Item 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under the New York Business Corporation Law (the "NYBCL") a corporation may indemnify any person made, or threatened to be made, a party to an action or proceeding (other than one by or in the right of the corporation to procure a judgment in its favor), whether civil or criminal, including an action by or in the right of any other corporation of any type or kind, domestic or foreign, or any partnership, joint venture, trust, employee benefit plan or other enterprise, which any director or officer of the corporation served in any capacity at the request of the corporation, by any reason of the fact that he, his testator or intestate, was a director or officer of the corporation, or served such other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and necessarily incurred as a result of such action or proceeding, or any appeal therein, if such director or officer acted, in good faith, for a purpose which he reasonably believed to be in, or, in the case of service for any other corporation or any partnership, joint venture, trust, employee benefit plan or other enterprise, not opposed to, the best interests of the corporation and, in criminal actions or proceedings, in addition, had no reasonable cause to believe that his conduct was unlawful.

The NYBCL further provides that no indemnification of directors in shareholder derivative suits may be made in respect of (i) a threatened action, or a pending action which is settled or otherwise disposed of, or (ii) any claim, issue or matter as to which the director or officer has been adjudged to be liable to the corporation, unless and only to the extent that the court in which the action was brought or, if no action is brought, any court of competent jurisdiction, determines upon application that, in view of the circumstances of the case, the director or officer is fairly and reasonably entitled to indemnity for such portion of the settlement amount and expenses as the court deems proper. The statutory provisions for indemnification and advancement of expenses are not exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled independently of the applicable statutory provision.

The AEP By-Laws provide that to the fullest extent permitted by law, AEP shall indemnify any person made, or threatened to be made, a party to any action or proceeding (formal or informal), whether civil, criminal, administrative or investigative and whether by or in the right of AEP or otherwise, by reason of the fact that such person, such person's testator or intestate, is or was a director, officer or employee of AEP, or of any subsidiary or affiliate of AEP, or served any other corporation, partnership, joint venture, trust, employee benefit plan or other enterprise in any capacity at the request of AEP, against all loss and expense including, without limiting the generality of the foregoing, judgments, fines (including excise taxes), amounts paid in settlement and attorneys' fees and disbursements actually and necessarily incurred as a result of such action or

Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form S-8

proceeding, or any appeal therefrom, and all legal fees and expenses incurred in successfully asserting a claim for indemnification pursuant to such provision of the AEP By-Laws; provided, however, that no indemnification may be made to or on behalf of any director, officer or employee if a judgment or other final adjudication adverse to the director, officer or employee establishes that such person's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that such person personally gained in fact a financial profit or other advantage to which such person was not legally entitled.

The AEP By-Laws further provide that in any case in which a director, officer or employee (or a representative of the estate of such director, officer or employee) requests indemnification, upon such person's request the AEP Board of Directors shall meet within sixty days thereof to determine whether such person is eligible for indemnification in accordance with the standard set forth above. Such a person claiming indemnification shall be entitled to indemnification upon a determination that no judgment or other final adjudication adverse to such person has established that such person's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that such person personally gained in fact a financial profit or other advantage to which such person was not legally entitled.

Item 9. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to the registration statement:

Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form S-8

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) of the Securities Act of 1933 if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned registrant hereby undertakes that, for the purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities

Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form S-8

(other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Participant Contributions are to be made in multiples of one (1) whole percentage of Compensation, not to exceed 20 percent of Compensation for any payroll period or Plan Year. The maximum Participant Contribution for any Plan Year shall not exceed the difference between (a) the Participant's Compensation for the Plan Year times 20 percent and (b) the aggregate amount of the Participant's Before-Tax and After-Tax contributions to the Savings Plan.

3.2 Subject to the limitation contained in section 3.3, the Company shall contribute to the Plan on behalf of each Participant an amount equal to 75% of the amount, not in excess of 6% of a Participant's Compensation, contributed to the Plan by the Participant.

3.3 The amount of Company Contributions deemed to be contributed to the Plan on behalf of a Participant in combination with contributions made by the Company to the Savings Plan on behalf of the Participant, shall, in the aggregate be equal to the lesser of (a) 75% of the Participant Contributions made by the Participant to this Plan and the Savings Plan, or (b) 4.5% of the Participant's Compensation. If the aggregate contributions exceed the lesser limitation, Company Contributions credited to the Participant's Account shall be reduced until the aggregate Company Contributions made under both the Savings Plan and this Plan do not exceed the limitation.

4.3 The Funds shall be valued daily at their fair market value and each Participant's Account shall be valued daily at its fair market value. The fair market value calculation for a Participant's Account shall be made after all Contributions, withdrawals, distributions, Investment Income and transfers for the day are recorded.

4.4 The Plan is an unfunded non-qualified deferred compensation plan and therefore the Contributions credited to a Participant's Account and the investment of those Contributions in the Fund or Funds selected by the Participant are memo accounts that represent general, unsecured liabilities of the Company payable exclusively out of the general assets of the Company.

ARTICLE V

ELECTION, DISTRIBUTIONS AND BENEFICIARIES

5.1 In order for an election to make Participant Contributions to be effective for any given Plan Year, the Participant must enter into an irrevocable Pay Reduction Agreement during the annual enrollment period preceding the Plan Year as to which the election is to take effect. The Pay Reduction Agreement shall remain in force as to the Plan Year for which it is delivered and shall carry forward for each subsequent Plan Year until it is revoked or superseded by a new Pay Reduction Agreement entered into during an annual enrollment period. No election shall be effective to defer under the Plan any Compensation which would be otherwise paid to the Participant on or before the first day of the Plan year for which the Pay Reduction Agreement is entered into. The Pay Reduction Agreement and any revocation thereof shall contain such information as may be reasonably required by the Committee and shall be executed at the time and in the manner prescribed by the Committee.

5.2 Upon a Participant's termination of employment for any reason other than death, all amounts which are credited to the Participant's Account shall be distributed to the Participant in the form of:

- (1) a single lump-sum payment when the Participant's employment is terminated or at the end of the post-termination deferral period selected by the Participant, or
- (2) in approximately equal annual or semi-annual installment payments over not less than two or more than ten years commencing when the Participant's employment is terminated or at the end of the post-termination deferral period selected by the Participant.

A post-termination deferral shall be for a period of at least one year but not more than five years from the date the Participant's employment is terminate. The Participant's distribution election shall be made when the Participant first elects to participate in the Plan. The Participant may amend or revoke the distribution election at any time prior to the Participant's termination of employment, but any such amendment or revocation must be made at least twelve months prior to the initial distribution. If the Participant does not elect a post-termination deferral, the distribution of a lump-sum payment or the first installment payment shall be made within 120 days after the Participant's termination of employment. If the Participant elects a post-termination deferral, the lump-sum payment or the first installment payment shall be made within 120 days after the end of the deferral period. If the Participant elects a post-termination deferral or elects installment payments, the Participant shall be eligible to invest the undistributed balance in the Participant's Account as provided in section 4.2. A lump sum distribution with no post-termination deferral will be made for participants who do not make a distribution election.

Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form S-8

5.3 Each Participant shall have the right to designate a beneficiary or beneficiaries who shall receive the balance of the Participant's Account if the Participant dies prior to the complete distribution of the Participant's Account. Any designation, or change or rescission thereof, shall be made by completing and furnishing to the Committee the appropriate beneficiary form prescribed by the Committee. The last designation of beneficiary received by the Committee prior to the death of the Participant shall control.

5.4 Upon a Participant's death prior to termination of employment or prior to the complete distribution of the Participant's Account, all amounts credited to the Participant's Account shall be distributed to (a) the Participant's named beneficiary, or (b) if the named beneficiary predeceases the Participant or if the Participant did not name a beneficiary, to the Participant's estate. Distributions to the named beneficiary shall be in the form of (1) a single lump-sum payment or (2) in approximately equal annual or semi-annual installment payments over not less than two nor more than ten years as elected by the beneficiary. The beneficiary's distribution election must be made within 90 days of the Participant's date of death. If an election is not made, the beneficiary shall receive a lump-sum payment. The distribution of a lump-sum payment or the first installment payment to a beneficiary shall be made within 90 days after the beneficiary makes or fails to make a distribution election. In the event the beneficiary elects installment payments, the beneficiary shall be eligible to invest the remaining balance in the Account as provided in section 4.2 as if the beneficiary is a Participant. In the event a beneficiary receiving installment payments shall die prior to a complete distribution of the Account, the remaining balance in the Account shall be paid to the beneficiary's estate within 120 days after the Committee is notified of beneficiary's death. The distribution of a lump-sum payment to the Participant's estate shall be made within 120 days after the Participant's date of death.

ARTICLE VI

TAXES AND TAX TREATMENT

6.1 Each Participant agrees that as a condition of participation in the Plan, the Company may withhold all applicable taxes from any distribution hereunder to the extent that such taxes are then payable.

6.2 The adoption and maintenance of the Plan is conditioned upon (1) the applicability of section 451(a) of the Code to the Participant's recognition of gross income as a result of participation herein, (2) the fact that the Participants will not recognize gross income as a result of participation in the Plan unless and until and then only to the extent that distributions are received, (3) the fact that the Company will not receive a deduction for amount credited to any Account unless and until and then only to the extent that amounts are actually distributed and (4) the inapplicability of the provisions of Titles 2, 3, and 4 of ERISA. If the Internal Revenue Service, Department of Labor or any court of competent jurisdiction determines or finds as a fact or legal conclusion that any of the above conditions is untrue and issues an assessment, determination, opinion or report to such effect, or if in the opinion of counsel to the Company any one of the above assumptions is incorrect, then the Company shall have the option to terminate this Plan as provided in section 8.1.

ARTICLE VII

Administration

Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form S-8

7.1 The Committee shall (i) administer and interpret the terms and conditions of the Plan, (ii) establish reasonable procedures with which Participants must comply to exercise any right established hereunder, and (iii) be permitted to delegate its responsibilities or duties hereunder to any person or entity. The rights and duties of the Participants and all other persons and entities claiming an interest under the Plan are subject to, and governed by, such acts of administration, interpretation, procedure and delegation.

7.2 The Committee may employ agents, attorneys, accountants, or other persons and allocate or delegate to them powers, rights, and duties all as the Committee may consider necessary or advisable to properly carry out the administration of the Plan.

7.3 The Company shall maintain, or cause to be maintained, records showing the individual credit balances of each Participant's Account. Each Participant shall be furnished with quarterly statements setting forth the value of the total credits to the Participant's Account.

ARTICLE VIII

Amendment or Termination

8.1 The Company intends to continue the Plan indefinitely but reserves the right to modify the Plan from time to time, or to terminate the Plan entirely or to direct the permanent discontinuance or temporary suspension of Contributions under the Plan; provided that no such modification, termination, discontinuance or suspension shall affect or otherwise deprive a Participant or beneficiary of any distributions to which they may be entitled under the Plan.

ARTICLE IX

Miscellaneous

9.1 Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon a Participant any right to continue in the employ of the Company.

9.2 In the event the Committee shall find that a Participant or beneficiary is unable to care for his or her affairs because of illness or accident, the Committee may direct that any payment due the Participant or the beneficiary be paid to the duly appointed legal representative of the Participant or beneficiary, and any such payment so made shall be a complete discharge of the liabilities of the Plan and the Company.

9.3 The Plan shall be construed and administered according to the laws of the State of Ohio.

ARTICLE X

Change In Control

10.1 Notwithstanding any provisions of the Plan to the contrary, if a Change in Control, as defined in Section 10.2, of the Corporation occurs, all benefits accrued as of the date of the Change in Control shall be fully vested and non-forfeitable.

ARTICLE XI

Claims Procedure

11.1 If a Participant makes a written request alleging a right to receive benefits under the Plan or alleging a right to receive an adjustment in benefits being paid under the Plan, the Committee shall treat it as a claim for benefits. All claims for benefits under the Plan shall be sent to the Committee and must be received within 75 days after the Participant's termination of employment. If the Committee determines that any Participant who has claimed a right to receive benefits, or different benefits, under the Plan is not entitled to receive all or any part of the benefits claimed, it will inform the claimant in writing of its determination and the reasons therefor in terms calculated to be understood by the claimant. The notice will be sent within 90 days of the claim unless the Committee determines additional time, not exceeding 90 days, is needed. The notice shall make specific reference to the pertinent Plan provisions on which the denial is based, and describe any additional material or information, if any, necessary for the claimant to perfect the claim and the reason any such additional material or information is necessary. Such notice shall, in addition, inform the claimant what procedure the claimant should follow to take advantage of the review procedures set forth below in the event the claimant desires to contest the denial of the claim. The claimant may within 90 days thereafter

submit in writing to the Committee a notice that the claimant contests the denial of the claim by the Committee and desires a further review. The Committee shall within 60 days thereafter review the claim and authorize the claimant to appear personally and review pertinent documents and submit issues and comments relating to the claim to the persons responsible for making the determination on behalf of the Committee. The Committee will render its final decision with specific reasons therefore in writing and will transmit it to the claimant within 60 days of the written request for review, unless the Committee determines additional time, not exceeding 60 days, is needed, and so notifies the claimant. If the Committee fails to respond to a claim filed in accordance with the foregoing within 90 days or any such extended period, the Committee shall be deemed to have denied the claim.
