FOR IMMEDIATE RELEASE

TrustCo Announces Third Quarter Results

Glenville, New York - October 17, 2006 TrustCo Bank Corp NY (TrustCo, Nasdaq: TRST) today announced results for the third quarter of 2006 and for the first nine months of the year. Net income for the third quarter of 2006 was \$11.2 million, compared to \$15.7 million for 2005. Diluted earnings per share were \$0.149 for the third quarter 2006 compared to \$0.208 for the third quarter of 2005. Return on average assets and return on average equity were 1.48% and 18.89% for the third quarter of 2006 compared to 2.20% and 27.38% for the third quarter of 2005.

Robert J. McCormick, President and Chief Executive Officer, said, "This is a difficult period in the banking industry and TrustCo is not immune. The flat or inverted yield curve continues to have a negative impact on earnings, however, unlike many of our peers, TrustCo has a growth plan that continues to show impressive results. As of September 30, 2006, total loans have increased \$290.5 million or 20.8% and deposits have increased \$164.9 million or 6.6% compared to September 30, 2005."

Net income for the nine months ending September 30, 2006 was \$36.0 million or \$0.479 in diluted earnings per share compared to \$45.6 million or \$0.605 in diluted earnings per share for the nine months ending September 30, 2005. The year-to-date 2005 results included pretax nonrecurring gains of \$2.0 million from the sale of the former operations center and the sale of the credit card portfolio, \$5.7 million of net security gains in 2005 as compared to \$264 thousand of net security losses in 2006 and \$4.8 million of a credit from the allowance for loan losses in 2005 as compared to a credit of \$3.6 million in 2006.

5

Our efficiency ratio performance was 40.46% for the first nine months of 2006 compared to 37.48% for the same period in 2005. We continually strive to deliver superior quality service to our customers at the lowest possible cost, an effort that has been central to our management philosophy for many years.

Mr. McCormick stated: "We are proud to announce that during the third quarter

Edgar Filing: TRUSTCO BANK CORP N Y - Form 8-K

of 2006 we opened our Pittsfield, Massachusetts office. This is our 89th branch overall and our first in Massachusetts. We will look to add a few additional offices in the Western Massachusetts area should opportunities arise. During the third quarter, we also opened an office in Airmont, NY (Rockland County) and three in Florida, bringing our total in the Sunshine State to seventeen with additional openings planned for the fourth quarter of 2006."

US Banker, an industry publication, recently listed the top 100 performing Mid-Tier Savings Banks in the Country. TrustCo ranked fourth best. Mr. McCormick said: "It is gratifying to be continually ranked as one of the top managed Savings Banks in the Nation."

TrustCo is a \$3.0 billion bank holding company and through its subsidiary, Trustco Bank, operates 89 offices in New York, New Jersey, Vermont, Massachusetts, and Florida. In addition, the Bank operates a full service Trust Department. The common shares of TrustCo are traded on the Nasdaq Global Market of the Nasdaq Stock Market under the symbol TRST.

Except for the historical information contained herein, the matters discussed in this news release and other information contained in TrustCo's Securities and Exchange Commission filings may express "forward-looking statements." Those "forward-looking statements" may involve risk and uncertainties, including statements containing future events or performance and assumptions and other statements of historical facts.

TrustCo wishes to caution readers not to place undue reliance on any such forward-looking statements, which speak only as of the date made. The following important factors, among others, in some cases have affected and in the future could affect TrustCo's actual results, and could cause TrustCo's actual financial performance to differ materially from that expressed in any forward-looking statement: (1) credit risk, (2) interest rate risk, (3) competition, (4) changes in the regulatory environment, and (5) changes in local market area and general business and economic trends. The foregoing list should not be construed as exhaustive, and the Company disclaims any obligation to subsequently revise any forward-looking statements to reflect events or circumstances after the date of such statements, or to reflect the occurrence of anticipated or unanticipated events.
