1, 2002 which are subsequently terminated from 50% of the unearned Membership commission advance balance to 100% of the unearned Membership commission advance balance. The Company is also in the process of designing and implementing an enhanced member "life cycle" communication process aimed at both increasing the overall amount of communication from the Company to the members as well as more specific target messaging to members based on the length of their Membership as well as utilization characteristics. The Company believes that such efforts may increase the utilization by members and therefore lead to higher retention rates.

Parent Company Funding and Dividends

Although the Company is the operating entity in many jurisdictions, the Company's subsidiaries serve as operating companies in various states that regulate Memberships as insurance or specialized legal expense products. The most significant of these wholly owned subsidiaries are Pre-Paid Legal Casualty, Inc. ("PPLCI") and Pre-Paid Legal Services, Inc. of Florida ("PPLSIF"). The ability of PPLCI and PPLSIF to provide funds to the Company is subject to a number of restrictions under various insurance laws in the jurisdictions in which PPLCI and PPLSIF conduct business, including limitations on the amount of dividends and management fees that may be paid and requirements to maintain specified levels of capital and reserves. In addition PPLCI will be required to maintain its stockholders' equity at levels sufficient to satisfy various state or provincial regulatory requirements, the most restrictive of which is currently \$3 million. Additional capital requirements of PPLCI or PPLSIF will be funded by the Company in the form of capital contributions or surplus debentures. At June 30, 2002, PPLSIF did not have funds available for payment of substantial dividends without the prior approval of the respective insurance commissioner. PPLCI had approximately \$5 million in surplus funds available for payment of an ordinary dividend.

The Company cautions that the Forward-Looking Statements are subject to all the risks and uncertainties incident to its business, including but not limited to risks described below. Moreover, the Company may make acquisitions or dispositions of assets or businesses, enter into new marketing arrangements or enter into financing transactions. None of these can be predicted with certainty and, accordingly, are not taken into consideration in any of the Forward-Looking Statements made herein. For all of the foregoing reasons, actual results may vary materially from the Forward-Looking Statements. The Company assumes no obligation to update the Forward-Looking Statements to reflect events or circumstances occurring after the date of the statement.

Risk Factors

There are a number of risk factors that could affect our financial condition or results of operations, including the risks that the Company's membership persistency or renewal rates may decline, that the Company may not be able to continue to grow its memberships and earnings, that the Company is dependent on the continued active participation of its principal executive officer, that pending litigation may have a material adverse effect on the Company if resolved unfavorably to the Company, that the Company could be adversely affected by regulatory developments, that competition could adversely affect the Company and that the Company is substantially dependent on its marketing force. See Note 2 - Contingencies and Item 1 - Legal Proceedings. Please refer to pages 33 and 34 of the Company's 2001 Annual Report on Form 10-K for a complete description of these risk factors.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The Company's consolidated balance sheets include a certain amount of assets and liabilities whose fair values are subject to market risk. Due to the Company's significant investment in fixed-maturity investments, interest rate risk represents the largest market risk factor affecting the Company's consolidated financial position. Increases and decreases in prevailing interest rates generally translate into decreases and increases in fair values of those instruments. Additionally, fair values of interest rate sensitive instruments may be affected by the creditworthiness of the issuer, prepayment options, relative values of alternative investments, liquidity of the instrument and other general market conditions.

As of June 30, 2002, substantially all of the Company's investments were in investment grade (rated Baa or higher) fixed-maturity investments, interest-bearing money market accounts and a collateralized repurchase agreement. The Company does not hold any investments classified as trading account assets or derivative financial instruments.

The table below summarizes the estimated effects of hypothetical increases and decreases in interest rates on the Company's fixed-maturity investment portfolio. It is assumed that the changes occur immediately and uniformly, with no effect given to any steps that management might take to counteract that change. The hypothetical changes in market interest rates reflect what could be deemed best and worst case scenarios. The fair values shown in the following table are based on contractual maturities. Significant variations in market interest rates could produce changes in the timing of repayments due to

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

prepayment options available. The fair value of such instruments could be affected and, therefore, actual results might differ from those reflected in the following table (dollars in 000's):

	Fair Value	Hypothetical change in interest rate (bp=basis points)
	-----	-----
Fixed-maturity investments at June 30, 2002 (1).....	\$ 20,621	100 bp increase 200 bp increase 50 bp decrease 100 bp decrease
Fixed-maturity investments at December 31, 2001 (1).....	\$ 18,983	100 bp increase 200 bp increase 50 bp decrease 100 bp decrease

(1) Excluding short-term investments with a fair value of \$3.0 million and \$3.3 million at June 30, 2002 and December 31, 2001, respectively.

The table above illustrates, for example, that an instantaneous 200 basis point increase in market interest rates at June 30, 2002 would reduce the estimated fair value of the Company's fixed-maturity investments by approximately \$2.8 million at that date. At December 31, 2001, an instantaneous 200 basis point increase in market interest rates would have reduced the estimated fair value of the Company's fixed-maturity investments by approximately \$2.5 million at that date. The definitive extent of the interest rate risk is not quantifiable or predictable due to the variability of future interest rates, but the Company does not believe such risk is material.

The Company primarily manages its exposure to interest rate risk by purchasing investments that can be readily liquidated should the interest rate environment begin to significantly change.

SECURITY AGREEMENT

SECURITY AGREEMENT dated June 11, 2002, made by Pre-Paid Legal Services, Inc., an Oklahoma corporation (the "Company"), and Bank of Oklahoma, N.A. (the "Bank") in connection with the Loan Agreement (as hereinafter defined).

BACKGROUND: The Company and the Bank have entered into a Loan Agreement of even date herewith (said Agreement, as it may hereafter be amended or otherwise modified from time to time, being the "Loan Agreement"). It is a material condition precedent to the making of advances by the Bank under the Loan Agreement that the Company make the pledge and grant the assignment and security interest contemplated by this Agreement. In the ordinary course of its business, the Borrower enters into legal service contracts with customers whereby the customer pays periodic membership fees and the Borrower provides certain specified legal services if and to the extent the customer needs such services. In approximately sixteen (16) states, the Borrower's contracts are regulated as insurance instruments and/or pursuant to special statutory provisions relating to legal services programs. In other jurisdictions, there is no such governmental regulation of the contracts. All of the Borrower's contracts, which are not regulated, are referred to herein as the "Contracts".

THEREFORE, in order to induce the Bank to make advances under the Loan Agreement, the Company agrees with the Bank as follows:

Section 1. Definitions. All capitalized terms used herein without definitions shall have the respective meanings provided therefor in the Loan Agreement. The term "State," as used herein, means the State of Oklahoma. All terms defined in Article 9 of the Uniform Commercial Code of the State and used herein shall have the same definitions herein as specified therein. The term "Obligations," as used herein, means all of the indebtedness, obligations, and liabilities of the Company to the Bank, individually or collectively, whether direct or indirect, joint or several, absolute or contingent, due or to become due, now existing or hereafter arising under or in respect of the Loan Agreement, and any promissory notes or other instruments or agreements executed and delivered pursuant thereto or in connection therewith or this Agreement, and the term "Event of Default," as used herein, means the failure of the Company to pay or perform any of the Obligations as and when due to be paid or performed under the terms of the Loan Agreement, or the occurrence of any Default or Event of Default, as those terms are defined in the Loan Agreement.

Section 2. Grant of Security Interest. The Company hereby grants to the Bank, to secure the payment and performance in full of all of the Obligations, a security interest in and so pledges and assigns to the Bank the following properties, assets, and rights of the Company, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof (all of the same being hereinafter called the "Collateral"): all rights to receive payments from members and/or to receive any other payments or revenues of any nature whatsoever pursuant to the terms of the Contracts or otherwise associated with the Contracts.

Section 3. Authorization to File Financing Statements. The Company hereby irrevocably authorizes the Bank at any time and from time to time to file in any Uniform Commercial Code jurisdiction any initial financing statements and amendments thereto that describe the Collateral and contain any other

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

information required by Article 9 of the Uniform Commercial Code of the State for the sufficiency or filing office acceptance of any financing statement or amendment, including whether the Company is an organization, the type of organization and any organization identification number issued to the Company. The Company agrees to furnish any such information to the Bank promptly upon request. The Company also ratifies its authorization for the Bank to have filed in any Uniform Commercial Code jurisdiction any like initial financing statements or amendments thereto if filed prior to the date hereof.

Section 4. Representations and Warranties Concerning Company's Legal Status. The Company has previously delivered to the Bank a certificate signed by the Company and entitled "Perfection Certificate" (the "Perfection Certificate"). The Company represents and warrants to the Bank as follows: (a) the Company's exact legal name is that indicated on the Perfection Certificate and on the signature page hereof, (b) the Company is an organization of the type and organized in the jurisdiction set forth in the Perfection Certificate, (C) the Perfection Certificate accurately sets forth the Company's organizational identification number or accurately states that the Company has none, (d) the Perfection Certificate accurately sets forth the Company's place of business or, if more than one, its chief executive office as well as the Company's mailing address if different, and (e) all other information set forth on the Perfection Certificate pertaining to the Company is accurate and complete.

Section 5. Covenants Concerning Company's Legal Status. The Company covenants with the Bank as follows: (a) without providing at least 30 days prior written notice to the Bank, the Company will not change its name, its place of business or, if more than one, chief executive office, or its mailing address or organizational identification number if it has one, (b) if the Company does not have an organizational identification number and later obtains one, the Company shall forthwith notify the Bank of such organizational identification number, and (c) the Company will not change its type of organization, jurisdiction of organization, or other legal structure.

Section 6. Representations and Warranties Concerning Collateral, Etc. The Company further represents and warrants to the Bank as follows: (a) the Company is the owner of the Collateral, free from any adverse lien, security interest, or other encumbrance, except for the security interest created by this Agreement, (b) all lists and other supporting documentation furnished to Bank with respect to the Contracts is true and correct in all material respects; and (c) all other information set forth on the Perfection Certificate pertaining to the Collateral is accurate and complete.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

7.1 Expenses Incurred by Bank. In its discretion, the Bank may discharge taxes and other encumbrances at any time levied or placed on any of the Collateral, and pay any necessary filing fees or other amounts necessary to preserve the value associated with the Contracts. The Company agrees to reimburse the Bank on demand for any and all expenditures so made. The Bank shall have no obligation to the Company to make any such expenditures, nor shall the making thereof relieve the Company of any default.

7.2 Bank's Obligations and Duties. Anything herein to the contrary notwithstanding, the Company shall remain liable under all Contracts and shall perform all obligations to be observed or performed by the Company thereunder. The Bank shall not have any obligation or liability under any such contract or agreement by reason of or arising out of this Agreement or the receipt by the Bank of any payment relating to any of the Collateral, nor shall the Bank be obligated in any manner to perform any of the obligations of the Company under or pursuant to any such contract or agreement, to make inquiry as to the nature or sufficiency of any payment received by the Bank in respect of the Collateral or as to the sufficiency of any performance by any party under any such contract or agreement, to present or file any claim, to take any action to enforce any performance, or to collect the payment of any amounts which may have been assigned to the Bank or to which the Bank may be entitled at any time or times. The Bank's sole duty with respect to the custody, safe keeping, and physical preservation of the Collateral in its possession, shall be to deal with such Collateral in the same manner as the Bank deals with similar property for its own account.

Section 8. Contracts and Deposits. The Bank may at any time following and during the continuance of an Event of Default, at its option, transfer to itself or any nominee the Collateral, receive any income thereon, and hold such income as additional Collateral or apply it to the Obligations. Whether or not any Obligations are due, the Bank may following and during the continuance of an Event of Default demand, sue for, collect, or make any settlement or compromise which it deems desirable with respect to the Collateral. Regardless of the adequacy of Collateral or any other security for the Obligations, any deposits or other sums at any time credited by or due from the Bank to the Company may at any time be applied to or set off against any of the Obligations.

Section 9. Control of Collateral Proceeds. If an Event of Default shall have occurred and be continuing, the Company shall, at the request of the Bank, take any action requested by the Bank to ensure that the Bank obtains the full and immediate control of the Collateral. After the making of such a request or the giving of any such notification, the Company shall hold any proceeds associated with the Contracts as trustee for the Bank without commingling the same with other funds of the Company and shall turn the same over to the Bank in the identical form received, together with any necessary endorsements or assignments. The Bank shall apply the proceeds associated with the Contracts to the Obligations, such proceeds to be immediately entered after final payment in cash or other immediately available funds of the items giving rise to them.

Section 10. Power of Attorney.

10.1 Appointment and Powers of Bank. The Company hereby irrevocably constitutes and appoints the Bank and any officer or agent thereof, with full power of substitution as its true and lawful attorneys-in-fact with full irrevocable power and authority in the place and stead of the Company or in the Bank's own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Agreement and, without limiting the generality of the foregoing, hereby gives said attorneys the power and right, on behalf of the Company, without notice to or assent by the

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

Company, to do the following:

(a) upon the occurrence and during the continuance of an Event of Default, to sell, transfer, pledge, make any agreement with respect to, or otherwise deal with any of the Collateral in such manner as is consistent with the Uniform Commercial Code of the State of Oklahoma and as fully and completely as though the Bank were the absolute owner thereof for all purposes, and to do at the Company's expense, at any time, or from time to time, all acts and things which the Bank deems necessary to protect, preserve, or realize upon the Collateral and the Bank's security interest therein, in order to effect the intent of this Agreement, all as fully and effectively as the Company might do; and

(b) to the extent that the Company's authorization given in Section 3 is not sufficient, to file such financing statements with respect hereto, with or without the Company's signature, or a photocopy of this Agreement in substitution for a financing statement, as the Bank may deem appropriate and to execute in the Company's name such financing statements and amendments thereto and continuation statements which may require the Company's signature.

10.2 Ratification by Company. To the extent permitted by law, the Company hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

10.3 No Duty on Bank. The powers conferred on the Bank hereunder are solely to protect its interests in the Collateral and shall not impose any duty upon it to exercise any such powers. The Bank shall be accountable only for the amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees or agents shall be responsible to the Company for any act or failure to act, except for the Bank's own gross negligence or willful misconduct.

Section 11. Remedies. If an Event of Default shall have occurred and be continuing, the Bank may, without notice to or demand upon the Company, declare this Agreement to be in default, and the Bank shall thereafter have in any jurisdiction in which enforcement hereof is sought, in addition to all other rights and remedies, the rights and remedies of a secured party under the Uniform Commercial Code of the State of Oklahoma. The Bank may in its discretion require the Company to assemble all or any part of the Collateral at such location or locations within the jurisdiction(s) of the Company's principal office(s) or at such other locations as the Bank may reasonably designate. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Bank shall give to the Company at least five business days prior written notice of the time and place of any public sale of Collateral or of the time after which any private sale or any other intended disposition is to be made. The Company hereby acknowledges that five business days prior written notice of such sale or sales shall be reasonable notice. In addition, the Company waives any and all rights that it may have to a judicial hearing in advance of the enforcement of any of the Bank's rights hereunder, including, without limitation, its right following an Event of Default to take immediate possession of the Collateral and to exercise its rights with respect thereto.

Section 12. Standards for Exercising Remedies. To the extent that applicable law imposes duties on the Bank to exercise remedies in a commercially reasonable manner, the Company acknowledges and agrees that it is not commercially unreasonable for the Bank (a) to fail to incur expenses reasonably deemed significant by the Bank to prepare Collateral for disposition or otherwise to complete raw material or work in process into finished goods or other finished

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

products for disposition, (b) to fail to obtain third-party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third-party consents for the collection or disposition of Collateral to be collected or disposed of, (c) to fail to exercise collection remedies against account debtors or other persons obligated on Collateral or to remove liens or encumbrances on or any adverse claims against Collateral, (d) to exercise collection remedies against account debtors and other persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (e) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (f) to contact other persons, whether or not in the same business as the Company, for expressions of interest in acquiring all or any portion of the Collateral, (g) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the collateral is of a specialized nature, (h) to dispose of Collateral by utilizing Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets, (i) to dispose of assets in wholesale rather than retail markets, (j) to disclaim disposition warranties, (k) to purchase insurance or credit enhancements to insure the Bank against risks of loss, collection, or disposition of Collateral or to provide to the Bank a guaranteed return from the collection or disposition of Collateral, or (l) to the extent deemed appropriate by the Bank, to obtain the services of other brokers, investment bankers, consultants, and other professionals to assist the Bank in the collection or disposition of any of the Collateral. The Company acknowledges that the purpose of this Section 12 is to provide nonexhaustive indications of what actions or omissions by the Bank would not be commercially unreasonable in the Bank's exercise of remedies against the Collateral and that other actions or omissions by the Bank shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 12. Without limitation upon the foregoing, nothing contained in this Section 12 shall be construed to grant any rights to the Company or to impose any duties on the Bank that would not have been granted or imposed by this Agreement or by applicable law in the absence of this Section 12.

Section 13. No Waiver by Bank, Etc. The Bank shall not be deemed to have waived any of its rights upon or under the Obligations or the Collateral unless such waiver shall be in writing and signed by the Bank. No delay or omission on the part of the Bank in exercising any right shall operate as a waiver of such right or any other right. A waiver on any one occasion shall not be construed as a bar to or waiver of any right on any future occasion. All rights and remedies of the Bank with respect to the Obligations or the Collateral, whether evidenced hereby or by any other instrument or papers, shall be cumulative and may be exercised singularly, alternatively, successively, or concurrently at such time or at such times as the Bank deems expedient.

Section 14. Marshalling. The Bank shall not be required to marshal any present or future collateral security (including but not limited to this Agreement and the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights, however existing or arising. To the extent that it lawfully may, the Company hereby agrees that it will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Bank's rights under this Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, the Company hereby irrevocably waives the benefits of all such laws.

Section 15. Proceeds of Dispositions; Expenses. The Company shall pay to the

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

Bank on demand any and all expenses, including reasonable attorneys' fees and disbursements, incurred or paid by the Bank in protecting, preserving, or enforcing the Bank's rights under or in respect of any of the Obligations or any of the Collateral. After deducting all of said expenses, the residue of any proceeds of collection or sale of the Obligations or Collateral shall, to the extent actually received in cash, be applied to the payment of the Obligations in such order or preference as the Bank may determine or in such order or preference as is provided in the Loan Agreement, proper allowance and provision being made for any Obligations not then due. Upon the final payment and satisfaction in full of all of the Obligations and after making any payments required by the Uniform Commercial Code of the State, any excess shall be returned to the Company, and the Company shall remain liable for any deficiency in the payment of the Obligations.

Section 16. Overdue Amounts. Until paid, all amounts due and payable by the Company hereunder shall be a debt secured by the Collateral and shall bear, whether before or after judgment, interest at the rate of interest for overdue principal set forth in the Loan Agreement.

Section 17. Governing Law; Consent to Jurisdiction. This Agreement will be construed in accordance with the laws of the State of Oklahoma. The Company agrees that any suit for the enforcement of this Agreement may be brought in the courts of the State of Oklahoma or any federal court sitting therein and consents to the nonexclusive jurisdiction of such court and to service of process in any such suit being made upon the Company by mail at the address specified in the Loan Agreement. The Company hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

Section 18. Waiver of Jury Trial. THE COMPANY WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER, OR THE PERFORMANCE OF ANY SUCH RIGHTS OR OBLIGATIONS. Except as prohibited by law, the Company waives any right which it may have to claim or recover in any litigation referred to in the preceding sentence any special, exemplary, punitive, or consequential damages or any damages other than, or in addition to, actual damages.

Section 19. Miscellaneous. The headings of each section of this Agreement are for convenience only and shall not define or limit the provisions thereof. This Agreement and all rights and obligations hereunder shall be binding upon the Company and its respective successors and assigns, and shall inure to the benefit of the Bank and its successors and assigns. If any term of this Agreement shall be held to be invalid, illegal, or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Agreement shall be construed and be enforceable as if such invalid, illegal, or unenforceable term had not been included herein.

1. Payment of Debt. If the Mortgagor shall pay the indebtedness herein described and shall in all things do and perform all other acts and agreements herein contained to be done, then, in that event only, this Mortgage shall be and become null and void.

2. Maintenance; Waste. With respect to the Mortgaged Premises, the Mortgagor covenants and agrees: (i) to keep the same in good condition and repair; (ii) to pay all general and special taxes and assessments and other charges that may be levied or assessed upon or against the same as they become due and payable and to furnish to the Mortgagee receipts showing payment of any such taxes and assessments, if demanded; (iii) to pay all debts for repair or improvements now existing or hereafter arising which may become liens upon or charges against the Mortgaged Premises; (iv) to comply with or cause to be complied with all requirements of any governmental authority relating to the Mortgaged Premises; (v) to promptly repair, restore, replace or rebuild any part of the Mortgaged Premises which may be damaged or destroyed by any casualty whatsoever or which may be affected by any condemnation proceeding or exercise of eminent domain; and (vi) to promptly notify the Mortgagee of any damage to the Mortgaged Premises in excess of Fifty Thousand Dollars (\$50,000.00). The Mortgagor further covenants and agrees that the Mortgagor will not: (i) commit or suffer to be committed any waste of the Mortgaged Premises; (ii) initiate, join in or consent to any change in any private restrictive covenant, zoning ordinance or other public or private restrictions limiting or defining the uses which may be made of the Mortgaged Premises or any part thereof; or (iv) permit any lien or encumbrance of any kind or character to accrue or remain on the Mortgaged Premises or any part thereof which might take precedence over the lien of this Mortgage, except the matters described at Schedule "C".

3. Insurance. The Mortgagor will keep the Mortgaged Premises insured for the benefit of the Mortgagee against loss or damage by fire, lightning, windstorm, hail, explosion, riot, riot attending a strike, civil commotion, aircraft, vehicles, smoke, vandalism and malicious mischief and (as, when and to the extent insurance against war risks is obtainable from the United States of America or any agency thereof) against war risks, all in amounts approved by the Mortgagee, and shall provide the Mortgagee with policies of liability insurance in amounts approved by Mortgagee, and flood insurance in an amount equal to the

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

lesser of the outstanding principal balance of the indebtedness secured hereby or the maximum amount of coverage made available with respect to the Mortgaged Premises under the National Flood Insurance Program (or evidence satisfactory to Mortgagee that the Mortgaged Premises are not located in an area designated by the Federal Emergency Management Agency or any other governmental agency as an area having special flood or mudslide hazards and that flood insurance is not required for this loan under the terms of any law, regulation or rule governing Mortgagee's activities), and when and to the extent required by the Mortgagee, against any other risk insured against by persons operating like properties in the locality of the Mortgaged Premises. All insurance herein provided for shall be in form approved by the Mortgagee. Regardless of the types or amounts of insurance required and approved by the Mortgagee, the Mortgagor will assign and deliver to the Mortgagee all policies of insurance which insure against any loss or damage to the Mortgaged Premises, as collateral and further security for the payment of the money secured by this Mortgage, with loss payable to the Mortgagee pursuant to a mortgage clause satisfactory to Mortgagee. If the Mortgagee by reason of such insurance receives any money for loss or damage, such amount may, at the option of the Mortgagee, be retained and applied by the Mortgagee toward payment of the moneys secured by this Mortgage, or be paid over wholly or in part to the Mortgagor for the repair of said buildings or for the erection of new buildings in their place, or for any other purpose or object satisfactory to the Mortgagee, but the Mortgagee shall not be obligated to see to the proper application of any amount paid over to the Mortgagor. Not less than fifteen (15) days prior to the expiration dates of each policy required of the Mortgagor pursuant to this paragraph, the Mortgagor will deliver to the Mortgagee a renewal policy or policies marked "premium paid" or accompanied by other evidence of payment satisfactory to the Mortgagee, and in the event of a foreclosure of this Mortgage, the purchaser of the Mortgaged Premises shall succeed to all the rights of the Mortgagor, including any right to unearned premiums, in and to all policies of insurance assigned and delivered to the Mortgagee pursuant to the provisions of this paragraph. Mortgagor specifically covenants and agrees that in the event Mortgagor has provided Mortgagee with evidence satisfactory to Mortgagee that flood insurance covering the Mortgaged Premises should not be required at time of execution of this Mortgage and the Mortgaged Premises should thereafter become eligible for flood insurance under the National Flood Insurance Program, or under any subsequent Act of Congress of the United States, and should the Mortgaged Premises be located in an area now or thereafter designated by the Federal Emergency Management Agency or any other governmental agency as an area having special flood or mudslide hazards, Mortgagor and Mortgagor's successors in title shall maintain at their sole cost and expense flood insurance available under the National Flood Insurance Program, in such amounts and in such form as may be required by Mortgagee.

4. Alterations. No building or other property now or hereafter subject to the lien of this Mortgage shall be removed, demolished or materially altered, without the prior written consent of the Mortgagee, except that the Mortgagor shall have the right, without such consent, to remove and dispose of, free from the lien of this Mortgage, such Collateral as from time to time may become worn or obsolete, provided that either: (i) simultaneously with or prior to such removal, any such Collateral shall be replaced with other Collateral of a value at least equal to that of the replaced Collateral and free from any title retention device, security agreement or other encumbrance, and by such removal or replacement, the Mortgagor shall be deemed to have subjected such Collateral to the lien of this Mortgage; or (ii) any net cash proceeds received from such disposition shall be paid over promptly to the Mortgagee to be applied to the last installments due on the indebtedness hereby secured, without any charge for prepayment.

5. Default; Remedies. Upon the failure of the Mortgagor to pay any of the taxes, assessments, debts, liens or other charges as the same become due and payable, or to insure the Mortgaged Premises or deliver the policies of insurance as herein provided, or to perform any of the Mortgagor's covenants and agreements

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

herein, the Mortgagee is hereby authorized, at its option, to insure the Mortgaged Premises, or any part thereof, and pay the costs of such insurance, and to pay such taxes, assessments, debts, liens or other charges herein described, or any part thereof, and to remedy the Mortgagor's failure to perform hereunder and pay the costs associated therewith, and the Mortgagor hereby agrees to refund on demand all sum or sums so paid, with interest thereon at a rate equal to five percent (5%) per annum in excess of the interest rate stated in the Notes; and any such sum or sums so paid together with interest thereon shall become a part of the indebtedness hereby secured; provided, however, that the retention of a lien hereunder for any sum so paid shall not be a waiver of subrogation or substitution which the Mortgagee might otherwise have. In the event of the failure of the Mortgagor to pay any of the taxes, assessments, debts, liens or other charges herein described as the same become due and payable or to keep the Mortgaged Premises insured in the manner and time herein provided, or the failure to deliver renewal policies in the manner and time herein provided, or if any installment of principal or interest is not paid at or within the time required by the terms of the Notes, or in the case of the actual or threatened destruction, demolition, removal, condemnation or taking of all or any part of the Mortgaged Premises, or the failure to do any of the things herein agreed to be done, or on the breach of any of the terms of the Notes, this Mortgage or any other instrument securing or evidencing the indebtedness hereby secured, then, in any of such events, whether the Mortgagee has paid any of the taxes, liens or other charges, or procured the insurance, or remedied the Mortgagor's failure to perform, all as above mentioned, or not, the Mortgagor shall be in default hereunder. In the event of default, the Mortgagee may either: (i) declare the principal of the Notes, all interest accrued thereon and all other sums hereby secured, without deduction and without notice, to be immediately due and payable, and the Mortgagee will be entitled to foreclose this Mortgage by judicial proceeding, or (ii) after any notice to the Mortgagor required by the Oklahoma Power of Sale Mortgage Foreclosure Act, 46 Okla. Stat. ss. 41 et seq. (1991), as amended from time to time (the "Act") declare the principal of the Notes, all interest accrued thereon and all other sums hereby secured, without deduction, to be immediately due and payable, and the Mortgagee will be entitled to foreclose this Mortgage by power of sale pursuant to the provisions of the Act. The Mortgagor hereby confers upon the Mortgagee and grants to the Mortgagee the power to sell the Mortgaged Premises pursuant to the Act or any other applicable authority. On default, the Mortgagee will be entitled to exercise all further and additional remedies as might now or hereafter be accorded to the Mortgagee at law or in equity. Whether the Mortgagee elects to foreclose this Mortgage by judicial proceeding or by power of sale, the Mortgagee shall, immediately on default, be entitled to the possession of the Mortgaged Premises and the rents and profits thereof, and shall be entitled to have a receiver appointed to take possession of the Mortgaged Premises without notice, which notice the Mortgagor hereby waives, notwithstanding anything contained in this Mortgage or any law heretofore or hereafter enacted. No action of the Mortgagee based upon the provisions contained herein or contained in the Act, including, without limitation, the giving of any of the notices provided for in the Act shall constitute an election of remedies which would preclude the Mortgagee from pursuing judicial foreclosure before or at any time after commencement of the power of sale foreclosure procedure.

6. Taxes; Expenses. The Mortgagor agrees to pay any and all taxes which may be levied or assessed directly or indirectly upon the Notes, this Mortgage and the indebtedness hereby secured, and further agrees to pay all expenses incurred in connection with the creation of the indebtedness hereby secured, including, without limitation, all broker's fees, real estate commissions, attorney's fees, title guaranty fees, survey expenses, appraiser's fees, abstracting expenses, recording costs and lien indemnification fees, without regard to any law which may be hereafter enacted imposing payment of the whole or any part thereof upon the Mortgagee; and, upon violation of this agreement, or upon the rendering by any court of competent jurisdiction of a decision that such an agreement by a

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

Mortgagor is legally inoperative, or if the rate of said taxes and expenses added to the rate of interest provided for in the Notes shall exceed the then legal rate of interest, then, and in any such event, the indebtedness hereby secured, without deduction, shall, at the option of the Mortgagee become immediately due and payable, anything contained in this Mortgage or in the Notes notwithstanding. The additional amounts which may become due and payable hereunder shall be regarded as part of the indebtedness secured by this Mortgage.

7. Expenses of Collection. It is agreed that if, and as often as, this Mortgage or the Notes is placed in the hands of an attorney for collection, or to protect the priority or validity of this Mortgage, or to prosecute or defend any suit affecting the Mortgaged Premises, or to enforce or defend any of the Mortgagee's rights hereunder, the Mortgagor shall pay to the Mortgagee its reasonable attorney's fees, together with all court costs, expenses for title examination, title insurance or other disbursements relating to the Mortgaged Premises, which sums shall be secured hereby.

8. Appraisalment. Appraisalment of the Mortgaged Premises is hereby expressly waived, or not, at the option of the Mortgagee, such option to be exercised at the time judgment is rendered in any foreclosure hereof, or at any time prior thereto.

9. Condemnation Awards. The Mortgagor covenants and agrees that if at any time all or any portion of the Mortgaged Premises shall be taken or damaged under the power of eminent domain, the award received by condemnation proceedings for any property so taken or any payment received in lieu of such condemnation proceedings shall be paid directly to the Mortgagee and all or any portion of such award or payment, at the option of the Mortgagee, shall be applied to the indebtedness hereby secured in payment of the last maturing installments of the indebtedness or paid over, wholly or in part, to the Mortgagor for the purpose of altering, restoring or rebuilding any part of the Mortgaged Premises which may have been altered, damaged or destroyed as a result of any such taking or damage, or for any other purpose or object satisfactory to Mortgagee; provided that the Mortgagee shall not be obligated to see to the application of any amount paid over to the Mortgagor. The Mortgagor immediately upon obtaining knowledge of the institution of any proceedings or negotiations for the condemnation of the Mortgaged Premises, or any portion thereof, will notify the Mortgagee of the pendency of such negotiations or proceedings. The Mortgagee may participate in any such negotiations or proceedings, and the Mortgagor from time to time will execute and deliver to the Mortgagee all instruments requested by the Mortgagee to permit such participation.

10. Sale in Parcels. In case of any sale under this Mortgage by virtue of judicial proceedings or otherwise, the Mortgaged Premises may be sold in one parcel and as an entirety or in such parcels, manner or order as the Mortgagee in its sole discretion may elect, and the Mortgagor waives any and all rights which the Mortgagor may have to insist upon the sale of the Mortgaged Premises in one parcel or in separate parcels.

11. Certificate. The Mortgagor, upon request, made either personally or by mail, shall certify, by a writing duly acknowledged, to the Mortgagee or to any proposed assignee of this Mortgage, the amount of principal and interest then owing on this Mortgage and whether any offsets or defenses exist against the indebtedness hereby secured, within ten (10) days after the mailing of such request.

12. Notice. Except as otherwise provided herein, any and all notices, elections, demands, requests and responses thereto permitted or required to be given under this Mortgage shall be made pursuant to Section 12.3 of the Loan Agreement.

13. Future Advancements. This Mortgage shall secure the payment of the Notes,

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

including any and all advancements made by the Mortgagee thereunder, and any and all additional indebtedness of the Mortgagor to the Mortgagee incurred in connection with the Mortgaged Premises or any improvements now or hereafter located thereon, whether or not incurred or becoming payable under the provisions hereof and whether as future advancements or otherwise, together with any renewals, modifications, rearrangements, consolidations or extensions of the Notes or other indebtedness.

14. Inspection; Management. The Mortgagee and any persons authorized by the Mortgagee shall have the right to enter and inspect the Mortgaged Premises at all reasonable times. If, at any time after default by the Mortgagor in the performance of any of the terms, covenants or provisions of this Mortgage or the Notes, the management or maintenance of the Mortgaged Premises shall be determined by the Mortgagee to be unsatisfactory, the Mortgagor shall employ, for the duration of such default, as managing agent of the Mortgaged Premises, any person from time to time designated or approved by the Mortgagee.

15. Payment by Others. Any payment made in accordance with the terms of this Mortgage by any person at any time liable for the payment of the whole or any part of the indebtedness now or hereafter secured by this Mortgage, or by any subsequent owner of the Mortgaged Premises, or by any other person whose interest in the Mortgaged Premises might be prejudiced in the event of a failure to make such payment, or by any stockholder, officer or director of a corporation or any partner of a partnership or trustee or beneficial owner of a trust which at any time may be liable for such payment or may own or have such an interest in the Mortgaged Premises, shall be deemed, as between the Mortgagee and all persons who at any time may be liable as aforesaid or may own the Mortgaged Premises, to have been made on behalf of the Mortgagor.

16. No Waiver. Any failure by the Mortgagee to insist upon the strict performance by the Mortgagor of any of the terms and provisions hereof shall not be deemed to be a waiver of any of the terms and provisions hereof, and the Mortgagee, notwithstanding any such failure, shall have the right thereafter to insist upon the strict performance by the Mortgagor of any and all of the terms and provisions of this Mortgage to be performed by the Mortgagor. Neither the Mortgagor nor any other person now or hereafter obligated for the payment of the whole or any part of the indebtedness now or hereafter secured by this Mortgage shall be relieved of such obligation by reason of the failure of the Mortgagee to comply with any request of the Mortgagor or of any other person so obligated to take action to foreclose this Mortgage or otherwise enforce any of the provisions of this Mortgage or of any obligations secured by this Mortgage, or by reason of the release, regardless of consideration, of the whole or any part of the security held for the indebtedness secured by this Mortgage, or by reason of any agreement or stipulation between any subsequent owner or owners of the Mortgaged Premises and the Mortgagee extending, from time to time, the time of payment or modifying the terms of the Notes or this Mortgage without first having obtained the consent of the Mortgagor or such other person, and in the latter event, the Mortgagor and all such other persons shall continue liable to make such payments according to the terms of any such agreement of extension or modification unless expressly released and discharged in writing by the Mortgagee. Regardless of consideration, and without the necessity for any notice to or consent by the holder of any subordinate lien on the Mortgaged Premises, the Mortgagee may release the obligation of anyone at any time liable for any of the indebtedness secured by this Mortgage or any part of the security held for such indebtedness and may from time to time extend the time of payment or otherwise modify the terms of the Notes and/or this Mortgage without, as to the security for the remainder thereof, in any way impairing or affecting the lien of this Mortgage or the priority of such lien, as security for the payment of the indebtedness as it may be so extended or modified, over any subordinate lien. The holder of any subordinate lien shall have no right to terminate any lease affecting the Mortgaged Premises whether or not such lease be subordinate to this Mortgage. The Mortgagee may resort for the payment of indebtedness

hereby secured to any other security therefor held by the Mortgagee in such order and manner as the Mortgagee may elect.

17. Cumulative Remedies. The rights of the Mortgagee arising under the clauses and covenants contained in this Mortgage shall be separate, distinct and cumulative and none of them shall be in exclusion of the other. No act of the Mortgagee shall be construed as an election to proceed under any one provision herein to the exclusion of any other provision, anything herein or otherwise to the contrary notwithstanding.

18. Security Interest. This Mortgage shall also be considered to be and shall be construed as a security agreement with respect to any property described herein which is not a part of the real property described herein.

18.1 Assembly of Collateral. Upon default hereunder and acceleration of the indebtedness pursuant to the provisions hereof, the Mortgagee may at its discretion require the Mortgagor to assemble the Collateral and make it available to the Mortgagee at a place reasonably convenient to both parties to be designated by the Mortgagee.

18.2 Notice of Sale. The Mortgagee shall give the Mortgagor written notice of the time and place of any public sale of any of the Collateral or of the time after which any private sale or other intended disposition thereof is to be made by sending notice to the Mortgagor at least five (5) days before the time of the sale or other disposition, which provisions for notice the Mortgagor agrees are reasonable.

18.3 Additional Documents. The Mortgagor will from time to time within ten (10) days after request by the Mortgagee, execute (if requested or if otherwise required by law), acknowledge and deliver any financing statement, renewal affidavit, certificate, continuation statement, inventory or other documents that the Mortgagee may request in order to protect, preserve, continue, extend or maintain the security interest under and the priority of this Mortgage and will, upon demand, pay any expenses incurred by the Mortgagee in the preparation, execution and filing of any such documents.

19. Bankruptcy. The entire indebtedness secured by this Mortgage shall become and immediately be due at the option of the Mortgagee if by order of a court of competent jurisdiction a receiver or liquidator or trustee of the Mortgagor, any guarantor of the Notes or of all or any part of the Mortgaged Premises, shall be appointed and shall not have been discharged within sixty (60) days; or, if by decree of such court, the Mortgagor or any guarantor of the Notes shall be adjudicated bankrupt or insolvent or the Mortgaged Premises shall have been sequestered and such decree shall have continued undischarged and unstayed for sixty (60) days after the entry thereof; or if the Mortgagor or any guarantor of the Notes shall file a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy or insolvency law or shall consent to the filing of any bankruptcy petition against the Mortgagor or any guarantor of the Notes under any such law; or if the Mortgagor or any guarantor of the Notes shall file a petition or answer seeking reorganization or an arrangement with creditors; or if (without limitation of the generality of the foregoing) the Mortgagor or any guarantor of the Notes shall make an assignment for the benefit of creditors, or shall admit in writing an inability to pay debts generally as they become due, or shall consent to the appointment of a receiver, or trustee or liquidator of the Mortgagor, any guarantor of the Notes or of all or any part of the Mortgaged Premises.

20. Mineral Interests. The Mortgagor agrees that the making of any oil, gas or mineral lease or the sale or conveyance of any mineral interest or right to explore for minerals under, through or upon the Mortgaged Premises would impair the value of the Mortgaged Premises as security for payment of the indebtedness

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

and that the Mortgagor shall have no right, power or authority to lease the Mortgaged Premises, or any part thereof, for oil, gas or other mineral purposes, or to grant, assign or convey any mineral interest of any nature, or the right to explore for oil, gas and other minerals, without first obtaining from the Mortgagee express written permission, which permission shall not be valid until recorded. The Mortgagor further agrees that if the Mortgagor shall make any such lease or attempt to grant any such mineral rights without such prior written permission, then the Mortgagee shall have the option, without notice, to declare the same to be a default hereunder and to declare the indebtedness hereby secured immediately due and payable. Whether or not the Mortgagee shall consent to such lease or grant of mineral rights, the Mortgagee shall receive the entire consideration to be paid for such lease or grant of mineral rights, with the same to be applied upon the indebtedness hereby secured; provided, however, that the acceptance of such consideration shall in no way impair the lien of this Mortgage on the entire Mortgaged Premises and all rights therein, including all mineral rights.

21. Prohibited Acts. The Mortgagor will not: (a) sell, convey, mortgage or otherwise transfer or encumber all or any part of the Mortgaged Premises except as may otherwise be permitted the Agreement; or (b) sell, convey, pledge or encumber or permit the sale, conveyance, pledge or encumbrance of any of the interests in the entity owning the Mortgaged Premises, or change or dissolve such entity except as may otherwise be permitted by the Agreement. The occurrence of any of the aforesaid events without the Mortgagee's prior written approval, at the Mortgagee's option, shall constitute an event of default hereunder, and the Mortgagee may declare the indebtedness hereby secured immediately due and payable and exercise any or all of the Mortgagee's rights herein provided. This provision shall apply to each and every sale, conveyance, transfer or encumbrance, regardless of whether or not the Mortgagee has consented to or waived its rights hereunder, whether by action or inaction, in connection with any previous sale, conveyance, transfer or encumbrance, whether one or more.

22. Rules, Regulations, Environmental Laws. The Mortgagor hereby represents, warrants and covenants: (i) that the location, construction, occupancy, operation and use of the Mortgaged Premises do not violate any applicable law, statute, ordinance, rule, regulation, order or determination of any governmental authority or any board of fire underwriters (or other body exercising similar functions), or any restrictive covenant or deed restriction (recorded or otherwise) affecting the Mortgaged Premises, including without limitation all applicable zoning ordinances and building codes, flood disaster laws and health and environmental laws and regulations (hereinafter sometimes collectively called "Applicable Regulations"); (ii) without limitation of (i) above, that the Mortgaged Premises and the Mortgagor are not in violation of or subject to any existing, pending or threatened investigation or inquiry by any governmental authority or to any remedial obligations under any Applicable Regulations pertaining to health or the environment (hereinafter sometimes collectively called "Applicable Environmental Laws"), including without limitation the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 (as amended, hereinafter called "CERCLA"), the Resource Conservation and Recovery Act of 1976, as amended (as amended, hereinafter called "RCRA"), and the Oklahoma laws covering Water and Water Rights, the Oklahoma Solid Waste Management Act, the Oklahoma Controlled Industrial Waste Disposal Act and the Oklahoma Clean Air Act, and this representation and warranty would continue to be true and correct following disclosure to the applicable governmental authorities of all relevant facts, conditions and circumstances, if any, pertaining to the Mortgaged Premises; (iii) that the Mortgagor has not obtained and is not required to obtain any permits, licenses or similar authorizations to construct, occupy, operate or use any buildings, improvements, fixtures and equipment forming a part of the Mortgaged Premises by reason of any Applicable Environmental Laws; (iv) that the Mortgagor has taken all steps necessary to

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

determine and has determined that no hazardous substances, solid wastes or other substances known or suspected to pose a threat to health or the environment ("Hazards") have been disposed of or otherwise released on or to the Mortgaged Premises; (v) that the use which the Mortgagor makes and intends to make of the Mortgaged Premises will not result in the disposal or other release of any hazardous substance or solid waste on or to the Mortgaged Premises; (vi) that the Mortgagor will not cause or permit the Mortgaged Premises or the Mortgagor to be in violation of, or do anything or permit anything to be done which will subject the Mortgaged Premises to any remedial obligations under the Applicable Regulations; (vii) that the Mortgagor will promptly notify the Mortgagee in writing of any existing, pending, or to the best knowledge of the Mortgagor, threatened investigation or inquiry by any governmental authority in connection with any Applicable Regulations; and (viii) that Mortgagor will not cause or permit the disposal or other release of any hazardous substance, solid waste or Hazards on the Mortgaged Premises and covenants and agrees to keep or cause the Mortgaged Premises to be kept free of any hazardous substances, solid wastes or Hazards and to remove the same (or if removal is prohibited by law, to take whatever action is required by law) promptly upon discovery at the Mortgagor's sole expense. The terms (as used in this Mortgage) "hazardous substance" and "release" shall have the meanings specified in CERCLA, and the terms "solid waste" and "disposal" (or "disposed") shall have the meanings specified in RCRA; provided, in the event either CERCLA or RCRA is amended so as to broaden the meaning of any term defined thereby, such broader meaning shall apply subsequent to the effective date of such amendment and provided further, to the extent that the laws of the State of Oklahoma establish a meaning for "hazardous substance", "release", "solid waste", or "disposal" which is broader than that specified in either CERCLA or RCRA, such broader meaning shall apply.

23. Indemnity. The Mortgagor agrees to indemnify and hold the Mortgagee harmless from and against and to reimburse the Mortgagee with respect to, any and all claims, demands, causes of action, loss, damage, liabilities, costs and expenses (including attorneys' fees and court costs) of any and every kind or character, known or unknown, fixed or contingent, asserted against or incurred by the Mortgagee at any time and from time to time by reason of or arising out of: (i) the breach of any representation or warranty of the Mortgagor set forth in this Mortgage; (ii) the failure of the Mortgagor to perform any obligation herein required to be performed by the Mortgagor; (iii) the presence, disposal, release, threatened release, removal or production of any hazardous substances, solid wastes or Hazards which are on, in, from or affecting any portion of the Mortgaged Premises; (iv) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such hazardous substances, solid wastes or Hazards; (v) any lawsuit brought or threatened, settlement reached, or order by any governmental authority relating to such hazardous substances, solid wastes or Hazards; and/or (vi) any violation of any Applicable Regulations or Applicable Environmental Laws or demands of any governmental authorities, or violation of any policies or requirements of the Mortgagee which are based upon or in any way related to such hazardous substances, solid wastes or Hazards, regardless of whether or not any of the conditions described under any of the foregoing subsections was or is caused by or within the control of the Mortgagor. All of the foregoing covenants, representations, warranties and indemnities made by the Mortgagor shall be continuing and shall survive the funding and payment in full of the indebtedness secured by this Mortgage, as well as any foreclosure of this Mortgage or granting of any deed in lieu of foreclosure of this Mortgage and/or the recordation of any release of the lien of this Mortgage.

24. Subrogation. To the extent funds are advanced under the Notes hereby secured for the purpose of paying the indebtedness secured by any mortgage lien having priority over the lien of this Mortgage, the Mortgagee shall be subrogated to any and all rights, superior titles, liens and equities owned or claimed by the holder of such prior mortgage. Except with respect to the priority of any mortgage to which the Mortgagee is subrogated pursuant to the provisions hereof,

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

the terms and provisions of this Mortgage shall govern the rights and remedies of the Mortgagee and shall supersede the rights and remedies provided under any mortgage to which the Mortgagee is subrogated.

25. Construction Mortgage. This is a "construction mortgage" within the meaning of Section 9.313(1)(c) of the Uniform Commercial Code of the State of Oklahoma. This instrument secures an obligation for the construction of improvements on land.

26. Fixture Filing. Certain of the Mortgaged Premises is or will become fixtures on the real estate described herein and this Mortgage, on being recorded in the real estate records of the county in which the Mortgaged Premises are located, shall be effective as a financing statement on such Mortgaged Premises which is or may become fixtures.

27. Governing Law. The Mortgagor and the Mortgagee are residents of the State of Oklahoma. This Mortgage and the Notes secured hereby were negotiated, executed and delivered in Oklahoma City, Oklahoma County, Oklahoma, and the parties hereto agree that this Mortgage shall be construed according to the laws of the State of Oklahoma.

28. Construction. Wherever used in this Mortgage, unless the context clearly indicates a contrary intent or unless otherwise specifically provided herein, the word "Mortgagor" shall mean "Mortgagor and/or any subsequent owner or owners of the Mortgaged Premises", the word "Mortgagee" shall mean "Mortgagee or any subsequent holder or holders of this Mortgage", the word "Notes" shall mean "notes secured by this Mortgage" and the word "person" shall mean "an individual, corporation, partnership or unincorporated association." The paragraph headings contained herein are included as a matter of convenience and are not intended to define, limit or modify the terms of this Mortgage. This Mortgage shall be binding on the Mortgagor and all heirs, personal representatives, successors and assigns of the Mortgagor and inure to the benefit of the Mortgagee and all heirs, personal representatives, successors and assigns of the Mortgagee.

29. Severability. If any provision of this Mortgage is held to be illegal, invalid, or unenforceable under present or future laws, such provision shall be fully severable and shall not invalidate this Mortgage, and the remaining provision of this Mortgage shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Mortgage.
