Report of Independent Registered Public Accounting Firm

The Plan Administrator

Hasbro, Inc. Retirement Savings Plan:

We have audited the accompanying statements of net assets available for plan benefits of the Hasbro, Inc. Retirement Savings Plan (the Plan) as of December 31, 2006 and 2005, and the related statements of changes in net assets available for plan benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2006 and 2005, and the changes in net assets available for plan benefits for the years ended December 31, 2006 and 2005, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2006 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under

Edgar Filing: HASBRO INC - Form 11-K

the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

As further described in Note 2, during 2006 the Plan adopted Financial Accounting Standards Board Staff Position AAG INV-1 and Statement of Position 94-4-1, Reporting of Fully Benefit-Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans.

## HASBRO, INC. RETIREMENT SAVINGS PLAN

### Notes to Financial Statements

December 31, 2006 and 2005

#### (1) Description of Plan

The following brief description of the Hasbro, Inc. Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

##### (a) General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is available to substantially all domestic employees of Hasbro, Inc. and certain subsidiaries (collectively the Company or Plan Administrator). Participation in the Plan is voluntary and eligibility provisions apply.

##### (b) Contributions

Eligible employees could contribute up to 50% of their eligible pay, limited to an annual maximum of \$15,000 and \$14,000, respectively, in 2006 and 2005. Contributions may be limited to less than the maximum percentage of eligible pay to enable the Company to meet IRS discrimination regulations. The Company makes a matching contribution, except for Milton Bradley union employees, of 200% of the first 2% of the participants' eligible pay that they contribute per pay period, plus a 50% match of the next 4% of participants' eligible pay that they contribute per pay period up to a maximum matching contribution of 6% of a participant's eligible pay per pay period. For Milton Bradley union employees, from January 1, 2005 to February 6, 2005, the Company made a 25% matching contribution, up to a matching of 6% of a participant's eligible pay per pay period. For the remainder of 2005 and during 2006, the Company's matching contribution was 30%, up to a maximum matching of 6% of a participant's eligible pay per pay period.

All eligible employees at least age 50 by the end of the calendar year are permitted to make additional pre-tax deferrals over and above the otherwise applicable limits. These additional deferrals are called "catch-up contributions." The Company does not make a matching contribution. Catch-up contributions may be made up to an additional \$5,000 for 2006 and \$4,000 for 2005.

##### (c) Benefits

All participants currently employed by the Company own, or are vested in, 100% of the total value of their plan account, including the Company's 401(k) matching contribution to the Plan, except for Milton Bradley union employees who become 100% vested in Company contributions on January 1 following the completion of one year of service. Subsequent to December 31, 2006, the vesting provisions

related to Milton Bradley union employees were modified resulting in immediate vesting of Company contributions effective February 5, 2007. A participant's entire vested account will be paid upon retirement, disability, or termination of employment. The account balance will be paid to a beneficiary upon death of the participant.

Participants in the Plan have the option of receiving their account either in a lump sum or in periodic installments. Participants, except for terminated participants, may also make in-service withdrawals from their Pre-Tax Savings Contribution Account in the event of a demonstrated severe financial hardship as defined by the IRS Safe Harbor rules. Participants who have reached age 59 1/2 may make in-service withdrawals from their vested accounts in the Plan for any reason.

(d) Participant Loans

The maximum loan available to each participant is the lesser of (1) \$50,000 reduced by the highest outstanding loan balance due from the participant during the preceding twelve months, or (2) 50% of the participant's vested account balance, reduced by the current outstanding loan balance due from the participant. The minimum loan amount available to participants is \$500. Each loan shall bear a fixed interest rate on the 1st day of the month (for each month) at prime as published in the Wall Street Journal on the prior day. Repayment of the loan must be made over a period not to exceed five years, unless it is for the purchase of a primary residence, then the loan period cannot exceed ten years.

(2) Summary of Accounting Policies

(a) Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. Actual results could differ from those estimates. The accompanying financial statements are presented on the accrual basis of accounting. Benefits payable at year end are not accrued for as they are considered to be a component of the net assets available for plan benefits.

### (b) Investments

On December 29, 2005, the Financial Accounting Standards Board (FASB) issued Financial Accounting Standards Board Staff Position (FSP) AAG INV-1 and Statement of Position 94-4-1, Reporting of Fully Benefit-Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Audit Guide and Defined-Contribution Health and Welfare and Pension Plans (the "FSP"). The FSP provides a definition of fully benefit-responsive investment contracts and guidance on financial statement presentation and disclosure of fully benefit-responsive investment contracts.

The Plan has adopted the FSP for the year ended December 31, 2006 and has retroactively restated the December 31, 2005 presentation of investments in the accompanying statements of Net Assets Available for Plan Benefits as required by the transition provisions of the FSP. One of the investment options offered by the Plan, the Stable Asset Fund for Employee Benefit Plans, is a common collective trust that is fully invested in contracts deemed to be fully benefit-responsive within the meaning of the FSP. The FSP requires that this investment be reported at fair value. However, contract value is the relevant measure to the Plan because it is the amount that is available for Plan benefits. Accordingly, investments as reflected in the Statements of Net Assets Available for Plan Benefits state the Stable Asset Fund for Employee Benefit Plans at its fair value, with a corresponding adjustment to reflect the investment at contract value. The adoption of the FSP had no impact on net assets available for plan benefit or changes in net assets available for plan benefit.

Investments are stated at fair value. Company stock held in the Hasbro Stock Fund is valued at the composite closing price on the New York Stock Exchange. The fair value of other investments is determined daily by Fidelity Management Trust Company (the Trustee) on a per share basis using security prices quoted on national exchanges.

Participant notes receivable are valued at cost, which approximates fair value.

### HASBRO, INC. RETIREMENT SAVINGS PLAN

#### Notes to Financial Statements

December 31, 2006 and 2005

Security transactions received prior to 4:00 pm Eastern time by the Trustee are recognized on that business day. Transactions received after 4:00 pm Eastern time are valued as of the next business day. Interest income is recorded on the accrual basis and dividend income is recorded on the ex-dividend date.

Net appreciation in the fair value of investments includes both realized and unrealized gains and losses.

## Edgar Filing: HASBRO INC - Form 11-K

(c) Contributions

Contributions from employees are accounted for when deducted from employees' wages. The Company's matching contributions are accrued at the time the employee's contributions are deducted. For years ended December 31, 2006 and 2005, employer and employee contributions for the last pay period of the year were paid to the Plan prior to the Plan's year end.

(d) Payments of Benefits

Benefits are recorded when paid.

(e) Administrative Expenses

The Plan bears all costs and general expenses incurred with regard to investment consulting, audit, legal and communication fees, other professional fees, independent fund managers and the purchase and sale of investments. Other costs of administration are paid for by the Plan Administrator.

### 3) Investment Information

Participants may elect to have their accounts invested in one or more of the investment funds offered by the Plan. Investment funds offered by the Plan include the following nationally traded mutual funds: the Fidelity Equity Income Fund, the Fidelity Growth Company Fund, the Fidelity Freedom 2000 Fund, Fidelity Freedom 2010 Fund, the Fidelity Freedom 2020 Fund, the Fidelity Freedom 2030 Fund, the Fidelity Freedom 2040 Fund, the Fidelity Freedom Income Fund, the PIMCO Total Return Fund, the Spartan US Equity Index Fund, and the Fidelity Diversified International Fund. The following investment options were added as of July 1, 2005: Vanguard Small-Cap Index Fund, Vanguard Mid-Cap Index Fund, and Standish Mellon High Yield Bond Fund. The Fidelity Magellan Fund and Dreyfus Emerging Leaders Fund investment options were eliminated effective October 31, 2005.

#### HASBRO, INC. RETIREMENT SAVINGS PLAN

##### Notes to Financial Statements

December 31, 2006 and 2005

Participants can elect to invest up to 25% of their contributions in the Hasbro Stock Fund which is a unitized stock fund that invests in the stock of Hasbro, Inc. and other short term investments designed to allow participants to buy and sell without the usual trade settlement period for individual stock transactions. Ownership is measured in units of the fund instead of shares of stock. In addition, participants cannot elect to reallocate their investment funds that would result in 25% or more of their account invested in the Hasbro Stock Fund. The fair value of the cash and investments of the Hasbro Stock Fund was \$2,957,782 as of December 31, 2006 and \$1,995,740 as of December 31, 2005.

Participants may also elect to invest their funds in the Stable Asset Fund for Employee Benefit Plans. This fund is managed by Columbia Management Advisors, LLC. and invests in fixed income contracts. In the Statements of Net Assets Available for Plan Benefits, the Plan is required to reflect

#### (6) Risks and Uncertainties

Edgar Filing: HASBRO INC - Form 11-K

The Plan provides for investments in various funds, which invest in equity and debt securities and other investments. Such investments are exposed to risks and uncertainties, such as interest rate risk, credit risk, economic and political risks, regulatory changes, and foreign currency risk. In addition, participants may elect to invest up to 25% of their contributions in the Hasbro Stock Fund. The underlying performance of this fund is dependent upon the performance of the Company and the market's evaluation of such performance. The Plan's exposure to a concentration of credit risk is subject to the Plan's investment funds selected by participants. These risks and uncertainties could impact participants' account balances and the amounts reported in the financial statements.

(7) Federal Income Taxes

The Internal Revenue Service issued a determination letter on January 21, 2003, which stated that the Plan and its underlying trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC), and therefore, are exempt from federal income taxes.
